Press Release

New Delhi, 24th October 2019

Financial Performance for quarter and half year ended 30th September 2019.

- There is no incremental slippage of loan account to substandard category.
- Interest Spread and Net Interest Margin (NIM) increased by 30% and 16% respectively compared to immediately preceding quarter.
- Loan disbursement increased by 145 % compared to immediately preceding quarter.

Management Commentary:

Commenting on the performance for quarter ended 30th June 2019, Dr. Pawan Singh - Managing Director & CEO said:

“We are sustainable infrastructure finance company with more than 50% exposure in renewable energy projects and positioning ourselves to have major participation in upcoming solar projects in line with country vision of having 450 GW solar power projects. We are also having major exposure on transmission projects and exploring upcoming sustainable infrastructure finance areas like Sewage Treatment Plants, Water Infrastructure, Electrical Mobility etc. to have first mover advantage and considering huge opportunities in these areas.

Our portfolio quality is improving with the passage of each quarter and our focused efforts are resulting in improvement in each of quantitative and financial performance parameter. We trust to become India’s premier sustainable financing company in time to come.”
