Shweta Choubey told news agency PTI over phone. Rescue and relief teams have reached the spot and a search operation has been started, she said. Dhami, in a Facebook post, said heavy casualties have been reported due to rains in Pauri which is extremely sad. Swollen rivers inundated many districts with surging rain water entering buildings and submerging vehicles. Located on the banks of Song river near Lalpul, the building of the Dehradun Defence Academy caved in on Monday morning, Tehri sub divisional magistrate Ashish Ghildival said.

No one was injured as the building had been vacated in advance, he said. It is a private institution whose building was constructed 15 years ago, former Zilla panchayat member Akhilesh Uniyal said. Most of the rivers were overflowing due to the rain with the Ganga flowing above the danger mark in Haridwar and Rishikesh. Alaknanda, Mandakini and Gangarivers were flowing above the danger level at Rudraprayag, Shrinagar and Devprayag, the disaster control room here said. The Badrinath National highway is blocked at a number of places due to landslidedebris.There is also information about one person being buried under the debris near Pipalkoti.
