Press Release from Shri. Basudeo N. Singh - Executive Chairman, Alkem Laboratories Ltd. on behalf of over 18,000 Alkemiters

- **Alkem salutes the efforts of the entire medical fraternity and Central & State Governments to contain the spread of COVID-19**
- **Alkem contributes INR 7 Crores towards Prime Minister's Citizen Assistance and Relief in Emergency Situations (PM CARES) Fund**
- **Alkem ensuring uninterrupted supply of medicines and critical drugs in the market to help the patients comply with their treatment**

Dear All,

We are witnessing unprecedented times with pandemic COVID-19 casting its shadow not only in India but across more than 100 nations. Currently close to 7 lakhs people across the globe have tested positive for this virus and more than 33,000 people have lost their lives fighting it, and these number continue to rise by the day. However, it is heartening to see that the whole world stands united in this torrid times to beat this virus and emerge stronger and healthier than before. Every citizen is contributing to this fight by following the protocols set by the Central and State Governments and ensuring the safety of himself and the people around him at large. In this respect, we would like to make a special mention about the efforts of the entire medical and support fraternity including doctors, paramedics, nurses, hospital staffs and healthcare workers who are providing an untiring and selfless service around the clock to help the affected patients. We salute them. We would also like to thank the Central and various State Governments for taking proactive measures to control the spread of this virus.

Alkem, as one of the leading pharmaceutical companies in the country, is committed in the above fight against this virus and is doing its bit to help the country and the world overcome these testing times. Our team of over 18,000 dedicated and passionate Alkemiters across various departments like Manufacturing, Quality, Supply Chain, Research, IT, Finance and HR are working around the clock to ensure uninterrupted production and supply of medicines and critical drugs in the market to help our patients comply with their treatment. Additionally we are also making a contribution of INR 7 Crores towards Prime Minister's Citizen Assistance and Relief in Emergency Situations (PM CARES) Fund to help the Government in their initiatives in combating this virus.

We would also like to urge people across India and the world to continue in their efforts to contain the spread of this virus by adhering to social distancing norms, maintaining personal hygiene and taking caring of themselves and the people around them by staying at home and avoiding unnecessary travel.

Together we will and we would win over this virus and make world a healthier place.
