# Rapid Rail AC Order to China Firm Under DPIIT Scanner

Contract to be reviewed for any possible violation of Make in India norms

Kirtika Suneja & Nishtha Saluja

New Delhi: The Department of Promotion of Industry and Internal Trade (DPIIT) is likely to review the award of air-conditioning contract for metro cars for the Delhi-Meerut Rapid Regional Transport System (RRTS) to a Chinese company for any possible violation of the Make in India guidelines.

## Contract Confusion

**Local firm alleged Chinese co given contract despite availability of indigenous products**

**NCRTC says contract awarded in May, before July 2020 directive**

**Government restricted public procurement from land-border sharing nations in July 2020**

**DPIIT may review rapid rail AC contract to Chinese co for Make in India violation**

**Heating, Ventilation & AC products' local procurement mandatory**

The project is being developed by the National Capital Region Transport Corporation (NCRTC). Bombardier is supplying the metro cars while the air conditioning contract has gone to a Chinese company KING.

was available, officials said that the DPIIT will still look into the case since a Chinese entity is involved.

"We will look into the issue," said an official, adding that a meeting on the matter is likely soon.

An email sent to the commerce and industry didn't elicit a response.

However, referring to the finance ministry order dated July 23, 2020 concerning procurement from countries sharing land border with India including procurement from China, NCRTC said it does not apply to the contracts already awarded and hence it does not apply to RRTS trainset contract as it was awarded in May 2020.

A record of discussion held between DPIIT, NCRTC, and MoHUA on March 22 said, "notification of MoHUA dated May 5, 2020 was issued much after opening of the tender of Rolling stock. Hence this could not be included in the NIT of NCRTC for procurement of rolling stock."

In the case of RRTS project, when the fully indigenously developed HVAC are available, the car builder Bombardier has decided to go with Chinese vendor KING despite local industries are available in India.

HVAC is mentioned in the list of 'Mandatory Items' issued by the Ministry of Housing and Urban Affairs (MoHUA) where there is sufficient local capacity and competition and where public procurement needs to be done only from local suppliers in terms of PPP-MII Order.

Being a public procurement under Make in India, Bombardier India will be required to meet the minimum local content requirement under this contract, NCRTC said in response to a query from ET.

# Punjab FM Seeks Lower GST on Covid Vax, Medical Gear

Gulveen Aulakh @timesgroup.com

New Delhi: Punjab finance minister Manpreet Badal has asked Union finance minister Nirmala Sitharaman to take up critical issues of lowering taxes on Covid related vaccines, ventilators, oxygen cylinders and other medical equipment in the upcoming Goods and Service Tax Council meeting on Friday.

**Badal said many goods faced basic customs duty up to 20% and GST up to 18% besides social welfare surcharge at 10%**

Badal also sought for appointing a vice-chair to the Council from amongst the states and activating the dispute resolution mechanism under the Constitution, which he said will further strengthen the federal structure of the Council.

Highlighting that all states continue to face revenue deficits - Punjab having as high as 50% - Badal asked that the floor and band of rates within which states can fix their SGST rates after June 2022 should be discussed as well.

He also sought that the Council should be empowered to vote through video conferencing.

## No Merit in Reducing GST on Vaccines

New Delhi: The fitment committee of the GST Council has recommended against lowering the tax rate on vaccines from present 5% on the grounds that granting complete exemption would result in increased cost of production because the domestic manufacturers of Covid-19 vaccines would not be able to take input tax credit on tax paid on their input goods and services.

# GoM to Vet Legal Provisions of Online Gaming, Casinos

New Delhi: The Goods and Services Tax Council has constituted a group of ministers (GoM) to examine whether any change in legal provisions is required for valuation of services provided by online gaming, race courses and casinos.

**Impact of similarly placed services such as lottery will also be examined by the GoM.**

The seven-member GoM headed by Gujarat deputy chief minister Nitin Patel will have to give its recommendations within six months, as per an office memo issued Monday.

Other members of the GoM include deputy chief minister of Maharashtra Ajit Pawar and deputy chief minister of Arunachal Pradesh Chowna Mein, besides finance ministers of Tamil Nadu and West Bengal. Goa's transport minister and Karnataka's home affairs minister are also part of the GoM.

নয়া দিল্লি: টুইট-ক্যাচও কেন্দ্র তথা বিজেপির বিরুদ্ধে আরও এক প্রস্তাব তুলে দিল কংগ্রেস। বিজেপির মুখপাত্র সফিত পালের একটি টুইটকে মিলিয়ে নিয়েই 'ম্যানিপুলেটেড মিডিয়া'-র তালিকা দিলেন টুইটার। মঙ্গলবার কংগ্রেস নেতা স্বর্গীষ সুজ্ঞেগালা দাবি করেন, সেশ্যন মিডিয়া একই ক্যাম্পের চর্চা করে আসছে কেন্দ্রের অন্তর্ভুক্ত ১১ মন্ত্রী।
