INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF ADANI TRANSMISSION LIMITED

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **ADANI TRANSMISSION LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter ended June 30, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the entities as given in the Annexure to this Report.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Deloitte
Haskins & Sells LLP**

6. We did not review the financial results of 17 subsidiaries included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of Rs. 200.23 crores for the quarter ended June 30, 2019, total net profit after tax of Rs. 57.80 crores for the quarter ended June 30, 2019 and total comprehensive income of Rs 59.21 crores for the quarter ended June 30, 2019, as considered in the Statement. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of these matters.

The reportable segments of the Group are trading activity of goods (Trading activity), providing transmission line for transmission of power (Transmission), and Generation, Transmission and Distribution (GTD) of Power business for Mumbai city (Mumbai GTD Business). The segments are largely organised and managed separately according to the organisation structure that is designed based on the nature of service. Operating segments reported in a manner consistent with the internal reporting provided to the Chairman as well as Managing Director jointly regarded as the Chief Operating Decision Maker ("CODM").

- 5 (i) During the previous year, consequent to a Scheme of Arrangement approved by the High Court of Judicature at Bombay, and other regulatory approvals obtained in this respect, effective from 29th August, 2018, the Mumbai GTD business of Reliance Infrastructure Limited (R-Infra) were demerged from R-Infra and transferred into Adani Electricity Mumbai Limited (formerly Reliance Electricity Generation and Supply Limited) (AEML) with an Appointed Date of 1st April, 2018. Pursuant to the Share Purchase Agreement by the Company with R-Infra, the Company acquired 100% equity share capital of AEML on 29th August, 2018. On such acquisition, AEML became wholly-owned subsidiary of the Company.
- (ii) Pursuant to the above, the figures for the quarters ended 30th June, 2019 and 31st March, 2019, include the Mumbai GTD business and hence, the figures are not comparable with the corresponding figures of the previous quarter ended 30th June, 2018.
- 6 In respect of regulated transmission businesses where tariff is determined on cost plus, return on equity and the income tax is a pass through, deferred tax recoverable from / adjustable against future tariff, when and to the extent such deferred tax becomes current tax in future periods, is presented separately for all periods, and is not offset against deferred tax in accordance with guidance given by Expert Advisory Committee of The Institute of Chartered Accountant of India (ICA) in its recent opinion on a similar matter. Until previous periods/year, it was presented under 'Tax Expense' in the financial results.
- 7 The Company has maintained 100% security cover on its Rated, Listed, Taxable, Secured, Redeemable, Non-convertible Debentures (NCDs) of ₹ 1,815.00 Crores as on 30th June, 2019 by way of first ranking pari passu charge on various assets of the Company.
- 8 The Group has adopted Ind AS 116 "Leases", effective from 1st April, 2019 using the modified retrospective method with the cumulative impact being recognised on the date of initial application on 1st April, 2019. Accordingly previous period / year information has not been restated. This has resulted in recognising a right-of-use asset of ₹ 161.22 Crores (including reclassification of lease prepayment from other assets amounting to ₹ 58.31 Crores) and a corresponding lease liability of ₹ 102.91 Crores. Consequently, operating lease expenses which were recognised as other expenses in previous periods / year have now been recognised as depreciation expense in respect of the right-of-use asset and finance cost for interest accrued on lease liability. Accordingly the figures for the current quarter are not directly comparable with those of previous period / year.

Reconciliation for the effects of the transition on consolidated unaudited financial results for the quarter ended 30th June, 2019 as follow:

Particulars	Quarter ended 30-06-2019 before impact	Changes due to IND AS 116	Quarter ended 30-06-2019 as reported
		Increase/(Decrease)	
Others Expenses	301.56	(8.39)	293.17
Finance Cost	528.64	3.32	531.96
Depreciation and amortization expense	278.42	6.83	285.25
Profit before tax	322.93	(1.76)	321.17

Pursuant to adoption of Ind AS 116- "Leases", effective from 1st April, 2019. AEML has assessed its long term power purchase agreement ("PPA") with Vidarbha Industries Power Limited ("VIPL") and has concluded that the PPA does not qualify to be a lease under Ind AS 116, as AEML does not have right to control the use of the power plant and the declaration of availability of the plant is exclusively with VIPL consequent to which the scheduling for generation is within the purview of the State Load Despatch Centre.

- 9 Figures for the quarter ended 31st March, 2019 are the balancing figures between the audited figures in respect of the full year ended 31st March, 2019 and restated / reviewed figures for the nine months ended 31st December, 2018.
- 10 Previous year's/period's figures are regrouped / reclassified wherever necessary to correspond with the current year's/period's classification / disclosure.
