Independent Auditors' Review Report

To the Board of Directors of
NHPC Limited
NHPC Office Complex
Sector-33, Faridabad- 121003

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results together with Notes thereon of **NHPC Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax, Other Comprehensive Income and total comprehensive income / loss of its joint ventures for the quarter and half year ended September 30, 2019 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (" the Listing Regulation 2015") which has been initialled by us for identification purpose. Attention is drawn to the fact that the consolidated figures for the corresponding quarter and half year ended September 30, 2018 and March 31, 2019 as reported in these financial results have been approved by the Parent's Board of Directors but have not been subjected to review.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material statement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Name of the Subsidiaries
1. NHDC Limited
2. Loktak Downstream Hydroelectric Corporation Limited

3. Bundelkhand Saur Urja Limited
Name of the Joint Ventures
1. Chenab Valley Power Projects Private Limited
2. National High Power Test Laboratory Private Limited

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, we report that nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the financial results of one subsidiary included in the consolidated unaudited financial results, whose financial results reflect total revenues of Rs. 516.53 crore and Rs. 762.71 crore, total net profit after tax of Rs. 350.11 crore and Rs. 469.44 crore and total comprehensive income of Rs. 350.05 crore and Rs. 469.32 crore for the quarter and half year ended September 30, 2019 respectively, as considered in the consolidated unaudited financial results. These financial results have been reviewed by other auditor whose reports have been furnished to us by the Parent's Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the reports of the other auditor and the procedures performed by us as stated in paragraph 3 above.
7. The consolidated unaudited financial results include the financial results of two subsidiaries which have not been reviewed by their auditors, whose financial results reflect total revenue of Rs. 0.07 and Rs. 0.09 crore, total net profit after tax of Rs. 0.00 crore and Rs. Notes:

- 1 The above consolidated results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in the respective meetings held on 11th November, 2019. The same have been reviewed by the Joint Statutory Auditors of the Company as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 2 Subsidiary and Joint Venture Companies considered in the Consolidated Financial Results are as follows:-
 - a) **Subsidiary Companies:** NHDC Limited, Loktak Downstream Hydroelectric Corporation Limited and Bundelkhand Saur Urja Limited.
 - b) **Joint Venture Companies:** Chenab Valley Power Projects Private Limited and National High Power Test Laboratory Private Limited
- 3 In view of the seasonal nature of business, the financial results of the Group vary from quarter to quarter.
- 4 Electricity generation is the principal business activity of the Group. Other operations viz., Power Trading, Contracts, Project Management and Consultancy works do not form a reportable segment as per the Ind AS 108 - 'Operating Segment'. The Group has a single geographical segment as all its power stations are located within the country.
- 5 Construction activities at Subansiri Lower Project had been interrupted with effect from 16th December, 2011 due to case filed in the National Green Tribunal (NGT) and pending receipt of report of the committee constituted by Ministry of Environment, Forest and Climate Change (MoEF&CC) to technically examine the various reports and studies conducted in the project. The report submitted to the MoEF&CC on 26th March, 2019 by the said Expert Committee had been examined and accepted by the MoEF&CC vide its letter dated 13th June, 2019. Thereafter, vide order dated 31st July 2019, the NGT has held that there is no justification in the petitions of the applicants and accordingly, the cases pending against the project have been dismissed. Consequent upon the said judgment, construction activities at Subansiri Lower Project have resumed from the month of October, 2019. During the current quarter and half-year ended 30th September, 2019, Regulatory Deferral Account (RDA) balances in respect of borrowing cost and administrative costs incurred on the Project amounting to Rs 96.62 Crore and Rs 193.40 Crore respectively (corresponding quarter and half year of the previous year Rs 94.53 crore and Rs 94.53 Crore respectively) have been recognised.
- 6 With effect from 1st April 2019, the Group has adopted Ind AS 116 'Leases' and applied modified retrospective approach to all lease contracts existing as at 1st April 2019. Accordingly, comparatives for the year ended 31st March 2019 have not been restated. Right of use assets and lease liability have been recognised based on the remaining lease period and payments discounted using the incremental borrowing rate as of the date of initial application. Land- Right to Use, Building- Right to Use and other assets have been classified/reclassified and presented as Right of Use assets separately on the Balance Sheet. In the Consolidated Statement of Profit & Loss for the current period, lease expenses have changed from other expenses and employee benefit expenses to depreciation & amortization expenses for the right-of-use lease assets and finance cost for interest accrued on lease liability. Application of this standard does not have significant impact on the profit for the half year ended 30th September 2019.
- 7 As per CERC Tariff Regulations 2019-24 notified on 7th March 2019, the useful life of Hydro Generating Stations has been changed from 35 years to 40 years. The change in useful life of Power Stations has resulted in a reduction in depreciation expense by Rs. 20.07 Crore and Rs. 40.65 Crore for the current quarter and half year ended 30th September 2019 respectively.
