Crore Thirty Six Lakh) fully paid-up equity shares of the Company in aggregate of face value of ₹ 2/- (Rupees Two each), through Future Enterprises Limited Employee Welfare Trust (hereinafter referred to as "Trust") set-up by the Company under FEL ESOP 2015 or directly through primary issuance by the Company, at such price or prices, in one or more tranches and on such terms and conditions, as may be determined by the Board in accordance with the provisions of the Plan, SEBI SBEB Regulations and in due compliance with other applicable laws and regulations.

RESOLVED FURTHER THAT all actions taken and incidental and ancillary things done by the Board in connection with the above are hereby specifically approved and ratified.

RESOLVED FURTHER THAT the Board be and is hereby further authorised to issue and allot equity shares upon exercise of Stock Options from time to time in accordance with the Plan and such equity shares shall rank *pari passu* in all respects with the existing equity shares of the Company.

RESOLVED FURTHER THAT the number of Stock Options that may be granted to any Eligible Employee(s) of the subsidiary company(ies), in any financial year and in aggregate under the Plan shall be less than 1% of the issued equity share capital (excluding outstanding warrants and conversions) of the Company.

RESOLVED FURTHER THAT in case of occurrence of corporate action(s) such as rights issues, bonus issues, change in capital structure, merger and/or sale of division/undertaking or other re-organisation in the Company, if any additional equity shares are required to be issued by the Company to the Members ("**Additional Shares**"), the ceiling as aforesaid of 1,36,00,000 (One Crore Thirty Six Lakh) Stock Options and equity shares respectively to be issued and allotted shall be deemed to be increased in proportion of such Additional Shares issued to facilitate making a fair and reasonable adjustment.

RESOLVED FURTHER THAT in case the equity shares of the Company are either sub-divided or consolidated, then the number of shares to be allotted and the price of acquisition payable by the option grantees under the Plan shall automatically stand increased or reduced, as the case may be, in the same proportion as the present face value of ₹ 2/- (Rupees Two) per equity share bears to the revised face value of the equity shares of the Company after such sub-division or consolidation, without affecting any other rights or obligations of the option grantees.

RESOLVED FURTHER THAT the Company shall conform to the accounting policies prescribed from time to time under the SEBI SBEB Regulations and any other applicable laws and regulations to the extent relevant and applicable to the FEL ESOP 2019.

RESOLVED FURTHER THAT the Board be and is hereby also authorised to take necessary steps for listing of the equity shares allotted under the FEL ESOP 2019 on the Stock Exchanges, where the equity shares of the Company are listed as per the provisions of the Listing Regulations with the concerned Stock Exchanges and other applicable laws, guidelines, rules and regulations.

RESOLVED FURTHER THAT the Board be and is hereby also authorised at any time to modify, change, vary, alter, amend, suspend or terminate the FEL ESOP 2019 subject to the compliance with the applicable laws and regulations and to do all such acts, deeds, matters and things as it may in its absolute discretion deem fit, for such purpose and also to settle any issues, questions, difficulties or doubts that may arise in this regard without being required to seek any further consent or approval of the Members of the Company and further to execute all such documents, writings and to give such directions and/or instructions as may be necessary or expedient to give effect to such modification, change, variation, alteration, amendment, suspension or termination of the FEL ESOP 2019 and do all other things incidental and ancillary thereof.

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 2 and 3

Mr. Vijay Biyani, (DIN: 00005827) who retires by rotation and being eligible, offers himself for re-appointment.

Mr. Vijay Biyani is a part of Promoter Group and was Whole-time Director of our Company since September 26, 2009 till his re-designation as Managing Director w.e.f. May 04, 2016. Further, he was re-appointment as Managing Director for a period of 3 (Three) years w.e.f. September 26, 2017. He has over 35 years of experience in the field of manufacturing, marketing of readymade garments and retail, and is known as pioneer of organised retail in India.

Moreover, as per the provisions of Regulation 17(6)(e) of SEBI (Listing Obligations and Disclosure Requirement) Regulation, 2015 ("**Listing Regulations**") as amended from time to time, the fees or compensation payable to Executive Directors who are promoters or members of the promoter group shall require approval of Members of the Company if the annual remuneration payable to such Executive Director exceeds rupees 5 crore or 2.5 per cent of the net profits of the Company, whichever is higher; or where there is more than one such Director, the aggregate annual remuneration to such Directors exceeds 5 per cent of the net profits of the Listed Entity. In case of our Company, individual managerial remuneration though is less than ₹ 5 crore but may exceed 2.5 percent and/or 5 percent thresholds, as the case may be.

In the Annual General Meeting held on August 29, 2017, the remuneration payable to Mr. Vijay Biyani was revised and approved by the Members of the Company by way of Special Resolution. However, in order to comply with the requirement of amended Listing Regulations and on recommendation of Nomination and Remuneration Committee and as agreed to by Board of Directors in their meeting held on May 27, 2019, the consent of Members of the Company is sought by way Special Resolution for payment of remuneration to Mr. Vijay Biyani as per the terms and conditions already approved notwithstanding that such remuneration exceeds the limits prescribed in Regulation 17(6)(e) of the Listing Regulations.

A brief profile of Mr. Vijay Biyani including nature of his expertise, as required under Regulation 36 of Listing Regulations and Secretarial Standard on General Meetings ("**SS-2**") is provided in the Annexure - I to this Notice. Further, additional information as required under Schedule V to the Act is provided in the Annexure - II to this Notice and also forms part of the Statement.

None of the Directors except Mr. Vijay Biyani himself and Mr. Kishore Biyani as his relative, is concerned or interested in the resolution. None of the other Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested in the resolution.

ITEM NO. 4

The Board of Directors of the Company on recommendation of the Nomination and Remuneration Committee, has appointed Mr. Haresh Chawla (DIN: 00029828) as an Additional Director and designated as an Independent Director in their Meeting held on March 28, 2019.

In terms of provisions of Section 160 of the Companies Act, 2013 ("**the Act**"), read with relevant rules thereto, the Company has received notice in writing from a Member of the Company, signifying its intention to propose his appointment as an 'Independent Director' of the Company.

Mr. Haresh Chawla holds a MBA from IIM Calcutta, and B.Tech. from IIT Mumbai. Mr. Haresh Chawla is a Partner at True North, one of India's most experienced and respected private equity funds, with over \$ 2.0 billion under management. At True North, he focuses on investments in the food and consumer sectors where he identifies and helps transform mid-size businesses.

He is best known though for his leadership in transforming the Network18 Group into a formidable media network. Under his watch as Founding CEO, Network 18 became India's fastest growing Media and Entertainment network. His career at Network18 spanned 12 years, and he grew revenues from \$3 million in 1999 to over \$500 million in 2012 with over 11 television services including Colors, CNBC-TV18, CNN-IBN, MTV, Nickelodeon.

Mr. Chawla has also been keenly engaged in the consumer internet revolution in India from the early nineties. He is credited with building some of India's largest, most well-known internet businesses like Money control, Bookmyshow, Yatra, Firstpost and Homeshop18. Today, he continues to invest and mentor several internet and consumer start-ups.

The Company has received necessary consent and declaration from Mr. Haresh Chawla to act as a Director of the Company and confirmation that he is not disqualified from being appointed as Director of the Company and is not debarred from holding office of Director by virtue of any order of Securities and Exchange Board of India or any other authority. Mr. Haresh Chawla has also confirmed that he meets the criteria of Independence as prescribed under section 149(6) of the Act and Regulation 16 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("**Listing Regulations**"). In the opinion of the Board, he fulfils the conditions specified in the Act and is Independent of the management.

Brief Profile of Mr. Haresh Chawla, including nature of his expertise as required under Regulation 36 of the Listing Regulations and Secretarial Standard on General Meetings ("**SS-2**") is attached as Annexure – I to this Notice.

The Board of Directors recommends this Ordinary Resolution for the approval of Members of the Company.

Except Mr. Haresh Chawla being an appointee and his relatives, none of other Directors, Key Managerial Personnel(s) of the Company and their respective relatives are in anyway, concerned or interested, financially or otherwise, in passing of this Resolution.

- It shall further be noted that on the exercise of stock options already granted to and vested by Mr. Dinesh Maheshwari, such exercise shall be considered as additional remuneration and will not counted in the foregoing remuneration.

Subject to the applicable provisions of the Act, perquisites and allowances shall be evaluated as per Income Tax Rules, 1962 wherever applicable, and at cost, in the absence of any such rules.

A brief profile of Mr. Dinesh Maheshwari, including nature of his expertise, as required under Regulation 36 of Listing Regulations and Secretarial Standard on General Meetings (“**SS-2**”) is provided in the Annexure - I to this Notice. Further, additional information as required under Schedule V to the Act, is provided in the Annexure - II to this Notice and also forms part of the Statement.

Mr. Dinesh Maheshwari being appointee and his relatives shall be deemed to be concerned or interested in the resolution to the extent of appointment and payment of remuneration to him under this resolution. None of the other Directors, Key Managerial Personnel(s) of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the passing of this Resolution(s).

The Board of Directors recommends this resolution for your consideration and approval as a Special Resolution.

ITEM NO. 8

The Company has obtained approval for issue of Non-Convertible Debentures (NCDs) of ₹ 1500 crore in June 2018 to meet its requirements of improving debt maturity profile, reduction of overall cost of debt, Capex requirements and other general corporate purposes. As per Section 42 of the Companies Act, 2013 (“**the Act**”) and Rule 14(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014, the said approval was valid for a period of 12 months and would expire on June 30, 2019. The Company had issued NCDs of only ₹ 950 crore in pursuant to aforesaid approval. On analysis of the present debt profile, it was felt that the Company can further replace few of its current or near-term maturity debts as well as some more high cost debts with fresh mobilisation of funds. Further, fresh funds would proposed to be utilised for expansion /capex programme and as well as for general corporate purposes for the coming year. In view of the funds requirements for capex expansion as well as continuous process to rationalise its debt maturity profile while ensuring reduction in overall finance cost and improving debt service coverage ratio, it was proposed to renew the aforesaid approval for the balance unavailed portion of the NCDs and take some additional approval for the proposed CAPEX and general corporate purposes for an aggregate amount upto ₹ 900 crore. This may also help the Company to improve its balance sheet and credit profile and hence capability to obtain credit facilities at better terms and reasonable rate of interest.

Accordingly, consent of the Members is therefore sought in connection with the aforesaid issue of Non-Convertible Debentures/ bonds from time to time and they are requested to authorise the Board (including any Committee of the Board) for fresh issue of Non-Convertible Debentures on private placement basis upto ₹ 900 crore as stipulated above, in one or more tranches, during the period of one year from the date of passing of this Resolution and within the overall borrowing limits of the Company, as approved by the Members from time to time.

Accordingly, the Board recommends the Special Resolution set forth in Item No. 8 of the Notice for approval of the Members.

None of the Directors, Key Managerial Personnel(s) of the Company and their respective relatives are concerned or interested, financially or otherwise, in the passing of the proposed Resolution.

ITEM NO. 9, 10 and 11

The success of the Company’s objectives is largely determined by the quality of its work force and their commitment to achieve Company’s objectives. It is recognised that not only good employment opportunities but also additional motivating mechanisms are needed to incentivise employees and aligning their interest with the interest of the Company.

Members are requested to note that in recognition of the aforesaid objective, the Company has approved and implemented the following employee stock options plans, from time to time:

- i) Future Enterprises Limited Employee Stock Option Plan, 2012 (“**FEL ESOP 2012**”);
- ii) Future Enterprises Limited Employee Stock Option Plan, 2015 (“**FEL ESOP 2015**”).

Members are further requested to note that the Board of Directors considers it appropriate to introduce the Future Enterprises Limited Employee Stock Option Plan, 2019 (“**FEL ESOP 2019**”/ “**Plan**”) to the Eligible Employees of the Company and that of its Subsidiary Company(ies) as stated in resolution and point no. 3 below, and accordingly, as may be decided by the Board of Directors or Nomination and Remuneration Committee thereof from time to time.

Your Directors seeks approval of the Members in respect of FEL ESOP 2019 and for grant of Employee Stock Options (“**ESOP**”)/ Restricted Stock Units (“**RSU**”) (collectively known as “**Stock Options**”) to the Eligible Employees of the Company and that of its Subsidiary Company(ies) in due compliance with Companies, Act, 2013 (“**the Act**”) including any rules framed thereunder,

Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 as amended from time to time (“SEBI SBEB Regulations”) and other applicable laws and regulations.

Pursuant to Regulation 6 and Regulation 14 of the SEBI SBEB Regulations and the requirements enumerated by the SEBI through the circular no. CIR/CFD/POLICY CELL/2/2015 dated June 16, 2015, the key details of FEL ESOP 2019 are set out below:

1. Brief description of the FEL ESOP 2019:

Equity based compensation is considered to be an integral part of employee compensation across sectors which enables alignment of personal goals of the employees with organisational objectives by participating in the ownership of the Company through share based compensation scheme/ plan. Your Company believes in rewarding its employees including Directors of the Company as well as that of the Subsidiary Company(ies) for their continuous hard work, dedication and support, which has led the Company and the Subsidiary Company(ies) on the growth path. The Company intends to implement FEL ESOP 2019 with a view to attract and retain key talents working with the Company and its Subsidiary Company(ies) by way of rewarding their performance and to motivate them to contribute to the overall corporate growth and profitability.

2. Total number of Stock Options to be granted:

1,36,00,000 (One Crore Thirty Six Lakh) Stock Options will be available for grant to the Eligible Employees of the Company and that of its Subsidiary Company(ies) under FEL ESOP 2019, in one or more tranches, exercisable into not more than 1,36,00,000 (One Crore Thirty Six Lakh) equity shares of face value of ₹ 2/- each fully paid-up. In normal course, the Stock Option pool should be equivalent to 3% of the paid up capital of the Company.

Vested Stock Options lapsed due to non-exercise and/or unvested Stock Options that get cancelled due to resignation/ termination of the employees or otherwise, will be available for being re-granted at a future date. The Committee will be authorised to re-grant such lapsed/cancelled options as per the provisions of FEL ESOP 2019.

The SEBI SBEB Regulations require that in case of occurrence of any corporate action(s) such as rights issues, bonus issues, merger and sale of division and others, a fair and reasonable adjustment needs to be made to the Stock Options granted. Accordingly, if any additional equity shares are required to be issued pursuant to such corporate action, the above ceiling of Stock Options or equity shares shall be deemed to increase in proportion of such additional equity shares issued subject to compliance of the SEBI SBEB Regulations.

3. Identification of classes of employees entitled to participate in FEL ESOP 2019

❖ **Following are the class/classes of employees entitled to participate in FEL ESOP 2019:**

- a) Permanent employees of the Company who has been working in or outside India;
- b) Non-independent and non-promoter Directors of the Company; and
- c) Permanent employees, Non-independent and non-promoter Directors of the Subsidiary Company(ies) in India or outside India.

❖ **Following are the class/classes of employees not eligible to participate in FEL ESOP 2019:**

- a) an employee who is a Promoter or belongs to the Promoter Group;
- b) a Director who either by himself or through his relatives or through any body corporate, directly or indirectly holds more than 10% of the outstanding Equity Shares of the Company; and
- c) an Independent Director within the meaning of the Act.
- d) a Director belonging to Promoter Group.

4. Transferability of Stock Options :

The Stock Options granted to an employee shall not be transferable to any person and shall not be pledged, hypothecated, mortgaged or otherwise alienated in any manner. However, in the event of the death of the Stock Options holder, while in employment, the right to exercise all the Stock Options granted to him till such date shall be transferred to his legal heirs or nominees within the period as may be prescribed under FEL ESOP 2019. Moreover, in case employee suffers a permanent incapacity while in employment, all the options granted to him as on the date of permanent incapacitation, shall vest in him on that day.

5. Appraisal process for determining the eligibility of employees under FEL ESOP 2019:

The appraisal process for determining the eligibility of the employees will be decided by the Board or Committee and will be based on criteria, such as role/criticality of the employee, length of service with the Company, work performance,

technical knowledge, managerial level, future potential and such other criteria that may be determined by the Board or the Committee, as applicable as its sole discretion.

The Board or the Committee may decide to extend the benefits of the Plan to new entrants or to the existing employees on such basis as it may deem fit, in accordance with applicable law.

6. Requirements of vesting and period of vesting:

The Board or Committee may, at its discretion, may lay down certain criteria including, but not limited to, the performance metrics on the achievement of which the granted Stock Options would vest and which may be specified in the respective grant letters or the vesting letters to be issued in this regard. The detailed terms and conditions relating to such criteria for vesting, the period over which and proportion in which the Stock Options vest would be subject to the minimum and maximum vesting period are specified below:

Vesting period for ESOP: The Options would vest not earlier than one year and not later than such period from the date of grant of Options as may be determined by the Committee/Board. The vesting schedule (i.e. exact proportion in which and the exact period over which the Options would vest) would be determined by the Board or Committee, subject to the minimum vesting period of one year from the date of grant of Options. Moreover, the Options granted under the Plan shall vest, in one or more tranches.

Vesting Period for RSU: The RSU would vest not earlier than one year and not later than such other period from the date of grant of RSU, as may be determined by the Committee/Board. The vesting schedule (i.e. exact proportion in which and the exact period over which the RSU would vest) would be determined by the Board or Committee, subject to the minimum vesting period of one year from the date of grant of RSU. The RSU granted under the Plan shall vest, in one or more tranches.

7. Maximum period within which the Stock Options shall be vested:

Stock Options granted under FEL ESOP 2019 would vest in accordance with the terms of each grant, subject to maximum period of 3 years from the date of grant of such Stock Options.

8. Exercise price or pricing formula:

Exercise price for ESOP: The Equity Shares may be issued at such price that the Board or Committee may determine on the date of such grant of the Options under the Plan and specified in the relevant grant documents provided that the exercise price per Option shall not be less than the face value of the equity share and shall not exceed market price of the equity share of the Company as on date of grant of Option and which may be decided by the Board/Committee.

Exercise price for RSU: The Equity Shares may be issued at such price that the Board or Committee may determine on the date of such grant of the RSU under the Plan and specified in the relevant grant documents provided that the exercise price per RSU shall not be less than the face value of the equity share and shall not exceed market price of the equity share of the Company as on date of grant of RSU and which may be decided by the Board/Committee.

Market price in this context refers to the meaning assigned to it under the SEBI SBEB Regulations.

The Committee can give cashless exercise of Stock Options, if required, to the employees and shall provide necessary procedures and/or mechanism for exercising such options subject to applicable laws, rules and regulations.

9. Exercise period and the process of Exercise:

The exercise period would commence from the date of vesting and will expire on completion of 3 (Three) years from the date of vesting of Stock Options or such other period as may be determined by the Board/Committee and subject to such other terms and conditions as may be stipulated by the Board/Committee.

The vested Stock Option will be exercisable by the employees through a written application to the Trust or Company accompanied by payment of exercise price in such manner and on execution of such documents, as may be prescribed by the Board or Committee from time to time. The Stock Options will lapse if not exercised within specified exercise period.

In case of cashless system of exercise of vested Stock Options, the Board or Committee shall be entitled to specify such procedures and/or mechanisms for the Shares to be dealt with thereon as may be necessary and the same shall be binding on the Stock Options grantees.

10. Maximum number of Stock Options to be issued per employee and in aggregate:

The number of Stock Options that may be granted to any Eligible Employee of the Company or of its Subsidiary Company under the Plan, in any financial year and in aggregate under the FEL ESOP 2019 shall be less than 1% of the Issued Equity Share Capital (excluding outstanding warrants and conversions) of the Company.

11. Compliance with the applicable Accounting Standards and Disclosure Policies:

In terms of provisions of Section 62(1)(b) and all other applicable provisions, if any, of the Act, consent of the Members is being sought by way of a Special Resolution(s) set out at Item No. 9, Item No. 10 and Item No. 11 of this Notice.

Mr. Dinesh Maheshwari and his relatives, shall be deemed to be concerned or interested in the aforesaid resolution(s) as possible future beneficiary of any grant made to him under FEL ESOP 2019. None of the other Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the passing of this Resolution.

Your Directors recommend the Resolution(s) proposed at Item No. 9, Item No. 10 and Item No. 11 of this Notice for your approval.

ITEM NO. 12

The Company intends to implement Future Enterprises Limited Employee Stock Option Plan 2019 ("FEL ESOP 2019"/ "Plan") with a view to attract and retain key talents working with the Company and its Subsidiary Company(ies). Your Company contemplates implementation of the Plan through an Employee Welfare Trust viz. Future Enterprises Limited Employees Welfare Trust ("Trust") route with a view to efficiently manage the Plan and if required to enable cashless exercise of vested options. FEL ESOP 2019 envisages primary issue of 1,36,00,000 (One Crore Thirty Six Lakh) equity shares within the term of the Plan. The Company also contemplates to manage any future employee stock option plan or restricted stock units or share based employee benefit plan which may be introduced from time to time through trust route.

The Board of Directors of the Company have at their meeting on March 28, 2019 approved FEL ESOP 2019, envisaging aforesaid number of equity shares.

In term of the provisions of relevant Regulation of the SEBI SBEB Regulations, consent of the Members is being sought by way of a Special Resolution set out at Item No.12 of this Notice.

Mr. Dinesh Maheshwari and his relatives, shall be deemed to be concerned or interested in the aforesaid resolution(s) as possible future beneficiary of any grant made to him under FEL ESOP 2019. None of the other Directors, Key Managerial Personnel of the Company and their respective relatives are, in any way, concerned or interested, financially or otherwise, in the passing of this Resolution.

Your Directors recommend the resolution proposed at Item No. 12 of this Notice for your approval.

ITEM NO. 13

The Company intends to implement Future Enterprises Limited Employee Stock Option Plan, 2019 ("FEL ESOP 2019"/ "Plan") with a view to attract and retain key talents working with the Company and its Subsidiary Company(ies) by primary issue of equity shares and through trust route for its implementation. The SEBI SBEB Regulations permits trust route for implementation of Plan.

The Board passed a resolution to set-up an Employee Welfare Trust viz. Future Enterprises Limited Employees Welfare Trust ("Trust") and approved the proposal for sanction of loan by the Company to the Trust. This proposed money provided by the Company to the Trust together with value of equity shares purchased or subscribed by the Trust in aggregate shall be within the statutory limit of 5% (five per cent) of the aggregate of paid-up share capital and free reserves, as prescribed under SEBI SBEB Regulations read with Rule 16 of the Companies (Share Capital and Debenture) Rules, 2014 ("Companies Rules").

Particulars in respect of the Trust as required under SEBI SBEB Regulations and Companies Rules are as follows:

a) The class/classes of employees for whose benefit, the Plan is being implemented and money is being provided for purchase and subscription of shares:

The Plan was being implemented and money being provided for purchase and subscription of shares for the benefit of employees within the meaning of the Plan. The class/classes of employee who are eligible subject to selection by the Board/ Nomination and Remuneration Committee ("Committee") are as follows:

❖ **Following are the class/classes of employees entitled to participate in FEL ESOP 2019:**

- a) Permanent employees of the Company who has been working in or outside India;
- b) Non-independent and non-promoter Directors of the Company; and
- c) Permanent employees and Non-independent and Non-Promoter Directors of the Subsidiary Company(ies) in India or outside India or of a holding company of the Company.

❖ **Following are the class/classes of employees not eligible entitle to participate in FEL ESOP 2019:**

- a) an employee who is a Promoter or belongs to the Promoter Group;
- b) a Director who either by himself or through his relatives or through any body corporate, directly or indirectly holds more than 10% of the outstanding Equity Shares of the Company; and
- c) an Independent Director within the meaning of the Act.
- d) a Director belonging to Promoter Group.

b) The particulars of the trustee or employees in whose favour such shares are to be registered:

It was contemplated that one or more of the designated trustees should acquire and hold the Shares in due compliance of the relevant provisions of SEBI SBEB Regulations and other applicable laws. The Trustees should transfer the shares in favour of the employees on exercise of the Stock Options after realisation of exercise price and applicable income tax.

c) The particulars of trust and name, address, occupation and nationality of trustees and their relationship with the promoters, directors or key managerial personnel, if any:

An Irrevocable Trust is set up with the name Future Enterprises Limited Employees Welfare Trust having its registered office at knowledge house, Shyam Nagar, Off. Jogeshwari - Vikhroli Link Road, Jogeshwari (East), Mumbai - 400 060. The trustees are appointed by Board and committee thereof in compliance with applicable provisions of Companies Act, 2013 and SEBI SBEB Regulations.

A person shall not be appointed as a trustee to hold shares if he is a director, key managerial personnel or promoter of the Company or associate company or any relative of such director, key managerial personnel or promoter or beneficially holds 10% or more of the paid up share capital of the Company.

d) Any interest of Key Managerial Personnel, Directors or Promoters in such Plan or trust and effect thereof:

The Directors who are promoters of the Company are not eligible to be covered under the Plan. However, Directors other than Independent Director and/or key managerial personnel, may be covered or interested under the Plan but only to the extent of stock options as may granted to them, if any, under the Plan and in due compliance with the SEBI SBEB Regulations.

e) The detailed particulars of benefits which will accrue to the employees from the implementation of the Plan:

The eligible employees should be granted Stock Options under the Plan which would vest subject to vesting conditions prescribed by the Committee. After vesting and on exercise of the Stock Options, the Trust/ Trustees should transfer corresponding number of equity shares to the employees. The employees may deal in the shares by way of selling/holding or otherwise deal in their absolute discretion subject to applicable laws and regulations immediately after exercise or may hold and sell after a definite period of time at his/ her discretion. The employees would get the benefit on sell of shares depending on sale price of such Shares. In case of cashless system of exercise of vested Stock Options, the Committee should be entitled to specify such procedures and/or mechanisms for the equity shares to be dealt with thereon as may be necessary and the same should be binding on the Stock Options grantees.

f) The details about who will exercise and how the voting rights in respect of the shares to be purchased under the Plan will be exercised:

As per SEBI SBEB Regulations, the trustees should not vote in respect of equity shares held in the Trust. In these circumstances, the voting rights can be exercised by an employee only when the equity shares are transferred to them after due process of exercise of options.

In term of the provisions of Regulation 3(8) of the SEBI SBEB Regulations read with Rule 16 of the Companies Rules, consent of the Members is being sought by way of a Special Resolution set out at Item No. 13 of this Notice.

Your Directors recommend the Resolution proposed at Item No. 13 of this Notice for your approval.

Mr. Dinesh Maheshwari and his relatives, shall be deemed to be concerned or interested in the aforesaid resolution as possible future beneficiary of any grant made to him under FEL ESOP 2019. Vice-Chairman's Message

Dear Stakeholders,

We are pleased to share with you the Annual Report for the financial year 2018-19. Your Company posted a total income on consolidated basis of ₹ 6,064.96 crore, a growth of 14.7% and a net profit of ₹ 175.44 crore at the end of this financial year. Your Company owns and operates through its subsidiaries and associated businesses, some of the fundamental blocks that help run the extensive consumption ecosystem of Future Group.

Among the key businesses housed within your Company are critical functions like design, sourcing and manufacturing of its apparel business, creation and maintenance of the retail infrastructure network and the supply chain, warehousing, fulfilment network for the entire retail business of Future Group through its step down subsidiary, Future Supply Chain Solutions Limited. In addition, the Company owns substantial stakes in an office supplies business, various other group companies and two insurance joint ventures in life and general insurance space along with Italy's Generali Group. Extensive managerial skills, strategic acumen and

prudent resource allocation are crucial aspects of the business. The core business of the Company is engaged in owning, investing, operating and maintenance of the retail infrastructure that runs some of India's most popular retail brands such as Big Bazaar, fbb, Foodhall, easyday Club, among others. In addition, the Company operates two textile mills in joint venture with National Textile Corporation and also handles the design sourcing and manufacturing of millions of units of garments that are sold through these retail networks. The Company has been investing in these activities to keep them in line with the rapid rise in Future Group's retail businesses.

Future Supply Chain Solutions Limited (FSC) is a leading third-party supply chain solutions specialist and logistics service provider that caters to Future Group as well as a large number of blue-chip companies engaged in the consumption space. The business showed strong momentum with the addition of 12 new client acquisitions during the year including companies like Benetton, Wrogn, Voltbek Home Appliances (a Voltas JV), JK Helene Curtis and Tilda. Warehouse space

managed by FSC increased by 3.08 million sq. ft. to 7.66 million sq. ft. during the year and the business posted revenues of ₹ 1,112.8 crore and net profit of ₹ 65.2 crore, a growth of 113% year on year. Technology continued to remain at the forefront of its operations with the ethos of agility, authenticity and customer centricity at the heart of the business.

During the year FSC launched 'India Food Grid' project that will eventually have 38 integrated food distribution centres connected with a seamless network. FMCG and food brands can now enter the grid from anywhere in the country and benefit from improved supply chain efficiencies, reduced wastages and better inventory management.

In the life insurance business, gross written premium crossed the ₹ 1,000 crores mark for the first time in a fiscal year, ending at ₹ 1,243 crores. The Company now covers 793,070 lives. The general insurance business distributed over 1.8 million policies through the year. The general insurance business introduced a number of new policies such as Future Varistha Bima, a tailor

made product for senior citizens, Future Vector Care - a benefit product which Insures against vector - borne diseases and Shubh Yatra Group - a travel insurance policy that covers even daily commuters. Both the general and life insurance companies pioneered a WhatsApp based policy delivery platform - making them among the first in the country.

Digital technology is now at the heart of every business and your Company is making new investments in complimenting its play in physical infrastructure with digital networks that help grow the consumption ecosystem of Future Group. The scale and scope of the consumption play in India is vast and the Company will continue to prudently invest resources in building a stronger role in the sector. We thank you for being part of this journey and look forward to your continued support and encouragement.

Rewrite Rules, Retain Values.

Completing the Cycle

Manufacturing and Sourcing

The Company has developed extensive expertise and infrastructure that supports the growing fashion business of Future Group's wide portfolio of fashion brands and some of the country's leading retail chains including Big Bazaar, fbb, Central and Brand Factory. The Company has a specialised apparel design, merchandising and sourcing team, coupled with an in-house manufacturing facility at Tarapur in Maharashtra and at Bengaluru in Karnataka and through its joint venture companies, Apollo Design Apparel Park and Goldmohur Design and Apparel Park, located in the heart of Mumbai.

Some of the key brands sourced and manufactured across the above units include menswear brands like DJ&C, Buffalo, Knighthood, womenswear brands like Srishti and shyla and kidswear brand, Pink & Blue.

The sourcing relationships of the Company extend to over 300 small, medium and large enterprises across the country and also include specialised and handicraft-driven sectors like weavers in Benaras and Bhagalpur, printing units in Jaipur, Ikkat weavers in Andhra Pradesh, kantha embroidery workers in West Bengal and weavers in Salem and Erode. The Company's specialised fashion designers and merchandisers work closely with these enterprises in developing unique products that create a distinct market for the product brands and attract shoppers at the leading fashion retail chains. The Company is continuously upgrading its infrastructure, knowledge base and sourcing and manufacturing network to support the fast growing fashion business across Future Group's retail chains.

With presence across logistics, design, sourcing, manufacturing and insurance, the company is well placed to benefit from India's growing consumption economy.

Insurance

The Company owns substantial stakes in two insurance companies - life and general insurance, along with the Generali Group, the largest insurer in Europe. During the year the life insurance company launched three new products, opened 14 new branch offices taking total number of branches to 117 and added 7,098 new agents, ending the fiscal year at 12,669 agents. It also empanelled 9 new distribution partners including American Express Banking Corp, and Religare Broking and won the coveted Microsoft AI award for best use of technology to enhance customer engagement. In the life insurance business gross written premium crossed the ₹ 1,000 crores mark for the first time in a fiscal year, ending at ₹ 1,243 crores. The company's settlement ratio has improved and number of complaints reduced by

45%. The Net Promoter Score, a crucial indicator of customer satisfaction, increased from 1.9 in March 2018 to 12.3. The company now covers 793,070 lives.

The general insurance business introduced a number of new policies such as Future Varistha Bima, a tailor made product for senior citizens, Future Vector Care - a benefit product which insures against vector-borne diseases and Shubh Yatra Group - a travel insurance policy that covers even daily commuters.

The company distributed over 1.8 million policies through the year. Both the general and life insurance companies pioneered a WhatsApp based policy delivery platform - making them among the first in the country.

Future Supply Chain's National Distribution Centre is located in MIHAN, Nagpur

Supply Chain Solutions

The Company owns a substantial stake in Future Supply Chain Solutions Limited (FSC) through its subsidiary company. A listed entity, FSC is building upon its strong capabilities in consumer business supply chain services around the ethos of agility, authenticity and customer centricity.

During the year the company launched 'India Food Grid' project that will eventually have 38 integrated food distribution centres connected

with a seamless network. FMCG and food brands can enter the grid from anywhere in the country and benefit from improved supply chain efficiencies, reduced wastages and better inventory management.

During the year it added around 3.08 million square feet of warehousing capacity, taking the total capacity to over 7.66 million square feet. The expansion was supported by strong

revenue visibility through addition of several prestigious clients including Benetton, Wrogn, Voltbek Home Appliances (a Voltas JV), JK Helene Curtis, Tilda Limited among others. It also continued to serve existing clients, such as Pepperfry, Snapdeal, TTK Prestige Limited, Reckitt Benckiser, Kellogg, Mondelez, Wildcraft, Pepe Jeans, and many more.

Technology continued to remain at the forefront of its operations. During 2018-19, it implemented

new tech-features like Voice Pick and inbound automation that would lead to notable productivity improvements. The company is also evaluating robotic arms and additional automation that will enhance productivity levels. It is in the process of launching an integrated real-time logistics platform that would bring all stakeholders in the value chain on to a common platform, a move that will provide it with a strong competitive advantage.

MANAGEMENT DISCUSSION AND ANALYSIS

Indian economy has emerged as fastest growing economy in the world. As part of Indian economy, the retail industry has emerged as one of the most dynamic and fast-paced industries. Retail Industry accounts for over 10 per cent of the country's Gross Domestic Product (GDP) and also accounts for about 8 per cent of the employment. Retail Industry has been one of the main contributors of this fastest growing economy. The Company being associated with the retail industry and having a niche area of operations, continues to receive the corresponding benefit of this growth in terms of increase in the business and prospective business growth in coming years from capex requirements of the retail businesses. Future Group's experience in modern retail, helps it to take positive and calculated expansion plans, which in turn requires support from the Company in form of infrastructure support. Further the Company also had its foray in manufacturing and trading of fashion garments, which enables it to reap additional benefits of retail growth. The Company continues to enjoy the first mover advantage in field of providing the retail infrastructure assets as well as creating fashion hub for retail entities with support of insight and vast experience of the human capital of the Company with regard to the managing and forecasting retail businesses and consumption patterns to optimise its capex spend and manufacturing as well as trading operations. The Company continues to provide the advantage of its experience to its clients in terms of minimal setup cost of efficient infrastructure and fashion garments and at the same time provide the best customer experience at stores setup with its infrastructure in various formats. The Company initiative to increase its manufacturing footprint and widen its fashion vendor network enabled it to provide wider range of fashion products to its client retail entities. Further the Company would continue to review all its investments and is pleased to inform that all the active investee companies have started reporting profits. This would ensure the accretion in valuation of investments made by the Company. Further the Company is also proposing to take benefit of its position to acquire the consumption data and use its analytics capabilities to add one more revenue stream. Further the Company's efforts to optimise its overall finance cost and improve debt maturity profile are continue and giving desired results. Further while engaging in various activities, the Company also emphasis upon the customer centric approach being part of the retail industry, where the customer is the most important constituent of this industry.

Operational Overview

The Company's activities related to providing the retail infrastructure for various retail formats of the Group, and

having large portfolio of assets which has already been put to use, enables the continuous revenue stream in form of assets rentals. Further the expertise knowledge to handle such large portfolio of assets and support being given for creation of new stores on turn key basis considering the best in class customer experience at optimised costs and space utilisation employing the technological upgradations, enables overall reduction in costs of capex on per store basis, giving benefits to the retail entities in reduced rentals per new store. Further the Company also ensures the replacement of the obsolete assets to safeguard the products as well as customers from any unwarranted losses/incidents. As a responsible corporate citizen, the Company also ensures maximum utilisation of more greener and environment friendly products in its infrastructure setup.

Being a first mover and having vast experience in predicting trends, the Company has been able to get a fully capacity order book for its manufacturing and trading operations. With increase in retail consumption and a major portion of the retail consumption now being on fashion requirements, the Company is taking multiple initiatives to strengthen its fashion business. With addition of one more manufacturing centre and widening the vendor base the Company was able to serve the more variety of the fashion garment demand of the ultimate customers through the retail entities to whom it supplies the fashion products. The procurement team and design team ensures that the Company order book is full and earns a reasonable profitability by optimising the cost of production and procurement of fashion garments.

The majority of the investments of the Company in various active investee companies, have now matured and started showing positive results. The management team at the Company level keeps a watch on operations and management of these investee companies and guide them for any specialised requirements in various fields. The overall positive outlook of economy also plays important role in improved valuation of these investee companies. The Company would continue to consider divestment of matured investments and have given mandates for such investments to the consultants. At appropriate time the divestment decisions would be considered for any investments to improve overall stakeholders valuation.

Customer and Marketing Overview

Though the direct customer segment of the Company has reduced considerably due to its B2B nature of activities, the ultimate demand would depend upon the Company's insight about the choice and taste of the ultimate customers of these retail formats and in ensuring their

comfort and selection preferences for shopping and products. The Company continues to research about the retail customers' preferences while shopping as well as its taste with regard to various fashion needs.

The Company is also considering other business activities, which may be aligned and undertaken with its present activities and add additional revenue streams. At present the Company is scaling up its manufacturing and trading operations. For retail infrastructure provider business, the Company is considering various options, including reaching out to other retail operations as well as to consider providing expertise and consultancy services for minimising the setup costs while ensuring the optimum space utilisation and best in class shopping experience.

As explained above, with the support of the management expertise of the Company, its investee companies are doing better and adding to its profitability or reducing the losses by minimising the operating costs. This would help in better valuation of the investee companies and at the same time reduce the funding requirements. Further, the Company may consider the divestment opportunity of certain business, which have been fully nurtured and have willing investors.

Awards & Recognition

The Group as well as the Company had been recognised and awarded for its various initiatives in the retail sector from time to time. The Company now being part of the B2B business initiative, there is no specific categories in which it would be recognised and awarded as in past. However, the various initiatives of the Company, are helping the other retail formats of the Group to compete for various award categories and get recognitions as in past. The Future Group ethos "rewrite rules, retain values" would continue to ensure that the Company continue to serve the retail sector and in specific the ultimate retail customer with objective to give them a shopping experience which shall improve continuously.

Competition

The new areas of operations of the Company do not really have any direct competition. However, the Company need to consider the competition its immediate customers face, viz. retail formats and provide them the better competitive edge over and above other retail formats, which Company is successfully doing by providing the best turnkey solutions for setting up new retail stores and ensuring the minimised cost of operations as well as the best in class shopping experience for the ultimate retail customers of its retail formats. The insight of the customer and the shopping India, give the Company edge to provide such solutions and the fashion offerings to its retail formats, which help them to stand out of the competition for its

final offerings and the setup. The Company do have some competition from the NBFCs and other entities providing the operating equipment / fixed assets on lease basis, however, being the ready availability of the business from the various retail formats in the Group, the Company have a ready market for its retail infrastructure provider business, as long as the Company provide these services at arms' length to these retail formats. Further, the same retail formats also provide ready market for the Company's manufacturing and the trading business activities in the fashion segment. The Company also has the advantage of the large scale operations and hence is in position to provide most competitive rate to various retail formats for the fashion products supplied by the Company. The Company is now also considering the provisions of these services outside the group as well. These initiatives with other benefits at Company side will enable it to counter the competition.

Human Resource Initiatives

The Company has one of the best human capital in retail sector and can boast about its strong domain knowledge. The Company ensures the continuous updation of its human capital to keep it abreast of the technological and behavioural changes in retail sector and corresponding changes it need to make for the provision of its services to retail sector. The human capital, pertaining to the designing and manufacturing and trading side, keep a close watch on the changing fashion trends to make necessary changes in the production plan and the procurements of the products to ensure that latest products are available to its purchasers and ultimate retail customers.

The Company also ensures the career development of individual employees by identifying the key resources and impart training for improvement of skills and the leadership qualities. The Company continues to have retention plans in form of the selective option grants and other methods of performance and role review.

Business Outlook

Retail Industry has been one of the major contributors, in the economic growth of the country. Further the consumption section as expected is about to have exponential growth as the per capital income is increasing and major component of the increased per capita income is being spent for fashion and leisure activities. Thus the highest beneficiary of the incremental growth would continue to be retail sector and would also enable the Company to reap same benefit being part of the retail support sector and one of the larger fashion garment consolidator and provider. Further the Company may also get the benefit of the data aggregator and analytics services it propose to provide to its client retail entities and ultimate customers.

Further the investee business of the Company would also get the better business opportunities of the overall economic growth of the country and improve their respective valuation as well. Divestment of any such investee businesses would give better overall cash flow for the Company and enable it to reduce overall debt of the Company.

As explained above the Company continued to put all efforts to reduce overall debt burden and finance cost by improving the overall debt profile through acquisition of debts at better negotiated rate of return and at the same time also ensuring the improved maturity profile of debt to ease burden on the cashflow of the Company. As stated above, the Company would be having further avenue to reduce the overall debt by placing its divestments of the investee companies at appropriate time at a value which would be in best interest of the Company.

The Care Ratings Limited (CARE), rating for Long Term borrowings as well as Long Term Non-Convertible Debentures to CARE AA- Stable (Double A Minus; Outlook: Stable) as of March 31, 2019.

Risks and Threats

The state of external environment, including factors like interest rates, inflation, and growth in economic activity and job creation and consumer sentiment continues to be the biggest source of threat as well as opportunity for the Company. Any slowdown in the economic activity in the country, significant job losses or high rates of inflation can severely impact the consumption and therefore growth of the Company. Other external factors, including a steep rise in interest rates or drastic changes in the policy or regulatory environment can pose financial challenge for the Company. However, the continued steps taken by the Company to deleverage its balance sheet, reducing its reliance on the debt funds, improving its debt maturity profile and thereby reducing stress on its cash flow, improved business efficiency reducing overall operating cost. We shall also note that at this time, we do not anticipate any major adverse change in macroeconomic factors.

The set controls and defined responsibilities at each level of management require evaluation of the various existing risks and new expected risks at an early stage and immediate action plan to mitigate such risks. Further the authorities given at each management level ensures implementation and execution of such action plan with minimised risk. Further, use of information technology for implementation as well as regular review and evaluation of such risks and risk mitigation action plan by management ensures minimisation of such risks.

Internal controls and their adequacy

The Company had identified the key risks and control process to mitigate the same. Further the Company continues this process of Enterprise Risk Management as a continuing process, in order to identify the new risks and to define and establish the control process to mitigate the identified risks. Further the Internal Control Framework for financial reporting, organization structure, documented authorities & procedures and internal controls are being reviewed by internal audit team on continuous basis and any issues arising out of the said audit are addressed appropriately. The Company is continuously upgrading its internal control systems by measuring state of controls at various locations. Controls in SAP, an ERP system have been strengthened with help of review conducted by Ernst & Young.

The Audit Committee, comprising independent directors is involved in regular review of financial and risk management policies, significant audit findings, the adequacy of internal controls and compliance with the accounting standards.

ANNEXURE I

DIVIDEND DISTRIBUTION POLICY

Company's philosophy:

Future Enterprises strives to ensure and preserve stakeholders' value and work towards enhancing net worth of the Company as well as overall stakeholders' value. While achieving the above objective, the Company also ensures protecting the interest of all stakeholders, including the society at large.

Future Enterprises looks upon good Corporate Governance practices as a key driver of sustainable corporate growth and long term stakeholder value creation. Good Corporate Governance Practices enable a Company to attract high quality financial and human capital. In turn, these resources are leveraged to maximise long-term stakeholder value, while preserving the interests of multiple stakeholders, including the society at large. Our Dividend philosophy is in line with the above principles.

Our dividend pay-out ratio would be ranging from 25% to 60% of the earned profits for the year, after adjusting any carried forward losses. Dividend payout ratio would be reviewed every three year and would be based upon profitability and retained earnings and would be further subject to business requirements and general economic conditions. The Company will attempt to maintain a consistent dividend record to reward shareholders.

Declaration of Dividend:

In line with the philosophy described above, the Board reviews the operating performance every quarter and shall strive to distribute optimum and appropriate level of profits in the form of interim / final dividend, from time to time. All dividend are subject to statutory regulations and approvals, as applicable. Overall, the dividend payout in each year will depend upon business performance, investment requirements of the annual operating plan for the year and any other strategic priorities identified by the Company.

Per share basis:

The dividend will be declared on per share basis only.

Circumstances under which the shareholders of the listed entities may not expect dividend:

The Board may choose not to recommend a dividend, if there are important strategic priorities which require large investments that would deplete the company's cash reserves or uncertainties in the business performance in the near to medium term.

Financial parameters considered while declaring dividend:

The financial parameters that may be considered before declaring dividend are profitability, cash flow, obligations, taxation policy, past dividend rates and future growth and profitability outlook of the company.

Internal and external factors considered while declaring dividend:

The Board leads the strategic management of the company on behalf of the Shareholders, exercise supervision through direction and control and appoints various committees to handle specific areas of responsibilities. In this endeavour, the Board reviews various types of information provided to it which has a bearing on declaring dividend.

Key internal and external factors are listed below (not exhaustive):

Internal:

- Annual operating plans, budgets, updates
- Capital budgets
- Quarterly and Annual results
- Investments including Mergers and Acquisitions (M&A)
- Strategic updates / financial decisions
- Funding arrangements
- Any other matter / risks

External:

- Macro-economic environment
- Competition
- Legislations impacting business
- Statutory restrictions
- Changes in accounting policies and applicable standards
- Client related risks

Any other matter / risks apprehended by the Board

Usage of retained earnings:

Retained earnings would be used to further the company's business priorities. If there are excess reserves beyond the medium to long term business requirements, the retained earnings would be distributed to shareholders via Dividends or other means as permitted by applicable regulations.

Parameters that are adopted with regard to various classes of shares:

The Company would ensure compliance with statutory guidelines, terms and conditions of issue of shares of specific class and provisions contained in Article of Association. To the extent permitted, the Company would aim for highest level of transparency and equitable treatment of all investors to all shareholders.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019

[Pursuant to Regulation 24A of SEBI (Listing Regulations and Disclosure Requirement) Regulation, 2015 and Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Future Enterprises Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Future Enterprises Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's statutory registers, papers, minute books, forms and returns filed with the Registrar of Companies and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019, has prima facie complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the Statutory Registers, papers, minute books, forms and returns filed with the ROC and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there;
- (v) The following Regulations and Guidelines prescribed under Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulation, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and listing of Debt securities) Regulations, 2008;

Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended March 31, 2019:-

- (a) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client;
- (b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (vi) Based on the representation given by the Management of the Company, it is observed that there are no such laws which are specifically applicable to the industry in which the Company operates.
- (vii) I have also examined compliance with the applicable provisions of the following:
 - (a) Secretarial Standards issued by the Institute of Company Secretaries of India;
 - (b) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, I am in opinion that the Company has prima facie complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

I further report that I rely on statutory auditor's reports in relation to Financial Statement and accuracy of financial figures for Sales Tax, Value Added tax, Goods and Service Tax Act, ESIC, Provident fund as disclosed under financial statements, Accounting Standards and note on foreign currency transactions during my audit period.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

The Company has also devised a process for performance evaluation of Independent Directors, the Board, Committees and other individual Directors. The Independent Directors were evaluated on the criteria such as engagement, leadership, analytical, quality of decision-making, interaction, integrity, governance, responsibility towards stakeholders, etc.

REMUNERATION OF DIRECTORS

Remuneration Policy

The Company believes that human resource is the key for the continuous growth and development of the Company. The Company's Remuneration Policy is designed to attract, retain and motivate employees by offering appropriate remuneration packages and retiral benefits and also rewarding performance of key employees by offering employee stock options to contribute and participate in the overall corporate growth, profitability and financial success of the organisation. The Remuneration Policy is in consonance with the existing industry practice.

Remuneration Policy for Executive Directors

The Company pays remuneration by way of salary, benefits, perquisites and allowances (fixed component) and commission or performance bonus (variable component) to its Managing Director / Executive Director, as approved by the Board and the Members of the Company. In determining the remuneration package of the Executive Directors, the Nomination and Remuneration Committee ("**NRC**") evaluates the remuneration paid by comparable organisation and thereafter makes its recommendation to the Board. Annual increments are decided by the NRC within the scale of remuneration approved by the Members of the Company. NRC also reviews and decides the quantum of commission or performance bonus payable to the Managing Director / Executive Director as per terms of appointment and based on the performance of the individual as well as the Company. Performance criteria for Managing Director / Executive Director, entitled for Commission or Performance Bonus are determined by NRC.

Criteria of making payments to Non-Executive Directors

The eligible Non-Executive Directors may be paid commission upto an aggregate maximum of 1% of the net profits of the Company as specifically computed for this purpose and as may be approved by Board of Directors of the Company. The criteria of making payments to Non-Executive Directors cover, *inter-alia*, number of meetings attended, Chairmanship of Committees of the Board, time spent in deliberations with the senior management on operational matters other than at meetings and contribution at the Board/Committee(s) levels. The Company also reimburse the out-of-pocket expenses incurred by the directors for attending the meetings.

Non-Executive Directors are paid sitting fees for attending any Meeting of the Board and Committee of the Board including meeting of Independent Directors, as decided from time to time by the Board. The Members of Corporate Social Responsibility Committee have voluntarily waived the acceptance of sitting fees for attending the Meeting of the Committee.

FUTURE ENTERPRISES LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the standalone Financial Statements of Future Enterprises Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2019, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and profit and total comprehensive income (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matter to be communicated in our report.

The Key Audit Matter	How the matter was addressed in our Audit
<p>Valuation of Inventory</p> <p>Refer note no. 7 to the accompanying standalone financial statements</p> <p>We identified this matter as key in our audit due to the materiality of the value of inventories, and the numerous SKUs and high volume of movement in the inventory.</p>	<p>Our Procedures included, but were not limited to the following:</p> <ul style="list-style-type: none"> ◆ Assessment of the design, implementation and operational effectiveness of the relevant controls in place in the inventory management and measurement process. ◆ Evaluation of the inventory costing methodology and valuation policy established by management, including compliance with the applicable accounting standard. ◆ Assessment of the inventory costing methodology and valuation policy maintained and applied in the IT system. ◆ Assessing the analysis and assessment made by the management with respect to slow moving and obsolete inventory. ◆ Verification of the determination of net realizable value on a representative sample basis
<p>Accounting for Lease Rental Income</p> <p>Lease rental income amounted to Rs. 742.97 Crore for the year ended 31 March 2019, Generally lease revenue is recognised net of discount, in accordance with the terms of lease contracts over the lease term on a straight line basis using a standard IT system. Also there are few lease arrangements where revenue recognition is not subject to straight line basis depending on the nature of the lease arrangements and performance of the lease. There is an inherent risk around the accuracy of the revenue recorded given the complexity of the IT system and impact of the terms of lease agreements to the revenue recognition.</p>	<p>Our audit procedures included considering the appropriateness of the Company's revenue recognition accounting policies and assessing compliance with the policies in terms of the applicable accounting standards. We performed test of controls, assisted by our IT specialists, over revenue recognition with specific focus on whether lease income is recorded over the lease term on a straight line basis or other applicable basis as per the terms of the lease contract. We performed tests of details, on a sample basis, to review the case contracts entered into with the customers to assess whether lease income recorded is as per the contract terms and also to identify any non-standard lease clauses and to assess the appropriateness of the rental income accounting. We assessed the completeness of lease rental income recorded during the year through matching the data used in the revenue recognition to the approved lease agreements with the customers. We also performed detailed substantive analytical procedures of case rental income and the timing of its recognition.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information, but does not include the standalone financials statements and our auditors report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and in doing so, consider whether the information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including and significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the

Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
 - In Our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 40 to the Financial Statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE – ‘A’ to the Independent Auditors’ Report

Referred to in Paragraph 1(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report to the members of Future Enterprise Limited of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Future Enterprises Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is

sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investment and providing guarantees and securities, as applicable.

- v. In respect of deposits accepted, in our opinion and according to the information and explanations given to us, directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013, and the rules framed there under, to the extent applicable, have been complied with. We are informed by the management that no order has been passed by the Company Law Board (CLB), National Company Law Tribunal (NCLT) or Reserve Bank of India (RBI) or any Court or any other Tribunal.

vi. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the companies Act, 2013 for the business activities carried out by the company, thus reporting under clause 3(vi) of the order is not applicable to the Company.

- vii. a) According to information and explanations given to us, the Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income Tax, Goods and Service Tax, Custom Duty, Cess, Professional Tax and other material statutory dues applicable to it with the appropriate authorities.
- b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income Tax, Goods and Service Tax, Custom Duty, Cess, Professional Tax and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable except

Name of Statute	Nature of the dues	Amount (in ₹ Crore)	Period to which the amount relates	Forum where dispute is pending
The Income Tax Act, 1961	Income Tax	3.10	A Y 2014-15	Commissioner of Income Tax Appeal
The West Bengal Tax on Entry of Goods Into Local Areas Act 2012	Entry Tax	1.75	FY 2016-17 & 2017-18	Calcutta High Court

- viii. Based on our audit procedures and on the basis of information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowings from banks and debenture holders. The Company has not taken any loans from Government or any Financial Institution.

- ix. Based on audit procedure and on the basis of information and explanation given by the management, we are of the opinion that money raised by Company by way of term loan has been applied for the purpose for which they were raised. The Company did not raise any money by way of Initial Public offer or further public offer.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Therefore, paragraph 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv. During the Year, the company has not made any preferential allotment or private placement of shares fully or partly paid convertible debentures and hence, reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Company Overview And Significant Accounting Policies

1.1 Company Overview

Future Enterprises Limited (formerly known as Future Retail Limited) ('the Company') is a public Company domiciled in India and incorporated under the provisions of Companies Act, 1956 on October 12, 1987. The Company engaged in the business of manufacturing, trading and leasing of assets.

The Company has its registered office at Mumbai, Maharashtra, India. The Company has its primary listings on the National Stock Exchange of India Limited and BSE Limited.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors on May 27, 2019.

1.2 Basis of Preparation and Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

1.3 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.4 Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Building	: 30 years
Plant and Equipment	: 5 years
Office Equipment*	: 3 to 6 years
Furniture and Fixture	: 10 years
Electrical Installation and Equipment	: 10 years
Vehicles	: 10 years
Leasehold Improvement*	: Lease term or 15 years, whichever is lower

*Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Leasehold lands are amortised over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

1.5 Intangible Assets

Intangible assets are stated at acquisition cost and other cost incurred, which is attributable to preparing the asset for its intended use, less accumulated amortization and accumulated impairment losses, if any. The cost of intangible assets acquired in a business combination is recorded at fair value on the date of acquisition. The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life not exceeding ten years and assessed for impairment whenever there is an indication that the Intangible assets may be impaired. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level.

An item of Intangible Asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

The residual values, useful lives and methods of amortisation of Intangible Assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.6 Business Combinations

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations. The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Company. The cost of acquisition also includes the fair value of any contingent consideration. Identifiable assets acquired, liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition. Business combinations between entities under common control is accounted for at carrying value. Transaction costs that the Company incurs in connection with a business combination such as finder's fees, legal fees, due diligence fees, and other professional and consulting fees are expensed as incurred.

1.7 Impairment of Assets

(i) Financial Assets

The Company recognizes loss allowances using the expected credit losses (ECL) model for the financial assets which are not fair valued through statement of profit and loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in such case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in statement of profit and loss.

(ii) Non-Financial Assets

Intangible Assets and Property, Plant and Equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years.

(iii) Share Capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

1.8 Financial instruments

(i) Initial Recognition and Measurement

The Company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are recognised on the trade date.

(ii) Subsequent Measurement

a) Non-Derivative Financial Instruments

(i) Financial Assets Carried At Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial Assets At Fair Value Through Other Comprehensive Income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

(iii) Investments in Associates, Joint Venture and Subsidiaries

Investments in Associates, Joint Venture and Subsidiaries are carried at cost.

(iv) Financial Assets at Fair Value Through Profit or Loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(v) Financial Liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognised in a business combination which is

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

b) Derivative Financial Instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

(i) Financial Assets or Liabilities, at Fair Value Through Profit or Loss.

This category has derivative financial assets or liabilities which are not designated as hedges.

Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorised as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognised initially at fair value and attributable transaction costs are recognised in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/ liabilities in this category are presented as current assets/ liabilities if they are either held for trading or are expected to be realised within 12 months after the balance sheet date.

(ii) Derecognition of Financial Instruments

The company derecognizes a financial asset when the contractual right to receive the cash flows from the financial asset expire or it transfers the financial asset.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

1.9 Current Versus Non-Current Classification

An asset is considered as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is considered as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.10 Measurement of Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Input for the asset or liability that are not based on observable market data (unobservable inputs).

1.11 Inventories

Inventories are valued at lower of cost or net realizable value. Inventories of traded goods are valued at lower of cost or net realizable value. Finished Goods and Work-in-Progress include cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Costs of inventories are computed on weighted average basis.

1.12 Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the period in which the related service is rendered.

Post-employment and other long term employee benefits are recognised as an expense in the Statement of Profit and Loss for the period in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognised in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognised in other comprehensive income. The effect of any plan amendments are recognised in net profit in the statement of profit and loss.

1.13 Share-Based Payment

The Company recognizes compensation expense relating to share-based payments in statement of profit and loss, using fair-value. The estimated fair value of awards is charged to income on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share options outstanding account.

1.14 Provisions

A provision is recognised if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

1.15 Revenue recognition

Revenue is recognised on a fair value basis to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(i) Sale of goods

Revenue from sale of goods is recognised, when significant risks and rewards of ownership have been transferred to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. It also includes excise duty and excludes value added tax and Goods and service tax (GST). It is measured at fair value of consideration received or receivable, net of returns and allowances.

(ii) Revenue from Sale of Services

Revenue from Sale of services are recognised as they are rendered based on arrangements with the customers.

(iii) Lease Income

Lease agreements where the risks and rewards incidental to the ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals are recognised on straight - line basis as per the terms of the agreements in the statement of profit or loss.

(iv) Interest Income

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset.

(v) Dividend Income

Dividend income is recognised when the Company's right to receive the payment is established.

1.16 Foreign Currency Transactions

(i) Functional Currency

Financial statements of the Company's are presented in Indian Rupees (₹), which is also the functional currency.

(ii) Transactions and Translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. Transaction gains or losses realised upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gain and losses are presented in the statement of profit and loss on net basis within other gains/ (losses).

1.17 Leases

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalised.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, the capitalised asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as Operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.18 Taxation

Income tax comprises current and deferred income tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in other comprehensive income.

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred income tax assets and liabilities are recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent there is reasonable certainty that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.19 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

1.20 Borrowing Costs

Borrowing costs, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use, are capitalised as part of the cost of the respective asset. All other borrowing costs are charged in the period they occur in the statement of profit and loss.

1.21 Application of new and revised standards

Ind AS 116- Leases:

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. Currently, operating lease expenses are charged to the statement of profit and loss. Ind AS 116 substantially carries forward the lessor accounting requirements in IND AS 17.

As per Ind AS 116, the lessee needs to recognise depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities.

The Company is currently evaluating the impact on account of implementation of Ind AS 116 which might have significant impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

30. Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the managing board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Company manages market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is not exposed to significant interest rate risk as at the respective reporting dates.

(ii) Foreign Currency Risk

The Company is exposed to exchange fluctuation risk for its purchase from overseas suppliers in various foreign currencies.

The Company follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposures to foreign currency risk.

The following table analyzes foreign currency risk from financial instruments as of:

	(₹ in crore)	
	2018-19	2017-18
Trade Payables	59.19	113.98
Trade Receivables	3.81	3.57

(iii) Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 533.50 crore and ₹ 488.40 crore as of March 31, 2019 and March 31, 2018 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the company through credit approvals establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain. The company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the company's historical experience for customers.

(iv) Liquidity Risk

The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at a reasonable price. Typically the company ensures that it has sufficient cash on demand to meet expected operational expenses and servicing of financial obligations.

(v) Financial Instruments Valuation

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- The fair value of quoted investment is measured at quoted price or NAV.
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

Fair value measurement hierarchy:

(₹ in crore)

Particulars	As At March 31 2019			As At March 31 2018		
	Carrying Amount	Level of Input used in		Carrying Amount	Level of Input used in	
		Level 1	Level 2		Level 1	Level 2

Trade Payables	660.85	-	-	485.46	-	-
Other Financial Liabilities	1,018.17	-	-	772.74	-	-

The financial instruments are categorised into two levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly.

(vi) Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. In Net debt, the Company includes interest bearing loans and borrowings, trade and other payables less cash and cash equivalents.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(₹ in crore)

	March 31, 2019	March 31, 2018
Gross Debt	6,479.15	5,730.87
Trade Payables	660.85	485.46
Other Payables	926.49	708.17
Less: Cash and Cash Equivalents	14.62	19.56

Capital and Net Debt	12,010.09	10,815.57
Gearing Ratio	67.04%	63.84%

In order to achieve this overall objective, the Company's capital management amongst other things aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2019 and March 31, 2018.

33. Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to manufacturing, trading and leasing of assets. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
FUTURE ENTERPRISES LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Future Enterprises Limited ("the Company"), its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), associates and Jointly Controlled Entities, which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other comprehensive income), the Consolidated statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Financial Statements, including summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates and Jointly Controlled Entities as at March 31, 2019, and consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements Section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and Jointly Controlled Entities, were of most significance in our audit of the consolidated financial statements of the current period.

These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter to be communicated in our report.

The Key Audit Matter	How the matter was addressed in our Audit
<p>Valuation of Inventory Refer note no. 7 to the accompanying Consolidated Financial Statements We identified this matter as key in our audit due to the materiality of the value of inventories, and the numerous SKUs and high volume of movement in the inventory.</p>	<p>Our Procedures included, but were not limited to the following:</p> <ul style="list-style-type: none">• Assessment of the design, implementation and operational effectiveness of the relevant controls in place in the inventory management and measurement process.• Evaluation of the inventory costing methodology and valuation policy established by management, including compliance with the applicable accounting standard.• Assessment of the inventory costing methodology and valuation policy maintained and applied in the IT system.• Assessing the analysis and assessment made by the management with respect to slow moving and obsolete inventory.• Verification of the determination of net realizable value on a representative sample basis

The Key Audit Matter	How the matter was addressed in our Audit
<p>Accounting for Lease Rental Income</p> <p>Lease rental income amounted to Rs. 742.97 Crore for the year ended 31 March 2019, Generally lease revenue is recognised net of discount, in accordance with the terms of lease contracts over the lease term on a straight line basis using a standard IT system. Also there are few lease arrangements where revenue recognition is not subject to straight line basis depending on the nature of the lease arrangements and performance of the lease. There is an inherent risk around the accuracy of the revenue recorded given the complexity of the IT system and impact of the terms of lease agreements to the revenue recognition.</p>	<p>Our audit procedures included considering the appropriateness of the Company's revenue recognition accounting policies and assessing compliance with the policies in terms of the applicable accounting standards.</p> <p>We performed test of controls, assisted by our IT specialists, over revenue recognition with specific focus on whether lease income is recorded over the lease term on a straight line basis or other applicable basis as per the terms of the lease contract. We performed tests of details, on a sample basis, to review the case contracts entered into with the customers to assess whether lease income recorded is as per the contract terms and also to identify any non-standard lease clauses and to assess the appropriateness of the rental income accounting. We assessed the completeness of lease rental income recorded during the year through matching the data used in the revenue recognition to the approved lease agreements with the customers. We also performed detailed substantive analytical procedures of case rental income and the timing of its recognition.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate

Governance and Shareholders Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matter stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its Jointly Controlled Entities and an Associate Company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group and of its Jointly Controlled Entities and an Associate Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Jointly Controlled Entities and Associate Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the Companies included in the Group and of its Jointly Controlled Entities and an Associate Company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group and of its Jointly Controlled Entities and an Associate Company are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its subsidiary companies which are incorporated in India and abroad, has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements.

Materiality is the magnitude of misstatement in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the Financial Statements of the ten subsidiaries whose Financial Statements reflect total assets of Rs. 1242.98 Crore as at March 31, 2019, total revenues of Rs. 1531.86 Crore for the year ended on that date as considered in the Consolidated Financial Statements. These Financial Statements and the other financial information have been audited by other auditors whose report has been furnished to us by the Management, and our opinion on the consolidated results to the extent they have been derived from such Financial Statements is based solely on the other auditor's report.

The Consolidated Financial Statements also includes the Group's share of profit after tax of 14.47 Crore for the year

ended March 31, 2019, as considered in the Consolidated Financial Statements, in respect of Jointly Controlled Entities, whose financial statement have not been audited by us. These Financial Statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and other disclosures included in respect of these subsidiaries and associate, and our reporting terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the auditors.

We have relied on the unaudited Financial Statements of two Jointly Controlled Entities whose Financial Statements reflect the Group's share of profit of 6.12 Crore for the year ended on that date. These unaudited Financial Statements are approved by the respective Board of Directors of these Companies and have been furnished to us by the management and our report in so far as it relates to amounts included in respect of this Jointly Controlled Entities are based solely on such approved unaudited Financial Statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the IND AS specified under Section 133 of the Act, read with relevant rules issued thereunder.
- e) On the basis of the written representations received from the Directors of the Company as on March 31, 2019 taken on record by the Board of Directors of the Company and the reports of the

statutory auditors of its Subsidiary Companies and Jointly Controlled Entities and associates Companies incorporated in India, None of the Directors of these entities is disqualified as on March 31, 2019 from being appointed as a Director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of internal Financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A", which is based on the auditors' reports of the subsidiary companies, associate companies and jointly controlled companies. Our report expresses and unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group, its Jointly Controlled Entities and an Associate Company – Refer Note 43 to the Consolidated Financial Statements.
- ii. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There were no amounts in case of Subsidiary Companies, Jointly Controlled Entities and Associate Companies which were required to be transferred to Investor Education and Protection Fund.

Annexure – A to the Independent Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (I) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the Consolidated Financial Statement of Future Enterprises Limited ("The Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") its associates and jointly control entities as at and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of the Holding Company and its Subsidiary Companies, its jointly control entities and associates incorporated in India, as at that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its Subsidiary Companies, which are Companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the Consolidated Financial Statement, whether due to fraud or error.

We believe that the audit evidence obtained by us and the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company, its subsidiaries, associates and jointly controlled entities internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statement for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, the Company and its Subsidiary Companies, which are Companies incorporated in India and abroad have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit

of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India (ICAI).

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to Financial Statements of 10 Subsidiary Companies, 6 Joint Ventures entities and 1 Associates are based on the corresponding reports of the auditors of such Companies.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. Company Overview And Significant Accounting Policies

1.1 Overview

Future Enterprises Limited ('the company or parent') is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956 on October 12, 1987. The Company, its Subsidiaries, Joint Ventures and Associate collectively refer to as a 'Group'.

The Group engaged in the business of manufacturing, trading, leasing of assets, logistics services and joint ventures with Life and Non Life Insurance services.

The Group has its registered office at Mumbai, Maharashtra, India. The Group has its primary listings on the National Stock Exchange of India Limited and BSE Limited.

The consolidated financial statements were authorised for issue in accordance with a resolution of the Board of Directors on May 27, 2019.

1.2 Basis of Preparation and Presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention method on accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

1.3 Basis of Consolidation

The Group consolidate entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Group, it controlled its subsidiaries, associates and joint venture.

Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-Group balances and transactions including unrealised gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Group, are excluded.

Associates are entities over which the Group has significant influence but not control. Investments in associates and joint ventures are accounted for using the equity method of accounting. The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates and joint ventures includes goodwill identified on acquisition.

1.4 Use of Estimates

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

1.5 Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

The Group depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Building	: 30 years
Plant and Equipment	: 15 years
Office Equipment*	: 3 to 6 years
Furniture And Fixture	: 10 years
Electrical Installation and Equipment	: 10 years
Vehicles	: 10 years
Leasehold Improvement*	: Lease term or 15 Years, whichever is lower

*Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Leasehold lands are amortised over the period of lease. Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of land is beyond the life of the building.

In other cases, buildings constructed on leasehold lands are amortised over the primary lease period of the lands.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

1.6 Intangible Assets

Intangible assets are stated at acquisition cost and other cost incurred, which is attributable to preparing the asset for its intended use, less accumulated amortization and accumulated impairment losses, if any. The cost of intangible assets acquired in a business combination is recorded at fair value on the date of acquisition. The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life not exceeding ten years and assessed for impairment whenever there is an indication that the Intangible assets may be impaired. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level.

An item of Intangible Asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

The residual values, useful lives and methods of amortisation of Intangible Assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.7 Goodwill

Goodwill on acquisition of Subsidiaries and Joint Ventures is included in intangible assets. Goodwill is not amortized but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

1.8 Impairment of Assets

(i) Financial Assets

The Group recognizes loss allowances using the expected credit losses (ECL) model for the financial assets which are not fair valued through statement of profit and loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in such case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in statement of profit and loss.

(ii) Non-Financial Assets

(a) Intangible Assets and Property, Plant and Equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years.

1.9 Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

1.10 Financial instruments

(i) Initial Recognition and Measurement

The Group recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are recognised on the trade date.

(ii) Subsequent Measurement

a) Non-Derivative Financial Instruments

(i) Financial Assets Carried At Amortized Cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial Assets At Fair Value Through Other Comprehensive Income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Group has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

(iii) Investments in Associates and Joint Venture

Investments in Associates and Joint Venture are carried at cost.

(iv) Financial Assets at Fair Value Through Profit or Loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

(v) Financial Liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognised in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

b) Derivative Financial Instruments

The Group holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

(i) Financial Assets or Liabilities, at Fair Value Through Profit or Loss.

This category has derivative financial assets or liabilities which are not designated as hedges.

Although the Group believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorised as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognised initially at fair value and attributable transaction costs are recognised in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/ liabilities in this category are presented as current assets/ liabilities if they are either held for trading or are expected to be realised within 12 months after the balance sheet date.

(ii) Derecognition of Financial Instruments

The Group derecognises a financial asset when the contractual right to receive the cash flows from the financial asset expire or it transfers the financial asset.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

1.11 Current Versus Non-Current Classification

An asset is considered as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is considered as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.12 Measurement of Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Input for the asset or liability that are not based on observable market data (unobservable inputs).

1.13 Inventories

Inventories are valued at lower of cost or net realizable value. Inventories of traded goods are valued at lower of cost or net realizable value. Finished Goods and Work-in-Progress include cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Costs of inventories are computed on weighted average basis.

1.14 Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the period in which the related service is rendered.

Post-employment and other long term employee benefits are recognised as an expense in the Statement of Profit and Loss for the period in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognised in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognised in other comprehensive income. The effect of any plan amendments are recognised in the statement of profit and loss.

1.15 Share-Based Payment

The Group recognizes compensation expense relating to share-based payments in statement of profit and loss, using fair-value. The estimated fair value of awards is charged to income on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share options outstanding account.

1.16 Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Provisions for warranty-related costs are recognised when the product is sold or service provided to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

1.17 Business Combinations

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations. The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Company. The cost of acquisition also includes the fair value of any contingent

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

consideration. Identifiable assets acquired, liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition. Business combinations between entities under common control is accounted for at carrying value. Transaction costs that the Company incurs in connection with a business combination such as finder's fees, legal fees, due diligence fees, and other professional and consulting fees are expensed as incurred.

1.18 Revenue recognition

Revenue is recognised on a fair value basis to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

(i) Sale of goods

Revenue from sale of goods is recognised, when significant risks and rewards of ownership have been transferred to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. It also includes excise duty and excludes value added tax and Goods and Service Tax(GST). It is measured at fair value of consideration received or receivable, net of returns and allowances.

(ii) Revenue from Sale of Services

Revenue from Sale of services are recognised as they are rendered based on arrangements with the customers.

(iii) Lease Income

Lease agreements where the risks and rewards incidental to the ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals are recognised on straight - line basis as per the terms of the agreements in the statement of profit or loss.

(iv) Interest Income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset.

(v) Dividend Income

Dividend income is recognised when the Group's right to receive the payment is established.

1.19 Foreign Currency Transactions

(i) Functional Currency

Consolidated financial statements of the Group's are presented in Indian Rupees (₹), which is also the functional currency.

(ii) Transactions and Translations

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. Transaction gains or losses realised upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gain and losses are presented in the statement of profit and loss on net basis within other gains/ (losses).

1.20 Leases

Finance leases, which effectively transfer to the Group substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalised.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain the ownership by the end of the lease term, the capitalised asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.21 Taxes on Income

Income tax comprises current and deferred income tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in other comprehensive income.

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred income tax assets and liabilities are recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognised to the extent there is reasonable certainty that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.22 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Group and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

1.23 Borrowing Costs

Borrowing costs, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use, are capitalised as part of the cost of the respective asset. All other borrowing costs are charged in the period, in which they occur in the statement of profit and loss.

1.24 Application of new and revised standards

Ind AS 116- Leases:

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. Currently, operating lease expenses are charged to the statement of profit and loss. Ind AS 116 substantially carries forward the lessor accounting requirements in IND AS 17.

As per Ind AS 116, the lessee needs to recognise depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities.

The Company is currently evaluating the impact on account of implementation of Ind AS 116 which might have significant impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

35 Financial Risk Management

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the managing board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Group manage market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Group is not exposed to significant interest rate risk as at the respective reporting dates.

(ii) Foreign Currency Risk

The Group are exposed to exchange fluctuation risk for its purchase from overseas suppliers in various foreign currencies.

The Group follows established risk management policies including the use of derivatives like foreign exchange forward contracts to hedge exposures to foreign currency risk.

The following table analysis foreign currency risk from financial instruments as of:

	(₹ in crore)	
	2018-19	2017-18
Trade Payables	3.30	114.02
Trade Receivables	11.15	3.57

(iii) Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹896.15 crore and ₹771.21 crore as of March 31, 2019 and March 31, 2018 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Group grant credit terms in the normal course of business. On account of adoption of Ind AS 109, the Group uses expected credit loss model to assess the impairment loss or gain. The Group uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Group's historical experience for customers.

(iv) Liquidity Risk

The Group's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. Typically the Group ensure that it has sufficient cash on demand to meet expected operational expenses and servicing of financial obligations.

(v) Financial Instruments Valuation

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- The fair value of quoted investment is measured at quoted price or NAV.
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

Fair value measurement hierarchy:

The financial instruments are categorised into two levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

(vi) Capital Management

For the purpose of the Group capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group capital management is to maximize the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2019 and March 31, 2018.

37 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Group's operations predominantly relate to manufacturing, trading and leasing of assets. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.
