7. COVID-19 IMPACT.

The outbreak of the deadly COVID-19 virus and the ensuing lockdown imposed across the country affected business operations. The health of the employees and workers became a priority; stoppage of operations for an uncertain period resulted in a large financial burden on the one hand and workforce idling on the other. COVID 19 is an unprecedented challenge. The lockdown gave India time to make a concerted effort to flatten the outbreak curve. However, towards later part of the year consequent to significant opening of the economic activity across the nation the demand picked up compared to that during the initial period of Covid-19. India is currently experiencing a massive second wave of Covid-19 infections. However, we expect no major changes in the economic activity as the nation is preparing to face the Pandemic with vaccines and preparedness

Independent Auditors' Report

To,
The Members of
Agri-Tech (India) Limited
Aurangabad

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Agri-Tech (India) Limited having CIN: L01110MH1993PLC073268 ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (including other comprehensive income), Statement of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and its loss (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Emphasis of the Matter

3. Your attention is invited to note no 4(b) regarding mis-appropriation of 4,00,000 Equity Shares of Nath Bio-genes (India) Limited (NBIL) pledged by the company to secure the borrowings. The company has adjusted borrowing by purchasing 1,25,000 shares of NBIL and the cost of unrecovered 2,75,000 shares are booked as loss which works out to Rs. 2,57,70,250.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Effect of Covid-19

Key Audit Matters	Audit Procedures
<p>It is the responsibility of the management to make appropriate adjustments to the financial statements and ensure necessary disclosures specifically the impact on business due to Covid-19, subsequent risks and uncertainties, and conditions that may impact future operating results, cash flows and financial position of the entity. We are informed by the management that considering the present scale of operations, seasonal product, demand in the ensuing future, the management does not perceive any risk in ensuing operations, liquidity and capital resources. We find sufficient and appropriate evidences of such management perception on record.</p> <p>It is also concluded by the management that no adjustments are required in the financial statements as it does not impact the current financial year. Although the situation of COVID-19 is still persisting, and the various preventive measures taken (such as lockdown restrictions by various State Government, travel restrictions etc.) are still in force, it is expected that these restrictions will be lifted soon. Due to these circumstances, the management's assessment of the impact on the subsequent period is dependent upon the circumstances as they evolve; and consequently, we are unable to express our opinion as to how the future prospect of the company will be impacted.</p>	<p>The audit procedures included but were not limited to:</p> <ul style="list-style-type: none"> - Obtaining a detailed understanding of future business climate and demand potential. - Existing processes and controls of the Management. - Minutes of the Audit Committee/ Board and discussions with the appropriate Management personnel. - Possible outcomes and the reasonableness of the estimates. - Involvement of expert for technical guidance and evaluation of the assessments of the Management. - Evaluating appropriateness of adequate disclosures in accordance with the applicable accounting standards.

Information other than the Standalone Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the

financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 27 to the financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of **Agri-Tech (India) Limited** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence, we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1 General Information

The Company is incorporated under the Companies Act, 1956 and engaged in the business of corporate farming. A majority of farms are situated in various villages of Paithan Taluka, Dist Aurangabad (MS). The registered office of the Company is situated at Nath House, Paithan Road, Aurangabad (MS).

**2 SIGNIFICANT ACCOUNTING POLICIES:
Statement of Compliance**

The Financial Statements comply with in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended.

A GENERAL

i) The financial statements are prepared on historical cost basis in accordance with applicable Indian Accounting Standards (Ind AS) and on accounting principles of going concern except fixed assets which are measured at fair values. These financial statements have been prepared to comply with all material aspects with the Indian accounting standards notified under section 133 of the Act, (the "Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, and the other relevant provisions of the Act.

ii) Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

iii) As the quarter and year figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

iv) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current classification of assets and liabilities.

B REVENUE RECOGNITION

i) Revenue is measured at the fair value of the consideration received or receivable where the ownership and significant risk has been transferred to the buyer.

ii) Interest is accounted for on the accrual basis.

iii) Dividend is accounted for as and when received.

B PROPERTY, PLANT AND EQUIPMENTS

i) Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at deemed cost less accumulated depreciation. Freehold land is not depreciated.

iv) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

C CAPITAL WORK-IN-PROGRESS

Expenditure related to and incurred during the implementation of the projects is included under Capital Work-in-Progress and the same is capitalized under the appropriate heads on completion of the projects.

D DEPRECIATION / AMORTIZATION

Depreciation is charged as per the provisions of Schedule II to the Act based upon useful life of assets. The useful life is adopted for the purpose of depreciation is as under.

Assets	Useful life year
i) Plant & Machineries	15
ii) Motor Cycle	10

E IMPAIRMENT

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

F INVENTORIES:

The inventories are valued at lower of cost and net realizable value. Cost is assigned on weighted average basis. Obsolete, defective and unserviceable stocks are provided for.

G FOREIGN CURRENCY TRANSACTIONS:

- i) Transactions in foreign currency are recorded at the rate prevailing on the date of the transaction.
- ii) Current Assets and Current Liabilities in foreign currency outstanding as at the year-end are stated at the rates of exchange prevailing at the close of the year. The resultant gains/losses of the year are recognized in the Statement of Profit and Loss.

H GOVERNMENT GRANTS

- i) Grants are accounted for where it is reasonably certain that the ultimate collection will be made.
- ii) Grants relating to Fixed Assets in the nature of Project Capital Subsidy are credited to Capital Reserve.
- iii) Others are credited to Statement of Profit and Loss.

I RETIREMENT BENEFITS:

Liability as at the year end in respect of retirement benefits is provided for and charged to Statement of Profit and Loss as follows:

- i) Provident Fund / Family Pensions:
At a percentage of salary/wages for eligible employees.

- ii) Retirement benefit costs and termination benefit
The Company determines the present value of the defined benefit obligation and recognizes the liability or asset in the balance sheet.

The present value of the obligation is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each year

Defined benefit costs are composed of:

- (a) service cost – recognized in profit or loss; service cost comprises (i) current cost which is the increase in the present value of defined benefit obligations resulting from employee service in the current period, (ii) past service cost which is the increase in the present value of defined benefit obligations resulting from employee service in the prior periods resulting from a plan amendment, and (iii) gain or loss on settlement.

- (b) remeasurements of the liability or asset - recognized in other comprehensive income.

- (d) remeasurements of the liability or asset essentially comprise of actuarial gains and losses (i.e. changes in the present value of defined benefit obligations resulting from experience adjustments and effects of changes in actuarial assumptions).

Short-term benefits: A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave and other short term benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Other long-term benefits: Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date

iii) Bonus

The company recognises a liability and expense for bonus. The company recognises a provision where contractually obliged or where there is past practice that has created a constructive obligation.

J BORROWING COST

Borrowing cost directly attributable to acquisition, construction, production of qualifying assets are capitalized as a part of the cost of such assets up to the date of completion. Other borrowing costs are charged to Statement of Profit and Loss.

K TAXATION

Provision for Current Tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of Income Tax Act 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

The Company recognises interest levied and penalties related to Income Tax assessments in the tax expense.

L AGRICULTURAL ACTIVITIES

Income from the agricultural activities is accounted for up to the stage of dispatch of goods by the Company to the customer.

M EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year attributable to equity share holders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

N USE OF ESTIMATES

The preparation of Financial Statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of Financial Statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and the estimates are recognised in the period in which the results are known/ materialised.

O PROVISION AND CONTINGENT LIABILITIES

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

P CASH AND CASH EQUIVALENTS

In the Statement of Cash Flows, cash and cash equivalents includes cash on hand, demand and short term deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

Q FINANCIAL ASSETS AT AMORTISED COST

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

R FINANCIAL ASSETS AT FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and a contractual terms of the financial assets give rise on the specified dates to cash flows that are solely payment of the principal and interest on the principal amount outstanding.

S FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

T FINANCIAL LIABILITIES

Financial liabilities are measured at amortised cost using the effective interest method.

U EQUITY INSTRUMENTS

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. The Company recognises equity instruments at proceeds received net off direct issue cost.

V RECLASSIFICATION OF FINANCIAL ASSETS

The Company determines classification of the financial assets and liabilities on initial recognitions. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

W OFFSETTING OF FINANCIAL INSTRUMENTS

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Note :

a) The fair value of equity shares of Nath Bio-genes (India) Limited is Rs. 20,80,68,536 as on the date of Balance Sheet.

b) M/s Argent Finvest Pvt Ltd. an NBFC company, agreed to lend INR 4.00 Cr against pledge of 4,00,000 equity shares of Nath Bio-Genes (India) Ltd. Accordingly the company accorded its approval for creation of pledge on these equity shares and received short term loan of Rs. 3.60 Cr. However, instead of pledge creation, Argent Finvest Pvt Ltd. used its own Delivery Instruction Slip (DIS) and fraudulently managed to transfer 4,00,000 equity shares to its own account and subsequently sold these shares in the market without knowledge/consent of the Company. The company has purchased 1,25,000 equity shares of Nath Bio-genes (India) Ltd from open market out of the loan so received. Accordingly, this fraudulent transaction resulted in a loss of Rs. 2,57,70,250 to company for 2,75,000 shares. The company has lodged FIR on 14.05.2021 with Economic Offence Wing, Aurangabad for misappropriation of equity shares. Presently, the matter is under investigation.

The management assessed that the fair values of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction among willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets and financial liabilities by discounting contractual cash inflows/outflows using prevailing interest rates of financial instruments with similar terms. The fair value of investment is determined using quoted net assets value from the fund. Further, the subsequent measurement of all financial assets and liabilities (other than investment in mutual funds) is at amortized cost, using the effective interest method.

Discount rates used in determining fair value

The interest rate used to discount estimated future cash flows, where applicable, are based on the incremental borrowing rate of the borrower which in case of financial liabilities is the weighted average cost of borrowing of the Company and in case of financial assets is the average market rate of similar credits rated instrument.

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

Fair value of financial assets and liabilities is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The following methods and assumptions were used to estimate fair value:-

- Fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments.
- The fair value of the Company's interest borrowing received are determined using discount rate reflects the entity's borrowing rate as at the end of the reporting period. The own non performance risk as at the end of reporting period was assessed to be insignificant.

Fair value hierarchy

All financial instruments for which fair value is recognized or disclosed are categorized within the *fair* value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level -1

Quoted (unadjusted) price is active market for identical assets or liabilities

Level 2:

Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observed, either directly or indirectly.

Level 3

Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observation market data.

25 Financial Instruments and Risk Review

i) Capital Management

The Company's capital management objectives are:-

The Board policy is to maintain a strong capital base so as to maintain inventor, creditors and market confidence and to future development of the business. The Board of Directors monitors return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt-to-equity ratio is as follows

Particular	As at 31st March 2021	As at 31st March 2020

** Equity includes equity and others equity.

ii) Credit Risk

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks. Credit risk is controlled by analysing credit limit and creditworthiness of customers on a continuous basis to whom the credit has been granted offer necessary approvals for credit.

Financial instruments that are subject to concentration of credit risk principally consists of trade receivable investments, derivative financial instruments and other financial assets. None of the financial instruments of the Company results in material concentration of credit risk

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is as under, being the total of the carrying amount of balances with trade receivables.

As on	Amount in Rs
31st March, 2021	NIL
31st March, 2020	NIL

Trade receivables

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or group of financial assets is impaired. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition

Before accending any new customer, the Company uses an external/internal credit scoring system to asses potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customer are reviewed periodic basis

iii) Liquidity Risk**a) Liquidity risk management**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and its loss (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Emphasis of the Matter

3. Your attention is invited to note no 4(b) regarding mis-appropriation of 4,00,000 Equity Shares of Nath Bio-genes (India) Limited (NBIL) pledged by the company to secure the borrowings. The company has adjusted borrowing by purchasing 1,25,000 shares of NBIL and the cost of unrecovered 2,75,000 shares are booked as loss which works out to Rs. 2,57,70,250.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Effect of Covid-19

Key Audit Matters	Audit Procedures
It is the responsibility of the management to make appropriate adjustments to the financial statements and	The audit procedures included but were not limited to:

Information other than the Consolidated Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :
In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements – Refer Note 27 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

The terms and conditions of the grant of such loans are not prejudicial to the interest of the company looking to long term business exigencies/purposes except non-charging of interest in four companies. Refer Note no 36.

b.) No formal schedule of repayment has been made for repayment of the principal amount and as such in absence of such schedule, we are unable to comment if the same are being repaid timely.

c.) In absence of repayment schedule, we are unable to comment, if there are overdue amount for more than ninety days.
4. The company has not granted any loans or advances covered under section 185 of the Act. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 186 of the Act with respect to the loans except non-charging of interest.
5. The Company has not accepted deposits within the meaning of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under.
6. No maintenance of cost records has been specified by the Central Government under section 148(1) of the Act for the products of the company.
7. (a) The company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities.

b) There are no dues of income tax or sales tax or wealth tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in payment of dues to financial institution or bank or debenture holders.
9. The company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year.
10. No fraud on or by the company or any fraud on the company by its officers or employees has been noticed or reported during the year.
11. The company has not paid any managerial remuneration as such para 11 of clause 3 of the Order is not applicable.
12. The company is not a Nidhi Company as such provisions of the clause (xii) are not applicable to the company.
13. All transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and the details have been disclosed in the Ind AS financial statements etc., as required by the applicable accounting standards.
14. The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

ANNEXURE “B” TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of **Agri-Tech (India) Limited** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence, we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the

company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1 General Information

The Company is incorporated under the Companies Act, 1956 and engaged in the business of corporate farming. A majority of farms are situated in various villages of Paithan Taluka, Dist Aurangabad (MS). The registered office of the Company is situated at Nath House, Paithan Road, Aurangabad (MS).

2 SIGNIFICANT ACCOUNTING POLICIES:
Statement of Compliance

The Financial Statements comply with in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended.

A GENERAL

i) The financial statements are prepared on historical cost basis in accordance with applicable Indian Accounting Standards (Ind AS) and on accounting principles of going concern except fixed assets which are measured at fair values. These financial statements have been prepared to comply with all material aspects with the Indian accounting standards notified under section 133 of the Act, (the "Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, and the other relevant provisions of the Act.

ii) Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

iii) As the quarter and year figures are taken from the source and rounded to the nearest digits, the figures already reported for all the quarters during the year might not always add up to the year figures reported in this statement.

iv) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current classification of assets and liabilities.

B REVENUE RECOGNITION

i) Revenue is measured at the fair value of the consideration received or receivable where the ownership and significant risk has been transferred to the buyer.

ii) Interest is accounted for on the accrual basis.

iii) Dividend is accounted for as and when received.

C PROPERTY, PLANT AND EQUIPMENTS

i) Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at deemed cost less accumulated depreciation. Freehold land is not depreciated.

iv) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

D CAPITAL WORK-IN-PROGRESS

Expenditure related to and incurred during the implementation of the projects is included under Capital Work-in-Progress and the same is capitalized under the appropriate heads on completion of the projects.

E DEPRECIATION / AMORTIZATION

Depreciation is charged as per the provisions of Schedule II to the Act based upon useful life of assets. The useful life is adopted for the purpose of depreciation is as under.

Assets	Useful life year
i) Plant & Machineries	15
ii) Motor Cycle	10

F IMPAIRMENT

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

G INVENTORIES:

The inventories are valued at lower of cost and net realizable value. Cost is assigned on weighted average basis. Obsolete, defective and unserviceable stocks are provided for.

H FOREIGN CURRENCY TRANSACTIONS:

- i) Transactions in foreign currency are recorded at the rate prevailing on the date of the transaction.
- ii) Current Assets and Current Liabilities in foreign currency outstanding as at the year-end are stated at the rates of exchange prevailing at the close of the year. The resultant gains/losses of the year are recognized in the Statement of Profit and Loss.

I GOVERNMENT GRANTS

- i) Grants are accounted for where it is reasonably certain that the ultimate collection will be made.
- ii) Grants relating to Fixed Assets in the nature of Project Capital Subsidy are credited to Capital Reserve.
- iii) Others are credited to Statement of Profit and Loss.

J RETIREMENT BENEFITS:

Liability as at the year end in respect of retirement benefits is provided for and charged to Statement of Profit and Loss as follows:

- i) Provident Fund / Family Pensions:
At a percentage of salary/wages for eligible employees.

- ii) Retirement benefit costs and termination benefit
The Company determines the present value of the defined benefit obligation and recognizes the liability or asset in the balance sheet.

The present value of the obligation is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each year

Defined benefit costs are composed of:

- (a) service cost – recognized in profit or loss; service cost comprises (i) current cost which is the increase in the present value of defined benefit obligations resulting from employee service in the current period, (ii) past service cost which is the increase in the present value of defined benefit obligations resulting from employee service in the prior periods resulting from a plan amendment, and (iii) gain or loss on settlement.

- (b) remeasurements of the liability or asset - recognized in other comprehensive income.

- (d) remeasurements of the liability or asset essentially comprise of actuarial gains and losses (i.e. changes in the present value of defined benefit obligations resulting from experience adjustments and effects of changes in actuarial assumptions).

Short-term benefits: A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave and other short term benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Other long-term benefits: Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date

iii) Bonus

The company recognises a liability and expense for bonus. The company recognises a provision where contractually obliged or where there is past practice that has created a constructive obligation.

K BORROWING COST

Borrowing cost directly attributable to acquisition, construction, production of qualifying assets are capitalized as a part of the cost of such assets up to the date of completion. Other borrowing costs are charged to Statement of Profit and Loss.

L TAXATION

Provision for Current Tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of Income Tax Act 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

The Company recognises interest levied and penalties related to Income Tax assessments in the tax expense.

M AGRICULTURAL ACTIVITIES

Income from the agricultural activities is accounted for up to the stage of dispatch of goods by the Company to the customer.

N EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year attributable to equity share holders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

O USE OF ESTIMATES

The preparation of Financial Statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of Financial Statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and the estimates are recognised in the period in which the results are known/ materialised.

P PROVISION AND CONTINGENT LIABILITIES

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Q CASH AND CASH EQUIVALENTS

In the Statement of Cash Flows, cash and cash equivalents includes cash on hand, demand and short term deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

R FINANCIAL ASSETS AT AMORTISED COST

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

S FINANCIAL ASSETS AT FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and a contractual terms of the financial assets give rise on the specified dates to cash flows that are solely payment of the principal and interest on the principal amount outstanding.

T FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

U FINANCIAL LIABILITIES

Financial liabilities are measured at amortised cost using the effective interest method.

V EQUITY INSTRUMENTS

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. The Company recognises equity instruments at proceeds received net off direct issue cost.

W RECLASSIFICATION OF FINANCIAL ASSETS

The Company determines classification of the financial assets and liabilities on initial recognitions. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

X OFFSETTING OF FINANCIAL INSTRUMENTS

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Y CONSOLIDATION OF ASSOCIATE COMPANY

1. Investment in Associates has been accounted under the Equity Method as per Ind AS 28 – Investments in Associates and Joint Ventures.

2. The Parent Company accounts for its share of post-acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Parent Company and its associates.

Note :

a) The fair value of equity shares of Nath Bio-genes (India) Limited is Rs. 20,80,68,536 as on the date of Balance Sheet.

b) M/s Argent Finvest Pvt Ltd. an NBFC company, agreed to lend INR 4.00 Cr against pledge of 4,00,000 equity shares of Nath Bio-Genes (India) Ltd. Accordingly the company accorded its approval for creation of pledge on these equity shares and received short term loan of Rs. 3.60 Cr. However, instead of pledge creation, Argent Finvest Pvt Ltd. used its own Delivery Instruction Slip (DIS) and fraudulently managed to transfer 4,00,000 equity shares to its own account and subsequently sold these shares in the market without knowledge/consent of the Company. The company has purchased 1,25,000 equity shares of Nath Bio-genes (India) Ltd from open market out of the loan so received. Accordingly, this fraudulent transaction resulted in a loss of Rs. 2,57,70,250 to company for 2,75,000 shares. The company has lodged FIR on 14.05.2021 with Economic Offence Wing, Aurangabad for misappropriation of equity shares. Presently, the matter is under investigation.

c) These Financial Statements are consolidated with the financial statements of Paithan Mega Food Park Pvt Ltd as per equity method prescribed under Ind-AS 28- Investment in Associates and Joint Venture. The company holds 49.20 % of shares in the associate company.

The management assessed that the fair values of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction among willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets and financial liabilities by discounting contractual cash inflows/outflows using prevailing interest rates of financial instruments with similar terms. The fair value of investment is determined using quoted net assets value from the fund. Further, the subsequent measurement of all financial assets and liabilities (other than investment in mutual funds) is at amortized cost, using the effective interest method.

Discount rates used in determining fair value

The interest rate used to discount estimated future cash flows, where applicable, are based on the incremental borrowing rate of the borrower which in case of financial liabilities is the weighted average cost of borrowing of the Company and in case of financial assets is the average market rate of similar credits rated instrument.

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

Fair value of financial assets and liabilities is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The following methods and assumptions were used to estimate fair value:-

- Fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments.
- The fair value of the Company's interest borrowing received are determined using discount rate reflects the entity's borrowing rate as at the end of the reporting period. The own non performance risk as at the end of reporting period was assessed to be insignificant.

Fair value hierarchy

All financial instruments for which fair value is recognized or disclosed are categorized within the *fair* value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level -1

Quoted (unadjusted) price is active market for identical assets or liabilities

Level 2:

Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observed, either directly or indirectly.

Level 3

Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observation market data.
