Press Release

Baghjan blowout well successfully killed

The well has been killed with brine solution and under control now. Fire has been doused completely. There is no pressure in the well now and the same will be observed for 24 hrs to check if there is any amount of gas migration and pressure build up. Further operation to abandon the well is in progress.

Dr. P.Chandrasekaran, Director (Exploration and Development), Shri P.K.Goswami, Director (Operations) and Shri D K Das, Resident Chief Executive visited the Baghjan well site and had detailed discussions with the Experts from Alert and OIL team.
