Sub: Intimation regarding NABL's recommendation to continue the Biological Testing accreditation granted to the Company

Ref: Reg 30 of SEBI (LODR) Regulations, 2015

This is with reference to our intimation dated 04.12.2019 under Regulation 30 of SEBI (LODR) Regulations, 2015 wherein we had informed BSE Ltd. that the facility of the Company has been granted accreditation by National Accreditation Board for Testing and Calibration Laboratories (**NABL**) in accordance with ISO/IEC 17025:2017 in the discipline of Biological Testing.

In furtherance to the same, we wish to inform you that a surveillance audit was conducted by NABL on the facilities of the Company.

We are glad to inform you that NABL has completed its surveillance audit and has recommended continuation of Company's existing accreditation in accordance with ISO/IEC 17025:2017 in the discipline of Biological Testing without any observations or remarks.

We wish to inform that this recommendation from NABL not only demonstrates the R & D and Testing proficiencies of the Company but also is a testimony to the commitment of the Company towards upholding the quality standards laid down by the international organizations (ISO 17025). This accreditation will further help the Company in getting more studies and testing orders from overseas clients as the said accreditation is a pre-requisite for most of the foreign companies.

Note: National Accreditation Board for Testing and Calibration Laboratories (NABL) is an autonomous body under the Department of Science & Technology, Government of India

Please note that the Trading Window for all designated persons as under Insider Trading Policy of the Company will be closed till July 16, 2021.

This is for your information and for dissemination to the general public at large.
