LIFELINE REQUEST

'Allow folks staying in MMR, with two vax shots to travel on trains'

Passenger associations highlight travel and economic woes of people living in far flung places to State govt and Railways

SHASHANK RAO shashank.rao@fjindia.co.in

With the state government thinking of easing restrictions from June, the railway passenger associations are demanding that at least people staying in Mumbai's Metropolitan Region (MMR) should be allowed to travel on local trains. They have also suggested that people who have taken two vaccination shots and have a valid certificate should be allowed on trains. These are apart from those people working on essential duties. At present people staying in far off places in MMR, like on Thane-Kalyan-Karjat/Kasara route on the Central Railway and Borivali-Virar-Dahanu on Western Railway face a tough

time travelling. This is the same for those on essential duties. According to the railway authorities, there are people who travel illegally without valid ID proof and fake IDs, for work despite being disallowed. The passenger associations claim that one of the biggest reasons is that the livelihood of people are severely hit. In a letter to

Chief Minister Uddhav Thackeray, the commuter body Federation of Suburban Railway Passengers Association has said that the 'Break the Chain' formula is frustrating for those living beyond Kalyan. "We have approached both the Indian Railways and Maharashtra government urging them to allow at least those who stay beyond Kalyan in

MMR, to travel in local trains from June. We have been suggesting them to go for staggered office timing, which shall ease the situation," said its president Nandkumar Deshmukh. The local trains (aka lifeline) is the only mode of transport for people and the railways have been catching for ticketless travel and without valid documents every day. "The railways should give travel authority and issue daily tickets to those who produce vaccination certificates of both doses," said Shailesh Goyal, member Zonal Railway Users Consultative Committee. The passenger associations state that they should also include few riders on this, like people who complete the second dosage should wait for 15-17 days before travel; certificates should be kept handy at all times etc. At present the Central and Western Railways together are ferrying 16-20 lakh people on essential duties everyday which is over 20 per cent. "How long will railways and the state government prevent people from using the trains. There is a need to allow people staying in far suburbs to be allowed to travel in local trains. The railways should innovate the methods of train travel, access control, create quota systems with limited tickets per hour and run train services as per peak/non-peak hours," said Siddesh Desai, vice-president of the Mumbai Rail Pravasi Sangh.

Big B buys a duplex in Andheri (W) for ₹31 cr

SWEETY ADIMULAM sweety.adimulam@fj.co.in

Actor Amitabh Bachchan has bought a luxury duplex property with a carpet area of 5,184 square feet for an amount of Rs 31 crore in a project named Atlantis located at New Link Road, Andheri West, by developer Crystal Pride.

The new property is located on the 27th and 28th floors of the highrise. Also, the property comes with six mechanised car parking spaces for the homebuyer

According to the property registration documents accessed by Zapkey.com, the new property is located on the 27th and 28th floors of the highrise. Also, the property comes with six mechanised car parking spaces for the homebuyer. The Free Press Journal also reviewed the copy of the registration documents, which showed that Bachchan bought the property on December 31, 2020, and registered it in April 2021. For the said property, the actor paid a stamp duty of Rs 62 lakh, which is 2 percent of Rs 31 crore, taking advantage of Maharashtra government's stamp duty concession of 2 percent valid till December 31, 2020. According to real estate bro-

kers dealing in the area, the per sq ft value of the property works out to around Rs 60,000. The Maharashtra Government, in a bid to provide a much-needed push to the real estate sector and encourage homebuyers to continue buying property in the pandemic, had offered a stamp duty waiver. Under this scheme, homebuyers had availed 2 percent stamp duty offer till December 2020, and later 3 percent till March 2021. However, the government did not extend the offer despite appeals by developers and representatives from the real estate sector. Now homebuyers have to pay 5 percent stamp duty on any property purchase.

Sandeep Reddy, co-founder of Zapkey.com, said, "The pandemic has given a boost to sales of luxury apartments and a lot of celebrities and businessmen have bought houses to take advantage of the pandemic-led price correction and stamp duty reduction." According to registration documents accessed by Zapkey.com, actress Sunny Leone had bought a flat on the 12th floor in the same project for Rs 16 crore on March 28, 2021. Bollywood director and producer Aanand L Rai had also bought a duplex apartment on the 27th and 28th floor with his wife Yogita Anand Raisinghani for Rs 25.3 crore in the same property.

Notes:
 1. The above results for the year ended 31 March 2021 have been reviewed by the Audit Committee and thereafter were approved by the Board of Directors at its meeting held on 28 May 2021. The statutory auditors of Joyville Shapoorji Housing Private Limited have expressed an unmodified audit opinion. The audited financial results are in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.
 2. Section 115BAA of the Income Tax Act, 1961, provides an option to companies for paying income tax at reduced rates in accordance with the provisions/conditions defined in the said section and accordingly, during the current half year the Company has decided to adopt the new tax rate.
 3. Credit rating for 10%, redeemable, non-convertible debentures (Series "A" and "B") of Rs. 8,689,356,000 is CARE BBB+ (Under Credit watch with Negative Implications) (Triple B Plus) by Care Ratings. The Credit rating as at 31 March 2020 was Care A+ (Single A Plus) by Care Ratings.
 4. As the Company's business activity falls within a single business segment viz. "Development of Real Estate Property", the financial results are reflective of the information required by Ind AS 108 "Operating Segments".
 5. During the period, the interest on 10%, redeemable, non-convertible debentures (Series "A" and "B") and 17% compulsorily convertible debentures (Series "A" and "B") is not due for payment.
 6. For current and previous period/year Earnings per share ("EPS"), potential equity shares in the form of 322,865 (FY 2019-20: 284,122), 17%, compulsorily convertible debentures (Series "A" and "B") are ignored in the calculation of diluted earnings per share, as on their conversion to equity shares, the results on the earnings per share from continuing activities would be anti-dilutive.
 7. Figures of the six months ended 31 March 2021 and 31 March 2020 are the balancing figures between audited figures in respect of the year to date and the published figures for the six months ended 30 September 2020 and 30 September 2019 respectively which were only reviewed and not subjected to audit.
 8. Formula used for Calculation of Debt-Equity Ratio, Debt Service Coverage Ratio (DSCR) and Interest Service Coverage Ratio (ISCR): Debt-Equity Ratio = Borrowings (Long term + Short term-current maturity of long term debt) / Equity, DSCR = EBIT / Gross Finance Cost (excludes interest accounted on customer advance as per EIR Principal) + Principal Payment due to Long Term Borrowing) ISCR = EBIT / Gross Finance Cost (excludes interest accounted on customer advance as per EIR Principal) EBIT = (Loss) before tax + Finance cost
 9. The Company has an asset cover of 2.75 (Previous Year: 1.98) for the 10%, redeemable, non-convertible debentures (Series "A" and "B") issued.
