Notes to the Unaudited Financial Results for the Quarter and Half Year ended 30th September, 2019

- 1 The Ind AS compliant financial results pertaining to the quarter and half year ended 30.09.2019 has been considered. The management has exercised necessary due diligence to ensure that such financial results provide a true and fair view of its affair in accordance with the Indian Accounting Standards (IND AS).
- 2 The above financial results of the Company were reviewed by the Audit Committee in its meeting held on October 24, 2019. The Board of Directors in its meeting held on October 24, 2019 approved the same.
- 3 During the quarter the Company continued to have no significant business operations. It has earned profit of Rs. 1.93 lacs during the quarter (corresponding previous quarter ended 30th September 2018: profit of Rs. 4.84 lacs) and as at September 30, 2019 its accumulated losses exceed its paid-up capital and reserves by Rs. 594.10 Lacs (March 31, 2019: Rs. 622.04 Lacs). These conditions may cast a doubt on the Company's ability to continue as a going concern.

However, the Company is exploring avenues for restructuring of its capital and operations. In terms of the scheme of Compromise and arrangement sanctioned by High Court of Gujarat in 2004 borrowings from a promoter group company of Rs. 1,500 Lacs (March 31, 2019: Rs. 1,500 Lacs), would not be repaid before repayment of all other liabilities. Further, the said promoter group company continues to provide support to the Company. The assets of the Company continue to be stated at least at their realisable values and the Company would continue its current activities at least till such time it realises its dues and settles its obligations.

In view of the above, the financial statements have been prepared on going concern basis and do not include any adjustments relating to recorded amounts and the classification of assets and liabilities that might be necessary should the Company be unable to continue as a going concern.

- 4 Hon'ble High Court of Gujarat had sanctioned the scheme of compromise and arrangement between the Company and a consortium of 16 banks on 27th July, 2004 under section 391 of the Companies Act, 1956 and the Company has made the payment in the accounting year 2004-05 to the banks as per the Court's order. However, the final Deed of Assignment of the charged assets in favour of banks is yet to be made.
- 5 The Company has unabsorbed depreciation and carry forward losses under the Income Tax Act, 1961. In the absence of certainty supported by convincing evidence that there will be sufficient future taxable income available, the deferred tax assets arising from unabsorbed depreciation and carry forward losses under the Income-tax Act, 1961 have not been recognised. However the Company has made deferred tax provision on long term capital gain of equity shares.
- 6 As the company do not have any operations and considering the note 3 above, there are no reportable segment in accordance with the requirement of Ind AS 108 "Operating Segment" specified under Section 133 of the Companies Act, 2013.
- 7 Figures of the previous quarter/period/year have been regrouped and reworked wherever necessary.
- 8 Figures for the corresponding quarter ended on 30/09/2018 have been reworked/regrouped whenever necessary so as to make them comparable.
