Press Release For Immediate Publication

Galactico Corporate Services Ltd. Acquiring Beembox Technologies Private Limited

July 20. Mumbai. A Reputed business group based in Nashik, headed by holding company Galactico Corporate Services Ltd. has decided to acquire controlling stake in Beembox Technologies Private Limited - a fantasy gaming application firm, in an all-cash deal. Galactico Corporate Services Ltd intends to invest sum upto Rs. 60 million. Beembox Technologies will participate in promotion and development of variety of fantasy gaming applications.

In the words of Mr. Vipul Lathi, Chairman at Galactico Corporate Services Ltd., "We have seen a tremendous change in the way sports have become a part and parcel of our life. With majority crowd who were never involved with different kinds of sports have started following the same by indulging in online games by competing with each other, while devising different strategies and at the same time staying connected to the Sport. This gear shift has gradually seen a huge spurt in online fantasy gaming. Galactico has always been willing to be a part of this upcoming shift. We are interested in contributing to a brighter future of the skilled based gaming through emerging innovations. We are laying down a foundation for unique skill based gaming which has never been experienced before."

Adds, Mr. Harshal Jethale, Director Beembox Technologies, "The decision to partner with Galactico Corporate Services has been a well-thought one. The resources required in future will be tremendous to stay ahead of the vast competitive highly developing sector of gaming and I am confident that the alliance will help us in producing abundant synergies. Galactico Corporate Services Ltd. will help in development and innovation of numerous software applications and help us reaching the masses through its renowned network."

..ends..
