Independent Auditor's Review Report on Quarterly and Year to Date Un-Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,  
The Board of Directors of,  
Gokul Agro Resources Limited  
CIN - L15142GJ2014PLC080010  
Ahmedabad.

1. We have reviewed the accompanying statement of unaudited standalone financial results of Gokul Agro Resources Limited ("the Company") for the quarter ended June 30, 2022, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations').
2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principle laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and the other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our key brands continue to perform well with Vitalife, Mahek, Zaika, etc. reporting respectable growth in this quarter. This growth across a range of categories was enabled by a mix of innovative campaigns, analytics-based consumer insights and geo-targeted distribution drives. Consistent gross margins and EBITDA were achieved through calibrated pricing and a focus on cost-saving measures and efficiencies.

While Inflation continues to be a critical monitorable for the segment in the short future. The Company's response to the increased unpredictability and volatility in the operating environment was based on a consumer-centric strategy, supported by speed and agility in execution.

We are concentrating on making sharp, targeted investments in brand growth, supported by advertising campaigns that cut through the clutter and consumer engagement on traditional and digital media to scale up the businesses.
