Notes:

1. Related party relationship is as identified by the Company and relied upon by the auditors.
2. Considering the downturn of the operation, the employees of Plasma Laser Technologies (PLT), had approached Israel court in financial year 2014-15 for the purpose of liquidation and considering the same, Israel court has appointed the Official Liquidator to evaluate various option including revival or liquidation.

Hence, the management believes that the Company has lost its control on the affairs and assets of such subsidiary as the same is now vested with such official liquidator appointed by Israel court. Further management believes that there are no claims expected towards the Company on account of PLT.

* Amounts below Rs. 0.50 lakh have been rounded off as per norms of the Company.
