### **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

This chapter on Management’s Discussion and Analysis (“MD&A”) is to provide the stakeholders with a greater understanding of the Company’s business, the Company’s business strategy and performance, as well as how it manages risk and capital.

The following management discussion and analysis is intended to help the reader to understand the results of operation, financial conditions of Nanavati Ventures Limited.

#### **(1) ECONOMIC OVERVIEW, INDUSTRY STRUCTURE AND DEVELOPMENTS:**

##### **GLOBAL ECONOMIC REVIEW**

The global economy is showing signs of resilience in 2023 after the high market volatility in 2022. Economic growth remains slow in 2023 owing to the negative implications of the ongoing Russia-Ukraine war, persistent inflationary pressures and tighter monetary conditions. Further, the banking crisis in March 2023 and a debt-ceiling crisis in the United States have raised concerns over macroeconomic stability across the markets and lingering recession fears. Key factors in the improvement in economic activity and sentiment in 2023 are the rebounding of China’s economy, the gradual unwinding of supply chains and the recent decline in energy and food prices. Further, with the central banks’ efforts to curb inflation by tightening monetary policy, global inflation is projected to decrease from 8.7% in 2022 to 7.0% in 2023 and 4.9% in 2024.

Notwithstanding the headwinds, the real Gross Domestic Product (GDP) grew in the United States, the European Union and major emerging and developing economies. The real GDP of the United States grew at 2.1% in 2022 on the back of increased private investment and consumer spending. It is projected to grow at 1.6% in 2023 and 1.1% in 2024. The European economy recorded 2.7% growth in 2022 and is projected to grow at 0.8% in 2023 before rising to 1.4% in 2024. The Emerging Market and Developing Economies (EMDE) also grew at an estimated annual rate of 4% in 2022.

##### **INDIAN ECONOMY REVIEW:**

India continues to be among the fastest growing economies in the world and emerged as the shining beacon in a grim global scenario. The Indian economy exhibited robust resilience in FY 2022-23 amidst global turmoil. India’s real GDP growth is estimated at 7.2% in FY 2022-23 as against 9.1% in FY 2021-22 and reflects relatively robust domestic consumption and lesser dependence on global demand. Domestic economic growth is gaining strength and further traction in 2023. However, higher inflation remains a challenge and headline inflation increased to 6.7% in FY 2022-23 from 5.5% in FY 2021-22. Following the gradual normalization of global supply chains, softening of global commodity prices, and successive hikes in the policy repo rate by 250 basis points in FY 2022-23 by the Reserve Bank of India (RBI), the wholesale price index (WPI) inflation subsided to -3.48% (provisional) in May 2023 against -0.92% recorded in April 2023.

##### **INDUSTRY REVIEW:**

###### **Indian Gems & Jewellery Industry**

The gems and jewellery sector plays a significant role in the Indian economy, contributing around 7% of the country’s GDP and 10% of India’s total merchandise exports. The sector has shown remarkable resilience and perseverance in the face of global challenges. Despite higher inflation and supply chain disruptions, the industry has demonstrated a commendable performance in FY 2022-23. The sector contributes around 29% to global jewellery consumption.

India is the world's second-largest gold consumer and the world's largest diamond cutting and polishing centre. It is the hub of the global jewellery market because of its low costs and availability of cheap labour. The gems and jewellery sector is home to more than 3,00,000 gems and jewellery players in India. To keep up with global market trends, India has been deploying modern techniques to its traditional know-how and processes.

The industry is seeing increased penetration of branded and organized players due to rising brand consciousness, adoption of Western lifestyles by consumers and rising urbanization. Further, the growing trend of work-from-home has led to significant growth in digital channels and online sales of gems and jewellery.

**INDEPENDENT AUDITORS' REPORT**

To The Members of  
**NANAVATI VENTURES LIMITED**

**Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **NANAVATI VENTURES LIMITED** (“the Company”), which comprise the Balance Sheet as at **March 31, 2023** and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit/loss Statement, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Standalone Financial Statements and Auditor’s Report Thereon**

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the “Annual Report”, but does not include the Standalone Financial Statements and our auditor’s report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management’s Responsibility for the Financial Statements**

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation and presentation of these standalone financial statements that give

a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions

are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT**

---

**Referred to in Paragraph of 2(f) under “Report on Other Legal and Regulatory Requirements” in the Independent Auditor’s Report.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Nanavati Ventures Limited**. (“The Company”) as of 31<sup>st</sup> March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
