c. A brief on types of customers

Federal Bank is one of the leading private sector banks in India. The Bank offers a wide range of products and services to retail, micro, small and medium scale enterprises ("MSME"), agricultural and corporate customers through a variety of delivery channels. Bank's principal business activities are divided into five segments, namely Retail banking, SME banking (Business and Commercial Banking), Agricultural banking, Corporate & Institutional Banking and Treasury & other banking operations with a balanced portfolio mix across these segments.

The total customers serviced by the Bank as on March 31, 2023, was over 1.60 Crore. During the year Bank added more than 35 Lakh new customers to its fold. Customers in Rural and Semi-Urban branches constitute 75% of Bank's customers. The Bank is also having a strong NRI franchise, which enables the Bank to build granular deposits. During the year, Bank added more than 90,000 new NRI customers to the fold.

As of March 31, 2023, retail to wholesale advances ratio stood at 54:46. Bank's advances to Retail (personal) segment accounted for 32%, Agriculture advances accounted for 13%, Business Banking accounted for 8%, Commercial Banking accounted for 10%, CV/CE accounted for 1% and Corporate advances accounted for 36% of total gross advances. Bank has given added thrust in building a robust micro finance portfolio which has resulted in a growth of 223% on a YoY basis. Priority Sector lending as a percentage of Adjusted Net Banking Credit (ANBC) stood at 42.7%, a testimony to the Bank's commitment towards inclusive development. Over the years, Bank has built a strong base of distributed clientele, which has helped in building low-cost deposits and has been a source of strength for the liability portfolio. The total deposits in the fiscal year ending March 31, 2023, stood at ₹ 2,13,386 Crore. Total core deposits (Total Deposits excluding deposits from banks) to total deposit for the year ended March 31, 2023, stood at 98.8%. A large part of the deposit base is retail which indicates lower concentration risk for the Bank.

All the members of the Board of Directors and Senior Management Personnel of the Bank have affirmed compliance with the said Codes as applicable to them for FY2023.

PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES IN A MANNER THAT IS SUSTAINABLE AND SAFE

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

Considering the nature of operation as a financial service provider, R&D outlay and capital expenditure were restricted to investments made in Information Technology systems. Bank has made investments for addition of IT capital assets for improving the Bank's digital initiatives, (Like Internet banking, Mobile banking, ATM Channels), software licences, building various IT applications, and improving security and network infrastructures of the Bank along with Data centres. 82.87% (88.45% in FY2022) of the total IT capex investments was to improve the digital banking infrastructure.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Yes.

- b. If yes, what percentage of inputs were sourced sustainably?

As a responsible institution, Bank emphasises on optimising its resource consumption efficiency and reducing waste generation. Various digital initiatives of the Bank have ensured there is a significant reduction in the use of paper. Bank has a Board approved Sustainable Procurement Policy, which guides all the procurement decisions and processes. For procurement of equipment that are necessary to run the banking operations, such as computer hardware, lighting devices, air conditioners, other electronic items, etc. energy efficiency standards are duly considered during the purchase. Other procurement such as stationery items are done locally by the offices/ branches based on the requirement.

3. Describe the processes in place to safely reclaim your products for reusing, recycling, and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Bank has a centralised and robust E-waste management system that helps to identify the E-waste generated at its branches/Offices and the same is collected by a reputed vendor and disposed at the vendor's Recycling and Recovery Unit.

As a financial service provider, plastic waste is very minimal. The major share of plastic waste generated by our branches are plastic pouches used for safe keeping of gold ornaments pledged with us. We have started accounting for this plastic waste from the FY 2022-23. The plastic waste generated by the branches/Offices are disposed of through local arrangements with respective Corporations/ Municipals/ Panchayats.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Considering the nature of banking products which is service-oriented and not in to manufacturing activity, EPR is not applicable.

Leadership Indicator

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The consultation with different stakeholders happen at different levels from branches/ offices and departments to Senior Management. For example, Customer Service Committee is held in all branches at periodic intervals. Customers can share their opinions, comments, feedback, concerns etc in such committees. The outcome of such meetings is consolidated centrally at the corporate level. An executive-level 'Standing Committee on Customer Service' ensures implementation of various initiatives/ guidelines related to customer service. Board level 'Customer Service, Marketing Strategy and Digital Banking Committee' of the Board review, on an overall basis, the customer service aspects in the Bank and report to the Board of Directors thereafter. Similarly, each stakeholder group is mapped to functional owners who act as the first line of contact. The details of consultation with the stakeholders including their inputs and feedback are monitored by the management through functional departments/ executive-level committees. The departments/ executive-level committees ensure that the feedback from the stakeholders is communicated to the Board level committees/ Board as the case may be.

The table below details the Board level and Executive level authorities who has specific KPIs related to engagement with the key stakeholders.

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

We have a Board approved Cyber Security Policy based on the RBI circular on Cyber Security Framework in Banks dated 02/06/2016. The policy is periodically reviewed considering the industry best practices and regulatory guidelines.

The Cyber Security Policy covers the overall organisational structure for aspects relating to cyber security of the Bank. It clearly lays down the roles and responsibilities of various stakeholders starting from the Board of Directors to the lower level. The policy also details the aspects governing the protection of critical information infrastructure, Cyber security management and the user and customer management. The CSP articulates the control mechanism put in place by the Bank for addressing the cyber incidents. On classifying an incident as a Cyber Crisis by CCMT (Cyber Crisis Management Team) there is a laid down plan to be followed to respond effectively and efficiently against the incident.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Bank's systems were not subjected to any incidents affecting cyber security or the privacy of customers. Also, Bank has not been subjected to any penalty by regulatory authorities on safety of products / services during the fiscal.

Leadership Indicators

1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).
Information on products/services can be accessed from our Website, Call-Centre and at Branches/Offices. In addition, Bank actively uses various social media and digital platforms to disseminate information on its products and services.
