LUMAX INDUSTRIES LIMITED
DISCLOSURE OF MATERIAL IMPACT OF COVID-19 PANDEMIC

Pursuant to the SEBI Circular SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020 on disclosure of Material impact of Covid-19 pandemic are as follows: -

S. No.	Particulars	Disclosures
1.	Impact of the Covid-19 pandemic on the Business	The Company's manufacturing facilities remained shut from March 23, 2020 due to lockdown and Partially re-opened vide intimation dated May 01, 2020 which has impacted its operations during March and April. However, with the partial opening there is gradual increase in production in May 2020 because of partial opening. The performance of Q4FY20 and Q1FY21 will be accordingly impacted
2.	Ability to maintain operations including the factories/ units/ Office spaces functioning and closed down.	The Company has partially resumed some of the factories considering order book and available workforce, since May 01, 2020, adhering to the safety norms prescribed by the Government.
3.	Schedule, if any, for restarting the operations	
4.	Steps taken to ensure smooth functioning of Operations	The Company is taking utmost care of its staff and work force like sanitization, social distancing, mandatory mask wearing, thermal check at the gate, maintaining proper hygiene following MHA guidelines. The Company has taken various control measures to smoothly manage the operations which also includes work from Home.
5.	Estimation of the future impact of COVID -19 on its operations	The revenues and profitability of the Company are likely to be adversely impacted during the Lock Down period and near future till we achieve stabilization of normal operations. As the business situation is very dynamic, the company is closely monitoring it and taking required measures.
6.	Details of impact of COVID-19 on listed entity's: -	
6.1	Capital and financial resources	The Company's capital and Banking facilities remain intact. There are no liquidity concerns so far due to availability of sufficient unutilized Banking facilities. Further Banks have also offered additional limits. However, the company is witnessing increase in its inventory levels and corresponding Creditors for which Creditors are extending extended credit terms wherever is possible.
6.2	Profitability	In view of lock down since March 23, 2020 and partial opening of facilities, the profitability for Q4FY20 and Q1 for FY21 are likely to be adversely impacted. As the business situation is very dynamic, the company is closely monitoring and taking required

		measures.
6.3	Liquidity Position	The liquidity position is comfortable and Company does not envisage any concerns due to availability of sufficient unutilized Banking limits. Further Banks have also offered additional limits.
6.4	Ability to service debt and other financing arrangements	The Company has sufficient unutilized Banking limits to meet its financial requirements. Besides the Company shall leverage its financials for additional loans in case need arises in future. Considering the present available liquidity coupled with strong monitoring of expenses, The Company does not foresee any challenges in meeting its financial obligations.
6.5	Assets	The Assets of the Company are fully insured and there is no risk of any impairment due to slow down.
6.6	Internal Financial reporting and control	The Company has taken various cost control measures. Further it has proper cash flow management systems in place. It includes weekly review on receivables, payables and Inventory besides strict control on fixed cost and capital expenditure.
6.7	Supply Chain	The Supply chain of the company is adversely affected due to Global Lockdown in the World. The situation is getting improved due to lifting of lock down and relaxations given by the government in lock Down 4.
6.8	Demand for its products/Services	Demand is expected to be impacted on account of Lockdown and adverse impact on Auto OEM Industry.

7. Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business;

The Existing contracts/agreements, where non-fulfillment of the obligations by any party will not have significant impact on the business of the company.

8. Other relevant material updates about the listed entity's business.
