XLRI Jamshedpur team aces IBS-BLoC case study

RICH HAUL. Winners get ₹25,000 in gift vouchers from Hidesign

Our Bureau
Chennai

WINNING DUO. (left) Kushankur Datta and Debajyoti Das, PGDM students from XLRI Jamshedpur

Kushankur Datta and Debajyoti Das, PGDM students from XLRI Jamshedpur, have won the latest IBS-BLoC Case Study Contest, presented by Hidesign.

The case, 'Can Vishal Mart sustain growth under new ownership?', conducted entirely online, was developed by Jitesh Nair, Research Faculty, and Shwetha Kumari, Senior Research Associate, ICFAI Business School's IBS Centre for Management Research. The three winning teams received ₹25,000 in gift vouchers from premium leather goods brand Hidesign.

The case tasked the students with formulating a growth strategy for Vishal Mart to grow in the competitive and dynamic retail sector, and come up with a workable strategy to put it back on the top shelf. As part of a well-argued strategy, the winning duo provided a solution to use tech and advanced analytics to enhance the customer experience and understand consumer behaviour.

ACTIONABLE STRATEGY
The contest received several

Pragya Shukla, a PGP student at ISB, came second, and received ₹7,500-worth of vouchers from Hidesign

hundred entries from B-schools, including IIMA, IIM Kozhikode, NMIMS Bengaluru, and ISB. Prof Venu Gopal Rao, Professor, Department of Marketing & Strategy, IBS, Hyderabad, who analysed the entries, said the winners were able to assess the problem and present relevant data in support of the solution provided.

The strategies suggested were not only original but innovative and actionable, he added.

Pragya Shukla, a PGP student at ISB, came second, and received ₹7,500-worth vouchers from Hidesign; the third place went to Khushi Bhurat and Aakanksha, students of NMIMS Bengaluru, who took home a ₹5,000-gift voucher.

Drishiti Batra and Anahita Hand from NMIMS Bengaluru were in the fourth spot, and a solo entry from Sai Sathwek, also from NMIMS, stood fifth. All entries by the winning team and the top four runners-up are published on www.blon-campus.com.

Sundaram Finance Q2 net jumps 72%

Our Bureau
Chennai

Sundaram Finance Holdings Ltd reported a 72 per cent increase in its consolidated net profit at ₹33.25 crore for the quarter ended September 30, 2022, compared with ₹19.29 crore in the year-ago quarter.

SF Holdings is a holding company owning a portfolio of automotive businesses including foundries, wheels, brakes, turbochargers, axles and distribution of spare parts. Its standalone net profit doubled to ₹22.23 crore (₹11.09 crore).

Driven by a strong recovery in the automobile sector, the dividend received from portfolio companies was at ₹67.98 crore for the half year ended September 30, 2022, already exceeding the full-year's dividend received for FY22 (₹40.90 crore), according to a statement.

MIXED SIGNALS
However, there are mixed signals on whether the momentum in the automotive sector would continue into the second half of the financial year, it said.

During Q2, the company's shareholding in Brakes India Pvt Ltd increased to 23.57

per cent pursuant to the scheme of amalgamation for the merger of Flometallic India P Ltd with Brakes India, which was approved by NCLT.

SF Holdings purchased shares of India Motor Parts & Accessories Ltd from the open market and increased its shareholding to 20 per cent; it has thus become an associate company.

"We continue to consolidate our shareholding in core portfolio companies which primarily cater to the automotive business," said Harsha Viji, Chairman, Sundaram Finance Holdings Ltd.

GIC, ESR form \$600-million JV to buy industrial, logistics assets

Our Bureau
Mumbai

GIC, a leading global Singapore-based investment firm, and ESR Group have set up a \$600-million (₹4,980 crore) joint venture to acquire income-producing core industrial and logistics assets in India.

The JV provides focussed capital dedicated to enabling the inorganic growth of the platform and will invest in stabilised operational assets in strategic locations across

Tier-I and -II cities. With an upsurge in the share of organised retail and e-commerce, supported by emerging sectors such as electric vehicles and semiconductors, the industrial and logistics asset class is expected to outperform other real estate and infrastructure asset classes in the medium term.

INVESTMENT AVENUES
Jeffrey Shen and Stuart Gibson, ESR co-founders and co-CEOs, said the integrated fund management platform has provided capital partners

with access to growth opportunities, propelled by the positive trends of e-commerce and digital transformation.

These trends open investment opportunities, as the demand for advanced, large-scale, well-located logistics and industrial assets goes up further.

Abhijit Malkani, CEO, ESR India, said, "The Core JV platform will invest in upgrading assets to ensure the same product quality for customers as it does for its own projects."

Notes:
1 The above is an extract of the detailed format of financial results filed with the Stock Exchanges under Regulation 52 of the SEBI (LODR) Regulations, 2015. The full format of the financial results are available on the website of the Stock Exchange (BSE - www.bseindia.com) and the Company's website (www.inditrade.com).
2 For the items referred in Regulation 52(4) of the SEBI (LODR) Regulations, 2015, the pertinent disclosures have been made to the Stock Exchange (BSE) and can be accessed on the Company's Website (www.inditrade.com).
3 The Company based on the current available information and the policy approved by the Board, has determined the provision for impairment of financial assets. Given the uncertainty over the potential macro-economic impact, the Company's management has considered all information available up to the date of approval of these financial results. Accordingly, the Company has made provision for expected credit loss on financial assets as at September 30, 2022.
The extent to which the COVID-19 pandemic will further impact the Company's operations and financial results will depend on future developments, which are uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company. As a result of the uncertainties in macro economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results. The Company will continue to closely monitor any material changes to future economic conditions.
