**Auditor's Responsibilities for the Audit of Standalone Financial Results**

**(a) Audit of the Standalone Financial Results for the year ended March 31, 2023**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from a fraud or error and consider material, if, individually or in aggregate, they

could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to our basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud involves collusions, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.
- Evaluate the appropriateness of the accounting policies used and reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on our audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of Standalone Financial Results including the disclosures and whether the standalone financial results represent the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance of the company regarding, among other matters, the planned scope of timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence, and wherever applicable, related safeguards.

### **Review of the Standalone Financial Results for the quarter ended March 31, 2023**

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2023, in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for

financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other Matters**

The Standalone Financial Results include the results for the quarter ended March 31, 2023 being the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the financial year. Also, the figures upto the end of the third quarter had only been reviewed and not subjected to audit.

Note 8 of the Standalone Financial Results explains the uncertainties and management's assessment of the financial impact due to the COVID-19 pandemic for which definitive assessment of the impact is dependent upon the future economic conditions. Our opinion is not modified in respect of this matter.
