The outbreak of COVID-19 continues to spread across the globe and India, which has contributed to a significant volatility in global ar Indian Financial Markets and a significant decrease in the economic activities. On 11 March 2020, the COVID-19 outbreak was declared as a global pandemic by the World Health Organisation. On 24 March 2020 the Indian Government had announced a strict 21 day lockdown which kept on getting extended across the country with gradual and modest relaxations."
