Press Note

Mahindra to take scheduled maintenance shutdown in its automotive manufacturing plants in May 2021

Mumbai, May 3, 2021: Mahindra & Mahindra Ltd. (M&M Ltd.), a part of the USD 19.4 billion Mahindra Group, today announced that due to the evolving COVID situation in the country, the Company has scaled up its efforts to ensure health and safety of its employees, associates and supporting ecosystem.

Accordingly, the Company has decided to prepone the scheduled maintenance of four working days, in each of its Automotive Division Manufacturing Plants, to the month of May 2021, in a staggered manner. This was originally scheduled for June 2021.

The Company continues to work closely with its Dealers and Suppliers to minimize the impact of disruption in operations due to localized lockdown restrictions in various parts of the country.

About Mahindra

The Mahindra Group is a USD 19.4 billion federation of companies that enables people to rise through innovative mobility solutions, driving rural prosperity, enhancing urban living, nurturing new businesses and fostering communities. It enjoys a leadership position in utility vehicles, information technology, financial services and vacation ownership in India and is the world's largest tractor company by volume. It also enjoys a strong presence in renewable energy, agribusiness, logistics and real estate development. Headquartered in India, Mahindra employs over 2,56,000 people across 100 countries.
