- ii. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- iii. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

- iv. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- v. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.walchandpeoplefirst.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
- vi. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- vii. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated 13th January 2021.

A. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins from 09:00 A.M. on Tuesday, 27th July, 2021 and ends on Thursday, 29th July, 2021 at 05:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Friday, 23rd July, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4 :

Mr. Joseph Andrew Jude Pereira (DIN: 00130239), was appointed as an Additional Independent Director by the Board on the recommendation of Nomination and Remuneration Committee in their Meeting held on 26th October 2020 in accordance with provision of Section 161 of the Companies Act, 2013 (“Act”) and applicable Regulations and Schedules of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 to hold office up till the date of the ensuing Annual General Meeting of the Company. On the recommendation of the Nomination and Remuneration Committee, the Board of Directors have recommended the appointment of Mr. Joseph Andrew Jude Pereira as an Independent Director for a term of five consecutive years from 26th October 2020, subject to approval of the Members of the Company.

In the opinion of the Board, Mr. Joseph Andrew Jude Pereira, the Independent Director proposed to be appointed fulfils the conditions specified in the Act and the rules made thereunder and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that he is independent of the Management.

In accordance with the provisions of Regulation 17(1A) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, a person who has attained the age of seventy-five years (75 years) can continue as non-executive director in a listed company, provided approval of its Members by way of special resolution is obtained. Mr. Joseph Andrew Jude Pereira will attain the age of seventy-five years during his term as Independent Director of the Company. Special resolution as set out in Item No. 4 seeks approval of Members for continuation of directorship of Mr. Joseph Andrew Jude Pereira as Independent Director till

the end of his term of office. Considering the deep depository of knowledge and experience of Mr. Joseph Pereira in areas of finance and corporate services, the Board of Directors believe that his induction on the Board will support in broadening their overall expertise and thus the Board is of the opinion that it would be in the interest of the Company to appoint him as an Independent Director for a period of five years with effect from 26th October, 2020.

Mr. Joseph Andrew Jude Andrew Jude Pereira is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director. The Company has also received declarations from Mr. Joseph Andrew Jude Pereira that he meets with criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act.

Relevant documents in respect of the said item are open for inspection by the members at the Registered Office of the Company on all working days during 11:00 a.m. to 4:30 p.m. up to the date of the Meeting.

In terms of Section 160 of the Companies Act, 2013, the Nomination and Remuneration Committee as well as the Board has recommended the appointment of Mr. Joseph Andrew Jude Pereira as an Independent Director pursuant to the provisions of Sections 149 and 152 of the Companies Act, 2013.

The brief profile and other details of Mr. Joseph Andrew Jude Pereira, whose appointment is proposed at Item No. 4 of the accompanying Notice, have been given in the attached annexure.

The Board recommends the Special Resolution for appointment of Mr. Joseph Andrew Jude Pereira as set out in Item No. 4 for approval of the Members of the Company.

Except for Mr. Joseph Andrew Jude Pereira, being the appointee, or his relatives, none of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise, in this resolution at item No. 4 of the Notice.

6. MANAGEMENT DISCUSSION AND ANALYSIS:

Economic Trends:

The recent vaccine approvals and their immediate rollout, particularly in the USA, UK, Israel, China, India, and western Europe have raised hopes of a turnaround in the pandemic later this year, with a positive repercussion on the global economy. Of course it must be mentioned as a word of caution that renewed waves and new variants of the virus pose concerns as well. Amid exceptional uncertainty, the global economy is projected to grow 5.5 percent in 2021 and 4.2 percent in 2022. The 2021 forecast is revised up 0.3 percentage points relative to the previous forecast, reflecting expectations of a vaccine-powered strengthening of activity later in the year and additional policy support in a few large economies. Fiscal stimulus will indeed continue to be a big driver of growth as evident in US President's \$2.3 trillion-dollar push for infrastructure projects.

The projected growth recovery this year follows a severe collapse in 2020 which saw the dreaded Covid destroy value, output and growth in an unparalleled scale that was worse than the Great Depression of 1931. This had adverse impact on women, youth, the poor, the informally employed, and those who work in contact-intensive sectors, like travel, hospitality, retail, tourism, sports, real estate and general merchandise. Albeit the silver lining of stronger-than-expected momentum in the second half of 2020, the problem of global growth still persists. The strength of the recovery is projected to vary significantly across countries, depending on access to medical interventions, effectiveness of policy support, exposure to cross-country spill-overs, and structural characteristics entering the crisis. For instance, India was already in a GDP slump pre-pandemic.

India saw a remarkable turnaround in Q3 as its GDP grew at 0.4% after two consecutive quarters of absolute negative growth (-23.9% in Q 1 and -7.5% in Q2) pulling it out of its first technical recession in history. Many credited India's budget as revolutionary and providing the economy with the much-needed tailwind. Consumer confidence in India bounced back as the virus infections began to fall reaching a low of 9000 new cases in January 2021 from over 98000 in September 2020.

GDP at Constant (2011-12) Prices in Q3 of 2020-21 is estimated at Rs. 36.22 lakh crore, as against Rs. 36.08 lakh crore in Q3 of 2019-20, showing a growth of 0.4 percent. The manufacturing sector grew by 1.6 per cent in the October-December quarter, while construction was up 6.2 per cent. Trade, hotels, transport, communication services contracted the most at 7.7% as was probably expected. The mining sector contracted 5.9 per cent and agriculture was up 3.9 per cent, the latter being the silver lining. The eight core-industries inched 0.1% higher from a year-ago period. Steel production was higher from the previous year, along with electricity generation and fertilizer production. Cement, petroleum refinery, coal, and crude oil, and natural gas production was however down. Just days ahead of the GDP numbers, global rating agency Moody's said that India's economy will contract 7.1 per cent in the current fiscal year, only to grow at 13.7 per cent in the next financial year. Barclay's forecasts the GDP to contract -6.5 per cent in fiscal year 2021 but sees it growing at 8.5 per cent with some upside risks.

However, the recent second wave of the coronavirus might become a formidable, if not an altogether insurmountable obstacle, as several states including Maharashtra (Mumbai alone contributes 6% of India's GDP) are in various stages of a lockdown and the number of new cases has risen to a dangerous high of 126,000. India could yet face another calamitous year if things are not brought urgently under control. The public and private health infrastructure is under severe stress. The death count, case positive rate etc. are alarmingly high. But with India being the world's largest manufacturer of vaccines (60%) it is hoped that the trend will be reversed before April 30, 2021.

Opportunities and Challenges:

The impact of coronavirus pandemic on India has been largely disruptive in terms of economic activity as well as a loss of human lives. Almost all the sectors have been adversely affected as domestic demand and exports sharply plummeted with some notable exceptions where high growth was observed, mostly e-commerce. Naturally our business bore the brunt of a massive pushback as large corporates (our principal clients) cut their operating expenditure, and training became the immediate casualty.

The new norm is Work from Home and the remote office culture has been both a bane and a blessing. We had to redefine our entire business model to respond to the new marketplace of digital consumption, including that of learning and development.

The Reserve Bank of India (RBI), has projected the GDP growth at 10.5% in the financial year beginning April 1, 2022. While many economists believe that India will see a GDP growth rate of 6.5% (on the much lower base of last year) in FY 21-22 the fact is that India remains vulnerable unless the pace of vaccination rises appreciably to cover the entire vulnerable population by June 2021 and everyone of any age can access it after that. The next few months are crucial as so far it is the virus and not the economy which is on a V-shaped curve.

Outlook, Risks and Control:

Some of the high-frequency activity indicators suggest recovery has been strong for India since Q3 of 2020-21. In January, GST collections came in at Rs.1.2 lakh crore and the manufacturing Purchasing Managers' Index (PMI) rose from 56.4 in December to 57.7. This was the strongest improvement seen by the sector since the previous quarter. Barclays Bank highlighted that rural India's demand remains robust while power generation growth has been steady. Construction has continued to impress along with GST E-waybill generation. Of course, all this is subject to a drastic change as the virus load remains overwhelmingly high as India has become the highest infected country in the world as of April 2021.

Since agriculture is the backbone of the country and the government announced it as essential category segment the impact is likely to be low on both primary agricultural production and usage of agro-inputs. Online food grocery platforms are expected to perform well.

Aviation, tourism, hotels, travel have been dealing with severe cash flow issues. Both white and blue collar jobs are being lost as the economy reels under a brutal onslaught. This will dampen aggregate demand as many employed have also taken salary reductions and are likely to save more. Among the few sectors that has been an outlier has been pharmaceutical and healthcare. India is the largest producer of generic drugs globally, and also of Covid vaccines.

So while we do have now an alternate revenue stream through online learning, digital conferences and webinars which is a great opportunity for the future, our business remains vulnerable to a continued economic slowdown. As such, we shall continue to strengthen the agility, resilience and business continuity measures in order to deal with the volatilities and ambiguities bred by continuous uncertainties.

Cautionary Statement:

Your Company endeavours to constantly outperform the expectations of it. We are committed to ensuring the sustainable growth of your company. We live in a dynamic world subject to evolving politics, economic indices, government policies, regulatory amendments, global capital movements and interest rates, fiscal deficits and inflation etc. For instance, no one could have predicted the deleterious coronavirus pandemic and the subsequent recession in the global economy. Thus the statements made in this report describing the Company's objectives, expectations or predictions must be read in tandem with this ground reality prevalent at various intervals. Consistent with this approach, the final results may materially vary from those expressed in the statement.

Internal Control Systems:

Your company is extremely committed to ensuring the highest operating standards as expected of a publicly listed firm. While some of the business risk is on account of external uncontrollables such as the macroeconomic environment and the post-Covid recovery, we are also subject to other variables that can affect our financial performance. Accordingly, we have stressed great importance to a rigid system of internal controls on our procedures, processes and protocols. Cyber-security, digital audits, use of appropriate authorized software, preventive firewalls against potential Malware, use of updated technologies, smooth and seamless delivery of our services to our esteemed clients has made our IT systems and mechanisms a critical backbone. These are regularly inspected for flawless execution by our Internal Audit team. Further, the existing best practise of proper Risk Assessment of our business continues with even more stringent ratings evaluation by our Audit Committee/ Board of Directors on a quarterly basis.

Financial Performance:

Total income achieved during the year under review is INR 1,093.38 lakhs as against INR 2,433.86 lakhs in the previous year. Income from operations of the Company has been INR 882.12 lakhs against INR 2,224.93 lakhs in the previous year, showing a decrease of 60% on account of the unprecedented slowdown of the economy consequent to the burgeoning Covid healthcare crisis. The entire world was plunged overnight into an astronomical economic collapse. Our business faced a catastrophic disruption. But thanks to great team work

and a spirited combative outlook of the senior leadership team we were able to resurrect ourselves, and by Q2 we were able to create a sustainable viable online business model that has served us well. The company was quick to work on optimal cost control to align expenses to the lower revenue forecasts. With Other Income of INR 211.27 Lakhs the Company has achieved total EBITDA of 3% on total income as compared to 8% last year.

After providing for taxes (Including Income tax earlier years) of INR 2.51 lakhs and reversal of Deferred Tax Asset of 5.21 Lakhs and Other Comprehensive Income (Net of Taxes) of Rs. 18.26 lakhs, the Total Comprehensive Income/Profit of the Company is INR 1.79 lakhs at 0.16% on Total Income. During the previous year, Total Comprehensive Income/Profit of the Company was INR 37.85 Lakhs at 1.56% of Total Income.

Human Resources:

Humanity has been tested like never before ever since the pandemic engulfed the whole world. This has had devastating consequences not just for regular employees but even their families. We have been particularly sensitive to the precarious situation which has recently been aggravated by the corona virus second surge. We have repeatedly encouraged our employees to practise the highest safety protocols consistently, be socially responsible when outside, and ensure that those who are eligible for vaccinations do get inoculated at the earliest. Keeping our team together, providing them with psychological security, and ensuring they are motivated have been our HR priorities. All our line managers have risen to the occasion to manage their people in a humane and considerate manner, given high anxiety levels and stress. Our professionalism has been exemplary.

The Company has endeavoured to keep HR costs within acceptable parameters through salary rationalizations, optimal manpower strength management, and cost control. We have however also recruited high quality talent to buffer up for the new financial year, as we do anticipate a significant uptick, barring unforeseen events. We have also recognized and rewarded all exceptional performers who have pushed their boundaries in difficult circumstances.

7. REVISION OF FINANCIAL STATEMENT OF THE COMPANY/ THE REPORT OF THE BOARD:

Auditor's Report

To
THE MEMBERS OF WALCHAND PEOPLEFIRST LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **WALCHAND PEOPLEFIRST LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the statement of Profit and Loss (including other comprehensive income), statement of cash flows and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note No. 34 of the financial statements, which describes the extent to which the COVID-19 pandemic will impact the Company's performance will depend on ongoing and future developments, which are uncertain.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There are no Key Audit Matters to be reported.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure – A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - e. The Emphasis of Matter paragraph above (relating to impact of COVID- 19), in our opinion, may have an adverse effect on the functioning of the Company;
 - f. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

h. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

i. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – **Refer Note 28 to the financial Statements.**

ii. The Company did not have any long-term contracts including derivative for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the ended March 31, 2021.

Annexure – B to the Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **WALCHAND PEOPLEFIRST LIMITED** (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS

I General Information:

Walchand PeopleFirst Limited (the 'Company') was incorporated in 1920 under The Indian Companies Act 1913 having its registered office at Mumbai, Maharashtra. The Company is engaged in the business of imparting training in soft skills like leaderships, communication, presentation, etc. The Company had acquired the franchise rights to offer, sell, teach and impart the training methods, techniques and programs developed by Dale Carnegie Training & Associates, U.S.A. to individuals and employees of the corporate.

II Significant accounting policies

1.1 Basis of preparation of financial statements

(a) Compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities that are measured at fair value.

(c) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III to the Companies Act 2013. This is based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current/non-current classification of assets and liabilities.

(d) Authorisation of Financial Statements:

The Financial Statements were authorized for issue in accordance with a resolution of the Board of Directors in its meeting held on April 30, 2021.

(e) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

1.3 Property, Plant and Equipment

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

Profit or loss on disposal / scrapping / write off / retirement from active use of an item of property, plant and equipment is recognised in the statement of profit and loss.

1.4 Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at Cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Expenses incurred on franchisee rights and software is treated as an intangible asset.

1.5 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

1.6 Depreciation and amortisation expenses

a. Depreciation

Depreciation is computed using the Written Down Value Method (“WDV”) as per the useful life of the asset as prescribed in part C of Schedule II of the Companies Act, 2013 leaving a residuary value of 5% of original cost of the asset.

b. Amortisation expenses

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives.

1.7 Impairment

- (a) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset’s net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.
- (b) After impairment, depreciation/amortisation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

1.8 Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable by the Company for services provided, excluding trade discounts and other applicable taxes. Revenue is recognised upon transfer of control of services under a contract.

Revenue is recognised when the amount can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the Company, the costs incurred or to be incurred can be measured reliably, and when the criteria for each of the Company’s different activities has been met.

Training Income

- (a) In case of Public Programs, revenue is recognized when program is delivered.
- (b) In case of Corporate Programs, appropriate revenue is recognized when program is delivered.
- (c) In case of long-term course (i.e. courses more than 6 weeks duration), revenue is accrued over the period of the course based on delivery.

Other Income

- (d) Dividend Revenue is recognized when the shareholders’ right to receive payment is established by the balance sheet date.
- (e) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.9 Foreign Currency Transactions

(a) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company’s functional and presentation currency.

(b) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(c) Conversion

Foreign currency monetary items are reported using the closing exchange rate.

(d) Exchange Differences

Exchange differences arising on the settlement or restatement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

1.10 Retirement and other Employee Benefits

- (a) Contributions to Provident Fund and Superannuation scheme are defined contribution plans. The Company's contribution paid/ payable toward these defined contributions plans are recognised as expenses in the Statement of Profit and Loss during the period to which the employee renders the related service. There are no other obligations other than the contributions payable to respective funds.
- (b) Company's liability towards gratuity is considered as a Defined Benefit Plan. The present value of the obligations towards Gratuity is determined based on actuarial valuation using the projected unit credit method. The obligation is measured at the present value of estimated future cash flows using a discount rate that is determined by reference to market yields on government securities at the balance sheet date, having maturity periods approximating to the terms of the related obligations.
- (c) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions recognised in Other Comprehensive Income. Other actuarial gains and losses are recognised in full in the period in which they occur in the statement of profit and loss.

1.11 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.12 Segment Reporting Policies

The Company has a single segment namely " Training ". Therefore the Company's business does not fall under different operating segments as defined by Ind AS - 108

1.13 Lease Accounting Policy

(a) As a lessee

Effective April 01, 2019, the Company adopted Ind AS 116 Leases and applied the standard to all lease contracts existing on April 01, 2019.

At the date of commencement of the lease, the company recognizes a right to use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right to use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right to use assets are depreciated from the commencement date on a straight-line basis over useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right to use asset if the company changes its assessment if whether it will exercise an extension or a termination option. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

(b) As a lessor

Lease income from operating leases where the company is a lessor is recognised as income on a straight-line basis over the lease term. The respective leased assets are included in Property, Plant, and Equipment.

(c) Transition

Effective April 1, 2019, the company adopted Ind AS 116 “Leases” and applied to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right to use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the lessee’s incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

1.14 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares). For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders & the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Taxes

- (a) Tax expense comprises of current and deferred tax.
- (b) Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Tax rates and tax laws used to compute amount are those that are enacted or substantially enacted at the balance sheet date.
- (c)
 1. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.
 2. Deferred Tax liabilities are recognised for all timing differences.
 3. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.
 4. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.
 5. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

1.16 Provisions and Contingencies

- (a) A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. At the end of each reporting period, provisions are measured at the present value of management’s best estimate of the expenditure required to settle the present obligation at a future date. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- (b) Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle obligation.

- (c) Contingent liabilities are disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

1.17 Cash and Cash equivalents Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investment with an original maturity of 3 months or less.

1.18 Privilege Leave Benefits-

Privilege leave benefits or compensated absences are considered as long term unfunded benefit and is recognized on the basis of an actuarial valuation using the Projected Unit Credit Method determined by an appointed Actuary.

1.19 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition. If the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

Subsequent measurement:

The Company classifies its financial assets into the following categories:

i. Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company.

ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)

Where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

iii. Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other Financial assets of the Company.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset.

Impairment of financial assets :

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(b) Financial Liabilities :**Initial recognition and measurement:**

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortized cost.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

28 CONTINGENT LIABILITIES AND COMMITMENTS
Rs. in Lakhs

Particulars	As at March 31, 2021	As at March 31, 2020
a) Contingent liability with respect to the Municipal Corporation of Greater Mumbai ("BMC") notice in 2002 escalating the Property Tax on account of revision in the manner of calculation of the Rateable Value. In the said notice the Property tax increased by more than 300 times the Property Tax for earlier years. The said notice was challenged before the appropriate authorities of the BMC and later the Company filed an appeal in the Court of Small Causes. The Company was successful in the said appeal and the Court set aside the revision of the property tax and had ordered B.M.C to continue to assess the company at the earlier assessment rate. Against the said order of the Ld Small Causes Court, the B.M.C. preferred an appeal in the Hon'ble Bombay High Court. In the year 2012, BMC changed the method of computation of Property Tax from Rateable Value to Capital Value with retrospective effect from 2010-11. In 2019, the Hon'ble High Court finally decided the matter in Company's favour and set aside the order dated 04.07.2017 and further directed the BMC to give the Company a hearing for assessment of the taxes for the entire period. Subsequently, the Company has received Notices, but due to the pandemic situation, the Company has asked for adjournment of the hearing.	67.54	73.37
b) Contingent liability with respect to Mumbai Port Trust (MbPT) demand on account of lease rentals. The Company has filed a Suit for injunction before the Hon'ble City Civil Court restraining MbPT from taking any action against the Company and to withdraw the said Notice/Letter. According to the legal advice, the order is unreasonable and unwarranted. The MbPT vide dated 03.11.20, called for certain documents which Company has provided vide letter dated 09.12.20.	189.91	174.03
c) On 6th April 2021, Company received a demand notice amounting to Rs. 93.85 lacs (including Interest and penalties) under Service Tax Act, 1994 for the period 01.04.2012 to 30.06.2017. The department has not allowed service tax input credit which the company has claimed on certain business expenses. The Company is in the process of filing an appeal to higher authority against order raised by Deputy Commissioner (Dn. X) CGST, Mumbai South and is confident that the management will be successful in their appeal and there will not be any future outflow due to this demand.	93.85	-

Particulars	As at March 31, 2021	As at March 31, 2020
Projected Benefit Obligation on Current Assumptions	93.96	115.87
Delta Effect of +1% Change in Rate of Discounting	(1.61)	(2.93)
Delta Effect of -1% Change in Rate of Discounting	1.71	3.16
Delta Effect of +1% Change in Rate of Salary Increase	1.49	2.88
Delta Effect of -1% Change in Rate of Salary Increase	(1.42)	(2.71)
Delta Effect of +1% Change in Rate of Employee Turnover	0.01	(0.07)
Delta Effect of -1% Change in Rate of Employee Turnover	(0.01)	0.05

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

FINANCIAL RISK MANAGEMENT

1 Market risk

The Company's financial risk management is an integral part of how to plan and execute its business strategies. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

a Interest rate risk :

The company has investment in fixed deposits. However interest income from fixed deposits is a residuary income and will not affect the significant cash flow of the company.

b Foreign currency risk:

Foreign currency risk refers to risk that the fair value of future cash flows of an exposure may fluctuate due to change in foreign expense rates. The Company is exposed to foreign currency risk arising out of transactions in foreign currency.

The Foreign currency exposure of the Company as at the year end basis the closing exchange rates is as under.

Particulars	Currency	31.03.2021 Unhedged	31.03.2020 Unhedged
Against Exports	US\$	4.87	1.92
Against Import	US\$	-	1.93

The Impact of strengthening / weakening of foreign currencies on outstanding exposure remaining unhedged at the year end is as under

Particulars	Currency	31.03.2021 Unhedged	31.03.2020 Unhedged
5% appreciation / depreciation in INR			
Gain on appreciation	US\$	0.24	0.00
Loss on depreciation	US\$	(0.24)	(0.00)

2 Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

32. Capital Management

z

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at March 31, 2021, the Company has one class of equity shares which is in the nature equity. Consequent to such capital structure, there are no externally imposed capital requirements.

33 Ind AS 116 - Leases:

Effective 1st April, 2019, the Company has adopted Ind AS 116, "Leases" using the Modified Retrospective Transition Method. In terms of this method. As a result of the adoption, the Company had recognised lease liability amounting to Rs. 224.73 Lakhs and Right to Use Assets amounting to Rs. 190.49 Lakhs as on 31st March, 2020. The retained earnings as at 1st April, 2019 had decreased by Rs 20.12 Lakhs (net of taxes Rs. 7.76 Lakhs).

During the year ended March 31, 2021, the Company has terminated lease agreements for Gurgaon, Pune and Bangalore locations. Accordingly the corresponding "Right to use Asset" and "Lease Liability " recognized as per IND-AS 116 in the previous year, have been reversed resulting in credit of Rs. 25.58 Lakhs included under other income & reversal of deferred tax asset of Rs. 6.44 Lakhs.

34 Estimation uncertainty relating to the global health pandemic on COVID-19

The Company's revenue for the current year has been impacted due to continuation of COVID-19 global pandemic. The Company is taking effective steps to put in place digital training modules and has also significantly reduced the operating costs. The Company's performance will depend on ongoing and future developments.
