**Subject: "Clarification on certain Media Reports/Articles/News Items published, circulated by certain Media channels, news portals on internet and various social media platforms"**

North Eastern Carrying Corporation Limited, with reference to the various Media Articles/News Items published, circulated via certain Social Media Portals/Channels wherein our company name has been mentioned in recent few days, wish to clarify and place on record that our Company and its Promoters have no connections whatsoever with any of the Entities/Persons as mentioned in various media reports.

We categorically deny that any of the Entities/Persons as mentioned in various media reports having any business relations of any nature, any involvement in decision-making or operational strategies of the company other than it being a shareholder of the Company.

We would like to clarify that any developments related to any Entities/Persons as mentioned in various media reports will have no impact on our growth or strategic vision. The Company does not exercise control over or have access to its shareholders' business dealings or private transactions.

We hereby advise all its Investors not to rely and/or get influenced on any such Media Reports/Articles/News Items circulated. Further, based on our previous records, the Company has always been making timely and requisite disclosures to ensure that investors, shareholders and Stock Exchanges of the Company should have the latest and true information about the Company.

**About North Eastern Carrying Corporation Limited**

Spanning over five decades of services. We are engaged in transportation of goods catering to various industries like FMCG, Steel, Construction, Infrastructure etc. We have a strong customer base and are relied on by our clients. We leverage our operational expertise, technology and a high-capacity network of transportation vehicles, to identify logistics problems and provided end-to-end supply chain solution from a unique perspective- "clients".

We have recently forayed into transportation through EV (Electric vehicle) trucks, which has huge potential for growth in the coming years considering government's push for greener vehicles and reducing the carbon emissions.

Thanking You,

Yours faithfully
