# RBI reveals names of applicants for universal bank, SFB licences

FE BUREAU  
Mumbai, April 15

**THE RESERVE BANK** of India (RBI) on Thursday announced names of applicants under its on-tap licensing window for universal banks and small finance banks (SFBs). The list includes a foreign exchange services provider, two cooperative banks and a former banker.

Applicants under guidelines for on-tap licensing of universal banks are UAE Exchange and Financial Services, The Repatriates Cooperative Finance and Development Bank (Repco Bank), Chaitanya India Fin Credit, and Pankaj Vaish and

others. Applicants seeking licences for SFBs are VSoft Technologies, Calicut City Service Co-operative Bank, Akhil Kumar Gupta, and Dvara Kshetriya Gramin Financial Services. Guidelines for on-tap licensing of universal banks and SFBs in the private sector were issued

on August 1, 2016 and December 5, 2019, respectively. The constitution and composition of the standing external advisory committee for evaluating the applications received under the guidelines was announced on March 22, 2021.

The universal bank licensing guidelines state that resident individuals and professionals having 10 years of experience in banking and finance at a senior level are eligible to promote universal banks. Large industrial houses are excluded as eligible entities but are permitted to invest in the banks up to 10%. Non-operative financial holding company (NOFHC) has been

made non-mandatory in case of promoters being individuals or standalone promoting/converting entities who/which do not have other group entities.

For SFBs, the minimum paid-up voting equity capital/net worth requirement shall be ₹200 crore. For primary (urban) co-operative banks (UCBs) desirous of voluntarily transitioning into SFBs, the initial net worth requirement shall be at ₹100 crore, which will have to be increased to ₹200 crore within five years from the date of commencement of business. The net worth of all SFBs currently in operation is in excess of ₹200 crore.

# India Inc's outward FDI halves to \$1.93 billion in March

PRESS TRUST OF INDIA  
Mumbai, April 15

**INDIA INC'S OUTWARD** foreign direct investment in March 2021 nearly halved to \$1.93 billion (around ₹14,495 crore), according to the RBI data.

Domestic firms had invested \$3.86 billion as outward foreign direct investment (OFDI) in the year-ago month of March 2020.

In the preceding month (February 2021), the OFDI stood nearly the same at \$1.95 billion.

Of the total investment committed by the Indian investors in their foreign joint ventures/wholly owned subsidiaries in March this year,

\$1.15 billion was in the form of issuance of guarantees.

Rest of \$413.25 million was in the form of loan and \$363.54 million was through equity capital, the data showed.

The major investors were telecom major Bharti Airtel \$750 million in a wholly-owned unit in Mauritius; pharma firm Lupin \$250 million in a JV in the US, SRF \$83.83 million in a wholly owned subsidiary (WoS) in the Netherlands.

Mahindra & Mahindra invested \$84.52 million in WoS in Mauritius and The Indian Hotels Co \$59.59 million in its wholly owned subsidiary in the Netherlands.

# Billionaire Adani may win three more slots on MSCI India Index

ABHISHEK VISHNOI  
Singapore, April 15

**BILLIONAIRE GAUTAM ADANI** is likely to see three more companies from his coal mining-to-data centers conglomerate join the MSCI India Index after shares in each one of them more than doubled this year, according to analysts.

The group's flagship Adani Enterprises, gas supplier Adani Total Gas and power distributor Adani Transmission may get included in MSCI's country benchmark after the index provider's semi-annual review of its gauges in May, according to broker Edelweiss Financial Services and independent research provider Smartkarma.

Adani Green Energy and Adani Ports & Special Economic Zone are already there.

The potential inclusions are seen further boosting wealth for Adani, who has added \$20.2 billion to his net worth this year, the second-biggest increase among the world's billionaires.

The tycoon — who started out as a commodities trader in the late 1980s — has diversified from mines, ports and power plants into airports, data centers and defense. The rally in stocks shows investors have rewarded his strategy of interlocking his group's interests with the Indian

government's infrastructure programme.

There is "very high probability of these Adani names to come in the index primarily due to the surge in their market capitalization," Brian Freitas, a New Zealand-based analyst at Smartkarma, said by phone. "ETFs and other passive funds will have to buy, adding to Adani's fortune."

Passive funds may have to buy shares worth about \$830 million in total in the three companies after their inclusion, according to calculations by Freitas. Still, these stocks "trade much higher than their global peers and longer-term returns may not be worth the risks involved," he wrote in a note Wednesday.

Meanwhile, S&P Dow Jones Indices said in a statement Monday that it will remove Adani Ports and Special Economic Zone from the Dow Jones Sustainability Index because of links to Myanmar military. —BLOOMBERG

value of investments in the sector in the past five quarters, the report by the consultancy firm EY and industry lobby India Venture Capital Association, said.

There were 22 large deals during the March quarter, through which Indian companies garnered \$4.8 billion, it said, adding that the same was lower than the immediately preceding December 2020 quarter's \$16 billion in investment through 30 such deals. —PTI
