## MEET ON EUROPEAN TRADE PACT TODAY

**Goyal asks industries to boost exports**

Grasp this opportunity to grow, says minister

PRESS TRUST OF INDIA  
Mumbai, April 23

**UNION MINISTER PIYUSH GOYAL** on Sunday said the world is now looking up to India and its industries and this is the right time for entrepreneurs and industry players to grasp the opportunity and grow exports.

Entrepreneurial abilities in the country with innovation, new ideas, new ways of marketing and branding products can unleash the true potential of the country, the commerce and industry Minister said while addressing the 49th India Gem and Jewellery Awards.

"On April 24, I have a meet-

Goyal said. He said jewellery exporters have shown good promise and good results and the gem and jewellery industry is the diamond of India's exports.

The industry's talent is spread across every zone and this industry can generate lots of jobs commensurate with the talent. The future is bright but we seek a collective commitment from every exporter to contribute to increasing exports despite headwinds and challenges," said the minister.

The government is working towards ease of doing business honestly and efficiently and expects the industry players to engage in ethical practices, he said. Talking about the mega Common Facility Centre (CFC) in Santacruz Electronics Export Processing Zone, Goyal said it is on track and is expected to be ready by 'Ganesh Chaturthi'.

"Other Gulf countries and Russia are also keen to negotiate with India. The world is now looking up to India and its industries, and this is the right time for the industries and entrepreneurs to grasp the opportunity and grow exports,"

**CHHATTISGARH** earns record mineral revenue of ₹12,941 cr

PRESS TRUST OF INDIA  
Raipur, April 23

**CHHATTISGARH HAS EARNED** record revenue of ₹12,941 crore from minerals for the year 2022-23, a rise of ₹636 crore from the previous fiscal, a state government official said on Sunday.

Iron ore fetched the highest ₹3,607 crore followed by ₹3,336 crore from coal, while Dantewada was the top-earning district in terms of mineral revenue, a press release from the state government said.

Limestone and bauxite too fetched sizable revenue. Dantewada contributed ₹6,419 crore, followed by Korba ₹2,361 crore, Raigarh ₹1,717 crore, Balod ₹760 crore, Baloda Bazar ₹315 crore, Kanker ₹286 crore and Surguja ₹262 crore," an official said.

"The state government has auctioned 29 mineral blocks in Chhattisgarh on revenue-sharing mode, which in the coming years will fetch the state ₹1 trillion," said Anurag Diwan, joint director, geology and mining.

For the first time under the revenue sharing system, the state government was able to earn ₹52.52 lakh by participating in two limestone block auctions, the release said.

Diwan said the state government's policy introduced in 2015-16 has facilitated e-auctioning of two major limestone blocks, namely Karhi Chandi in Balodabazar-Bhatarpara district and Kesla in Raipur district.

**Focus on new products, boost manufacturing: Report**

**THE GOVERNMENT SHOULD** consider launching a 'PLI Plus' scheme with focus on development of new products, industrial designs and enhancing productivity with a view to boost domestic manufacturing, economic think tank CTRI said on Sunday.

A production-linked incentives scheme (PLI) is under implementation by the government with a budgetary outlay of about ₹2 trillion for 14 sectors such as white goods, mobile, telecommunication and auto components.

The Global Trade Research Initiative (GTRI) report said that creating sustainable and competitive manufacturing is imperative to increase the share of manufacturing in GDP to 25% by 2030, up from 15% at present.

This will require shifting focus to one step back. From quick manufacturing outcomes to R&D, reverse engineering, and deep work.

"This can be done under the Make in India framework with the launch of eight PLI Plus initiatives. These initiatives will strengthen the foundation of Indian manufacturing and aspire to bring the expertise level at par with developed countries," GTRI co-founder Ajay Srivastava said.

**PM to lay foundation of first Digital Science Park in Kerala capital**

FE BUREAU  
Thiruvananthapuram, April 23

**PRIME MINISTER NARENDRA MODI** will lay the foundation stone for India's first Digital Science Park here, marking a milestone in Kerala's transformation into a knowledge economy.

The ₹1,500 crore Park, which will come up adjacent to the Kerala University of Digital Sciences Innovation and Technology in around 14 acres of land, has been conceived as a multidisciplinary cluster-based interactive-innovation zone focused on digital technologies. The project is to be

completed in two years.

Besides Modi, the event will be attended by governor Arif Mohammed Khan, chief minister Pinarayi Vijayan and Union minister for railways, communications, electronics & IT Ashwini Vaishnaw, among others.

Out of the total project

outlay, ₹200 crore has been already allotted by government of Kerala and the remaining amount will be generated from other sources including industry partners.

The park will develop and leverage on network overlay of communications built over a triple helix involving

universities, industry and government. Initially, Digital Science Park will facilitate industry and business units as well as technology startups from the domains of Artificial Intelligence (AI), robotics, electronics, smart hardware, sustainable and smart materials.
