Management Comments

Commenting on the results, Mr. Manish Mohnot, Managing Director & CEO, KPTL said:

“KPTL and JMC’s Q1FY21 performance was impacted by the lockdown on account of pandemic. We witnessed partial recovery in May and good recovery from June onwards. We have taken stringent cost control measures and are working hard to improve working capital management and profitability going forward. We remain focus on restoring execution at pre COVID levels and ensuring profitable growth for KPTL and JMC in FY21.”
