Press Release

GRANT OF PATENT “TERRY FABRIC WEAVE AND RESULTING TERRY FABRIC” BY THE PATENT OFFICE, GOVERNMENT OF INDIA

Ludhiana, India – November 11, 2023: Trident Limited has been granted Patent for “Terry Fabric Weave and Resulting Terry Fabric” by The Patent Office, Government of India

The present invention comprises of weaving method in which a space is created between two consecutive loop/pile by special drafting technique. This results in giving different texture to the product as well as fabrics which have improved material efficiencies absorbency, softness and uniformity in texture.

With this patent the company will deliver towels that have improved material efficiencies, pull resistance, absorbency, softness and uniformity of texture.

The grant of this patent by The Patent Office, Government of India provides further recognition of the quality of the innovation being carried out by Trident.

About Trident Limited:

Trident Limited is the flagship Company of Trident Group, an Indian business conglomerate and a global player. Headquartered in Ludhiana, Punjab, Trident Limited is a vertically integrated textile (Yarn, Bath & Bed Linen) and Paper (Wheat Straw-based) manufacturer. Trident’s towels, yarns, bed sheets and paper businesses have earned global recognition and are delighting millions of customers across India and the world. Trident is one of the largest players in home textile in India. Supplying national, captive, and retailer owned brands, the organization is highly decorated with awards from its customers, vendors, and various government entities in recognition of advancing the highest standards in product quality, social responsibility, and environmental stewardship.

The Company operates in three major business segments: Yarn, Home-Textiles, Paper and Chemicals with its manufacturing facilities located in Punjab and Madhya Pradesh
