5	In view of the seasonality of the industry, the financial results for the quarters are not indicative of the full year's expected performance.
6	The financials results include the financial results for the quarter ended 31 Mar 2024 and 31 Mar 2023, being the balancing figure between the audited figures in respect of the full financial year and the audited year-to-date figures up to the third quarter of the respective financial year. The financials results include the financial results for the quarter ended 31 Dec 2023 being the balancing figure between the audited figures in respect of the nine months ended 31 Dec 2023 and the reviewed figures upto the second quarter of the financial year.
7	Subsequent to the balance sheet date, on 23 May 2024 the Company has completed initial public offering which included fresh issue of Capital Rs. 1,12,500 lakhs and proceeds from the offer is to be used for maintenance of its solvency ratio, which as on the balance sheet date stands at 1.61 times (control level of solvency set at 1.50 times). In line with SEBI Listing regulation requirement, the promoter's shareholding has come down to 73.6% (required below 75%) from 83.4%.
8	In line with IRDAI (Expenses of Management of Insurers transacting General or Health Insurance business) Regulations, 2023, the Company's expenses relating to the insurance business in excess of regulatory limits for the year ended 31 Mar 2024, the company has applied for further forbearance, as available under the regulatory framework, which is currently under consideration with IRDAI. Further in accordance with the IRDAI Regulations, operating expenses in excess of prescribed limits are required to be shown under 'Other Income' as 'Contribution from Shareholders Funds towards Excess EOM' and simultaneously to be charged to Profit & Loss account as 'Contribution to Policyholders Funds towards Excess EOM'. Accordingly operating expenses in excess of overall limits of ₹ 46,752 lakhs (Motor ₹ 42,015 lakhs, Workmen compensation- ₹ 299 lakhs, health & personal accident - ₹ 4,438 lakhs) (previous year - Nil) is reported as other income under Miscellaneous segment of the revenue account.
9	During the year the Company has changed its expenditure allocation and apportionment methodology for allocating "Operating Expenses related to Insurance Business" to various segments and sub-segments for better presentation of segmental results. As per the new methodology, expenditure which are not directly attributable and identifiable to business segments, are allocated between product classes / business group they relate to and apportioned basis suitable expense driver such as net written premium, gross written premium and number of policies at such product class / group level. Earlier the Company was allocating expenditure which are not directly attributable and identifiable to business segments, on Gross Written Premium and count to policies at the Company Level. Though this change does not have any impact on the operating profit at the Company Level, due to change in the methodology, expenditure allocated and operating profits at the segment and sub-segment level for the current year periods are not comparable with relevant comparative periods of last year.
10	On 20 Mar 2024 IRDAI has notified eight principle-based consolidated regulations, covering pivotal domains such as safeguarding of policyholder's interests, rural and social sector and motor third party obligations, Bima Sugam electronic insurance marketplace, insurance products and operation of foreign reinsurance branches, as well as aspects of registration, capital, actuarial, finance, investment and corporate governance ("Regulatory revamp"), replacing 34 earlier regulations that currently govern these domains. The key regulations impacting the financial statements and its disclosures are effective from 1 Apr 2024 and will apply to financial statements drawn for periods that end after the said date. While the Regulatory revamp does not impact these financial statements, The company is in the process of studying and making suitable changes in its practices, policies and procedures including financial reporting and governance
