## Press Release

**Windlas Biotech Limited receives certificate of Good Manufacturing Practices from SAHPRA**

**Saturday, 16<sup>th</sup> April 2022, Gurugram:** Windlas Biotech Limited, one of the leading domestic pharmaceutical formulations contract development and manufacturing organization (“CDMO”) industry in India, has received certificate of Good Manufacturing Practices (GMP) from SAHPRA (South African Health Products Regulatory Authority). The company had undergone the inspection audit from 20<sup>th</sup> to 29<sup>th</sup> September 2021.

**Commenting on this Mr. Hitesh Windlass, Managing Director – Windlas Biotech said,** *“We are pleased to receive the GMP certificate from SAHPRA. With this the company can start manufacturing and sell its products in the fast-growing South Africa market.*

*Recently, the company concluded EU GMP inspection with zero critical observations and deficiencies. This we believe is a testimony of company’s quality standards and capabilities. The company’s growth trajectory is expected to accelerate further, in the upcoming quarters underpinned by the geographic expansion for CDMO and Exports Vertical driven by the positive regulatory audit outcomes”.*

**About Windlas Biotech Limited**

The company (Windlas) is one of the leading domestic pharmaceutical formulations contract development and manufacturing organization (“CDMO”) industry in India in terms of revenue. With over two decades of experience in manufacturing both solid and liquid pharmaceutical dosage forms and significant experience in providing specialized capabilities, including, high potency, controlled substances and low solubility, the Company provides a comprehensive range of CDMO services ranging from product discovery, product development, licensing and commercial manufacturing of generic products, including complex generics, in compliance with current Good Manufacturing Practices (“GMP”) with a focus on improved safety, efficacy and cost.

**Safe Harbor**

Statements in this document relating to future status, events, or circumstances, including but not limited to statements about plans and objectives, the progress and results of research and development, potential project characteristics, project potential and target dates for project-related issues are forward-looking statements based on estimates and the anticipated effects of future events on current and developing circumstances. Such statements are subject to numerous risks and uncertainties and are not necessarily predictive of future results. Actual results may differ materially from those anticipated in the forward-looking statements. The company assumes no obligation to update forward-looking statements to reflect actual results changed assumptions or other factors.
