# Top-class facilities must at stadiums

**DIFFERENT STROKES**  
**SUNIL GAVASKAR**

In a few days' time, our country will be hosting the ICC World Cup for the fourth time. From having to fight for moving it out of England to India for the first time way back in 1987 to a stage where the ICC is only too happy to have it in India, it's been a long haul. The India of 2023 is a far cry from 1987.

Even then India showed it could organise a World Cup brilliantly though the media from the Old Powers tried to find faults with this, that or the other. Those who came with an open mind enjoyed the tournament thoroughly.

Australia won it for the first time because they had decided even before they boarded the flight that they are not going to get distracted and enjoy the game. Australia teams since then have followed the same approach and that's why they have had more success in India than teams that come with their noses up in the air and so don't see the ground below them.

With India's economy growing at a good pace the infrastructure has improved beyond recognition and getting better than in the Old Powers too. That said, there's always room for improvement and with funds no longer an issue it's imperative that this World Cup showcases the best of

India to the thousands of visitors from overseas who will be coming down to support their country's team and to witness the matches in the World Cup.

While the BCCI has no control over travel and hotels they certainly do have the stadium under their umbrella and that's where the visitors will make their memories of India. While they may go for the various tar packages that are offered to see the tourist attractions, they will spend more time at the stadium in a day than anywhere else. That's why the facilities at each ground need to be spick and span.

With bucket seats now at every ground the thigh to thigh seating is a thing of the distant past and these seats are pretty standard all over the world. Some sections where there has been a premium charge per ticket may have further covering or cushioning to make those seats more comfortable. What the spectators will be looking for are the conveniences and these have to top class.

We have just covered a beyond recognition and getting better than in the Old Powers too. That said, there's always room for improvement and with funds no longer an issue it's imperative that this World Cup showcases the best of

moment the Hyderabad Cricket Association is being run by a court-administered body and not the elected officials. So nobody knows who is responsible for the overall administration.

With less than a week to go for the start of the tournament the approach roads were bumpy and full of garbage strewn around. The lift taking the commentators and TV crew was dirty. The toilets were worse with no tissue papers anywhere available.

Savily with the funds that the BCCI so generously gives to each association every year some part of that can be used to upgrade and improve the conveniences for the spectators because of whom the sport is so popular. Sadly the spectators are the ones who are taken for granted. Hopefully the other venues are better prepared for the mega event.

The BCCI has disbursed special funds to all the venues hosting the matches so there should be no excuses of lack of funds. If anything it is the lack of will and even worse the absence of accountability that has allowed most stadiums to fall into the state they are in.

The decision at the recent AGM of BCCI to ask the associations for a proper accounting of where the funds it disbursed are spent is a brilliant one.

This should not be a cosmetic exercise but a proper forensic one and only if the cri-

teria is met, should the next disbursement be sanctioned.

These funds are after all the public's money and they should be looked after better than anybody else. There are still some days left for the tournament to start and hopefully every step taken to ensure it's a great viewing experience for all and the overseas visitors take back good memories of India.

# City slip to first defeat, United fourth Manchester clubs suffer setbacks

**PREMIER LEAGUE**

WOLVES	2
MAN CITY	1
MAN UNITED	1
PALACE	1

**Wolverhampton:** The Manchester giants had a sorry day in the Premier League on Saturday.

While Manchester City's winning start to the League season ended in a 1-2 loss at Wolverhampton Wanderers, United slumped to their fourth defeat of the campaign as an early Joachim Andersen strike earned Crystal Palace a 1-0 win at Old Trafford.

An own goal from Ruben Dias and a goal from Wolves' Hwang Hee-chan snapped City's run of winning their opening six Premier League games of the season, despite a free-kick goal from Julian Alvarez.

Three days after City's first loss of the season to Newcastle United in the League Cup, the defeat to Wolves meant back-to-back losses for City for the first time since January.

United, on the other hand, continued to struggle. Having tasted defeat in their previous home league match, against Brighton and Hove Albion, the below-par hosts again found themselves behind in the 25th minute as Anderson arrowed into the top corner.

Mason Mount missed United's clearest opening in the second half, with Palace seeing out a victory that moved the visitors up to ninth in the standings, one place above the 20-time top-flight champions.

**Luton's first**

Two goals from set pieces gave Luton Town their first-ever Premier League victory as they beat Everton 2-1 at Goodison Park, hitting the promoted Hatters out of the bottom three and piling on the misery for the Merseysiders. Luton rose to 17th in the table on four points, one place behind Everton on goal difference.

**Olie hat-trick**

Ollie Watkins scored a hat-trick as Aston Villa routed Brighton and Hove Albion

**6-1.** It was Watkins' second hat-trick of the season, having also netted three against Hibernian in the UEFA Europa Conference League. An own goal by Pervis Estupinan and strikes from Jacob Ramsey and Douglas Luiz completed Villa's win.

**Matip's own goal**

Tottenham Hotspur overcame a dogged resistance from nine-man Liverpool to earn a 2-1 win. An own goal from Liverpool's Joel Matip deep into added time gave Spurs full points.

**OTHER RESULTS**

- Villa 6 Brighton 1

# Srikanth fights to keep shuttlers in gold hunt

**Hangzhou:** Kidambi Srikanth rallied to a thrilling win as India kept alive their hopes of winning a gold medal at the Asian Games, reaching the men's team championship final with a 3-2 win over South Korea here on Saturday.

This is India's maiden entry into the final of the team event at the continental showpiece.

World No. 7 HS Prannoy showed nerves of steel to bounce back from an opening game reversal to outwit Jeon Hyook Jip 18-21, 21-16, 21-19 and put India 1-0 ahead but Satwiksairaj Rankireddy and Chirag Shetty lost the first doubles 13-21, 21-28 to reigning world champions Seo Seung-Jae and Kang Min-hyuk as Korea made it 1-1.

Lakshya Sen then put India back in business with a clinical 21-7, 21-15 winner Lee Yungyup but MR Arjun and Dhruv Kapila lost 16-21, 11-21 to Kim Wonho and NA Sungsueng.

Srikanth, a 2021 World Championships silver medalist, then fought his way under pressure in the decider to struggle past world No. 163 Cho Geonyeop 12-21, 21-16, 21-14 and seal India's place in the summit clash at the BJ Gymnasium.

India will look to live up to their Thomas Cup champions tag when they face multiple-time gold medalist China in the final on Sunday.

**2-3 finish**

Long-distance runners Kartik Kumar and Gulveer Singh bagged a silver and bronze medal, respectively, in the men's 10,000m race with personal best times.

Kartik won the silver with a timing of 28:15.38s while Gulveer clocked 28:17.21s to claim the bronze. Both Indians came into medal contention in the last 100 metres, after three runners fell in succession after bumping into each other. Bahraini Yematah Balew of Bahrain won the gold medal

# Pak get the stick in heaviest defeat

**ASIAO HOCKEY**

INDIA	10
PAKISTAN	2

**Hangzhou:** Captain Harmanpreet Singh found the net four times as a rumpaging India hammered Pakistan 10-2 to record their biggest-ever win over the arch-rivals in a Pool A match in the men's hockey competition at the Asian Games here on Saturday. The victory also ensured them a semi-final berth.

Harmanpreet scored in the 11th, 17th, 33rd and 34th minutes while Varun Kumar (41st and 54th) struck twice. Mandeep Singh (8th), Sumit (30th) and Lalit Kumar Upadhyay (46th) were the other goal getters.

Pakistan reduced the margin through Muhammad Khan (60th) and Abdul Rana (45th) as India toyed their opponents for large part of their penultimate pool match.

This was the 180th match between the two teams and the 8-goal margin win was the biggest-ever in the history of India-Pakistan hockey.

India's earlier biggest victory margin was 7-1 against Pakistan in 2017.

Pakistan's 7-1 win in the final of 1982 Asian Games in New Delhi was their biggest win against India.

India thus took revenge of that humiliating loss 41 years ago through Saturday's match.

India collected 12 points from four consecutive wins to stay on top of the pool. India next play Bangladesh on October 2 in their last Pool A

match.

India took the lead when Abhishek made a fine turn on the left side into the opponent's striking circle and his pass was deflected into the goal in the eighth minute by Mandeep.

Pakistan made some threatening moves and earned their first penalty corner in the 11th minute but goalkeeper Krishan Bahadur Pathak was up to the task.

India doubled their lead when they were awarded a penalty stroke and Harmanpreet made no mistake.

Harmanpreet scored his second goal and sixth of the tournament in the 17th minute by converting India's first penalty corner with an accurate drag-kick.

Pakistan attacked mostly from the left side but failed to get a clear shot at the Indian goal.

and then prepare for the Paris Olympics. This kind of thing happens for athletes who compete at the top level.

"I was struggling during the World Championships and I was trying to divert my mind from the injury and focus on the throw.

"My strength is on the speed in the run-up but my biggest problem this time was I could not throw with full run-up even during training because of this injury. But still I am very happy with my performance this season. I want to take away this thought of injury from my mind."

Chopra reckons that sportspersons carry minor injuries here and there and it is about managing them.

"Javelin involves some unnatural movement and so there will be some pull or tightness here and there. In sports, you don't get 100 per cent of what you think. I feel we should not run away from such situations."

# Mixed day

**Hangzhou:** The Indian men's team on Saturday remained second and the mixed team moved up one spot to fourth, but the women's side was languishing at the seventh position in the bridge event of the Asian Games here.

The men's team reached 205.80 points after playing 196 boards, with Hong Kong toppling Japan to occupy the first position.

# Injury not on Neeraj's mind

**Hangzhou:** A groin strain has been troubling Neeraj Chopra for some time but the Olympic and world champion does not want the thought of injury to affect him as he gets ready to defend his Asian Games title.

Chopra had the groin strain for most part of the season but still won the world title in August in Budapest.

"I have come back here after training and doing rehab in a relaxed manner in Switzerland. I hope to give my 100 per cent and defend my Asian Games title," Chopra told reporters here.

"A little bit of groin issue is still there. It happened last year also. I was feeling better but it happened again. I have to take care of this very well
