Nipah alert in Kerala after two deaths in Kozhikode

SHINE JACOB
Chennai, 12 September

Kozhikode district in Kerala is on high alert following the third outbreak of the Nipah virus (NiV) in the state in five years. Two persons have succumbed to fever in the district since August 30, and several others are exhibiting symptoms of a viral infection.

On Tuesday, Union Health Minister Mansukh Mandaviya confirmed that the two deaths were caused by NiV. He added that four patients, currently under surveillance, were suspected of being infected with NiV, and their samples have been dispatched for testing.

The state has initiated precautionary measures, including contact tracing, isolation of suspected contacts, and treatment for those with suspected cases.

The state has forwarded more samples from individuals suspected of being infected to the National Institute of Virology in Pune. Experts are concerned over the fatalities and suspected infections, as the death rate in the 2018 outbreak in Kozhikode reached as high as 91 per cent. A team of experts from the central government has been dispatched to Kerala to assess the situation. The first NiV outbreak in Kerala occurred in Kozhikode and Malappuram districts in June 2018, claiming 17 lives.

WHAT IS NIPAH?

Nipah is a viral infection that mainly affects animals such as bats, pigs, dogs, and horses. Being zoonotic, it can jump to humans who come in contact with the infected animals

SIGNS & SYMPTOMS

► It usually presents as fever and swelling of the brain, called encephalitis

- Headache
- Breathing difficulties
- Cough and sore throat
- Diarrhoea
- Vomiting
- Muscle pain and severe weakness
- In extreme cases, disorientation and seizures

CURE IN SIGHT?

There are no antivirals and there is only symptomatic management. Researchers are studying using monoclonal antibody treatment

Another outbreak in Pazhur village in Kozhikode in 2021 resulted in one fatality.

State Health Minister Veena George announced on Tuesday the first death due to a suspected Nipah infection was reported on August 30 in Maruthonkara village, with the second death occurring on Monday in Vatakara municipality. The condition of one of the affected is critical, according to media reports.

"Initial assumptions indicate a suspected case of NiV. The entire health system in the district, both public and pri-

vate, is on high alert. We have initiated all precautionary measures, including contact tracing," said George.

Approximately 75 people are currently on the contact tracing list. Five family members of the deceased individual in Maruthonkara are in isolation, and three of them are displaying Nipah symptoms, including a critically ill child. Family members of the second victim are also under isolation. "Both of the deceased were admitted to the same hospital, and they had been in contact with each other earlier as well."

"Although NiV resides in certain bat populations, it becomes dangerous when it infects humans. The death rate recorded in the 2018 outbreak is high at 91 per cent. However, unlike Covid, the virus does not spread to large numbers of people. Those who have close contact with the infected are at the greatest risk. There is no need for the public to be alarmed unless they have had close contact with a person suspected to have Nipah," said Rajeev Jayadevan, co-chairman of the National Indian Medical Association's Covid task force.

Oppn reaches out to TDP as BJP hedges its Andhra bet

ARCHIS MOHAN
New Delhi, 12 September

The Opposition bloc INDIA has reached out to the Telugu Desam Party (TDP) leadership, days after the arrest of its chief, N Chandrababu Naidu, in an alleged corruption case.

The outreach, led by the Trinamool Congress (TMC), comes after the Bharatiya Janata Party (BJP) ignored pleas by ally Pawan Kalyan-led Jana Sena Party to enter into an alliance with the TDP for the 2024 Andhra Assembly and Lok Sabha polls.

In the last four years, the TDP's principal rival in Andhra, the state's ruling YSR Congress Party (YSRCP), has supported the central government in Parliament on crucial bills.

The TMC, a leading constituent of the Indian National Developmental Inclusive Alliance, or INDIA, contacted the TDP leadership since Naidu's Saturday arrest. A local court in Vijayawada remanded Naidu in judicial custody for 14 days on Sunday for his alleged role in the multi-crore Skill Development Corporation scam.

On Tuesday, the local court rejected a house custody petition filed by Naidu.

The Samajwadi Party (SP), National Conference's Farooq Abdullah and a Congress leader in Andhra have criticised Naidu's arrest, alleging that the Centre had the foreknowledge of the former Andhra Chief Minister's arrest.

Sukhbir Singh Badal, the head of the Shiromani Akali Dal (SAD), a former ally of the BJP, termed the arrest a "crude vendetta exercise".

TDP Chief N Chandrababu Naidu at a Vijayawada court on Tuesday after his arrest in the alleged State Skill Development Corporation scam. PTI:PHOTO

"We are in touch with the TDP and have been told that the arrest has evoked sympathy for the former Andhra Chief Minister, particularly in rural areas," a senior Trinamool leader said on Tuesday.

Sources, however, said it was premature to discuss the TDP's entry into the Opposition alliance at the next INDIA meeting, which is likely to be held in Bhopal, in poll-bound Madhya Pradesh.

On Monday, West Bengal Chief Minister Mamata Banerjee criticised Naidu's arrest, terming it vindictive politics that would backfire on the ruling par-

ty, drawing parallels with Naidu's arrest and the Enforcement Directorate (ED) summoning her nephew, TMC general secretary Abhishek Banerjee.

On Tuesday, SP chief Akhilesh Yadav echoed Banerjee sentiments, saying, "BJP and its opportunist friends" should remember that such political behaviour could return to haunt them.

From the BJP, its state unit chief, D Purandeswari, protested Naidu's arrest in a post on X on Saturday.

"The arrest sans a proper notice, without his name mentioned in the FIR, without seeking an explanation and bypassing procedures is unjustified. The BJP condemns this," she said.

The BJP state unit stayed away from Monday's state-wide bandh called by the TDP called to protest Naidu's arrest, while Jana Sena, supported the bandh.

The BJP senior leadership believed the YSRCP remained popular in Andhra and was a more reliable potential ally post-2024 Lok Sabha than the TDP.

The TDP exited the NDA in March 2018 on the question of a special package to Andhra and fought the 2019 elections in alliance with the Congress.

The Centre sanctioned ₹10,460 crore in May, the highest for Andhra Pradesh since the bifurcation. In June, it released ₹12,911 crore for the Polavaram project.

Over the last few months, TDP's attempts to mend fences with the BJP and return to the National Democratic Alliance (NDA) have failed despite Jana Sena's efforts. Naidu met Union Home Minister Amit Shah in June, but the TDP didn't find a spot in the 38-party NDA meeting on July 18.

FROM TUNNELS TO THE HIGHEST AIRFIELD

Rajnath inaugurates ₹2,900 crore worth 90 key border infra projects

AJAI SHUKLA
New Delhi, 12 September

Defence Minister Rajnath Singh at an event in Jammu on Tuesday inaugurated 90 infrastructure projects of the Border Roads Organisation (BRO), worth over ₹2,900 crore. These projects are spread across 11 states and Union Territories.

The projects include 22 roads, 63 bridges, one tunnel, two airstrips, and two helipads across 10 border states and Union Territories of northern and northeastern regions.

"With this, a record 295 infrastructure projects of the BRO, at an overall cost of around ₹8,000 crore, have been dedicated to the nation since 2021," said a press release from the Ministry of Defence (MoD). In 2022, 103 projects worth approximately ₹2,900 crore were inaugurated; while in 2021, 102 projects at a cost of over ₹2,200 crore were dedicat-

ed to the nation.

The MoD has commended BRO for completing the construction of these strategically important projects in record time. Most of these projects were completed in a single working season, using state-of-the-art technology.

In his address, Singh described the BRO as 'bro' (brother) of the armed forces, asserting that, through its infrastructure projects, BRO is not only securing India's borders but also playing a key role in the socio-economic development of the far-flung areas. "Together with BRO, we are ensuring that the nation is secure and border areas are developed. Timely completion of infrastructure projects in far-flung areas has now become the new normal of New India."

Devak Bridge

Amongst the crucial projects completed was the Devak

Bridge on the Bishnah-Kaulpur-Phulpur Road. This state-of-the-art, 422.9-meter-long, Class 70, reinforced cement concrete bridge is of strategic importance.

Nechiphu Tunnel

Another crucial infrastructure project the minister inaugurated was the 500-metre-long Nechiphu Tunnel situated on the road from Tezpur to Tawang in Arunachal Pradesh. This tunnel, along with (under construction) Sela Tunnel will give an all-weather connectivity to the Tawang Region. Singh had laid the foundation stone of the tunnel in October 2020.

Bagdogra and Barrackpore airfields

The defence minister also dedicated the Bagdogra and Barrackpore airfields in West Bengal to the nation. These airfields, reconstructed at a cost

of over ₹500 crore, will bolster the operations of the Indian Air Force (IAF) and facilitate commercial flight operations.

Nyoma Airfield

Singh also laid the foundation stone of Nyoma Airfield in Eastern Ladakh virtually. This airfield, being developed at a cost of approximately ₹200 crore, will boost the air infrastructure in Ladakh and augment the IAF's capability along the Northern border.

He exuded confidence that the airfield, which will be one of the world's highest, would prove to be a game-changer for the military.

Singh expressed hope that the BRO would soon set another record with the construction of Shimku La Tunnel — the world's highest tunnel — at an altitude of 15,855 feet. This tunnel will connect Lahaul-Spiti in Himachal to the Zaskar Valley in Ladakh.
