Dear Sir/ Madam,

Sub: Disclosure about impact of the CoVID-19 pandemic

Ref: Regulation 30 of SEBI (LODR) Regulations, 2015 and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020

With reference to the above, we wish to provide the following information regarding the impact of the Covid-19 pandemic on world wide operations and financials of OnMobile Global Limited ('OnMobile' /'the Company').

OnMobile has witnessed an impact on its revenue in certain geographies due to non-availability of recharges in the case of pre-paid mobile connections & reduction in marketing spend adversely impacting new customer acquisitions. These disruptions are expected to have a marginal adverse impact on our Q1 FY20-21 revenue.

The Company has initiated several measures to mitigate this revenue impact and its consequential impact on profits. As a result of these measures, impact on Q1 FY20-21 profits is not expected to be material.

The Company does not plan to undertake any material employee reduction or salary reduction in Q1. Most of the Company's offices were shut due to government mandated lockdown restrictions but there has been no material impact on operations and customer servicing and all regular activity continued without interruption by implementing effective work from home measures. The Company has reopened some of its offices in May 2020 after implementing strict sanitation and safety precautions and plans to reopen all its offices in a gradual manner in the next few weeks. All internal controls and financial reporting systems continue to be fully operational.

The Company has not faced any liquidity issues and there has been no material delay in receiving collections from customers. The Company does not have any contract / agreement where non-fulfilment of the obligations of any party will have a significant impact on the Company's business.

OnMobile will continue to provide further updates in case of any material change witnessed in its operations / financials.

Requesting you to please take the same on record.

Thanking you,

Yours Sincerely,
For OnMobile Global Limited
