Subject: Minor Correction in Annual Report for FY 2022-23 - Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Ma'am,

Kindly note that certain inadvertent typo error was noticed in Directors report page No. 14 point No. 1 the heading financial performance. In the table second column heading to be ready as a, **“For the year ended March 31, 2023”** instead of “For the year ended March 31, 202” and due to PDF technical issues some pages of the report not able to seen. Besides, please note that, there being no change in the Independent Auditors Report, Balance Sheet and Profit and Loss account and its notes, scheduled etc Part of the Annual Report 31st March, 2023 except directors report as explained above.

Members in their meeting noted the minor clerical changes as above and other pdf issues. In view of the above, we are enclosing herewith the corrected Annual Report of the Company for the FY 2022-23 and you are requested to replace the same at BSE portal under financial tab annual report section.

The same is for your information and kind records.

**Thanking You.
Sincerely,
For APT PACKAGING LIMITED**

Independent Auditors' Report

To,
The Members of
Apt Packaging Limited
Chhatrapati Sambhajnagar

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

1. We have audited the accompanying standalone financial statements of **Apt Packaging Limited** having CIN: L24100MH1980PLC022746 ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2023, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Cash Flows and Standalone Statement of Changes in Equity for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023 and its loss (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

3. We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Qualification

4. a. The accumulated losses of the Company have exceeded its net worth. The accounts have, however, been prepared by the management on a going concern basis, as explained in Note No. 33 to the financial statement. Should, however, the company be unable to continue as a going concern, the extent of effect of the resultant adjustments on the assets and liabilities as at the end of the year and on the loss for the year has not been ascertained presently.
b. The company has not provided for sales tax liability aggregating to Rs.51.38 Lakhs for the financial year 2015-16 and 2016-17 for the reasons stated in note no - 32 to the financial statements.
c. The company has not provided/ paid interest on delayed payment to parties covered under the provisions of Micro, Small and Medium Enterprises Development Act, 2006. Refer note no 17.2 to the financial statements.
d. The balances of Trade Receivable, Trade Payable, Unsecured Loans, Employees, Loans and Advances are subject to confirmations and reconciliation. Refer note no 35 to the financial statements.

Emphasis of Matter

5. a. Attention is invited to note no 40(h) to the financial statement in respect of non-provisioning of compensated absences based upon the actuarial valuation, which is accounted for based upon liability determined by the management considering balance leave of employee at the year end. In the opinion of the management, the difference, if any, would be insignificant.
- b. The company is valuing its stock on first in first out basis based upon the physical verification of inventory conducted by the management at the year end. The Company has yet to implement a system by which the valuation is derived based on the purchases and consumption records, maintained in the computer system.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no matter to be the key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.
8. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
9. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

10. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
11. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
12. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

13. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
14. As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- a. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

18. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 30 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) the Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) the Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and.

(c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. The company has not declared dividend including interim dividend.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Apt Packaging Limited ("the Company") as of 31st March, 2023 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence, we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023 subject to procedural deficiency in valuation of inventory and based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

2 SIGNIFICANT ACCOUNTING POLICIES:

A Basis of Preparation and Presentation

i) The financial statements are prepared on historical cost basis in accordance with applicable Indian Accounting Standards (Ind AS) and on accounting principles of going concern except property, plant and equipments which are measured at fair values. These financial statements have been prepared to comply with all material aspects with the Indian accounting standards notified under section 133 of the Act, (the "Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, and the other relevant provisions of the Act.

ii) Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

iii) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current classification of assets and liabilities.

B REVENUE RECONGNITION

i) Revenue is measured at the transaction valued considered as fair value of the consideration received or receivable where the ownership and significant risk has been transferred to the buyer.

ii) Interest on overdue debtors is accounted for as and when received, as the collection cannot be ascertained with reasonable certainty.

iii) Sales return are accounted for / provided for in the year in which they pertain to, as ascertained till finalization of the books of account.

C PROPERTY, PLANT AND EQUIPMENTS

i) Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at deemed cost less and accumulated depreciation. Freehold land is not depreciated.

ii) Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

iii) Furniture and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

iv) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised to the standalone statement of profit and loss.

D CAPITAL WORK-IN-PROGRESS

Expenditure related to and incurred during the implementation of the projects is included under Capital Work-in-Progress and the same are capitalized under the appropriate heads on completion of the projects.

E DEPRECIATION / AMORTIZATION

i) Depreciation on tangible Fixed Assets is provided for on the basis of useful life specified in Schedule II to the Act.

iii) Depreciation is charged as per the provisions of Schedule II to the Act based upon useful life of assets. The useful life is adopted for the purpose of depreciation is as under.

Assets	Useful life year
i) Factory Building	30
ii) Plant & Machineries	15
iii) Office Equipments	15
iv) Computers	3
v) Furniture & Fixture	10
vi) Vehicles	8

F IMPAIRMENT

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

G INVENTORIES:

Stock of raw materials, Packing Materials stores and spares is valued at lower of cost, ascertained on weighted average cost (moving average basis) or net realizable value.

*Cost stated above comprises all costs of purchase (moving average basis), cost of conversion, overheads, cost incurred to bring inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

Obsolete, defective and unserviceable inventories including slow moving stocks are provided for, based on technical evaluation.

H FOREIGN CURRENCY TRANSACTIONS:

i) Transactions in foreign currency are recorded at the rate prevailing on the date of the transaction.

ii) Current Assets and Current Liabilities in foreign currency outstanding as at the year-end are stated at the rates of exchange prevailing at the close of the year. The resultant gains/losses of the year are recognized in the Statement of Profit and Loss.

I GOVERNMENT GRANTS

i) Grants are accounted for where it is reasonably certain that the ultimate collection will be made.

ii) Grants relating to Fixed Assets in the nature of Project Capital Subsidy are credited to Capital Reserve.

iii) Others are credited to Statement of Profit and Loss.

J EMPLOYEES BENEFITS:

Liability as at the year end in respect of retirement benefits in respect of gratuity is provided for based upon actuarial valuation and charged to Statement of Profit and Loss. Retirement benefit in compensated absences is calculated based on the company's policy and provided for. Other retirement benefits are charged as follows:

i) Provident Fund / Family Pensions:

At a percentage of salary/wages for eligible employees.

ii) Retirement benefit costs and termination benefit in respect of gratuity

The Company determines the present value of the defined benefit obligation and recognizes the liability or asset in the balance sheet.

The present value of the obligation is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each year

Defined benefit costs are composed of:

(a) service cost – recognized in profit or loss; service cost comprises (i) current cost which is the increase in the present value of defined benefit obligations resulting from employee service in the current period, (ii) past service cost which is the increase in the present value of defined benefit obligations resulting from employee service in the prior periods resulting from a plan amendment, and (iii) gain or loss on settlement.

(b) remeasurements of the liability or asset - recognized in other comprehensive income.

(c) remeasurements of the liability or asset essentially comprise of actuarial gains and losses (i.e. changes in the present value of defined benefit obligations resulting from experience adjustments and effects of changes in actuarial assumptions).

Short-term benefits: A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave and other short term benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Other long-term benefits: Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

iii) Bonus

The company recognises a liability and expense for bonus. The company recognises a provision where contractually obliged or where there is past practice that has created a constructive obligation.

K BORROWING COST

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred. The Company determines the amount of borrowing costs eligible for capitalisation as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. In case if the Company borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalisation are determined by applying a capitalisation rate to the expenditures on that asset. The Company suspends capitalisation of borrowing costs during extended periods in which it suspends active development of a qualifying asset

L EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year attributable to equity share holders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

M TAXATION

INCOME TAX

Provision for Current Tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of Income Tax Act 1961.

DEFERRED TAX

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

The Company recognises interest levied and penalties related to Income Tax assessments in the tax expense.

N USE OF ESTIMATES

The preparation of Financial Statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of Financial Statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and the estimates are recognised in the period in which the results are known/ materialised.

O PROVISIONS AND CONTINGENT LIABILITIES

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

P CASH AND CASH EQUIVALENTS

In the Cash Flow Statement, cash and cash equivalents includes cash on hand, demand and short term deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

Q FINANCIAL ASSETS AT AMORTISED COST

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

R FINANCIAL ASSETS AT FAIR VALUE THROUGH OTHER COMPREHENSIVE INCOME

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and a contractual terms of the financial assets give rise on the specified dates to cash flows that are solely payment of the principal and interest on the principal amount outstanding.

S FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of assets and liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

T FINANCIAL LIABILITIES

Financial liabilities are measured at amortised cost using the effective interest method, if tenure of repayment of such liability exceeds one year.

U RECLASSIFICATION OF FINANCIAL ASSETS

The Company determines classification of the financial assets and liabilities on initial recognitions. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when a company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains and losses) or interest.

V OFFSETTING OF FINANCIAL INSTRUMENTS

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

W LEASES :

Leases which are short term and cancelable at the option of lessor / lessee are treated as operating leases and lease rent payable on such leases is charged to the Statement of Profit and Loss Account.

Transition to Ind AS .

These are the Company's first financial statement prepared in accordance with Ind AS.

The accounting policies set out in Note 1, have been applied in preparing the financial statements for the year ended 31st March, 2023, the comparative information presented in these financial statements for the year ended 31st March, 2022 and in the preparation of opening Ind AS balance sheet as at 1st April, 2021. In preparing its opening balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

A) Exemptions and exceptions availed

Ind AS optional exemptions cost.

i) **Deemed cost:-** Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as for the previous GAAP and use that as its deemed cost as at date of transition after making necessary adjustments for decommissioning liabilities. Accordingly, the Company has elected to measure all of its property, plant and equipment at their fair value as at 1st April, 2021.

ii) **Decommissioning liability included in the cost of property, plant and equipment:** An entity need not to comply with the requirements of Appendix A of Ind AS -16 changes in Existing Decommissioning, Restoration similar liabilities for liabilities occurred before the date of transition to Ind AS. An entity can measure the liability as at the date transition. The Company has elected to measure such liabilities as on the date of transition and on the basis of such evaluations no additional liabilities need to be recognised.

B) Ind AS mandatory exceptions

i) **De-recognition of financial assets and liabilities:** Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply AS 109 to financial assets and financial liabilities de-recognized as a result of past transactions was obtained at the time of initially accounting for those transactions. The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS, wherever applicable.

ii) **Classification and measurement of financial assets:** Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date transition to Ind AS.

iii) **Impairment of financial assets:** An entity shall determine the approximate credit risk at the date that financial instruments were initially recognized and compare that to the credit risk at the date of transition to Ind AS. This should be based on reasonable and supportable information that is available without undue cost or efforts. If any entity is unable to make this determination without undue cost or effort, it shall recognise a loss allowance at an amount equal to lifetime expected credit losses at each reporting date until that financial instrument is de-recognized. The Company has this exception to analyze credit risk of the financial assets as the date of transition instead of the date of initial recognition.

Fair value hierarchy

All financial instruments for which fair value is recognized or disclosed are categorized within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level -1

Quoted (unadjusted) price is active market for identical assets or liabilities

Level 2:

Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observed, either directly or indirectly.

Level 3

Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observation market data.

29 Financial Instruments and Risk Review

i) Capital Management

The Company's capital management objectives are:-

The Board policy is to maintain a strong capital base so as to maintain investor, creditors and market confidence and to future development of the business. The Board of Directors monitors return on capital employed.

The Company manages capital risk by maintaining sound/optimal capital structure through monitoring of financial ratios, such as debt-to-equity ratio and net borrowings-to-equity ratio on a monthly basis and implements capital structure improvement plan when necessary.

The Company uses debt ratio as a capital management index and calculates the ratio as Net debt divided by total equity. Net debt and total equity are based on the amounts stated in the financial statements.

Debt-to-equity ratio is as follows

Particular	Rs. in Lakhs		
	As at 31st March 2023	As at 31st March 2022	As at 1st April 2021

ii) Credit Risk

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks. Credit risk is controlled by analysing credit limit and creditworthiness of customers on a continuous basis to whom the credit has been granted.

Financial instruments that are subject to concentration of credit risk principally consists of trade receivable investments, derivative financial instruments and other financial assets. None of the financial instruments of the Company results in material concentration of credit risk.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is as under, being the total of the carrying amount of balances with trade receivables.

As on	Rs. in Lakhs
31st March, 2023	320.47
31st March, 2022	388.52
1st April, 2021	353.91

Trade receivables

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of financial statement whether a financial asset or group of financial assets is impaired. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 months expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

Before accending any new customer, the Company uses an external/internal credit scoring system to asses potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customer are reviewed periodic basis.

III) Liquidity Risk

a) Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
