REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

THE COMPANY'S GOVERNANCE PHILOSOPHY

The Company firmly believes in good Corporate Governance and has made it a practice and a continuous process of development right across the Company. The Company's philosophy on Corporate Governance envisages attainment of high level of transparency and accountability in the functioning of the Company and conduct of business, and places due emphasis on regulatory compliance. It has empowered the Executive Management to take decisions with regard to day-to-day operations and has also created checks and balances that such decisions are taken with care and responsibility to meet stakeholders' aspirations and societal expectations.

The Company's governance philosophy is focused on its people who are its most important asset and it values its employees' integrity, creativity, ability, judgement and opinions, who in turn demonstrate the highest ethical standards and responsibility towards the shareholders. This has helped the Company take rapid strides in its pursuit of excellence.

The Company is committed to enhance shareholder value in a fair and transparent manner and has been in the forefront for benchmarking itself with the best business practices globally.

The Governance Structure

The practice of Corporate Governance in the Company takes place at three interlinked levels:

- i. Strategic supervision - by the Board of Directors ('the Board');
- ii. Strategic management - by the Corporate Management Committee ('the CMC') headed by the Managing Director (MD) / Chief Executive Officer ('CEO')¹; and
- iii. Executive management - by the Functional Heads under the overall guidance and direction of the MD / CEO.

This three-tier structure enables the Board to carry out the task of strategic supervision as trustees of shareholders, unencumbered by the task of strategic management, in a manner that imparts objectivity and secures sharpened accountability from the management. Similarly, the CMC can

engage in the task of strategic management of the Company as a whole, leaving the task of day-to-day executive management with the empowered Functional Heads under the overall guidance and direction of the MD / CEO.

BOARD OF DIRECTORS

In terms of the Company's Corporate Governance Policy, all statutory and other significant & material information are placed before the Board to enable it to discharge its responsibility of strategic supervision of the Company as trustees of the shareholders.

Composition

As on 31st March, 2020, the strength of the Board is seven, including four Non-Executive Independent Directors, of which one is a Woman Director.²

The Governance Policy of the Company, inter alia, requires that Non-Executive Directors be drawn from amongst eminent professionals, with experience in business / finance / law / public administration and enterprises. The Board Diversity Policy of the Company requires the Board to have balance of skills, experience and diversity of perspectives appropriate to the Company. The skills, expertise and competencies of the Directors as identified by the Board, along with those available in the present mix of the Directors of the Company, are provided in the Annexure forming part of this Report.

Composition of the Board as on 31st March, 2020

Category	No. of Directors	Percentage to total no. of Directors
Non-Executive Independent Directors	4	57
Other Non-Executive Directors	3	43
Total	7	100

Mr Anand Nayak resigned as Non-Executive Independent Director of the Company with effect from 21st November, 2019, due to personal reasons.

Mr Nayak has confirmed that there are no other reasons for his resignation, other than stated above.

For other changes in the composition of the Board during the year and upto the date of the Report of the Board of

Notes:

¹ Mr A Kumar completed his tenure as the Chief Executive Officer of the Company w.e.f. close of work on 30th April, 2020.

² The Board appointed Mr B Hariharan as the Managing Director of the Company w.e.f. 1st May, 2020.

REPORT ON CORPORATE GOVERNANCE

Directors, please refer to the 'Directors' section of the 'Report of the Board of Directors & Management Discussion and Analysis' in the Reports and Accounts.

Meetings and Attendance

The Company's Governance Policy requires the Board to meet at least four times a year. The intervening period between two Board Meetings was well within the maximum gap of 120 days prescribed under the Listing Regulations.

Board Agenda

Meetings are governed by a structured agenda. The Board members, in consultation with the Chairman, may bring up any matter for the consideration of the Board. All major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. Agenda papers are generally circulated seven days prior to the Board Meeting.

Information placed before the Board

In addition to matters required to be placed before the Board under the Governance Policy of the Company, the Listing Regulations and other statutes, the following are also tabled for the Board's periodic review / information:

- Annual operating plans & budgets and periodic review of the Company's businesses.
- Quarterly performance including business-wise financials.
- External Audit Management Reports (through the Audit Committee).
- Status of legal compliance (through the CMC).
- Status and effectiveness of risk management plans.
- Succession to senior management (through the Nominations & Remuneration Committee).

- Statutory compliance reports from business units and corporate functions.
- Show cause / demand / prosecution / adjudication notices, if any, from revenue authorities which are considered materially important, including any exposure that exceeds 1% of the Company's net worth, and their outcome.
- Write-offs / disposals (fixed assets, receivables, advances etc.) on a half-yearly basis.
- Significant development in Human Resources / Industrial Relations.
- Material non-compliance of any regulatory or listing requirements and in relation to shareholders' services.

Post-meeting follow-up system

The Governance processes in the Company include an effective post-meeting follow-up, review and reporting process for action taken / pending on decisions of the Board, the Board Committees and the CMC.

BUSINESS ENVIRONMENT

According to International Monetary Fund, global growth has been around 3% in 2019. Due to the COVID-19 pandemic, the global economy is expected to contract sharply by more than 4% in 2020, much worse than the 2008-09 financial crisis. Against this backdrop, the Indian economic growth is expected to slow down to 1.9% in 2020.

Travel and Tourism accounted for 10.3% of the global GDP in 2019 and created 330 million jobs, which is, 1 in 10 jobs around the world. 2019 saw collapse of iconic brands like Thomas Cook UK and Cox & Kings Limited. Closer home, Jet Airways Ltd ceased operations during the year. It brought to the fore the extreme vulnerability of the sector to changes in the economic environment.

India has had its fair share of growth turbulence in the travel and tourism sector. It was estimated that travel and tourism will contribute US\$ 270 billion to India's GDP in 2020. This sector is one of the key generator of employment in the country supporting almost 50 million jobs. Government of India is actively engaged and working on policy initiatives to support the sector.

The onset of COVID-19 has had a profound effect on an already slowing world economy. With lockdowns happening in many parts of the world, business is almost at standstill. Countries have put restrictions on movement of people and have also closed international borders. Economic activity is severely impacted with almost all industries showing signs of de-growth. Many governments have announced bail out packages for their key industries and are figuring out ways and means to uplift economic activity.

Travel and Tourism has been the worst affected industry due to this pandemic. With many countries putting restrictions on domestic and international travel, closure of hotels and other accommodation options, and restrictions on movement of people, this industry has seen many business including airlines shutting down or filing for bankruptcy. Business and Leisure travel got affected due to grounding of airlines and other means of transportation. Domestic and International MICE (Meetings, Incentive, Conference and Exhibitions) movement were cancelled.

FAITH (Federation of Associations in Indian Tourism and Hospitality) has predicted that the tourism and hospitality industry is facing ₹ 10 Lakh Crore business risk. Various Indian travel associations have made charters of interventions and presented the same to the government and the industry is anxiously waiting for relief from the government pertaining to the sector.

The path to recovery is predicted to be long and arduous. Corporates have realised that use of technology can aid in business continuity hence, Work From Home by deploying the right tools is perceived to be the way forward thus, reducing the need for travel and related expenses.

Nevertheless, it is also being said that while the recovery will be long, the industry will bounce back, like it has done during previous crises. It is expected that domestic tourism and MICE will lead the way to recovery followed by corporate travel. The transport business, comprising mainly of executive car rentals, is expected to recover faster than other travel related businesses.

FINANCIAL PERFORMANCE

In the financial year 2019-20, your Company recorded revenue from operations of ₹ 20,916.10 lakhs which was similar to the previous year at ₹ 20,814.21 lakhs. However, pre-tax losses at ₹ 841.13 lakhs and post-tax losses at ₹ 741.08 lakhs were due to a general slowdown in the economy compounded by the COVID-19 impact.

During the financial year 2019-20, your Company earned ₹ 838.88 lakhs (previous year ₹ 956.50 lakhs) in foreign exchange from its Travel, Tours and Car Rental Services. Your Company's expenditure in foreign currency amounted to ₹ 42.82 lakhs (previous year ₹ 46.48 lakhs).

COVID-19 – Business Continuity

Your Company responded to the threat of COVID-19 proactively and adopted a cautious and comprehensive approach towards the well-being & safety of its employees - by initiating 'Work from Home' & 'Social Distancing' practices even before the nationwide lockdown was implemented. It continued to place emphasis on engaging and upskilling its employees through technology & online learning platforms during this period.

As part of your Company's Business Continuity plan, your Company immediately geared up the requisite technology and telecom infrastructure to equip our operations teams to remotely service emergent client requirements.

During the lockdown period, your Company extended transport services for corporates in sectors such as – FMCG, Manufacturing, Banking, Financial Technology & Infrastructure services. Your Company also enabled repatriation flight bookings for travellers departing India.

Your Company leveraged institutional strengths of ITC Limited by partnering with Savlon for enhanced hygiene and sanitization protocols for the safety and well-being of its Guests / Travellers.

Your Company has crafted and communicated to its customers, 'The SAFE Car Promise', reassuring them of its commitment to the highest standards of Reliability, Safety and Hygiene.

BUSINESSES

Air Travel

International Air Transport Association (IATA) has predicted that India, currently ranked 7th, will be ranked third in terms of passenger traffic by 2024. Further, KPMG has predicted that India's \$30-billion business travel market is expected to triple by 2030.

However, during the year the market witnessed the closure of Jet Airways and saw low cost carriers (LCCs) gaining market share with Indigo controlling the majority share of volume. This affected your Company's earnings from the Global Distribution System (GDS) suppliers.

Due to a lower demand for business travel during the year, the Average Ticket Price dropped, affecting the earning potential of your Company from the airlines through Productivity Linked Bonus (PLB).

Further, the month of March was almost a complete washout in terms of travel bookings drastically impacting booking volumes for the year.

Your Company continues to explore newer areas of revenue generation. Additionally, focus in the next fiscal will be on cost control and introduction of new age technology to derive better productivity and efficiency.

MICE

Your Company handled many prestigious groups and events including the Annual YPO retreat, Philips India, ITC, Levis India, Tata Power, Spicejet, FICCI – FLO, Electronica India etc.

It is expected that Domestic MICE will be more resilient with events being conducted within the Country. Your Company will continue to focus on the MICE segment and derive returns from the same.

Forex

Your Company continues to offer this service as part of its bouquet of services. Foreign exchange business has seen a dramatic shift in the past few years and technology has played an important role in the manner this business is conducted now.

Outbound & Inbound

The journey of Indian outbound travel market spans over two decades. As per independent travel research, from barely 4.42 million departures in the year 2000, over 26.30 million people flew out in 2019. However, COVID-19 will impact the outbound market in the near term. This presents an opportunity for your Company to leverage its network in the domestic market and capitalise on the same.

Your Company offers various products and service designed towards the need of the discerning leisure travellers which include domestic and international holiday packages.

Transport

The Indian Rent-a-Car Market continues to be predominantly fragmented and unorganised.

The advent of online aggregators has significantly transformed the retail landscape - driven by significant technology investments, lower fares and ease of transaction.

The Corporate Rent-a-Car segment (in which your Company operates) has also been largely influenced by these developments. Map-based Point-to-Point Invoicing, Fixed Garage Rates, Real-time Invoicing and pressure on fares – are some of the evident trends.

Your Company kept pace with these emerging trends and built upon its growth momentum through leveraging its Core Promise of reliability, safety & hygiene; and by extending its Customer-facing technology (Disha App) for superior experience and efficiencies in the transaction cycle.

Your Company's strong double-digit growth trajectory, was abruptly impacted in March 2020, with the onset of COVID-19.

Your Company significantly enhanced its Operating Margins by nation-wide coverage under the 'Driver Entrepreneur Program' – thereby unlocking value for both the Company & its Chauffeur Partners.

Your Company continued to make sustained investments in Chauffeur Quality & Training by engaging with accredited agencies such as 'National Skill Development Council' (constituted under Pradhan Mantri's Koushal Vikas Yojana).

Your Company was proudly and notably recognised with the 'Best Transport Company of the Year – 2019' Award by FICCI.

Your Company is poised to emerge stronger post this pandemic impact, as the emphasis on Reliability, Safety and Hygiene will assume greater significance.

Your Company intends to aggressively explore new vectors of growth into adjacent segments with customised products and service designs – with the vision to be a dominant player in the Corporate Mobility Space.

SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

The Company does not have any subsidiary, associate or joint venture.

INTERNAL FINANCIAL CONTROLS

Corporate Governance in your Company operates at three interlinked levels with clearly defined roles, responsibilities and authorities across the three levels of the governance structure. Your Company also has a Code of Conduct which requires management to conform to the required financial and accounting policies, systems and processes, conduct business ethically and ensure strict compliance with all applicable laws and regulations. These policies have been widely communicated across the organisation and together with the 'Strategy of Organisation', Planning & Review Processes and the Risk Management Framework, they create a control environment across the Company and provide the cornerstones for Internal Financial Controls with reference to your Company's Financial Statements.

Your Company's Financial Statements are prepared on the basis of the Significant Accounting Policies that are carefully selected by management and approved by the Audit Committee and the Board. These Policies are supported by the Corporate Accounting System and Policies that apply to the entity as a whole and are practiced uniformly across the Company. The Accounting Policies are reviewed and updated from time to time. These in turn are supported by a set of policies and Standard Operating Procedures (SOPs) that have been established for individual businesses. Your Company uses Information Technology Systems as a business enabler and also to maintain its books of accounts. The SOPs in tandem with the Information Management Policy reinforce the control environment. The whole gamut of controls,

policies, procedures and systems are reviewed by management and audited by the Internal Auditors whose findings and recommendations are reviewed by the Audit Committee and tracked through to implementation.

Your Company has in place adequate internal financial controls with reference to Financial Reporting. Such controls have been assessed during the year taking into consideration the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. Based on the results of this assessment carried out by management, no reportable material weakness or significant deficiencies in the design or operation of internal financial controls were observed. Nonetheless, your Company recognises that any internal financial control framework, no matter how well designed, has inherent limitations and accordingly regular audit and review processes ensure that such systems are reinforced on an ongoing basis.

RISK MANAGEMENT

Your Company continues its emphasis on a systems-based approach to business risk management. Backed by strong internal control systems, the current Risk Management framework consists of the following key elements:

- The Corporate Governance Policy approved by the Board clearly lays down the roles and responsibilities of the various entities in relation to risk management covering a range of responsibilities, from strategic to operational. These role definitions provide the foundation for your Company's Risk Management Policy that is endorsed by the Board and is aimed at ensuring formulation of appropriate risk management procedures, their effective implementation and independent monitoring and reporting by the Internal Auditors.
- A combination of centrally issued policies and procedures, which are regularly reviewed and updated in the light of changing business and regulatory environment, bring robustness to the process of ensuring that business risks are effectively addressed.
- Appropriate structures are in place to proactively monitor and manage the inherent risks in businesses with unique / relatively high risk profiles.
- Internal Audit, an independent and external function, carries out risk focused audits across all businesses, enabling identification of areas where risk management processes may need to be strengthened. These audits are conducted by M/s Grant Thornton India, LLP, Chartered Accountants (GT), who are the Internal Auditors of the Company. The Audit Committee of the Board reviews Internal Audit findings, provides strategic guidance on internal controls and seeks feedback on implementation based on such guidance. The Audit Review Committee closely monitors the internal control environment within your Company including implementation of action plans emerging out of internal audit findings.

- A framework of strategic planning and performance management ensures realisation of business objectives based on effective strategy implementation. The annual planning exercise requires identification of top risks and sets out a mitigation plan with agreed timelines and accountability. Businesses are required to confirm periodically that all relevant risks have been identified, assessed, evaluated and that appropriate mitigation systems have been implemented.

The combination of policies and processes as outlined above adequately address the various risks associated with your Company's businesses.

AUDIT AND SYSTEMS

Your Company believes that internal control is a necessary adjunct to the principle of governance that freedom of management should be exercised within a framework of appropriate checks and balances. Your Company remains committed to ensuring an effective internal control environment that provides assurance and comfort on orderly and efficient conduct of operations, security of assets, prevention and detection of frauds / errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

Your Company's independent and robust Internal Audit processes provide assurance on the adequacy and effectiveness of internal controls, compliance with operating systems, internal policies and regulatory requirements.

Messers. GT are the Internal Auditors of the Company and have assured the Company that they are adequately resourced to deliver high standards of audit assurances. In the context of the IT environment of your Company, systems and policies relating to Information Management are periodically reviewed and benchmarked for contemporariness. Compliance with the Information Management policies receives focused attention of the Internal Auditors.

The Audit Committee of your Board met four times during the year. The Terms of Reference of the Audit Committee included reviewing the adequacy and effectiveness of the internal control environment, monitoring implementation of the action plans emerging out of Internal Audit findings including those relating to strengthening of your Company's risk management systems and discharge of statutory mandate.

HUMAN RESOURCE DEVELOPMENT

The Board of Directors of the Company ('the Board') on the recommendation of the Nominations & Remuneration Committee ('the Committee') at the Meeting held on 20th January, 2020, appointed Mr Subrahmoneyan Chandra Sekhar, who has the required integrity, expertise and experience, as an Additional Director, and subject to the approval of the Members, also as an Independent Director of the Company for a period of five years with effect from 20th January, 2020. Your Board recommends his appointment at the ensuing Annual General Meeting ('AGM') of your Company.

On the recommendation of the Committee, the Board at the Meeting held on 1st May, 2020, appointed Mr Bhagwateshwaran Hariharan as an Additional Director, and subject to the approval of the Members, also as the Managing Director of the Company for a period of three years with effect from 1st May, 2020 or up to the date of his retirement with ITC Limited, whichever is earlier. In accordance with Section 161 of the Act and Article 130 of the Articles of Association of your Company, Mr Hariharan will vacate office at the ensuing AGM and is eligible for appointment as a Director of the Company. Your Board recommends his appointment at the ensuing AGM of your Company.

Requisite Notices under Section 160 of the Act have been received from Messrs. Sekhar and Hariharan, who have filed their consent to act as Directors of the Company, if appointed.

Appropriate resolutions seeking your approval to the above are appearing in the Notice convening the Thirty Ninth AGM of your Company.

Mr Anand Nayak stepped down as an Independent Director of the Company with effect from 21st November, 2019, due to personal reasons. Your Directors would like to record their appreciation for the services rendered by Mr Nayak.

Retirement by Rotation

In accordance with the provisions of Section 152 of the Act read with Articles 143 and 144 of the Articles of Association of the Company, Mr Anil Rajput will retire by rotation at the ensuing AGM of your Company and being eligible, offers himself for

re-appointment. Your Board recommends his re-appointment.

Number of Board Meetings

During the year ended 31st March, 2020, five meetings of the Board were held.

Attributes, Qualifications & Independence of Directors and their Appointment

The Governance Policy of the Company, inter alia, requires that Non-Executive Directors, including Independent Directors, be drawn from amongst eminent professionals with experience in business / finance / law / public administration and enterprises. The Nominations & Remuneration Committee have stipulated the criteria for determining qualifications, positive attributes and independence of Directors, including Independent Directors.

The Board Diversity Policy of the Company requires the Board to have a balance of skills, experience and diversity of perspectives appropriate to the Company. The skills, expertise and competencies of the Directors as identified by the Board, along with those available in the present mix of the Directors of the Company, are provided in the 'Report on Corporate Governance', forming part of the Report and Accounts. The Articles of Association of the Company provide that the strength of the Board shall not be fewer than three nor more than twelve.

Directors are appointed / re-appointed with the approval of the Members. All Directors, other than Independent Directors, are liable to retire by rotation, unless otherwise approved by the Members. One-third of the Directors who are liable to retire by rotation, retire every year and are eligible for re-appointment.

The Independent Directors of your Company have, inter alia, confirmed that (a) they meet the criteria of Independence as prescribed under Section 149 of the Act and Regulation 16 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), and (b) they are not aware of any circumstance or situation which could impair or impact their ability to discharge duties with an objective independent judgement and without any external influence. In the opinion of the Board, the Independent Directors fulfil the conditions prescribed under the Act and Listing Regulations and are independent of the management of the Company.

The Company's Policy on remuneration of Directors, Key Managerial Personnel and other employees, as approved by the Board, may be accessed on its website at <https://www.internationaltravelhouse.in/remuneration-policy.aspx>. There has been no change in the Policy during the year.

Board Evaluation

The Nominations & Remuneration Committee has approved the Policy on Board Evaluation, Evaluation of Board Committees' functioning and individual Director Evaluation and also specified that such evaluation will be done by the Board. Board performance

is assessed against the role and responsibilities of the Board as provided in the Act and the Listing Regulations read with the Company's Governance Policy. The parameters for Board performance evaluation have been derived from the Board's core role of trusteeship to protect and enhance shareholder value as well as fulfil expectations of other stakeholders through strategic supervision of the Company. Evaluation of functioning of Board Committees is based on discussions amongst Committee members and shared by the respective Committee Chairman with the Board. Individual Directors are evaluated in the context of the role played by each Director as a member of the Board at its meetings and in assisting the Board in realising its role of strategic supervision of the functioning of the Company in pursuit of its purpose and goals.

While the Board evaluated its performance against the parameters laid down by the Nominations & Remuneration Committee, the evaluation of individual Directors was carried out anonymously in order to ensure objectivity. The Board was briefed on functioning of Board Committees by the respective Committee Chairmen after discussion with the other Committee Members.

Key Managerial Personnel

During the year, the tenure of Mr Ajay Kumar as CEO was completed on 31st March, 2020. Your Board on the recommendation of the Nominations & Remuneration Committee, extended his tenure for one month till 30th April, 2020. Accordingly, Mr Kumar ceased to be the Chief Executive Officer of the Company with effect from close of work on 30th April, 2020.

Notes:

- Gross remuneration includes salary, variable pay, Company's contribution to provident fund, allowances & other benefits / applicable perquisites except provisions for gratuity and leave encashment which are actuarially determined on an overall Company basis. The term 'remuneration' has the meaning assigned to it under the Companies Act, 2013.
- Net remuneration comprises cash income less income tax & education cess deducted at source and employee's own contribution to provident fund.
- Certain employees who are on deputation from ITC have been granted Stock Options by ITC in previous year(s) under its Employee Stock Option Schemes at 'market price' (within the meaning of the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014). ITC has also granted Employee Stock Appreciation Linked Reward Units (ESAR Units) to certain employees on deputation under its Stock Appreciation Linked Reward Plan. Since these Stock Options and ESAR Units are not tradeable, no perquisite or benefit is conferred upon the employee by such grant of Options / Units, and accordingly the said grants have not been considered as remuneration.
- All appointments (except in case of employees on deputation) are contractual in accordance with terms and conditions as per Company's rules.
- The aforesaid employees are neither relative of any Director of the Company nor hold any equity share in the Company.

NOTES TO THE FINANCIAL STATEMENTS

I. Company Overview and Significant Accounting Policies

A. Corporate Information

International Travel House Limited ('the Company') commenced its operations in 1981 and is engaged in the business of providing travel related services to travellers in India and abroad. The Company is a public limited company incorporated, domiciled and listed in India. The Company has its registered office at 'Travel House' T-2, Community Centre, Sheikh Sarai, Phase I, New Delhi 110017, India.

The financial statements were approved for issue by the Board of Directors on 6th June, 2020.

B. Basis of Preparation of Financial Statements

(i) Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 and the relevant presentation requirements of the Companies Act, 2013.

(ii) Basis of Preparation

The financial statements are prepared in accordance with the historical cost convention except for certain items which are measured at fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis except for share based payment transactions that are within the scope of Ind AS 102 – Share-based Payment.

The financial statements are presented in Indian Rupee, which is also the Company's functional currency.

A summary of significant accounting policies is set out below.

(iii) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

C. Summary of Significant Accounting Policies

(i) Property, Plant and Equipment – Tangible Assets

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at 1st April, 2015 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. Expenses capitalised also include applicable borrowing costs for qualifying assets, if any. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets after commissioning (or other amount substituted for cost), on a straight line basis, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013. Office equipment are depreciated over a useful life of 3-5 years. Leasehold improvement are being amortised over lease period or useful lives, whichever is lower.

NOTES TO THE FINANCIAL STATEMENTS

Property, Plant and Equipment residual values and useful lives are reviewed, and adjusted if necessary, at each Balance Sheet date. Such changes are treated as changes in accounting estimates.

Property, Plant and Equipment are subject to review for impairment if triggering events or circumstances indicate that this is necessary. Impairment loss, if any, to the extent the carrying amount of these assets exceed their recoverable amount is charged off to the Statement of Profit and Loss as it arises.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of accumulated depreciation) had no impairment loss been recognised in previous years.

(ii) Intangible Assets

Intangible Assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially at cost comprising the purchase price (including import duties and non-refundable taxes) and directly attributable costs to prepare the asset for its intended use.

Internally generated assets for which the cost is clearly identifiable are capitalised at cost. Internally generated brands, websites and customer lists are not recognised as intangible assets

Intangible assets with finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses, if any. Carrying value of intangible assets includes deemed cost which represents the carrying value of intangible assets recognised as at 1st April, 2015 measured as per the previous GAAP.

Software is capitalised where it is expected to provide future enduring economics benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented for use and is amortised across a period not exceeding 5 years. All other upgradation / enhancements are charged to the Statement of Profit and Loss, unless they bring similar significant additional benefits.

Useful lives are reviewed at each Balance Sheet date and changes, if any, are treated as changes in accounting estimates.

(iii) Foreign Currency Transactions

Transactions in foreign currencies are initially recorded by the Company at the exchange rate prevailing on transaction date. Gains / losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

(iv) Financial Instruments

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of such financial assets and financial liabilities.

Financial Assets

Recognition and Classification: Financial assets include Investments, Trade Receivables, Security Deposits and Cash and Cash Equivalents. Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired.

For purposes of subsequent measurement, financial assets are classified as those measured at:

- amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and / or interest; and
- fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

As most of the loans and receivables of the Company are current in nature, subsequent measurement is at cost less appropriate allowance for credit losses. Where significant, non-current loans and receivables are accounted for at amortised cost using effective interest rate method less appropriate allowance for credit losses.

NOTES TO THE FINANCIAL STATEMENTS

Impairment: The Company assesses at each balance sheet date whether a financial asset or a group of financial assets, measured at amortised cost, is impaired. Impairment losses are recognised in the profit or loss where there is an objective evidence of impairment based on reasonable and supportable information that is available without undue cost or effort. For financial assets measured at amortised cost and account receivable, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

De-recognition: A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when the contractual rights to receive cash flows from the asset have expired or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Financial Liabilities

Borrowings, Trade Payables and Other Financial Liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost.

A financial liability is derecognised when the obligation under the liability is extinguished, discharged, cancelled or on expiry.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

(v) Revenue Recognition

The Company provides travel related services to travellers in India and abroad. The revenue from transport services are recognised on a gross basis and revenue from other travel related services are recognised on net basis. The revenue from rendering these services (other than Productivity Linked Bonus, which is accounted when ascertainable and collection is certain) is recognised in the income statement at a point in time other than tour income which is recognised over a period of time with reference to the stage of completion. Stage of completion is measured by reference to time elapsed to date as a percentage of total time.

Revenue is recognised to the extent that it is highly probable that a significant reversal in the amount of revenue recognised will not occur and the revenue can be reliably measured and collection is certain. Revenue is measured taking into account contractually agreed terms and excluding taxes or duties collected on behalf of the government. Trade Receivables are recognised when the entity has unconditional right to receive consideration upon the satisfaction of performance obligation.

Other Income: Other income comprises interest income, dividend income, gain from fair valuation / sale of mutual fund investments and gain on sale of property, plant and equipment. Interest income from financial assets is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss only when the Company's right to receive payments is established and the amount of dividend can be measured reliably.

(vi) Dividend to Equity Holders

Interim dividends paid (including income tax thereon) are recognised in the financial statements when approved by the Board of Directors and final dividend (including income tax thereon) when approved by the shareholders.

(vii) Employee Benefits

The Company make contributions to both defined benefit and defined contribution schemes. The defined benefit schemes are mainly administered through duly constituted and approved independent Trusts.

Provident Fund contributions are in the nature of defined contribution scheme. The provident fund is deposited with the Government and recognised as expense.

The Company also operates defined benefit pension, medical and gratuity plans. The cost of providing benefits under the defined benefit obligation is calculated by an independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or loss on account of re-measurements are recognised immediately through Other Comprehensive Income in the period in which they occur.

NOTES TO THE FINANCIAL STATEMENTS

The employees of the Company are entitled to compensated leave for which the Company records the liability based on actuarial valuation computed under projected unit credit method. These benefits are unfunded.

(viii) Employee Share-Based Compensation

The cost of employee share-based compensation is recognized based on fair value of the equity settled stock options or cash settled stock appreciation units granted under the applicable Scheme(s) to employees in the Company.

In case of equity settled stock options, the fair value of such options at the grant date is amortised on a straight line basis over the vesting/service period. In case of cash settled stock appreciation units, the fair value of such units at the grant date is initially recognized and subsequently remeasured at each reporting date, until settled. Such cost is recognized as an employee benefits expense in the Statement of Profit and Loss with a corresponding increase in equity, net of reimbursements, if any.

(ix) Leases

A right of use asset and lease liability is recognised at the commencement of the lease for leases other than short term leases or leases of low value assets. The right of use asset is stated at cost less accumulated amortisation. Right of use assets are amortised on a straight line basis over lease term. Lease liabilities are stated at cost using effective interest method and are measured at present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate.

Lease payments for short term leases or leases of low value assets are recognised as an expense in the Statement of Profit and Loss on a straight line basis.

The Company has applied Ind AS 116 – Leases using the modified retrospective method with a date of initial application of 01.04.2019. Accordingly, the comparative information has not been restated and continues to be reported as per Ind AS 17 – Leases and related interpretations.

The Company has applied Ind AS 116 only to those contracts that were previously defined as leases and lease liabilities have not been recognised for short term leases on 1st April 2019 as per Appendix C.

The Company's leasing arrangements are in respect of leases for premises. The lease term of these arrangements generally ranges between 3 years and 6 years.

On transition to Ind AS 116 – Leases, the Company recognised ₹ 281.52 lakhs of right of use assets and lease liabilities. When measuring lease liabilities, the Company discounted lease payments using its incremental borrowing rate.

(x) Taxes on Income**Current Tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date together with any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences to the extent it is probable that future taxable profits will be available against which deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and when the deferred tax balances relate to the same taxable entity and the same taxation authority.

NOTES TO THE FINANCIAL STATEMENTS

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(xi) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expense relating to a provision is presented in the Statement of Profit and Loss, net of any reimbursement.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

(xii) Contingent Liabilities

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

(a) Useful Lives of Property, Plant and Equipment and Intangible Assets:

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period.

(b) Actuarial Valuation

The present value of the gratuity, medical and pension are determined through independent actuarial valuations including determination of amounts to be recognised in the Statement of Profit and Loss. The assumptions include the determination of the discount rate, future salary increases and mortality rates. Information about such valuation is provided in notes to the financial statements.

(c) Claims, Provisions and Contingent Liabilities:

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

(d) Expected Credit Loss Allowance:

The Company has provided allowances for credit losses on trade receivables based on historical credit loss experience and adjusted for forward looking information.

B Fair Value Hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

NOTES TO THE FINANCIAL STATEMENTS

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at 31st March, 2020:

(b) Weighted average number of Equity Shares outstanding	79,94,500	79,94,500
(c) Earnings per share on profit / (loss) for the year (Face Value of ₹ 10/- per share)		
Basic and Diluted [(a)/(b)](₹)	(9.27)	3.35

(ii) Corporate Social Responsibility ('CSR')

CSR Committee has been formed by the Company and the CSR Policy has been approved by the Board which has been uploaded on the Company's website. As per Section 135 of the Companies Act, 2013, the Company is not required to contribute any amount towards CSR and hence has not made any contribution.

(iii) Contingent Liabilities and Commitments:

a) Contingent Liabilities: Service tax demand of ₹ 23.62 lakhs (Mar'19 - ₹ 23.62 lakhs) issued by Commissioner of Service Tax for the years from July, 2003 to March, 2009 for which Company has filed an appeal with Tribunal (Service Tax) and also deposited cumulative amount of ₹ 14.30 lakhs (Mar'19 - ₹ 14.30 lakhs) under protest.

b) Commitments:

Capital commitments ₹ 0.53 lakh (Mar'19 - ₹ 13.11 lakhs).

(iv) Trade Receivables include an amount of ₹ 46.70 lakhs (Mar'19- ₹ 46.70 lakhs) representing recoverable from certain customers on account of Value Added Tax. Management is confident that the same is recoverable either through the process of law or from the said customers.

(v) Micro, Small and Medium scale business entities:

There are no Micro, Small and Medium enterprises, to whom the Company owes dues, which are outstanding for more than 45 days during the year and also as at 31st March, 2020. This information, as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006, has been determined to the extent such parties have been identified on the basis of information available with the Company.

(vi) Information in respect of Options granted under ITC Employee Stock Option Scheme:

The eligible employees in the Company, including employees deputed from ITC Limited (ITC), are covered under the ITC Employee Stock Option Schemes (ITC ESOS) and the ITC Employee Cash Settled Stock Appreciation Linked Reward Plan (ITC ESAR Plan) in accordance with the terms and conditions of such schemes, details of which are as under:

ITC ESOS

Each Option entitles the holder thereof to apply for and be allotted ten ordinary shares of ₹ 1.00 each of ITC upon payment of the exercise price during the exercise period. These options vest over a period of three years from the date of grant and are exercisable within a period of five years from the date of vesting.

The options have been granted at the 'market price' as defined under the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014.

ITC ESAR

Under the ITC ESAR Plan, eligible employees would receive cash linked to appreciation in the value of the shares of ITC in accordance with the terms and conditions of this Plan. The stock appreciation units (SARs) vest over a period of five years from

NOTES TO THE FINANCIAL STATEMENTS

the date of grant and entitles each ESAR grantee to the appreciation for the total number of ESAR Units vested.

The cost of stock options granted under ITC ESOS / SARs granted under ITC ESAR have been recognized in accordance with Ind AS 102 – Share Based Payment. The Company has accounted for the cost of the fair value of such options / stock appreciation units based on the advice/on-charge by ITC. The fair value of the options / SARs granted is determined, using the Black Scholes Option Pricing model, by ITC for all the grantees covered under ITC ESOS / ITC ESAR as a whole.

The summary of movement of share options outstanding is as under:

Particulars*	As at 31st March, 2020	As at 31st March, 2019
	No. of Options	No. of Options
Outstanding at the beginning of the year	1,26,148	1,52,841
Add: Granted during the year (including effects of corporate action during the year)	—	—
Less: Lapsed during the year	18,495	—
Options due to transfer in and transfer out	(15,415)	—
Less: Exercised during the year	23,332	26,693
Outstanding at the end of the year	68,906	1,26,148
Options exercisable at the end of the year	63,534	1,02,600
Options Vested and Exercisable during the year	12,828	24,653

*The weighted average exercise price of the options granted to all Optionees under ITC ESOS is computed by ITC as a whole. Since such options / ESAR Units are not tradeable, no perquisite or benefit is immediately conferred upon an employee by such grant.

In accordance with Ind AS 102, an amount of ₹ 11.58 lakhs (Mar'19 - ₹99.20 lakhs), net of reversals (if any), towards ITC ESOS and ITC ESAR has been recognised as employee benefits expense (Refer Note 29) with corresponding credit to Financial Liabilities. The above cost includes ₹ 20.19 lakhs (Mar'19- ₹ 57.51 lakhs) attributable to key management personnel [Mr S Sequeira ₹ 12.43 lakhs (Mar'19 - ₹ 38.43 lakhs); Mr G. Kaushik ₹ 5.20 lakhs (Mar'19 – ₹ 11.29 lakhs) and Ms. J Aggarwal ₹ 2.56 lakhs (Mar'19 - ₹ 7.79 lakhs)].

(vii) **Segment Reporting**

Operating segments are to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Corporate Management Committee.

The CODM reviews are conducted for travel related services which encompasses all operations of the Company and as such the figures appearing in the financials relate to a single segment only i.e. travel related services.

Company's entire revenue from external customers is attributable to India and all non-current assets are located in India. The Company allocates revenue to geographies on the basis of the location in which the sale originated.

Revenues from one customer (and its group entities) exceeds 10% of Company's total revenue and is ₹ 2,188.37 lakhs.

(viii) **Estimation of uncertainties relating to the global health pandemic COVID-19 (Coronavirus Pandemic)**

Due to the outbreak of the COVID-19, the Government of India imposed a country wide lockdown and amongst other matters, restrictions were also imposed on both air travel (domestic and international) and travel by cabs. Consequently, our operations have been disrupted and we are under almost complete shut down since the last fortnight of March, 2020. COVID-19 has brought about significant business disruption, the duration of which cannot be reasonably estimated at this time. However, the Company has considered various internal and external sources

NOTES TO THE FINANCIAL STATEMENTS

of information available as on date of issuance of these financial statements in determining the impact of COVID-19 on its tour and travel related services and accordingly, has formulated its business plans and operations.

The management has factored the effect of the pandemic in determining the provision towards expected credit loss on its trade receivables and investment recognised at fair values. Further, based on the above assessment, the Company expects to recover the carrying amount of its trade receivables and investment balances outstanding as at 31st March, 2020 and accordingly, no adjustment in the matter is required to be made in these financial statements. However, the eventual outcome of the above coronavirus pandemic on the Company's tour and travel related services may be different from those estimated as on the date of approval of these financial statements

The management expects the business disruptions anticipated due to the pandemic to continue for some time before business returns to normalcy or near normalcy and will continue to closely monitor any material changes in markets and future economic conditions.

34 (a) Defined Benefit Plans / Long Term Compensated Absences

Description of Plans

The Company makes contributions to defined benefit plans and defined contribution plans for qualifying employees. Some of these are administered through duly constituted and approved Trusts, which operate in accordance with the Trust Deed, Rules and applicable legislations. These Trusts are governed by Trustees, who provides strategic guidance for management of investments and liabilities of such trusts and periodically review the performance of the Trusts.

Gratuity benefits are funded and leave encashment & medical benefits are unfunded in nature. The defined benefit pension plans are based on employees pensionable remuneration and length of service. Under the Provident Fund and Gratuity, the employees are entitled to receive lump sum benefits upon retirement. Under Pension Schemes, the employees are entitled to post-retirement pension benefits and in certain pension plans, the employees can also opt to receive a part of pension as a lump sum.

The liabilities arising in the defined benefit schemes and other benefits are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method. Additional funding requirements are based on actuarial measurement.

Risk Management

The defined benefit plans expose the Company to actuarial deficit arising out of investment risk, interest rate risk and salary cost inflation risk. These plans are not exposed to any unusual, entity specific or scheme specific risks but there are general risks.

Investment risks: This may arise from volatility in asset values and losses arising due to impairment of assets

Interest Rate Risk: The Schemes' accounting liabilities are calculated using a discount rate set with reference to the Government security yields. A decrease in yields will increase the funds' liabilities and vice-versa.

Salary Cost Inflation Risk: The Schemes' accounting liabilities are calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities.

The Trustees monitor funding and investments positions and have mandated a diversified investment strategy in line with the statutory requirements. The investment strategy with respect to asset mix ensures that investment volatility risk is appropriately managed. Robust risk mitigation systems ensure that investments do not pose significant risk of impairment. Periodic audits are conducted to ensure adequacy of internal controls. The Company's defined benefit pension plans has been closed to new entrants. Future pension obligation of an employee is secured by purchasing annuities thereby de-risking the Plans from future payment obligations.

XI Sensitivity Analysis

The sensitivity analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of sensitivity analysis from previous year.

NOTES TO THE FINANCIAL STATEMENTS

36. Financial Risk Management Objectives and Policies

The Company has a system-based approach to business risk management. The financial risk management process enables the early identification, evaluation and effective management of key financial risks including market risk, credit risk and liquidity risk that may arise as a consequence of its business activities as well as investing and financing activities. Backed by strong internal control systems, the current Risk Management Framework rests on policies and procedures issued by appropriate authorities, process of regular reviews / audits to set appropriate risk limits and controls, monitoring of such risks and compliance confirmation for the same.

A. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise three types of risk- interest rate risk, foreign currency risk and price risk. Treasury activities, focussed on managing investments in debt instruments, are centralised and administered under a set of approved policies and procedures guided by the tenets of liquidity, safety and returns. The Company has in place appropriate risk management policies to limit the impact of these risks on its financial performance. The Company ensures optimisation of cash through fund planning and robust cash management practices.

i. Interest Rate Risk

Fixed deposits are held with highly rated banks and companies and have a short tenure and are not subject to interest rate volatility. Since majority of the financial assets of the Company are either non-interest bearing or fixed interest bearing instruments, the Company's net exposure to interest risk is negligible.

ii. Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee. The Company has limited foreign currency exposure which are mainly on account of Money Changing Business activity undertaken by the Company.

iii. Price Risk

The Company's quoted debt mutual funds are susceptible to market price risk that arise mainly from changes in interest rate which may impact the return and value of such investments securities. The Company manages the price risk through diversification and by placing limits on individual and total instruments. The Company invests in mutual funds of leading fund houses. The Company's Board of Directors has approved an investment policy for the Company. However, given the relatively short tenure of underlying portfolio of the mutual fund schemes in which the Company has invested, such price risk is not significant.

B. Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

i. Trade Receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating score card and individual credit limits are defined in accordance with this assessment. Concentrations of credit risk is limited as the Company's customer base is large and diverse. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the counter party etc. Expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii. Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counter party. The Board has approved a policy for investment of surplus funds. Investment in debt mutual funds are made only with approved mutual funds and credit risk in such funds are limited because the underlying investments are diversified and the Company's investment framework considers the credit quality of the underlying investments made by the fund house. There are limits for any exposure to financial institutions.

NOTES TO THE FINANCIAL STATEMENTS

The Company's maximum exposure to credit risk for the components of the Balance Sheet at 31st March, 2020 and 31st March, 2019 is the carrying amounts as illustrated below: (₹ in Lakhs)

Particular	Note	As at 31st March, 2020	As at 31st March, 2019
Loans	14	—	—
Investments in Mutual Funds and Equity Shares	5 & 10	2,154.45	—
Trade Receivables	11	10,323.72	13,306.21
Cash and Cash Equivalents and Other Bank Balances	12 & 13	426.52	1,449.27
Other Financial Assets	6 & 15	587.01	870.04
Total		13,491.70	15,625.52

C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations as they become due. The Company manages its liquidity risk by ensuring that it will always have sufficient liquidity to meet its liabilities when due. Investments are made with a range of maturities, generally matching the projected cash flows and spreading the same across wide range of counter parties. Considering the dynamic nature of the underlying businesses, the Company also maintains adequate committed credit lines with the banks.

The Company's treasury function reviews the liquidity position on an ongoing basis.

The Company's Current Assets aggregate to ₹ 14,495.28 lakhs (Mar'19 - ₹ 16,810.75 lakhs) including Current Investments, Cash and Cash Equivalents and Other Bank Balances of ₹ 2,580.97 lakhs (Mar'19 - ₹ 1,449.27 lakhs) against an aggregate Current Liability of ₹ 3,959.10 lakhs (Mar'19 - ₹ 4,542.12 lakhs).

Maturity analysis of non-current financial liabilities, based on undiscounted contractual cash flows, is given below:

(₹ in Lakhs)

Particular	As at 31st March, 2020		As at 31st March, 2019
	Lease Liabilities	Others	Others
One to three years	188.64	1.03	4.01
More than three years	16.34	1.23	4.43

Further, the Company has no borrowings. In such circumstances, liquidity risk or risk that the Company may not be able settle or meet its obligations as they become due does not exist.

D. Capital management

The Company's financial strategy aims to provide adequate capital to its businesses to grow and invest whilst ensuring sustained stakeholder value and ensuring continuance as a going concern. The Company funds its operations through internal accruals.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

INDEPENDENT AUDITOR'S REPORT

To The Members of International Travel House Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of International Travel House Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and its loss, other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 33(viii) to the financial statements which explains the impact of COVID-19 (Coronavirus Pandemic) on the operations of the Company and the management assessment thereon. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters

described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p><u>Recoverability of Trade Receivables</u></p> <p>We refer to note 1(iv) (Significant Accounting Policies), note 2(d) (Use of Estimates) and note 11 (Trade Receivables) of the financial statements.</p> <p>Trade receivable balances were significant to the Company as they represented 53% of the Company's total assets as at 31 March 2020. The collectability of trade receivables is a key element of the Company's working capital management, which is managed on an ongoing basis by management. Trade receivables impairment assessment requires significant judgement from management. In making the assessment the management has considered the historical credit loss experience adjusted for forward looking information as well as customer specific profiles and risks. Hence, we determined that this is a key audit matter.</p>	<p>As part of our audit procedures, we assessed the Company's processes and key controls relating to the monitoring of trade receivables and aging considered to identify collection risks. We performed audit procedures, amongst others, sending trade receivable confirmations, and reviewing for collectability by way of obtaining evidence of subsequent receipts from the trade receivables. We had discussions with management on the recoverability of long outstanding debts and analysed historical trend of collections for such trade debtors and assessed management's assumptions used to determine the credit loss for trade receivables including consideration of customer specific profiles and risks. We also assessed the adequacy of the Company's disclosures on the trade receivables and the related credit risk in Notes 11 and 36B. to the financial statements.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

INDEPENDENT AUDITOR'S REPORT

- Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to

INDEPENDENT AUDITOR'S REPORT

evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

ANNEXURE TO INDEPENDENT AUDITOR'S REPORT

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph I (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **International Travel House Limited** ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
