ABOUT THE COMPANY

"Wallfort Financial Services Limited' (Wallfort) was established in the year 1994 in Mumbai, Maharashtra. We are currently engaged in the business of providing brokerage services to equity market participants and our client base comprises both retail and institutional category clients.

Through our in-house research team, we aim to provide insight and to add value to our institutional clients. Specific client needs vary greatly and we tailor our offering and advice accordingly. The provision of generating investment ideas, providing access to company management and finding a reliable counter party to any transaction lie at the core of our offering. Our research aims to provide differentiated, value added advice to our institutional clients.

Our company is backed by a professional management team, who offer excellent execution of orders and equity research services, forming a comprehensive institutional equities platform. This team is led by the Chairman & Managing Director of the company, Mr. Ashok Bharadia, who has over 36 years of experience in the securities market.

At Wallfort, we invariably aim at offering services that transform into customer satisfaction as a result of our ethical business practice and transparency and that's what has enabled us to perform successfully.

VISION & MISSION

The Wallfort Group's vision is to touch every aspect of life and create true wealth and development for our clients, consumers, employees, partners, shareholders and the community no matter how big or small.

APPROACH & PEOPLE

We are in our own way innovative and enthusiastic. We emphasize adequate, thorough research local and world-wide developments, balancing these with the astute discovery of intrinsic values, synergies and growth. Our people are our greatest asset. Drawn from a diversity of professional backgrounds, their blend of experience, skill and dedication is shared with all our clients.

- p) **Voting Results**
- i. The voting rights of members shall be in proportion to their shares of the paid up Equity Share Capital of the Company (i.e. One Vote for Every One Share held).
 - ii. The Company has appointed M/s. Priti J Sheth & Associates, Practicing Company Secretaries, to act as the scrutinizer.
 - iii. The Scrutinizer shall, immediately after the conclusion of voting at AGM, count the votes cast at AGM, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make, not later than three days of conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing who shall countersign the same.
 - iv. The result declared along with the scrutinizer's report shall be placed on the notice board at the registered office of the Company and on the website of the Company. The Company shall also forward the results to BSE Limited, where the shares of the Company are listed.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- i. The voting period begins on September 22nd, 2024 at 9:00 a.m and ends on September 24th, 2024 at 5:00 p.m During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 18th, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement
Annexed to notice 13/08/2024
[Pursuant to Section 102 of the Companies Act, 2013]

Item No. 3

Mr. Ramkishor Ramjivanji Darak appointed as an Independent Non-Executive Director of the Company by the members at the 24th Annual General Meeting of the Company held on 30th September, 2019 for a period of five consecutive years commencing from the date of 24th AGM. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company. Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Ramkishor Ramjivanji Darak, being eligible for re-appointment as an Independent Director, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from September 30, 2024 to September 29, 2029.

The Company has received declaration from him stating that he meets the criteria of independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so, appointed by the members. In the opinion of the Board, Mr. Ramkishor Ramjivanji Darak fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Non-Executive Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Ramkishor Ramjivanji Darak as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Ramkishor Ramjivanji Darak as an Independent Director. Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Ramkishor Ramjivanji Darak for the approval by the members of the Company. Except Mr. Ramkishor Ramjivanji Darak being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice of the Annual General Meeting.

Item No. 4

Mr. Niraj Totla appointed as an Independent Non-Executive Director of the Company by the members at the 24th Annual General Meeting of the Company held on 30th September, 2019 for a period of five consecutive years commencing from the date of 24th AGM. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company. Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Niraj Totla, being eligible for re-appointment as an Independent Director, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from September 30th, 2024 to September 29th, 2029.

The Company has received declaration from him stating that he meets the criteria of independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members. In the opinion of the Board, Mr. Niraj Totla fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Non-Executive Director of the Company and is independent of the management.

Copy of the draft letter for appointment of Mr. Niraj Totla as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Ajay Mantri as an Independent Director. Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Niraj Totla for the approval by the members of the Company. Except Mr. Niraj Totla being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice of the Annual General Meeting.

BOARD'S REPORT

Dear Members,

The Board of Directors hereby presents the report of the business and operations of your Company, along with the audited financial statements, for the financial year ended March 31, 2024.

Summary of operations/results

The financial results of the Company for the year ended March 31, 2024 as compared to that of previous year are summarized as under:

(in 000')

Particulars	Financial Year 2023 - 24	Financial Year 2022 - 23
Revenue from operations	5,08,062.24	1,99,114.26
Other Income	953.22	1,233.40
Profit/(Loss) before tax	3,64,242.64	60,626.88
Profit/(Loss) after tax	2,96,116.14	50,450.63

Company's Affairs & Financial Performance

In comparison to previous year, the performance for FY 2024 was considerably better due to fair growth in the brokerage income and other operating income while maintaining effective cost controls. The higher revenues were a consequence of improved investor sentiment due to a fair moderation in inflation and stabilizing global macro factors.

During FY 2024, the company reported a net profit of Rs. 296116.14 (in Thousands) as against a profit of Rs. 50,450.63 (in Thousands) in FY 2023.

Secretarial Audit Report

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Wallfort Financial Services Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Wallfort Financial Services Limited (hereinafter referred to as 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Wallfort Financial Services Limited ("The Company") for the period ended on 31st March, 2024 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the Rules made thereunder;

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and amendments from time to time (Not applicable to the Company during Audit period)
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during Audit period)

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015.

We further report that, based on the representation made by the Company and its Officers in respect of systems and mechanism formed / followed by the Company and on examination of the relevant documents and records in pursuance thereof, on test check basis, the following laws, regulations, directions, orders are applicable specifically to the Company:

- a) SEBI (Stock-Brokers) Regulations, 1992, as amended.
- b) SEBI (Intermediaries) Regulations, 2008, as amended.
- c) SEBI (Depositories and Participants) Regulations, 2018, as amended.

During the period under review and as per representations and clarifications provided by the management, I confirm that the Company has complied with the provisions of the Acts, rules, regulations, guidelines, standards etc. mentioned above.

I further report that compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit since the same has been subject to review by the Statutory Auditors and other designated professionals.

I further report that:

- The Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors and Non-Executive Independent Directors.
- Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All decisions at Board & Committee Meetings were carried out unanimously.

I further report that:

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

There were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

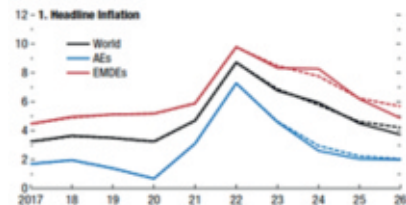

During Financial Year 2024, the Indian economy grew at a robust rate upwards of 7.5%. This has come as an eye opener to many advanced economies in the world which are undergoing a slowdown due to variety of internal and external factors. Not long ago, a slowdown in the global economy would have had considerable cascading effects on the Indian economy, however, this time was different. This outperformance can be largely attributed to the slew of reforms made by the government over the last five years, especially in improving the quality of banking and financial system and in its push for digital inclusion to ensure higher liquidity in the financial system.

Figure 1.14. Growth Outlook: Broadly Stable
(Percent; solid = April 2024 WEO, dashes = October 2023 WEO)

Source: IMF staff calculations.
Note: AE = advanced economy; EMDE = emerging market and developing economy; LAC = Latin America and the Caribbean; MEACA = Middle East and Central Asia; SSA = sub-Saharan Africa; WEO = World Economic Outlook.

Figure 1.15. Inflation Outlook: Falling
(Percent; solid = April 2024 WEO, dashes = October 2023 WEO)

The focus on building new capabilities, enhancing capacities in the manufacturing sector and localisation of components industry is also leading to decreasing dependency on the global supply chains, more jobs and improving margin profile of OEMs. A higher digital inclusion has also led to higher revenue collections by the government, which is being used productively for bettering the country's infrastructure rather than just paying subsidies. With most reforms being targeted towards bettering of country's systemic architecture, they will provide structural tailwinds to the country that will set it for decades of sustainable growth. The quality of Indian reforms and its savvy in dealing with external environment has clearly been reflected from the performance of its economy.

As per the charts extracted from the WEF World Economic Outlook Report of April 2024, the charts clearly indicate Emerging Market growth rate to be considerably higher than the Advanced Economies. Within major Emerging Market economies, India holds the top position of over 6.5% growth rate. The Inflation Outlook chart on the left also indicates a cooling forecast of inflation in the coming years which should achieve stability by 2026. Even as the world continues to deal with the inflation shock, India's resilience in managing its inflation and maintaining a strong growth outlook is indicative of its economic and financial stability. The ripening demographic dividend which is leading to more people entering the workforce should lead to improvement in per-capita incomes, higher tax collections and more consumption. With all this in perspective, the conditions seem right for India to grow sustainably in the medium to long term.

With respect to its stock markets, India's economic outperformance relative to its global peers led to a strong performance in its benchmark indices. The Nifty50 & SENSEX ended this financial year on a positive note owing to a higher GDP growth, improved corporate earnings robust growth outlook and cooling of inflation. The BSE SENSEX increased by around 24.5 per cent in FY 2024 while the broader Nifty50 index of the National Stock Exchange (NSE) increased by around 28.1 per cent. While the performance for FY 2024 has been great, the markets are expected to moderate in FY 2025 as the corporate earnings catch up to the valuations set forth by the capital markets.

OPPORTUNITY

- Positive long-term economic outlook will lead to opportunity for financial services
- Increased digitalisation allowing AMCs to expand services and improve penetration
- Growing popularity of SIPs, with large-scale campaigns improving outreach.
- Regulatory reforms would aid greater participation by all class of investors
- Corporates looking at consolidation/acquisitions/restructuring opens out opportunities for the corporate advisory business

We are very pleased to inform you that your company is now servicing 99 Institutional Clients and look forward to become one of the premier brokerage houses for Institutions/ Corporates /Banks and FIIs in years to come. With a positive outlook on DII and Mutual Funds Flows we look forward to generating more business and servicing even more institutional clients.

THREAT

- Short term economic slowdown impacting investor sentiments and business activities
- Credit risk, interest rate risk, liquidity risk and operational risks are the major risks the company faces.
- High employee turnover and attraction of fresh talent continues to be a challenge.
- Regulatory reforms would aid greater participation by all class of investors
- Increased intensity of competition from local and global player

STRENGTH

Strong Brand Name

We are enhancing our service capabilities, providing good quality research and efficient market information to our clients. With a strong brand name '**Wallfort**' is a well-established brand among institutional investors in India and Broking Community. Wallfort believes that its brand is associated with high quality research and advice as well as corporate values like integrity and excellence. The company intends to leverage its brand to grow its businesses, build relationships and attract and retain talented individuals.

Experienced Top Management

The top management team comprises qualified and experienced professionals, with a successful track record is in charge of the corporation's goals, policies, and procedures.

Strong Risk Management

Strong Risk Management Risk exposure is monitored and controlled through a variety of separate but complementary financial, credit, operational, compliance and legal reporting systems. Risk management department analyses this data in conjunction with the company's risk management policies and takes appropriate action where necessary to minimize risk.

RISK AND CONCERN

- Impact of markets on our revenues and investments, sustainability of the business across cycles sharp movements in prevailing interest rates in the market.
- Risk that a client will fail to deliver as per the terms of a contract with us or another party at the time of settlement.
- Risk due to uncertainty of a counterparty's ability to meet its financial obligations to us.
- Inability to conduct business and service clients in the event of a contingency such as natural calamity, breakdown of infrastructure, etc.

OUTLOOK

While we remain highly optimistic on India's growth story, our views on its capital markets is cautiously optimistic. The shift in consumer saving patterns away from term deposits and into capital markets have led to substantial inflows into equities driving some segments of the market into a bubble territory. At current juncture, it is the economy running to catch up to the valuations set by its capital markets. With this in perspective, we believe the performance of indices will be moderated for the time being as the earnings catch up to the valuations.

While the election results have provided stability in the markets in the near term, there still exist certain internal risks such as slower pace of job creation and inflation, and external risks such as wars, inflation, recession and population ageing which threaten the world with civil and social unrest. In the near term, the cooling of inflation and a bounce back in the global economy will highly depend on the cooling of geopolitical situation between Russia-Ukraine and Israel-Palestine.

As for stock markets, the key indexes – SENSEX/NIFTY50 have given fair returns during FY 2024. However, its performance continuity will depend on how quickly the advanced economies are able to come back out of the current phase of slowdown and if the Government of India is able to continue its slew of reforms and create jobs in its third term too.

RISK MITIGATION

Although the Company has long been following the principle of risk minimization as is the norm in every industry, it has now become a compulsion.

In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The common risks inter alia are changing regulations, competition, business risk, technology obsolescence, retention of talent, and expansion of facilities. Business risk, inter alia, further includes financial risk, political risk, fidelity risk, and legal risk. As a matter of policy, these risks are assessed and steps are taken to mitigate the same.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has appointed M/s. Rashmi Jain & Associates., Chartered Accountants as the Internal Auditors as mandated under Section 138 of the Companies Act, 2013 who examine and ensure that internal checks and control procedures are adequate. They also ensure proper accounting, records authorization, control of operations and compliance with law.

An appropriate and adequate system of internal controls exist in your Company to ensure that all assets are safeguarded and protected against loss or from misuse or disposition, and that the transactions are authorized, recorded and reported suitably. Internal control systems ensure effectiveness of operations, accuracy and promptness of financial reporting and observance with laws & regulations. The internal control is supplemented on an ongoing basis by an extensive internal audit which is conducted each year by an independent audit firm.

The internal audit report along with management comments thereon are reviewed by the Audit Committee of the Board comprising of independent and non-executive Directors on a regular basis. Implementation of the suggestions is also monitored by the Audit Committee. The internal controls are designed to ensure that the financial and other records of the Company are reliable for preparing financial statements and other data, and for maintaining accountability of assets.

INDEPENDENT AUDITORS REPORT**TO THE MEMBERS OF M/s WALLFORT FINANCIAL SERVICES LTD.****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of **WALLFORT FINANCIAL SERVICES LTD** (“the Company”), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our Audit addressed the matter
<p>Use of Information technology System for business and financial reporting process The company is involved in the business of broking and proprietary trading. Thus company is dependent on its IT system since there are very large voluminous transactions. The main financial items i.e brokerage income and trade receivables and payable of the company are dependent on the Information system and its controls. The accuracy and completeness of the transaction and reporting of the financial item is dependent on the IT systems.</p>	<p>The procedures as given below are being followed Design/Control:</p> <ul style="list-style-type: none"> ● Understanding the design, implementation and operating effectiveness of IT operating system, application and its control and integration. <p>Substantive Test :</p> <ul style="list-style-type: none"> ● We have verified and tested the accuracy, effectiveness of the IT controls and applications. ● We have performed walkthrough to evaluate the design and implementation of the IT controls. On the basis of the walkthrough we have selected the samples for verification and validation of the controls and the security procedures that the company has implemented in its IT system. ● Tested other operation areas like password policies, access rights, user creation, reports generated by the systems. ● Where deficiencies were identified we have performed alternative audit procedures.

Information other than financial statements and Auditors Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standard financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materiality inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materiality misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specifies under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial control in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- B. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, statement of Profit and Loss Account including Other Comprehensive Income, Statement of changes in Equity and the statement of Cash Flow dealt with by this Report is in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
 - g) The Company has not declared or paid any dividend in the current year.
 - h) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv (a) The management has represented that to the best of its knowledge and belief, no funds have been advanced or loaned or invested any funds (either from the borrowed funds or share premium or any other source or kinds of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in

other persons or entities identified in any manner whatsoever by or on behalf of the company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities, with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause iv(a) and iv(b) contain any material mis-statement.
- j) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.
- k) As Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for records retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. (a) (A) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, right of use assets and investment property;
 - (B) The company is maintaining proper records showing full particulars of intangible assets;
- (b) The Property, Plant and Equipment, right of use assets and investment property of the company have been physically verified by the management at reasonable intervals in a phased manner so as to generally cover all the assets once in three years. As informed to us, no material discrepancies have been noticed on such verification wherever reconciliation has been carried out. In our opinion, the frequency of physical verification program adopted by the Company is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of all the immovable properties including investment properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financials are held in the name of the company.
- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) No proceedings have been initiated or are pending against the company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Wallfort Financial Services Ltd. ('the Company') as of 31 March 2024 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2: SIGNIFICANT ACCOUNTING POLICIES**(a) Basis of preparation****(i) Compliance with Ind AS**

The Financial Statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The Transition to Ind As has been carried out in accordance with Ind As 101 " First Time Adoption of Indian Accounting Standards" Accordingly, the impact of transition has been recorded in the opening reserves as at 1st April, 2018.'

The financial statements have been prepared using the significant accounting policies and measurement bases summarized as below. These accounting policies have been applied consistently over all the periods presented in these financial statements, except where the Company has applied certain accounting policies and exemptions under transition to Ind As.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) that is measured at fair value.

- defined benefit plans – plan assets measured at fair value; and'

(iii) Preparation of financial statements

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2013, the Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in note 40.'

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****(iv) Use of estimates and judgments**

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgments, and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of financial statements and the reported amounts of revenue and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognized in the period in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognized prospectively in the period in which the estimate is revised and future periods. The estimates and judgments that have significant impact on carrying amount of assets and liabilities at each balance sheet date are discussed at Note 3.

(v) Operating cycle

Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its Assets and Liabilities as current and non-current.

(b) Revenue recognition

The Company recognises revenue from contracts with customers based on a five step model as set out in 'Ind AS 115-Revenue from Contracts with Customers', to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the company satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. When (or as) a performance obligation is satisfied, the company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company applies the five-step approach for recognition of revenue:

- Identification of contract(s) with customers;
- Identification of the separate performance obligations in the contract;
- Determination of transaction price;
- Allocation of transaction price to the separate performance obligations; and
- Recognition of revenue when (or as) each performance obligation is satisfied

(i) Brokerage fee income

It is recognised on trade date basis and is exclusive of goods and service tax and securities transaction tax (STT) wherever applicable.

(ii) Interest income

Interest income is recognized on a time proportion basis.

(iii) Dividend income

Dividend income is recognized in the statement of profit or loss on the date that the Company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the shareholders approve the dividend.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

iv) Other income

In case of other Income, revenue is recognized during the period in which the services are rendered

(c) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each income head adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised on temporary difference between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities and assets are measured based on the tax rates and tax laws enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

(d) Financial instruments**Initial recognition and measurement:**

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions. Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in profit or loss.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- a) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets (i.e. a Level 2 input), the difference is recognized as a gain or loss.
- b) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortized over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realized through settlement.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

When the Company revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognized in profit or loss.

Fair Value of Financial Instrument:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in Note 41.

A) Financial Assets**(i) Classification and Subsequent Measurement**

The Company has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair Value through Profit & Loss (FVTPL)
- Fair Value through Other Comprehensive Income (FVTOCI)
- Amortised Cost

1. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

2. Financial assets carried at Fair Value through Other Comprehensive Income (FVTOCI)

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and,
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

3. Financial assets carried at Fair Value through Profit & loss

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

4. Equity Instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as revenue from operations in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****(ii) Impairment of financial assets**

- i. The Company is not recognising estimated credit loss on trade receivables since the company is dealing with regulated entities and has not experienced any loss due to credit risk since inception.
- ii. The Company also not recognises impairment on investment in shares since they are measured at fair value.

(iii) Derecognition

A financial asset is derecognised only when :

The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

B) Financial Liabilities**(i) Initial recognition and measurement**

Financial liabilities are classified at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in Statement of Profit or loss.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

(e) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

(f) Property, plant and equipment

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost, net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

Cost comprises the purchase price and any attributable costs of bringing the asset to its working condition for its intended use as estimated by the management. Any trade discounts and rebates are deducted in arriving at the purchase price.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement, if the recognition criteria are satisfied.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non financial assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the property, plant and equipment is de-recognised.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2018 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual values

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives specified in schedule II to the Companies Act, 2013. Depreciation for additions to/deductions from, owned Assets is calculated on pro rata basis.

The following is the life of asset used for calculation of depreciation

Assets	Useful Life
Computer Hardware	3 Years
Furniture and Fixtures	10 Years
Office Equipments	5 Years
Plant & Machinery	15 Years

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****(g) Provisions and Contingent Liabilities**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the reporting date.

Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(h) Employee benefits**(i) Short-term obligations**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave are encashed as at the end of the year in which the employees render the related service.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, and
- (b) defined contribution plans such as provident fund.

Defined Obligation obligations

The following post – employment benefit plans are covered under the defined benefit plans:

Gratuity :

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****Defined contribution plans**

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

(i) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(j) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits.

(k) Earnings per share**i) Basic earnings per share**

Basic earnings per share is calculated by dividing the net profit for the period (excluding other comprehensive income) attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year.

ii) Diluted earnings per share

Diluted earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti dilutive

(l) Statement of Cash flow

Statement of Cash flow is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net surplus is adjusted for the effects of changes during the period in inventories, operating receivables and payables transactions of a non-cash nature.

- i. Non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates; and
- ii. All other items for which the cash effects are investing or financing cash flows.

(m) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest in thousands as per the requirement of Schedule III, unless otherwise stated.

WALLFORT FINANCIAL SERVICES LTD.**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****Note 3: Key accounting estimates and judgements**

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on ongoing basis. Any changes to accounting estimates are recognized prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

- a) Provision and contingent liability: On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.
- b) Allowance for impairment of financial asset: Judgements are required in assessing the recoverability of overdue loans and determining whether a provision against those loans is required. Factors considered include the aging of past dues, value of collateral and any possible actions that can be taken to mitigate the risk of non-payment.
- c) Recognition of deferred tax assets: Deferred tax assets are recognised for unused tax-loss carry forwards and unused tax credits to the extent that realisation of the related tax benefit is probable. The assessment of the probability with regard to the realisation of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future.
- d) Defined benefit plans: The cost of defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long - term nature, a defined benefit obligation is highly sensitive to changes in these assumptions.
- e) Property, plant and equipment and Intangible Assets: Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per schedule II of the Companies Act, 2013 or are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

WALLFORT FINANCIAL SERVICES LTD.
NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

Note 40 : Financial Risk Management

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as equity price risk and commodity/real estate risk.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

Foreign currency Risk Management

In respect of the foreign currency transactions, the company does not hedge the exposures since the management believes that the same is insignificant in nature and will not have a material impact on the Company.

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The management is responsible for the monitoring of the Company' interest rate position. Various variables are considered by the management in structuring the Company's borrowings to achieve a reasonable and competitive cost of funding. In respect of fluctuating interest rate, the company does not have any borrowings from banks and financial institution and therefore the company is not significantly exposed to interest rate risk

(iii) Market price risk

The Company is exposed to market price risk, which arises from FVTPL and FVOCI investments. The management monitors the proportion of these investments in its investment portfolio based on market indices. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the appropriate authority.

(B) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligation. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties, and by monitoring exposures in relations to such limits. Other financial assets like security deposits, loans and bank deposits are mostly with exchange, lease rent and banks and hence, there is negligible credit risk with respect to them.

The carrying amount of financial assets represents the maximum credit exposure.

C) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. In the table below, borrowings include both interest and principal cash flows.

The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. In the table below, borrowings include both interest and principal cash flows.

The management assessed that the fair value of cash and cash equivalent, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the group is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for investment in private equity funds, real estate funds.

ii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of unquoted equity instruments has been measured on the basis of their networth and valuation of their shares.
- the fair value of equity shares of group companies are measured at cost.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iii. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values.
