NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its Circular dated May 5, 2022 (referred to as “MCA Circular”) permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circular through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional / Corporate Members intending to authorize their representatives to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting are requested to send a scanned copy (PDF/ JPG Format) of the Board Resolution to the Scrutinizer by email through its registered email address to bk.scrutiniser@gmail.com with a copy marked to evoting@nsdl.co.in
4. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. In case of joint holders attending the meeting through VC/OAVM, only such joint holder who is higher in the order of names will be entitled to vote.
6. Information of Directors proposed to be re-appointed: Brief resume, nature of their expertise in specific functional areas, names of Companies / Chairmanships of Board Committees, shareholding and relationships between Directors inter-se as stipulated under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, provided on Page No.13 forms part of the Notice.
7. Relevant documents referred to in the accompanying Notice and the Statement are open for inspection by the Members at the Registered Office of the Company on all working days, during business hours up to the date of the Meeting.
8. The Company has notified closure of Register of Members and Share Transfer Books from Thursday, 04th August, 2022 to Wednesday, 10th August, 2022 (both days inclusive).
9. Dividend as recommended by the Board of Directors, if declared at the Annual General Meeting will be paid within 30 days from the date of declaration to those Members whose names appear on the Register of Members in respect of shares held in physical form as well as in respect of shares held in electronic form as per the details received from the depositories for this purpose as at the close of the business hours on Wednesday, 3rd August, 2022.
10. Pursuant to Finance Act 2020, Dividend income will be taxable in the hands of Shareholders with effect from 1st April, 2020 and the Company is required to deduct tax at source from Dividend paid to Shareholders at the prescribed rates. For the prescribed rates for various categories, the Shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The Shareholders are requested to update their Residential Status, Category as per Income Tax Act, 1961 (“IT Act”), Permanent Account Number (“PAN”) with the Company/Registrar & Share Transfer Agent (in case of shares held in physical mode) and depositories (in case of shares held in demat mode) immediately. A resident individual Shareholder having PAN and entitled to receive Dividend amount exceeding ₹ 5,000/- and who is not liable to pay income tax, can submit a yearly

declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to info@skdc-consultants.com on or before 10th August, 2022. Shareholders are requested to note that in case their PAN is not registered with the Depository Participant / Company, the tax will be deducted at a higher rate of 20%. Non-resident Shareholders can avail beneficial rates under the relevant tax treaty between India and their country of residence, subject to providing necessary documents such as No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to info@skdc-consultants.com. The aforesaid declarations and documents need to be submitted by the Shareholders on or before 10th August, 2022. Separate intimation in this regard to Shareholders will be given on or before 04th August, 2022.

11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN and KYC Compliance to the Company / RTA M/s.S.K.D.C. Consultants Ltd.
12. Members whose shareholding is in the electronic mode are requested to update Bank Account details (Bank Account No., Name of the Bank, Branch, IFSC code, MICR code and Place with Pincode) to their respective Depository Participants. Members whose shareholding is in the physical mode are requested to send the above details to the Company or to the RTA.
13. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form can be downloaded from the Company's website at www.lakshmiautomatic.com under the Section "Investors".
14. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the Share Certificates to RTA M/s.S.K.D.C. Consultants Ltd. for consolidation into a single folio.
15. Non-Resident Indian Members are requested to inform RTA M/s.S.K.D.C. Consultants Ltd. immediately of:
 - a) Change in their residential status on return to India for permanent settlement.
 - b) Particulars of their Bank Account maintained in India with complete Name, Branch, Account type, Account number and Address of the Bank with Pin Code Number, if not furnished earlier.
16. No unpaid and unclaimed Dividend amounts as referred to in sub section (5) of Section 124 of the Companies Act, 2013 for a period of 7 years, remain to be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government.
17. Any member who needs any clarification on accounts or operations of the Company shall write to the Company Secretary, so as to reach him at least 7 days before the Meeting, so that the information required can be made available at the Meeting.
18. Members who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc., from the Company electronically.
19. As per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the transfer of shares in physical mode is not allowed from 1st April, 2019. Members are requested to dematerialize their shares. However, transmission / transposition of Shareholders name are allowed by following due process and documentation. Necessary intimation has been sent to the concerned Shareholders in this regard.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

20. In line with the MCA Circular and SEBI Circular dated 13th May 2022, the Notice calling the AGM and Annual Report 2021-2022 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that Notice and Annual Report 2021-2022 will also be made available on the Company's website at www.lakshmiautomatic.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (Agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com

21. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.

A. VOTING THROUGH ELECTRONIC MEANS

I. Add: Balance from the Previous Year	138.61	(-) 112.66
Balance Carried Over	390.39	138.61

Dividend

For the Financial Year 2021-22, the Board of Directors at their meeting held on 26th May, 2022, have recommended a Dividend of ₹ 10/- per Share (10%) on the paid-up Share Capital of 6,68,750 Equity Shares of ₹ 100/- each. Subject to the approval of Shareholders, an amount of ₹ 66.88 Lakhs will be paid as Dividend after deducting applicable taxes. (Previous Year- NIL).

Operations

The operations during the year have resulted in a Net Profit of ₹ 343.86 lakhs after providing for depreciation and amortization expenses of ₹ 94.31 lakhs. The Net Profit after Tax for the year is ₹ 251.78 lakhs.

The Company has two revenue segments ie. (a) Warehousing Rental Services - Unit 1 at Hosur Industrial Complex, Hosur - 635 126 and (b) Engineering Services - Unit 2 at Pollachi Road, Coimbatore - 642 109.

Warehousing Rental Services - Unit 1

The Warehousing Rental Services segment consists of Warehousing Rental Income on Land and Buildings at Hosur.

The income generated from Warehousing Rental Services during the year was ₹ 768.77 lakhs against ₹ 657.47 lakhs in the previous year.

Engineering Services - Unit 2

The Engineering Services segment consists of Manufacture and Sale of Accessories and Spares of Weaving and Knitting Machines, Parts and Accessories for Machine Tools and Spares for other Textile Machineries.

The revenue generated from the Engineering Services Division during the year was ₹ 456.89 lakhs against ₹ 401.80 lakhs in the previous year. Though export orders for Spares and Accessories of Weaving Machines were less,

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

domestic orders for Parts with better product mix resulted in increased revenue. Due to COVID-19 pandemic, the Unit remained closed for 3 weeks from 24th May 2021 to 12th June 2021.

Outlook

The available Building space of Unit 1 - Warehousing Rental Services at Hosur is leased out to corporate tenants. Further addition of 40,000 Sq ft Building is being taken up during the current Financial Year. The construction will commence on receipt of necessary Building Plan approval from the Government Authorities. Due to drafting / finalization of the revised master plan for Hosur, has delayed Building Plan approval.

Steps have been taken to increase supply of Spares and Accessories of Weaving Machines to Overseas and Domestic consumers by identifying new supply areas during the Financial Year 2022-23. The increase in input cost mainly of raw material may have an adverse effect on the profit margin.

Share Capital

The paid up Equity Share Capital as on March 31, 2022 is ₹ 668.75 lakhs comprising of 6,68,750 Equity Shares of ₹ 100/- each. During the year under review the Company has not issued any shares or any convertible instruments.

Deposits

Management Discussion and Analysis Report

I Industry Structure and Development

In the Warehousing Division at Hosur entire leasable Building space has been let out to Corporates of repute. The Country's warehousing sector gained prominence in the last 4-5 years as the eco system for efficient supply chain having triggered by the implementation of Goods and Service Tax (GST). Located on the Bangalore Salem / Chennai Highway with proximity to Bangalore the demand for building space in Hosur is growing.

The Engineering Services Division manufactures Spares and Accessories of Shuttle Looms, Parts for Machine Tools and Spares for other Textile Machineries during the year

II. Opportunities and Threats

A. Warehousing Rental Services

The warehousing market in India is expected to grow at a rate of 35 to 40 percent annually, displaying high potential for growth as reported by consulting firm PwC. The sector is fragmented with small players holding small units distributed across states offering warehouse space at competitive rates. The location and the Company's buildings with large space is an added advantage for corporate clients.

B. Engineering Services

The Company's Engineering Services Division is catering to the orders from Export Oriented Unit for supply of Parts for Machine Tools and Tool Holders and to the domestic Textile Machinery Manufacturers for Supply of Spares and Accessories. The increase in input cost mainly of raw material affects the operational margin. With the addition of new machineries and identifying of new reputed clients, your Company is endeavouring to improve the turnover and the bottom line.

III. Outlook

The Company's income from Warehouse Rental Services at Hosur during the year has increased. Further addition of warehousing space is awaiting Building Plan approval from the Government Authorities.

Your Company's efforts in increasing the supply of Spares and Accessories to domestic and overseas consumers and Textile Machinery Manufacturers are yielding better results.

IV. Internal Control System and the Adequacy

The Company has adequate Internal Control System commensurate with its size and nature of its business. The Management has overall responsibility for the Company's Internal Control Systems to safeguard the assets and to ensure reliability of financial records. The Audit Committee reviews the Financial Statements and ensures adequacy of Internal Control Systems.

V Discussion of Financial Performance with respect to Operational Performance

The Company has achieved Revenue of ₹ 1321.41 Lakhs from operations and the Net Profit for the year under review is ₹ 251.78 Lakhs after providing ₹ 94.31 Lakhs for Depreciation and ₹ 92.08 Lakhs towards Taxation.

VI. Material Development in Human Resources / Industrial Relations Front, including Number of People Employed

The number of Employees engaged during the year was in line with operational requirement of the Company. The relation with labour continued to be cordial during the year. Total Employees as on 31-03-2022 were 110 (One Hundred and Ten only).

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Independent Auditor's Report

To the Members of

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **LAKSHMI AUTOMATIC LOOM WORKS LIMITED** ("the Company"), which comprise the Balance Sheet as at **March 31, 2022**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement and for the year then ended and notes to the financial statements including a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as the 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ["the Act"], in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2022**, its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone financial statements section of our report, including in relation to these matters.

S. No.	Key Audit Matter	Auditor's Response
1	Evaluation of uncertain tax positions The Company did not have material uncertain tax positions other than an uncertain position of service tax dues under dispute, which involves significant judgment to determine the possible outcome of these disputes.	Principal Audit Procedures We obtained details of completed tax assessments and demands received from management. We analysed the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. We considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of material uncertain tax positions and other uncertain position of service tax dues under dispute, to evaluate whether any change was required to management's position on these uncertainties.

We have determined that there are no other key audit matters to communicate in our report.

Information Other than the standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity of the Company and its cash flows in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the **Companies (Auditor's Report) Order, 2020** ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable..
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015;
 - e) On the basis of the written representations received from the directors of the Company as on **March 31, 2022** taken on record by the board of directors, none of the directors are disqualified as on **March 31, 2022** from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure "B"** and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The company has not paid any remuneration to its directors during the year, except sitting fees, and hence in our opinion and to the best of our information and according to the explanations given to us, reporting on whether the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act does not arise.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

- h) With respect to the other matters to be included in the auditors' report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note **No. 28** to the standalone financial statements.
 - ii The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii There has been no delay in transferring amounts, required to be transferred, to the investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, where applicable, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, where applicable, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in **Note 33.2** to the Standalone financial statements
 - a) The Board of Directors of the Company have proposed final Dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of Dividend proposed is in accordance with section 123 of the Act, as applicable.

Annexure - “A” to the Independent Auditors’ Report

(Referred to in Paragraph 1 under “Report on Other legal and regulatory requirements” section of our report to the Members of **LAKSHMI AUTOMATIC LOOM WORKS LIMITED** of even date).

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) In respect of its Property, Plant and Equipment and Right of Use assets:
 - a) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-Use assets.
 - b) The Company has a regular program of physical verification of Property, Plant and Equipment and right-of-use assets, if any, which in our opinion is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us during the course of the audit no material discrepancies were noticed on such verification.
 - c) Based on our examination of relevant records and on the basis of information and explanations given to us, we report that the title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at **March 31, 2022** for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) In respect of its inventories:
 - a) As explained to us, physical verification of inventories has been conducted at reasonable intervals by the management during the year. In our opinion and according to the information and explanations given to us during the course of the audit, the coverage and procedure for such physical verification of inventories followed by the management are reasonable and appropriate and no material discrepancies were noticed in any class of inventories as compared to the books of account.
 - b) During the year the company does not have sanctioned working capital limits on the basis of security of current assets in excess of rupees five crores in aggregate from banks and hence reporting under clause (b) of Paragraph (ii) of the Order is not applicable.
- iii) Based on our audit procedures and according to the information and explanations given to us, the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties, including promoters and related parties, during the Financial Year and accordingly sub-clauses (a) to (f) of Paragraph 3(iii) of the Order are not applicable to the company.
- iv) According to the information and explanations given to us, the Company has not granted loans or made investments or provided guarantees and securities during the year and hence compliance with Section 185 and Section 186 is not applicable.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

- v) According to the information and explanations given to us, the company has not accepted any deposits from the public or amounts which are deemed to be deposits during the year to which directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 of the Act are applicable and as such Paragraph 3(v) of the Order is not applicable.
- vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules 2014 for the business activities carried out by the Company. Thus reporting under Paragraph 3(vi) of the Order is not applicable to the Company.
- vii) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the records of the company in respect of the statutory dues:
- a. The company is generally regular in depositing undisputed statutory dues including Goods and service Tax, Provident Fund, Employees' State insurance, Income tax, Sales Tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us during the course of the audit, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at **31st March 2022** for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us during the course of the audit, the details of disputed statutory dues that have not been deposited on account of dispute is as under:

Name of the Statute	Nature of the dues	Amount [₹ in lakhs]	Amount paid/ adjusted [₹ in lakhs]	Period to which the amount relates	Forum where dispute is pending
Central Excise Act / Service Tax Act	Service Tax	8.86	NIL	February 2007 to September 2008	Customs, Excise & Service Tax Appellate Tribunal, Chennai

- viii) Based on our audit procedures and as per the information and explanations given by the management, during the year there were no transactions not recorded in the books of account that have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 and hence paragraph 3(viii) of the Order is not applicable.
- ix) a) In our opinion and according to the information and explanations given to us during the course of the audit, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including banks, financial institutions and government
- b) According to the information and explanations given to us during the course of the audit and on the basis of our audit procedures, the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the explanations given to us during the course of the audit and based on the audit procedures performed, term loans availed by the company during the year have been applied for the purpose for which they were obtained.
- d) According to the information and explanations given to us during the course of the audit and the audit procedures performed by us, and on an overall examination of the financial statements of the company, funds raised on short term basis have, prima facie, not been used during the year for long term purposes by the company.

- e) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the funds taken by the company from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures is not applicable.
- f) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the loans raised by the company during the year on the pledge of securities held in its subsidiaries, associates or joint ventures is not applicable.
- x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under paragraph 3(x)(b) of the Order is not applicable.
- xi) (a) To the best of our knowledge and belief and according to the information and explanations given to us during the course of the audit no fraud by the Company or any fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.
(c) According to information and explanations given to us and as represented to us by the management and on the basis of our audit procedures there are no whistle blower complaints were received by the company during the year.
- xii) The Company is not a Nidhi Company and hence reporting under sub clauses (a) to (c) of paragraph 3(xii) of the Order is not applicable.
- xiii) In our opinion according to the information and explanations provided to us and based on our examination of the records of the company, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties undertaken during the year and the details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards
- xiv) a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) According to the information and explanations given to us during the course of the audit the Company has not entered into non-cash transactions with directors or persons connected with its directors during the year and hence provisions of section 192 of the Companies Act 2013 are not applicable and accordingly paragraph 3(xv) of the Order is not applicable.
- xvi) a) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the company in our opinion the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.
b) In our opinion on the basis of our examination of the financial statements and representations made by the company it has not conducted any Non-Banking Financial or Housing Finance activities during the year.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

- c) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the company and representations made by the company, in our opinion the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- d) According to the information and explanations given to us during the course of the audit and as represented to us by the company in our opinion, there is no core investment company within Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under Paragraph 3(xvii) of the Order is not applicable.
- xvii) The company has not incurred cash losses during the Financial Year covered by our audit and the immediately preceding Financial Year.
- xviii) There has been no resignation of Statutory Auditors of the Company during the year and accordingly reporting under Paragraph 3(xviii) is not applicable.
- xix) According to the information and explanations given to us during the course of the audit and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) As per information and explanations given to us during the course of the audit and based on our examination of the records of the company, the company is not liable under Sec. 135 of the Companies Act, 2013 to contribute any amount towards Corporate Social Responsibility (CSR) and hence reporting under Paragraph 3(xx)(a) and 3(xx)(b) of the Order regarding transfer of unspent amounts towards Corporate Social Responsibility (CSR) under the provisions of sub-section (5) of Section 135 or sub-section (6) of Section 135 of the Companies Act, 2013 is not applicable.
- xxi) The company is not required to prepare consolidated financial statements and hence Paragraph 3(xxi) of the Order regarding qualifications or adverse remarks by the auditors of the companies included in the consolidated financial statements is not applicable.

Annexure - “B” to the Independent Auditors’ Report

(Referred to in Paragraph 2(f) under “Report on Other legal and regulatory requirements” section of our report to the Members of **LAKSHMI AUTOMATIC LOOM WORKS LIMITED** of even date).

Report on the Internal Financial Controls over Financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **LAKSHMI AUTOMATIC LOOM WORKS LIMITED** as of **31st March 2022** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2022**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

1 CORPORATE INFORMATION

Lakshmi Automatic Loom Works Limited was incorporated under the Companies Act, 1956. The company's shares are listed with BSE Limited, Mumbai. The company is manufacturing spares and accessories for C type automatic weaving machines, circular knitting machines and parts for machine tools. The revenue from operations includes warehousing rental services.

2 SIGNIFICANT ACCOUNTING POLICIES

(i) Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standard ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 read with section 133 of the Companies Act, 2013.

(ii) Basis of preparation and presentation

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period.

(iii) Use of estimates and judgement

In the application of the Company's accounting policies, the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, else in the period of the

revision and future periods if the revision affects both current and future periods.

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

(iv) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

(v) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for rebates, and similar allowances.

Sale of goods and services: Revenue from the sale of goods and services is recognised when the company transfers control of goods or services to its customers at the amount to which the company expects to be entitled.

Interest income: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's carrying amount on initial

Notes to the financial statements for the year ended March 31, 2022

recognition.

Export Incentives: Export Incentives are recognized when the right to receive such amount has been established and no significant uncertainty exists as to its measurability or collectibility.

(vi) Leases

As Lessor

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In respect of finance leases, the company recognizes a financial asset (net investment in lease) measured at the present value of the lease rental receivables that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. The Company subsequently measures finance income over the lease term based on a pattern reflecting a constant periodic rate of return on the net investment in the lease.

Rental income and expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. However, where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

As Lessee

The Company's leased asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and

a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation..

(vii) Foreign currencies

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise except for exchange differences on transactions designated as fair value hedge.

(viii) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time the assets are substantially ready for their intended use or sale.

Borrowing costs that are not directly attributable to a qualifying asset are amortised over the term of the related borrowing and is included in finance costs.

(ix) Employee benefits

The Company participates in various employee benefit plans. The employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions. The expenditure for defined

contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

Short-term employee benefits

All short-term employee benefits such as salaries, wages, bonus, and other benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognised on an undiscounted basis and charged to the statement of profit and loss.

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service..

Defined contribution plan

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plan

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity benefit is unfunded. The Company's obligation in respect of the gratuity, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are

Notes to the financial statements for the year ended March 31, 2022

recognized in other comprehensive income.

Remeasurement, comprising actuarial gains and losses is reflected immediately in the balance sheet with charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to the statement of profit and loss.

(x) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

- a) **Current tax:** Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- b) **Deferred tax:** Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilised.

Deferred tax liabilities and assets are measured

at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(xi) Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is not depreciated.

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price/ acquisition cost, net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of Property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

Depreciation on Property, plant and equipment (other than freehold land) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The estimated useful life of the tangible assets are reviewed at the end of the each Financial Year and the depreciation period is revised to reflect the changed pattern, if any.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

(xii) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Depreciation on investment properties (other than land) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

(xiii) Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If the recoverable amount of the assets are estimated to be less than their carrying amounts, the carrying amounts of those assets are reduced to their recoverable amounts. Impairment losses are recognised immediately in the Statement of Profit and Loss. When impairment losses are subsequently reversed, the carrying amount of those assets are increased to their revised estimates of their recoverable amounts, so that the increased carrying amounts do not exceed the carrying amounts that would have been determined had no impairment losses recognised for those assets in prior years. The reversal of impairment losses are recognised immediately in the Statement of Profit and Loss.

(xiv) Inventories

Inventories are stated at the lower of cost or net realisable value after providing for obsolescence and other losses, where considered necessary. Cost is determined using weighted average basis.

Cost comprises all costs of purchase including duties and taxes (other than those subsequently recoverable by the Company), freight inwards and other expenditure directly attributable to acquisition. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, taxes, if any.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Notes to the financial statements for the year ended March 31, 2022

(xv) Provisions and contingencies

Provisions: A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities: Contingent liabilities are not recognised but are disclosed in notes to accounts.

(xvi) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to financial assets and liabilities [other than financial assets and liabilities measured at Fair Value Through Profit and Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or liabilities, as appropriate on initial recognition. Transaction costs directly attributable to acquisition of financial assets or liabilities measured at FVTPL are recognised immediately in the statement of profit and loss.

a) Non-derivative financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Effective interest method:

The rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

b) Derecognition of financial assets:

A financial asset is derecognised only when the:

- Company has transferred the rights to receive cash flows from the financial asset; or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. When the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

c) Foreign exchange gains and losses:

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in Statement of Profit and Loss.

d) Financial liabilities:

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through the Statement of Profit and Loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised and through the amortisation process.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

(xvii) Segment reporting

Operating segments are reported in the manner consistent with the internal reporting to the Chief Operating Decision Maker (CODM) as per Ind AS 108. The Company is reported at an overall level, and hence there are two reportable segments viz., "Warehousing Rental Services" and "Engineering Services". Geographic information is based on business sources from that geographic region. Accordingly the geographical segments are determined as Domestic ie., within India and External ie., Outside India.

(xviii) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits (with an original maturity of three months or less from the date of acquisition) with banks.

(xix) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment.

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the company deals with and the countries where it operates.

(xx) Trade payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of Financial Year which are unpaid.

(xxi) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents include cash on hand, cash with banks in current and deposit accounts with necessary disclosure of cash and cash equivalent balances that are not available for use by the company.

(xxii) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(xxiii) Recent accounting pronouncements

On March 23, 2022, Ministry of Corporate Affairs (MCA) amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 16 - Property Plant and Equipment

The amendment clarifies that excess of net sale

proceeds of items produced over the cost of testing, if any shall not be recognized in the profit and loss account but shall be deducted from the directly attributable costs considered part of cost of an item of property, plant and equipment. The effective date of this amendment is annual periods beginning on or after April 1, 2022.

Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 103 - Business Combination

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 - Financial Instruments

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

NOTE 25 - SEGMENT INFORMATION

The CEO of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108 Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes. Accordingly, segment information has been presented.

The Company is structured into two reportable business segments - "Warehousing Rental Services" and "Engineering Services". The Company has restructured its verticals and accordingly, as required by accounting standards, comparatives have been restated and presented in line with the current segments. The reportable business segments are in line with the segment wise information which is being presented to the CODM.

Each segment item reported is measured at the measure used to report to the Chief Operating Decision Maker for the purposes of making decisions about allocating resources to the segment and assessing its performance.

Geographic information is based on business sources from that geographic region. Accordingly the geographical segments are determined as Domestic i.e., within India and External i.e., Outside India.

Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainder of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as the underlying services are used interchangeably. The Management therefore believes that it is not practicable to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as "unallocated" and directly charged against total income.

Actuarial assumptions for both Gratuity and Leave Encashment

Particulars	As at March 31, 2022	As at March 31, 2021
Discount Rate (per annum)	7.17%	6.91%
Rate of escalation in Salary (per annum)	5.00%	5.00%
Attrition rate (per annum)	5.00%	5.00%

The retirement age of employees of the Company is 58 years.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The mortality rates considered are as per the published rates in the Indian Assured Lives Mortality (2006-08) Ultimate table.

Sensitivity analysis

The key actuarial assumptions to which the defined benefit plans are particularly sensitive to are discount rate and full salary escalation rate. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

The weighted average duration of the defined benefit obligation is 11.93 years (March 31, 2021 - 11.89 years).

The employee benefit obligations expose the company to actuarial risks such as : longevity risk and salary risk.

Longevity Risk: The present value of the defined benefit obligation is calculated by reference to the best estimate of the mortality of the participants during their employment. An increase in the life expectancy of the participants will increase the obligation.

Salary risk: The present value of the defined benefit obligation is calculated by reference to the future salaries of the participants. As such, an increase in the salary of the participants will increase the obligation.

NOTE 31 - FINANCIAL INSTRUMENTS

31.1 Capital Management

The Company's management objectives are:

- to ensure the Company's ability to continue as a going concern
- to create value for Shareholders by facilitating the meeting of long term and short term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term expansion plans. The funding needs are met through equity, cash generated from operations, long term and short term bank borrowings.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company. Net debt includes interest bearing instruments less cash and cash equivalents and other bank balances (including non-current earmarked balances)

The table below summarises the capital, net debt and net debt to equity ratio (Gearing ratio) of the Company

31.2 Categories of Financial Instruments

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments. The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset, and financial liability are disclosed in Note 2(xvi) of Significant Accounting Policies.

A. Financial Assets and Liabilities

The accounting classification of each category of financial instruments, and their carrying amounts, are set out below:

₹ in Lakhs

Other financial liabilities - Current	6.86	6.86	133.09	133.09
Total financial liabilities	815.36	815.36	880.47	880.47

The Management has assessed that the fair values of cash and cash equivalents, bank balances, trade receivables, other financial assets, trade payables and other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

The following methods and assumptions are used to estimate the fair values:

Fair values of the Company's interest-bearing instruments are determined by using Effective Interest Rate (EIR) method. The own non-performance risk as at March 31, 2022 was assessed to be insignificant.

B. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

31.3 - Financial risk management objective

The Company's activities expose it to certain / reasonable financial risks. The Company's primary focus is to foresee the unpredictability of such risks and seek to minimize potential adverse effects on its financial performance.

The Company has a risk management process and framework in place. This process is coordinated by the Board, which meets regularly to review risks as well as the progress against the planned actions. The Board seeks to identify, evaluate business risks and challenges across the Company through such framework. These risks include market risks, credit risk and liquidity risk.

The risk management process aims to:

- improve financial risk awareness and risk transparency
- identify, control and monitor key risks
- identify risk accumulations
- provide management with reliable information on the Company's risk situation
- improve financial returns

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements:

Risk	Exposure arising from	Risk management
Market Risk - Foreign Exchange	Recognised financial assets and liabilities not denominated in Indian rupee (₹)	Periodic review by management
Market Risk - Interest Rate	Borrowings at variable rates	Mix of borrowings taken at fixed and floating rates
Credit Risk	Cash and cash equivalents, trade receivables and other financial assets	Bank deposits, diversification of asset base, credit limits, etc.
Liquidity Risk	Borrowings and other liabilities	Availability of committed credit and borrowing facilities

Market Risk - Foreign Exchange

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to Euro. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency. Exposures to foreign currency balances are periodically reviewed to ensure that the results from fluctuating currency exchange rates are appropriately managed.

Notes to the financial statements for the year ended March 31, 2022

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows

₹ in Lakhs

	As at March 31, 2022	As at March 31, 2021

* Holding all other variables constant

Market Risk - Interest Rate

(i) Liabilities:

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At March 31, 2022, the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. Below is the overall exposure of the Company to interest rate risk:

LAKSHMI AUTOMATIC LOOM WORKS LIMITED

Notes to the financial statements for the year ended March 31, 2022

₹ in Lakhs

Particulars	As at March 31, 2022	As at March 31, 2021

Fixed rate borrowing		
- Banks	113.13	85.00
- Others	-	-
Total borrowings	395.25	434.28

Interest rate sensitivity analysis:

If interest rates had been 1% higher and all other variables were held constant, the company's profit for the year ended would have impacted in the following manner:

₹ in Lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Increase / (decrease) in the profit for the year	(3.85)	(4.70)

A decrease in interest rates by 1% would have an opposite effect to the impact in the table above

(ii) Assets:

The Company's financial assets are carried at amortised cost and are at fixed rate only. They are, therefore, not subject to interest rate risk since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date.

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. The Company has very limited history of customer default, and considers the credit quality of trade receivables, that are not past due or impaired, to be good.

Therefore, the Company does not expect any material risk on account of non performance by any of the Company's counterparties.

The credit risk for cash and cash equivalents, bank deposits, security deposits and loans is considered negligible, since the counterparties are reputable organisations.

Notes to the financial statements for the year ended March 31, 2022

Liquidity Risk

The Company requires funds both for short-term operational needs as well as for long-term expansion programmes. The Company remains committed to maintaining a healthy liquidity ratio, deleveraging and strengthening the balance sheet. The Company manages liquidity risk by maintaining adequate support of facilities and by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The Company's Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The Company's financial liability is represented significantly by long term and short term borrowings from banks and trade payables. The maturity profile of the Company's short term and long term borrowings and trade payables based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligation of the Company.

(i) Financial Arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

₹ in lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Floating rate		
- Expiring within one year(bank open credit facilities)	31.02	50.00

The bank open credit facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR and have an average maturity of 1 year.

(ii) Maturities of Financial Liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for :

- all non-derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Debt service = Interest & Lease Payments + Principal Repayments

Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of PPE etc.

Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability

* Increase in repayment of principal amount of borrowings has resulted in the decrease of the ratio

** Increase in turnover and decrease in average working capital has resulted in the increase of the ratio

Note: The Company has not made investments in financial assets (Equities, debt etc.) and hence Return on Investment ratio is not applicable.
