**PRESS RELEASE**

**DATE : 25-01-2019**

**NLCIL INKS PACT WITH TAMILNADU GOVERNMENT FOR  
THE SETTING UP OF POWER/MINES PROJECTS IN  
TAMILNADU.**

NLC India Limited signed a Memorandum of Understanding with the Government of Tamilnadu during the Global Investors Meet held at Chennai on 23<sup>rd</sup> and 24<sup>th</sup> of January 2019 for setting up of Mines & Power Projects in Tamil Nadu.

NLC India Limited a Navratna CPSE of Government of India already operates 4 Lignite Mines of Capacity 30.6 Million Tonnes Per Annum (MTPA) (in the States of Tamil Nadu and Rajasthan) and 5 Thermal Power Stations of capacity 3140 MW (in the States of Tamil Nadu and Rajasthan), out of which 28.6 MTPA Lignite Mines & 2890 MW Thermal Power Stations are located in Tamil Nadu. Besides that NLCIL has 492 MW Renewable Energy Projects in Tamil Nadu and another 909 MW Solar Projects are under implementation.

Already NLCIL has a joint Venture Project of 1000 MW Coal based Thermal Power Station with TANGEDCO, operating at Tuticorin, Tamil Nadu.

In addition to the above on 24<sup>th</sup> January 2019, NLC India Ltd signed an MoU with Government of Tamil Nadu to set up a 15.5 Million Tonnes Per Annum (MTPA) capacity Lignite Mines, 2640 MW Lignite based Thermal Power Project and 1000 MW Renewable (Solar) Project in Tamil Nadu at an estimated cost of Rs.23,800 crores.

The envisaged investment in the Projects would approximately generate direct employment for 1250 persons and indirect employment for 7500 persons.

The MoU was signed by Shri N.N.M Rao, Director/Planning & Projects on behalf of NLCIL and the Director/Generation, TANGEDCO on behalf of Tamil Nadu Government. As per MoU, Tamil Nadu Government will provide facilitation and support to NLC India in the form of necessary infrastructural support for setting up the projects.

Shri Rakesh Kumar, CMD, NLC India Limited, handed over the documents to The Hon'ble Chief Minister of Tamilnadu, Shri Edappadi K.Palanisamy.

NLC India Limited had also put up a stall in the Global Investor Meet showcasing its performance and projects in the pavilion.
