For the new you.

THE NEW NIPPO FOR A NEW GENERATION OF INDIANS.

In our Golden Jubilee year, we thought it was fitting to allow the world a generous glimpse of the evolution we as Indo National Limited and brand Nippo have undergone since our inception. The best way to send this message out to the world was through a detailed rebranding campaign that perfectly represents the ever-evolving identity of Nippo, cultivated over the last 50 years.

Ready. Steady. 50.

At this historic moment in time, Indo National Limited and Brand Nippo are driven by a whole new energy, not to mention boundless enthusiasm to conquer new markets and set new targets which in turn helps consolidate our strengths in the sectors we already dominate. Ready Steady 50 is a year-long growth plan—no less than a clarion call, not just to the world at large but even to all of us within INL who must at all times refuse to rest on our laurels.

Nippo - For the New You.

The rebrand was unveiled in a high octane launch event in Chennai on May 2023. Here, the world was introduced to Nippo's new statement - 'For the new you' a 360-degree campaign, that encourages fresh perspectives across the nation with the strong assurance that we will be right there with them in this new path, growing and evolving at every step.

With this, we also unveiled the Thor DIGI Alkaline battery through targeted print ads, social media, strategic launch tie-up with Amazon and hoardings. The mass media brand campaign was reinforced through two highly engaging TV commercials beamed across the country through a judicious media planning exercise, making the country explore the dawn of a new age for Nippo. Yes, you can say that we now emphatically look forward to decades of fresh ideas and spanking new products.

NOTES:

1. Pursuant to the General Circular numbers 20/2020, 14/2020, 17/2020, 02/2021 and 02/2022 issued by the Ministry of Corporate Affairs (MCA) and Circular number SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD/CIR/P/2020/242, SEBI/HO/CFD/CMD2/CIR/P/2021/11 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of Members at a common venue. Hence, in compliance with the Circulars, the Annual General Meeting of the Company is being held through VC. The deemed venue of the AGM shall be the Registered Office of the Company.
2. The Explanatory Statement as per the provisions of section 102 of the Companies Act, 2013 in respect of the items of the Special Business as set out above is annexed.
3. As this AGM is being held pursuant to the Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. The Register of Members and the Share Transfer Books of the Company will remain closed from Thursday the 21st September, 2023 to Wednesday the 27th September, 2023 (Both days inclusive).
5. Pursuant to the provisions of Sections 107 and 108, read with the Companies (Management and Administration) Rules, 2014, the Company is pleased to offer the option of E-Voting facility to all the members of the Company. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating e-voting. The Members who wish to attend Annual General Meeting can vote at the Meeting. The Company has appointed Mr. M.Damodaran, Managing Partner of M Damodaran & Associates LLP, Practicing Company Secretaries as Scrutinizer. Those Members, who will be

present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM. The instructions for remote e-voting and e-voting at AGM are annexed to the Notice.

CDSL e-Voting System – For e-voting and Joining Virtual meetings:-

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020 and Circular No.02/2022 dated 05th May 2022. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and May 05, 2022 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first

come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.nipoo.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Sunday, the 24th September 2023 at 9.00 a.m and ends on Tuesday the 26th September 2023 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on 20th September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

21. Members attending the AGM through VC/ OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
22. Members may note that the Income Tax Act, 1961, ('the IT Act') as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 01, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit the following documents in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid PAN	10% or as notified by the Government of India
Members not having PAN/ Valid PAN	20% as per Section 206AA

However, no tax shall be deducted on the dividend payable to a resident individual; if the total dividend to be received by them during Financial Year 2023-24 does not exceed Rs.5000/- and also in cases where members provide Form 15G/ Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit a lower/ Nil deduction certificate obtained from the respective jurisdictional tax officer u/s 197 of the IT Act, to claim a lower/ Nil TDS. PAN is mandatory for members providing Form 15G/ 15H or any other document as mentioned above.

For non-resident shareholders, taxes are required to be withheld in accordance with the provision of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance.

Agreement (DTAA) between India and the country of tax residence of the member, if treaty provisions are more beneficial to them.

For this purpose, i.e. to avail the benefits under the DTAA, non-resident shareholders will have to provide the following:

Copy of the PAN card allotted by the Indian Income Tax Authorities

Copy of Tax Residency Certificate (TRC) for the FY 2022-23 obtained from the tax authorities of the country of tax residence, duly attested by member.

Self-declaration in Form 10F.

Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty.

Self-declaration of beneficial ownership by the non-resident shareholder.

Lower tax deduction certificate obtained from the respective jurisdictional tax officer u/s. 197 wrt. Section 195 of the IT Act.

In case of Foreign Institutional Investors/ Foreign Portfolio Investors, tax will be deducted under section 196D of the IT Act @ 20% (plus applicable surcharge and cess).

To cater to the needs, Cameo has developed a web module (Url for the said module <https://investors.cameoindia.com/>) wherein the shareholders can log in and register his email id and mobile number against the folio number in which they hold the shares. This module also enables the shareholders to submit the Form 15G/15H by means of upload of scanned copy of the same. Registrar would be receiving these inputs /images backend and validate the same to or reject the same on account of any technical reasons.

It may be further noted that in case the tax on said dividend is deducted at a higher rate, in the absence of receipt of the aforementioned details/documents from you, there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible.

23. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in the notice.
24. In case of joint holders attending the Meeting, only such joint holders who are higher in the order of names will be entitled to vote.

EXPLANATORY STATEMENT ANNEXED TO THE NOTICE OF THE FIFTIETH ANNUAL GENERAL MEETING OF THE COMPANY AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013.

ITEM NO.7

As per the provisions of Sections 196,197 and 198 read with Schedule V and all other applicable provisions of the Companies Act, 2013 and the

Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as per Regulation 17(6)(e) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations 2015, being a member of the promoter group, as recommended by the Nomination and Remuneration Committee vide its meeting held on 10th August 2023, the Board of Directors of the Company (the 'Board'), at its meeting held on 11th August 2023 has, subject to the approval of members, re-appointed Mr. P. Dwaraknath Reddy as Managing Director, for a period of one year with effect from 01st October 2023 and on the basis of recommendation of Nomination and Remuneration Committee and approval of the board, the remuneration and other perquisites as stated below, payable to him for the period from 01st October, 2023 to 30th September, 2024.

As per Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the fees or compensation payable to executive directors who are promoters or members of the promoter group shall be subject to the approval of the shareholders by special resolution in general meeting and the approval of the shareholders under this provision shall be valid only till the expiry of the term of such director. The amended provision as follows:

1. The annual remuneration payable to such executive director exceeds rupees 5 crore or 2.5 per cent of the net profits of the listed entity, whichever is higher; or
2. Where there is more than one such Director, the aggregate annual remuneration to such Directors exceeds 5 per cent of the net profits of the listed entity.

Section 196(3) of the Companies Act, 2013, inter alia, provides that no company shall continue the employment of a person who has attained the age of 70 years, as Managing Director unless it is approved by the members by passing a special resolution. Part 1 of Schedule V to the Act contains a similar relaxation.

Keeping in view that Mr. P.Dwaraknath Reddy has rich and varied experience in the Industry and has been involved in the operations of the Company

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE - DRY BATTERY BUSINESS:

For this category, volume growths are still under stress as there are multiple user shifts happening towards rechargeable gadgets and decline in battery operated gadgets, especially toys and flashlights. D size is continuing its declining trend.

The raw material costs and ocean freight although the year was on the higher side which severely impacted your company margins.

Despite the above challenges, your company has grown 3% in value and has identified growing urban, launching alkaline and more as key drivers to grow in this category.

NON- BATTERY CATEGORY:

Your company witnessed a growth in terms of both value and volume in LED lighting, Electrical accessories, Mosquito bats and Rechargeable flashlights. 37% of revenue contribution is from non-battery categories. Your company has comprehensive plans to grow in each of these categories around products, go-to-market and brand building.

OUTLOOK ON OPPORTUNITIES:

Batteries:

It has been observed urban India will be driving consumption in this category. Your company has plans to strengthen urban distribution and make strong expansion into modern trade and e-commerce platforms. Alkaline as a segment has been fastest growing. Your company will be launching an alkaline range as part of the entire urban focus.

The major input costs are showing signs of softening, it will help your company improve margins and making investments in the brand.

Non-Batteries :

Last 4 years, your company made LED business as the second largest category by making good inroads in few pockets. Your company will continue to focus on LED across India through distribution expansion, channel management and new product introductions.

Rechargeable torches at economical price points is one way to accelerate growth and this is the opportunity is being addressed with the new RC launches.

With mosquito swatters, your company is making into a large "home-care" segment. Your company will invest into new product offerings and focused distribution to drive growth in this category.

THREATS RISK AND CONCERNS

BATTERIES:

As the category has stabilized after multiple corrections in terms of usership over the past few years such as medical equipment usage, shifting of battery operated to rechargeable devices, etc. It is poised for fresh growths; hence your company does not foresee any threats. However, the focus should be on managing the raw material costs as a large chunk is being imported with many external factors.

NON-BATTERY CATEGORIES:

Unbranded players dominating in the growing Rechargeable flashlight segment is a threat. Your company will be focusing on launching value for money RC torches.

In mosquito swatters, you company has first movers' advantage. However, multiple players both global and domestic players have entered the category which is poised for exponential growth.

LED is a fiercely competitive market with dynamic trade pricing and handling after sales market returns. Your company is focusing on distribution infrastructure and channel plans to handle both.

INTERNAL CONTROL SYSTEMS AND ADEQUACY:

The Company has adequate Internal Control procedures commensurate with its size and nature of the business. These business control procedures ensure efficient use and protection of the resources and compliance with the policies, procedures and statutes. The Internal Control system provide for well-documented policies, guidelines, authorizations and approval procedures. The Internal Auditors RGN Price & Co., had carried out Internal Audit extensively throughout the year. The prime objective of such Audit is to test the adequacy and effectiveness of all Internal Controls laid down by the management and to suggest improvements, wherever necessary.

FINANCIAL PERFORMANCE:

INDEPENDENT AUDITOR'S REPORT

THE MEMBERS OF INDO-NATIONAL LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Indo National Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, (including the Statement of Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements' Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India,

including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. However, we have determined that there are no key audit matters to communicate in our report in the current year.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act., read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time;
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act:
In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid/ provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Note. 28.1 to the Standalone Financial Statements;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2023;

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of even date)

Report on the Internal Financial Controls under Clause (i) of Sub section 3 of Section 143 of The Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Indo National Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

STANDALONE NOTES FORMING PART OF FINANCIAL STATEMENTS

1. CORPORATE INFORMATION:

Indo National Limited ("The Company") is a public limited Company domiciled in India and incorporated under the provisions of Companies Act, 1956 and has its registered office in Chennai. The Company is in the business of manufacture and marketing of batteries, torches, LED products, mosquito bats, Electrical accessories and Razors & Blades. Nippo is the first Indian dry battery company to have been certified with ISO 9001 and ISO 14001 international standards and has the ISI mark of quality on all its batteries. Nippo has 20 depots across India and has distribution network with over 3200 distributors across India.

2. SIGNIFICANT ACCOUNTING POLICIES:

2.1 Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the Standalone Financial Statements.

2.2 Basis of accounting and preparation of financial statements

The standalone financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial instruments and defined benefit plan (plan assets measured at fair value) that are measured at fair values at the end of each reporting period.

2.2.1 Measurement of Fair values

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability, if market participants would take those characteristics into account, when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurement are categorized into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows :

- (i) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- (ii) Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- (iii) Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Use of estimates and judgement

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The

STANDALONE NOTES FORMING PART OF FINANCIAL STATEMENTS

Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialise. Estimates have been used in provision for employee benefits and useful lives of property, plant and equipment.

Recent Accounting Developments

Ministry of Corporate Affairs (MCA), vide notification dated 31st March, 2023, has made the following amendments to Ind AS which are effective 1st April, 2023:

- a. Amendments to Ind AS 1, Presentation of Financial Statements where the companies are now required to disclose material accounting policies rather than their significant accounting policies.
- b. Amendments to Ind AS 8, Accounting policies, Changes in Accounting Estimates and Errors where the definition of 'change in account estimate' has been replaced by revised definition of 'accounting estimate'.
- c. Amendments to Ind AS 12, Income Taxes where the scope of Initial Recognition Exemption (IRE) has been narrowed down. Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements

2.4 Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Property, plant and equipment acquired and put to use for project purpose are capitalized and depreciation thereon is included in the project cost till the project is ready for its intended use.

2.4.1 Depreciation

Property, Plant and equipment has been provided on the straight-line method on imported body maker and bag makers, other projects under plant and equipments on assets relating to 3D Project (I line), 3U Unit (New line), 4U Units (New lines), roads laid in factory and solar plant and written down value method on all other tangible assets as per the useful life prescribed in Schedule II to the Companies Act, 2013. Motor car purchased under new block is depreciated over 4 years. Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. Some of the fixed assets are depreciated over its useful life on the basis of the technical certificate received by the company.

2.5 Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. Intangible assets are amortized over their useful life.

STANDALONE NOTES FORMING PART OF FINANCIAL STATEMENTS

2.5.1 Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Development phase expenses are initially recognised as intangible assets under development until the development phase is complete, upon which the amount is capitalised as intangible asset.

2.6 Impairment of tangible and intangible assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the fair value less costs of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor, that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognized.

2.7 Inventories

Inventories are valued at the lower of cost (on FIFO basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale including octroi and other levies, transit insurance and receiving charges. Finished goods and work in progress include apportionment of overheads. Net realisable value is the estimated selling price less estimated costs for completion and sale.

Raw materials including components, finished goods, work in process, stock in trade, material in transit, packing materials and stores & spares have been valued at lower of cost and estimated net realizable value. In case the technical or economic factors underlying the valuation undergo material or adverse changes, appropriate write down is made in the year of such adverse change. Material in transit is valued at cost.

2.8 Foreign currency transactions and translations

The functional currency of the Company is Indian rupee (INR).

Foreign currency transactions are initially recorded at the spot rates on the date of the transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year-end rates. Non-monetary items denominated in other currencies and that are measured in terms of historical cost are translated at the exchange rates prevailing on the dates on which such values are determined. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign currency transactions are recognized in the Statement of Profit and Loss.

**STANDALONE
NOTES FORMING PART OF FINANCIAL STATEMENTS**

2.9 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the Statement of Profit and Loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

2.9.1 Financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- (i) those measured at amortised cost and
- (ii) those to be measured subsequently at fair value through profit and loss.

(a) Financial assets at amortised cost:

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(b) Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss where it is not measured at amortised cost.

(c) Investment in subsidiaries:

Investment in subsidiaries are measured at cost as per Ind AS 27 - Separate Financial Statements.

(d) Impairment of financial assets

The financial assets will be tested for impairment at each reporting date. Loss allowance for expected credit losses will be recognised for financial assets measured at amortised cost, if any.

(e) Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire.

2.9.2 Financial liabilities and equity

Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument:

(a) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

**STANDALONE
NOTES FORMING PART OF FINANCIAL STATEMENTS**

(b) Financial Liabilities

Financial liabilities are measured at amortised cost using the effective interest rate method. Trade and other payables maturing within one year from the balance sheet date is measured at carrying amount since the carrying amount approximates the fair value to short term maturity of these instruments.

(c) Derecognition of financial liabilities

The Company derecognizes financial liabilities only when the Company's obligations are discharged, cancelled or they expire.

2.10 Cash and cash equivalents

Cash comprises of cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Bank overdraft and cash credit are also considered as part of cash and cash equivalents for the purpose of Statement of Cash Flows as they form part of cash management system.

2.11 Revenue recognition

(a) Sale of goods

The Company recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods.

(b) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(c) Insurance Claims

Insurance claims are accounted for on the basis of claims admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.12 Employee benefits

2.12.1 Retirement benefit costs and termination benefits:

(a) Defined contribution plan

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Employee Provident Fund Organization (EPFO). The Company is liable only for its fixed contributions which is required to be made in accordance with the schemes in force as notified by EPFO. All contributions made by the company are recognized as expenses for the relevant period.

(b) Defined benefit plan

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net

**STANDALONE
NOTES FORMING PART OF FINANCIAL STATEMENTS**

interest), is reflected immediately in the Balance Sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. The following are the defined benefit plans: **Gratuity** - The Company has an obligation towards gratuity, a defined benefit plan covering eligible employees. The plan provides for lump sum payment to vested employees on retirement, death while in employment or on separation. Vesting occurs upon completion of five years of service. The liability, which is determined by means of an independent actuarial valuation, is funded with LIC.

Defined benefit costs are categorized as follows:

- (i) Service cost (including current service cost, past service cost, gains and losses on curtailment and settlement);
- (ii) net interest income or expense and
- (iii) remeasurement.

2.12.2 Short term employee benefits and other long-term employee benefits

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and other leaves in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognized in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange of that related service. Other employee benefits include compensated absences and termination benefits. Both these benefits are settled as per the Company policy and charged to profit and loss account as and when the payment is made.

2.13 Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset form part of the cost of that asset. Other borrowing costs are recognized as an expense.

2.14 Income Tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

2.14.1 Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

2.14.2 Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.

**STANDALONE
NOTES FORMING PART OF FINANCIAL STATEMENTS**

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

2.14.3 Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.15 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate of the consideration required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.16 Leases

From April 1, 2019, leases are recognised as a right-of-use asset and a corresponding liability is recognised at the date at which the leased asset is available for use by the Company. Assets and liabilities arising from a lease are initially measured on present value basis. Lease liability include the net present value of the following payments:

- a) fixed payments (including in substance fixed payments), less any lease incentives receivable
- b) variable lease payments that are based on an index or a rate, initially measured using the index or rates at the commencement date
- c) amounts expected to be payable by the Company under residual value guarantees
- d) the exercise price of purchase options if the Company is reasonably certain to exercise that option
- e) payment of penalties for terminating the lease, if the lease term reflects the Company exercising that option

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company's incremental borrowing rate is used, being the rate the Company would have to pay to borrow fund necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

**STANDALONE
NOTES FORMING PART OF FINANCIAL STATEMENTS**

Lease payments are allocated between principal and finance cost. The finance cost is charged to statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- a) the amount of initial measurement of lease liability
- b) any lease payments made at or before the commencement date less any incentives received
- c) any initial direct costs and
- d) restoration costs

Right-of-use assets are generally depreciated over the shorter of asset's useful life and the lease term on a straight line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straightline basis as an expense in statement of profit and loss. Short term leases are leases with a lease term of 12 months or less.

2.17 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share (if any) is computed by dividing the profit / (loss) for the year as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.18 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(i) The Company has not revalued its property, plant and equipment during the year ended March 31, 2023 and March 31, 2022.

(ii) The Company does not have any immovable property, whose title deeds are not held in the name of the Company during the year ended March 31, 2023 and also as at March 31, 2022.

(iii) The Company adopts Straight Line method of depreciation in respect of Plant & Machinery. The useful life of Plant & Machinery at one of its manufacturing facilities at Tada was estimated at 15 years which is in line with the estimated useful life of Plant & Machinery as per Schedule II of The Companies Act, 2013. During the last quarter of FY 22-23, the company has made a reassessment of the useful life of Plant & Machinery at Tada. Based on technical assessments, the management is of the view that the useful life of the asset should be extended to 20 years instead of 15 years. This change in estimate is applied prospectively from April 1, 2021 and the rate of depreciation of depreciation is to be calculated accordingly for the FY 22-23 and thereafter in future years also. According to the provisions of IND AS 8, a change in estimated useful life of asset amounts to change in accounting estimate only and is not a change in accounting policy. Since it is a change in accounting estimate, based on the provisions of IND AS 8, it is to be applied prospectively from FY 2022-23.

28.4 Employee benefit plans
Defined contribution plans

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the Provident Fund.

The total expense recognised in profit or loss of Rs. 337.60 Lakhs for the year ended March 31, 2023: (Last year - Rs.296.96 Lakhs) represents contribution paid to these plans by the Company at rates specified in the rules of the plan.

Defined benefit plans
a) Gratuity

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness Allowance if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The payment of Gratuity Act, 1972, provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, from time to time.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.

Interest risk A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The employees' gratuity fund scheme is managed by Life Insurance Corporation of India (LIC). The Company makes annual contributions to the plan. Commitments are actuarially determined at year-end. Actuarial valuation is based on "Projected Unit Credit" method.

The company operates a leave encashment scheme, which is an unfunded scheme. The present value of obligation under this schemes is based on an actuarial valuation using the Projected Unit Credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

28.11 Risk Management framework

The company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The board has constituted the risk management committee which carries on the following functions:

1. The implementation of Risk management systems and framework;
2. Reviewing the Company's financial and risk management policies;
3. Assessing risk and minimizing the procedures;
4. Framing, implementing and monitoring the risk management plan.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Risk management Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Risk management Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

The company has exposure to the following risks arising from its financial risk management:

Credit risk

Liquidity risk

Commodity price risk

Foreign currency risk

The Company manages its financial operations with its own accruals and hence is not subject to interest rate risk. The company manages its working capital with its own stock and debtors. However, the overdraft/ cash credit facility from our bankers are utilised to manage the working capital gap as and when required. The company does not foresee any requirement for long term funding in the near future.

Credit risk management

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables, deposits and other financial assets.

**STANDALONE

28.11 Risk Management framework (Contd.)

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The company has established a strong liquidity damage agreement with its customers. The normal credit period for trade receivables are 15 days / 45 days and any settlement beyond 15 / 45 to 90 days and thereafter the same is compensated by and agreed interest on outstanding amounts.

The company based on internal assessment which is driven by the historical experience and current facts available in relation to default and delays in collection thereof, has decided not to make any provision for the expected credit loss of trade receivables. The company does not foresee any requirement to create the allowance matrix considering the past trend and future operations.

Liquidity risk management

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation. The average credit period for purchase of materials and traded products ranges from 30 to 60 days and the company settles the significant portion of the obligation within the aforesaid credit period. The company's working capital is adequately supported by Stock, Book debts and Bank overdraft/ CC facilities.

Commodity price risk management

The Company is exposed to commodity price risk, mainly in respect of Zinc, which is a key raw material in the manufacture of batteries. The price risk is linked to fluctuations in London Metal Exchange (LME). The Company manages the price risk by entering into a average price agreement with the vendor.

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. The company has the policy of settling the foreign exchange exposure within 5 to 10 days to mitigate the foreign currency risk.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INDO-NATIONAL LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Indo National Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by The Companies Act, 2013, as amended ("The Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group, its associate company as at March 31, 2023, their consolidated total comprehensive income (comprising consolidated profit and consolidated other comprehensive income), consolidated changes in equity and its consolidated cash flows and for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of The Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and its associate in accordance with the with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) and the relevant provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information Other than the consolidated financial statements and auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information in the annual reports, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and consolidated changes in equity of the Group including its associate in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting fraud and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate company are responsible for over seeing the financial reporting process of the Group and of its associate.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2023, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. However, we have determined that there are no key audit matters to communicate in our report in the current year.

Other Matters

We did not audit the financial statements of four subsidiaries, whose financial statements reflect total assets of Rs.16,331.93 lakhs as at 31st March 2023, total revenues of Rs.16,938.57 lakhs and net cash flows amounting to Rs. 113.11 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs.(26.80) lakhs for year ended March 31, 2023, in respect of an associate company whose financial

statements has not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, and associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1) As required by clause (xxi) of the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we report the following qualifications or adverse remarks by the respective auditors in the companies (Auditors Report) order (CARO) reports of the companies included in the consolidated financial statements.

Name of the Company	CARO Paragraph number

- 2) As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and the other financial information of subsidiaries, and associate, as noted in the ‘other matter’ paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as it appears from our examination of those books;
 - c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time;
 - e) On the basis of the written representations received from the directors of the Holding Company & Subsidiary Companies incorporated in India as on March 31, 2023, taken on record by the Board of Directors of the Holding Company, none of the Directors of the Group is disqualified as on March 31, 2023, from being appointed as a Director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding Company's internal financial controls with referenceto financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the holding Company and one of the subsidiary company - Kineco Ltd, to their Directors during the year are in accordance with the provisions of section 197 of the Act. On the basis of the reports of the other subsidiaries and associate company , the provisions of section 197 of the Act related to managerial remuneration are not applicable.
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements– Note 31.1to the Consolidated Financial Statements.
 - ii. The Group did not have any long-term contracts including derivative contracts as at March 31, 2023 for which therewere material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. In the case of its subsidiaries and its associate incorporated in India during the year ended March 31, 2023, there were no amounts which were required to be transferred to the Investor Education and Protection Fund.
 - iv.
 - a) The respective Managements of the Holding Company and its subsidiary companies and associate which are companies incorporated in India have represented to us that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiary and associates to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries and associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective Managements of the Company and its subsidiary and associates which are companies incorporated in India have represented to us that, to the best of their knowledge and belief, no funds have been received by the Company or any of such subsidiary and associate from any person(s)or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries and associate shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances and performed by us and based on the certificate from the management of the holding company, subsidiary and associate respectively, which are companies incorporated in India, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement. Further the financial statements of the subsidiary and associate, which are companies incorporated in India, are unaudited and have been consolidated based on the Management certified financial statements and our opinion on the consolidated financial statements, in so far as it relates to this clause are based solely on the representation received from the respective management of the components. This subsidiary and associate are not material to the group.
- v. a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable. On the basis of the reports of the statutory auditors of the subsidiary company, we report that the interim dividend declared and paid by the subsidiary company during the year is in accordance with section 123 of the Act, as applicable. Other subsidiary companies and the associate company have not proposed, declared or paid any interim or final dividend during the year.
- b) The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Companies in the group only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.

Annexure A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to these consolidated financial statements of Indo National Limited (hereinafter referred to as "the Holding Company"), its subsidiary and its associate, which are Companies incorporated in India, as of that date.

Management's responsibility for internal financial controls

The respective management of the Holding Company, its subsidiary and its associate to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of adequacy of the internal financial control with reference to financial statements is applicable, which are Companies incorporated in India, are responsible for establishing and maintaining internal financial control based on internal financial controls criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with respect to these consolidated financial statements included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to these consolidated financial statements. The financial results / financial information the other entities included in the consolidated financial statements, have not been audited by their respective auditors and the same has been certified by the management. In our opinion and according to the information and explanations given to us by the management, this financial statements / financial information is not material to the Group.

Meaning of internal financial control with reference to consolidated financial statements

A company's internal financial control with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitation of internal financial control with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associate company, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls with reference to these consolidated financial statements and such internal financial controls with reference to these consolidated financial statements and were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CONSOLIDATED NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

Indo National Limited ("the parent company") is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956 and has its registered office in Chennai. The parent group has 4 Subsidiaries and 1 Associate. The parent company is in the business of manufacture and marketing of batteries, torches, LED products, electrical accessories, mosquito bats and razors and blades. The Parent company together with its subsidiaries and associate is hereinafter referred to as the "Group".

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013, (the 'Act'), the Companies (Indian Accounting Standards) Rules 2015, as amended and other relevant provisions of the Act and comply in all material aspects with the provisions mentioned above.

2.2 Basis of preparation

The consolidated financial statements have been prepared on the historical cost convention under accrual basis of accounting except for the following:

- (i) certain financial instruments are measured at fair value and
- (ii) defined benefit plans- plan assets measured at fair value.

Measurement of Fair values

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these consolidated financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Principles of consolidation

The consolidated financial statements incorporate the financial statements of the group and its subsidiaries/ associate drawn upto the same reporting date as that of the Group i.e. March 31, 2023. Control is achieved when the group has power over the investee, is exposed or has right to variable return from its investment with the investee and has the ability to use its power to affect its returns.

Consolidation of subsidiary begins when the group obtains control over the subsidiary and ceases when the group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated Statement of Profit and Loss from the date the group gains controls until the date when the group ceases to control the subsidiary.

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

Profit or loss and each component of other comprehensive income are attributed to the owners of the Group and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Group and to the non controlling interests even if this results in the non-controlling interests having a deficit balance.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year. The consolidated financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealised profits/losses, unless cost/revenue cannot be recovered.

The Group's investments in its Associate are accounted for using the Equity Method. Under the Equity Method, the investment in Associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the Associate from the acquisition date. In case of any loss in the Associate company, the share of loss will be recognised only to the extent of the value of the Investment.

Necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intra-group assets and liabilities, equity, income, expense, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

2.4 Use of estimates and judgements

The preparation of the consolidated financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Estimates have been used in provision for warranties, provision for employee benefits, allowance for expected credit loss on financial assets and useful lives of property, plant and equipment.

Key source of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are:

i) Useful lives of property, plant and equipment and intangible assets:

The group reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation or amortisation expense in future periods.

ii) Valuation of deferred tax assets:

The group reviews the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under Note 2.16 below.

iii) Actuarial Valuation:

The determination of group's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in Other Comprehensive Income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in the notes to the financial statements.

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**
iv) Provisions and Contingent Liabilities:

The policy for the same has been explained under Note 2 .17 below.

Recent Accounting Developments

Ministry of Corporate Affairs (MCA), vide notification dated 31st March, 2023, has made the following amendments to Ind AS which are effective 1st April, 2023:

- a. Amendments to Ind AS 1, Presentation of Financial Statements where the companies are now required to disclose material accounting policies rather than their significant accounting policies.
- b. Amendments to Ind AS 8, Accounting policies, Changes in Accounting Estimates and Errors where the definition of 'change in account estimate' has been replaced by revised definition of 'accounting estimate'.
- c. Amendments to Ind AS 12, Income Taxes where the scope of Initial Recognition Exemption (IRE) has been narrowed down. Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements

2.5 Property, plant and equipment

Property, plant and equipment are carried at acquisition cost (net of refundable taxes - primarily input credit relating to Goods and Service Tax) less accumulated depreciation and impairment losses, if any. Cost of property, plant and equipment include purchase price, expenses incidental to making the assets ready for its intended use, attributable borrowing costs and net of any trade discounts and rebates. Subsequent expenditure on property, plant and equipment, after its purchase / completion, is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Property, plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

Capital work in progress

Projects under which assets are not ready for their intended use and other capital work in progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest, if any.

2.6 Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. Intangible assets are amortized over their useful life.

Intangible assets under development

The Company expenses costs incurred during research phase to profit or loss in the year in which they are incurred. Development phase expenses are initially recognised as intangible assets under development until the development phase is complete, upon which the amount is capitalised as intangible asset.

2.7 Impairment of property, plant and equipment and intangible assets

The carrying value of property, plant and equipment and intangible assets is reviewed at each Balance Sheet date for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased such reversal of impairment loss is recognised in the Statement of Profit and Loss.

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. However, the following intangible assets are tested for impairment in each financial year even if there is no indication that the asset is impaired:

- (a) an intangible asset that is not yet available for use and
- (b) an intangible asset that is amortised over a period exceeding ten years from the date when the asset is available for use.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the consolidated Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. The recoverable amount is the greater of the fair value less costs of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor, that reflects current market assessments of the time value of money and the risks, specific to the asset for which the estimates of future cash flows have not been adjusted. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the consolidated Statement of Profit and Loss, to the extent the amount was previously charged to the consolidated Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

2.8 Inventories

Inventories are valued at the lower of cost (on FIFO basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale including Excise duty, octroi and other levies, transit insurance and receiving charges. Finished goods and work in progress include apportionment of overheads. Net realisable value is the estimated selling price less estimated costs for completion and sale.

Moulds, dies and tools, developed in house for specific customer application are classified as 'Composite tooling' based on technical consideration. These are shown in balance sheet based upon technical and economic evaluation carried out by independent valuers but not exceeding the cost thereof. In case the technical or economic factors underlying the valuation undergo material or adverse changes, appropriate write down is made in the year of such adverse change.

2.9 Foreign currency transactions and translations

The functional currency of the Group is Indian rupee (INR).

Foreign currency transactions are initially recorded at the spot rates on the date of the transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year-end rates. Non-monetary items denominated in other currencies and that are measured in terms of historical cost are translated at the exchange rates prevailing on the dates on which such values are determined. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign currency transactions are recognised in the consolidated Statement of Profit and Loss.

2.10 Financial Instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the consolidated Statement of Profit and Loss.

Effective Interest Rate method:

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

i) Financial assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amounts outstanding.

Financial assets as fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The group has elected to present subsequent changes in fair value in other comprehensive income in case of investments based on its business model.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. Gains or losses arising on remeasurement are recognised in the Statement of Profit or Loss.

Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

Impairment of financial assets

The Group recognises loss allowance using the Expected Credit Loss (ECL) model for the financial assets which are not valued through profit or loss. Loss allowance for all financial assets is measured at an amount equal to 12 months expected credit losses or lifetime Expected Credit Loss. The Group had used practical expedient by computing expected credit loss allowance for trade receivable by taking into consideration historical credit loss experience and adjusted for forward looking information. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in the Statement of Profit and Loss.

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost. For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

Derecognition of financial assets

The group derecognises an financial asset when (i) the contractual rights to receive cash flows from the asset expire, or (ii) the group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and (a) the group has transferred substantially all the risks and rewards of ownership of the asset, or (b) the group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. On derecognition of the financial asset in its entirety, the difference between the assets carrying amount measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

ii) **Financial liabilities and equity instruments**

Classification as debt or equity

Debt and equity instruments issued by the group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

All financial liabilities that are not held-for-trading and are not designated as at FVTPL are subsequently measured at amortised cost using the effective interest method. The interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

- (i) Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method.
- (ii) Interest-bearing bank loans and overdrafts are initially measured at fair value and subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Group's accounting policy for borrowing costs.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the group's obligations are discharged, cancelled or have expired. An exchange between with a lender or debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

The Group derecognises financial liabilities only when the Group's obligations are discharged, cancelled or they expire.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is current enforceable legal right to offset the recognised amounts and it is intended to either settle on a net basis or to realise the assets and settle the liabilities simultaneously.

iii) **Derivative financial instruments**

The Group enters into derivative financial instruments in the nature of forward exchange contracts to manage its exposure to foreign exchange rate risks on unexecuted firm commitments and highly probable forecast transactions. Such derivative financial instruments are marked to market and gain/ loss on such contracts is recognised in the Statement of Profit and Loss at the end of each reporting period. The derivatives are carried as financial assets when the fair value is positive and financial liabilities when the fair value is negative.

The hedges are accounted for and measured at fair value from the date the hedge contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The fair values for forward currency contracts are marked to market at the end of each reporting period.

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

The hedge instruments are designated and documented as hedges at the inception of the contract. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. The ineffective portion of designated hedges are recognised immediately in the Statement of Profit and Loss.

The effective portion of change in the fair value of the designated hedge instrument is recognised in the other comprehensive income and accumulated under the heading cash flow hedge reserve as a separate component of equity. Such amounts are reclassified into the Statement of Profit and Loss when the related hedged items affect profit or loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and is recognised in profit or loss when the forecasted transaction ultimately affects the profit or loss. When a forecasted transaction is no longer expected to occur, the cumulative gain or loss accumulated in equity is transferred to the Statement of Profit and Loss.

2.11 Statement of cash flows

Statement of cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the group are segregated based on the available information.

Cash comprises of cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Bank overdraft and cash credit are also considered as part of cash and cash equivalents for the purpose of Statement of Cash Flows as they form part of cash management system.

2.12 Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and the group will comply with the conditions attached to them.

Where the grant relates to an asset the cost of the asset is shown at gross value and grant thereon is treated as capital grant which is recognised as income in the Statement of Profit and Loss over the period and in proportion in which depreciation is charged.

Revenue grants are recognised in the Statement of Profit and Loss in the same period as the related cost which they are intended to compensate are accounted for.

2.13 Revenue recognition

During the year the group earned revenue from the following sources which was recognised on the basis stated against each source:

Sale of goods

The Group recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods.

The company recognises unearned revenue (i.e. contract liabilities) for consideration received in respect of unsatisfied performance obligations and reports these amounts as other liabilities in the balance sheet. Similarly, if the company satisfies a performance obligation before it receives the consideration, the company recognises as unbilled revenue (i.e. contract assets) in its balance sheet, depending on whether something other than the passage of time is required before the consideration is due.

The company presents revenues net of returns, trade discounts and indirect taxes in its statement of profit and loss.

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

Sale of services

Revenues from services are recognised when services are rendered and related costs are incurred.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Interest income is accounted for using the effective interest rate method. Interest income on financial asset is accrued on a time proportion basis by reference to the principal amount outstanding and the applicable effective interest rate.

Insurance Claims

Insurance claims are accounted for on the basis of claims admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.14 Employee benefits

i) Short term

Short term employee benefits include salaries, allowances and performance incentives. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by the employees are recognised as an expense in the Statement of Profit and Loss during the year when the employees render the service to the group.

ii) Long term

The group has defined contribution and defined benefit plans. The plans are financed by the group and in the case of some defined contribution plans by the group along with its employees.

Defined contribution plans

The group's contribution to provident fund and family pension fund made to regulatory authorities and where the group has no further obligation are considered as defined contribution plans and are charged as an expense in the Statement of Profit and Loss as they fall due based on the amount of contribution required to be made.

Defined benefit plans

Expenses for defined-benefit gratuity plans are calculated as at the balance sheet date by independent actuaries (using the projected unit credit method) in a manner that distributes expenses over the employee's working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial gains/losses are recognised, in full in the other comprehensive income in the year in which they arise.

Other employee benefits

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

2.15 Borrowings and borrowing costs

The group borrows funds in Indian Rupees. These borrowings carry a fixed rate or floating rate of interest. The liabilities are initially measured at the amount borrowed and subsequently stated at the outstanding amounts. Interest accrued but not due which is in the nature of current liability is classified as part of 'Other

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

current financial liabilities'. Amount outstanding in respect of foreign currency borrowings are stated at the exchange rate at the Balance Sheet date.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

Borrowing costs include interest expense as per Effective Interest Rate (EIR). The borrowing costs in respect of foreign currency borrowings are adjusted for exchange differences, to the extent they are regarded as an adjustment to the interest cost.

2.16 Taxes on income

Tax expenses for the year, comprising of current tax and deferred tax, are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the prevailing tax laws and includes any adjustment to tax payable in respect of previous years. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax is provided / recognised using the balance sheet method, on all deductible temporary differences at the reporting date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes, on carry forward of unused tax credit and unused tax losses. Deferred tax assets and liabilities are measured using tax rates that are substantively enacted at the balance sheet date. At each balance sheet date the group evaluates the carrying amount of deferred tax assets and reduces the value of such deferred tax assets to the extent it is no longer probable that sufficient taxable profit will be available to allow all or a part of deferred tax asset to be utilised/ recovered.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing tax laws and the group intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current Tax :

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Deferred tax :

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.
- temporary differences related to investments in subsidiaries, when the timing of the reversal of the

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. The group offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the respective group will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the group will pay normal income tax during the specified period.

Current and deferred tax for the year :

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.17 Provisions, contingent liabilities and contingent assets

A provision is recognised when the group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. The increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A contingent liability is disclosed in case of present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation and a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed when an inflow of economic benefits is probable.

Provisions for the expected cost of warranty obligations under the terms of contract with the customers are recognised at the managements best estimate of the expenditure required to settle the warranty obligation.

Provisions for service warranties and returns are recognised when the group has a present or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably measured.

2.18 Leases

From April 1, 2019, leases are recognised as a right-of-use asset and a corresponding liability is recognised at the date at which the leased asset is available for use by the Company. Assets and liabilities arising from a lease are initially measured on present value basis. Lease liability include the net present value of the following payments:

- a) fixed payments (including in substance fixed payments), less any lease incentives receivable
- b) variable lease payments that are based on an index or a rate, initially measured using the index or rates at the commencement date

**CONSOLIDATED
NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**

- c) amounts expected to be payable by the Company under residual value guarantees
- d) the exercise price of purchase options if the Company is reasonably certain to exercise that option
- e) payment of penalties for terminating the lease, if the lease term reflects the Company exercising that option

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company's incremental borrowing rate is used, being the rate the Company would have to pay to borrow fund necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

2.19 Earning per share

Basic earnings per share is computed by dividing the profit / (loss) for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) for the year as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.20 Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note: In terms of order dated 25th April 2018 received on 02nd May 2018, the Competition Commission of India (CCI) has imposed penalty of Rs. 4226.00 lakhs for alleged cartelisation in respect of Zinc carbon dry cell batteries market in india. The parent Company had filed an appeal against order of CCI before the National Company Law Appellate Tribunal (NCLAT) . NCLAT has granted stay on the CCI order on the condition that the Company should deposit 10% of the penalty amounting to Rs.422.00 Lakhs . Based on the legal opinion and considering the uncertainty relating to outcome of this matter, no provision has been considered in the books of account of the parent company. Claims against the Company for pending cases Rs 817.98 lakhs (Previous year Rs. NIL)

Kineco was awarded a Contract to supply 191 coaches by Modern Coach Factory, Raebareli ('MCF'). However, during the course of execution of the Contract, due to various reasons including delays in receiving various approvals from MCF, the said Contract could not be completed within the delivery period.

MCF vide the impugned order dated 28.10.2022, cancelled the Contract and passed an order for recovery of amount i.e. Rs. 8,17,97,681.70 (Rupees Eight Crore Seventeen Lakhs Ninety Seven Thousand Six Hundred and Eighty One Seventy Paise Only) from Kineco. Kineco challenged the impugned order and invoked Arbitration. Upon appointment of the Arbitral Tribunal, Kineco filed an Application under Section 17 of Arbitration Act 1996, seeking Interim relief until the final disposal of the arbitral proceedings

The Hon' Arbitral Tribunal, while observing that Prima facie Kineco has a strong case and balance of convenience is its favour, passed an interim order dated 08.04.2023 directing both the parties to maintain status-quo and directed MCF not to withhold/stop any payment of bill(s) raised by Kineco, until publication of final Arbitral Award. Based on this order, MCF has not withheld or deducted amounts from bills, which were payable to Kineco.

The arbitration proceedings are ongoing and are expected to conclude over the next 4-6 months.

31.4 EMPLOYEE BENEFIT PLANS (CONTD.)
Defined benefit plans:

The Group Companies offer benefits under a defined-benefit plan in the form of a gratuity scheme to its eligible employees. The gratuity scheme covers substantially all regular employees. The plan provides for a lumpsum payment to its vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to fifteen days/ one month salary drawn at the time of the incident occasioning such payment, as applicable, payable for each completed year of service or part there of in excess of six months. Vesting occurs up on completion of five years of service calculated as per the Payment of Gratuity Act, 1972.

The employees' gratuity fund scheme is managed by Life Insurance Corporation of India (LIC). The Group Companies make annual contributions to the plan. Commitments are actuarially determined at year-end. Actuarial valuation is based on "Projected Unit Credit" method.

The Group companies operate leave encashment schemes, which are unfunded schemes. The present value of obligation under these schemes is based on an actuarial valuation using the Projected Unit Credit method, which recognise each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

31.4.2 The Group companies offers the following employee benefit schemes to its employees:

In the absence of detailed information regarding Plan assets which is funded with Life Insurance Corporation of India, the composition of each major category of plan assets, the percentage or amount for each category to the fair value of plan assets has not been disclosed.

These plans typically expose the Group to actuarial risks are as follows:

Investment risk	All plan assets are maintained in a trust fund managed by a public sector insurer viz; LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years. The Company has opted for a traditional fund wherein all assets are invested primarily in risk adverse markets. The Company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.
Salary Risk	The present value of the defined benefit obligation calculated by reference to the future salaries of the plan participants. An increase in the salary of the plan participants will increase the plan liability.
Discount rate risk	The present value of the defined benefit obligation is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Decrease in the bond rate will increase the plan liability; this will partially be offset by the increase in the interest on plan assets.
Longevity Risk	The present value of the defined benefit obligation calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy of the plan participants will increase the plans liability.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

31.10.3 Risk Management framework

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The board has constituted the risk management committee which carries on the following functions:

1. The implementation of Risk management systems and framework;
2. Reviewing the Group's financial and risk management policies;
3. Assessing risk and minimizing the procedures;
4. Framing, implementing and monitoring the risk management plan.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

31.10.4 Credit risk management

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's trade receivables, deposits and other financial assets.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Group grants credit terms in the normal course of business. The Group has established a strong liquidity damage agreement with its customers. The normal credit period for trade receivable is 15 days and any settlement beyond 15 to 90 days and thereafter compensated by an agreed interest on outstanding amounts.

31.10 FINANCIAL INSTRUMENTS (CONTD.)

The Group based on internal assessment which is driven by the historical experience and current facts available in relation to default and delays in collection there of has decided to make any expected credit loss of trade receivables amounting to Rs. 56.07 lakhs. (Refer Note 9A).

Liquidity risk management

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. The average credit period for purchase of materials and traded products ranges from 30 to 60 days and the Group settles the significant portion of the obligation within the aforesaid credit period. The Group's working capital is adequately supported by Stock, Book debts and Bank overdraft/ CC facilities.

Commodity price risk management

The Group is exposed to commodity price risk, mainly in respect of Zinc, which is a key raw material in the manufacture of batteries. The price risk is linked to fluctuations in London Metal Exchange (LME). The Group manages the price risk by entering into a average price agreement with the vendor.

31.10.5 Foreign currency risk management

The Group undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. The Group has the policy of settling the foreign exchange exposure within 5 to 10 days to mitigate the foreign currency risk

The Group's business activities include import of raw materials which are linked to international price in dollar terms. As a result the Group is exposed to exchange rate fluctuation on its imports. The Group also avails foreign currency funding in terms of export packing facilities for the purchase of raw materials. The impact of these fluctuations affects the Group's profitability and finance.

The Group's objective is to insure that the cost of export packing facilities availed doesn't exceed the cost of Rupee funding of a comparable nature at the time of availing. The Group's foreign currency transaction are recorded in accordance with guidelines laid down in Indian accounting standards.

The Group enters into derivative financial instruments of the nature of forward foreign exchange contracts to manage its foreign currency risk of foreign currency receivables. The Group also uses the asset liability offset of foreign currency exposures as a part of its foreign exchange fluctuation risk management policies.

Derivatives are used only for economic hedging purposes and not as speculative investments. All such transactions are carried out with the approval of the board of Directors.
