Sub.: Intimation for approval of Technical Equivalence (TEO) certification for Herbicide Technical Product from the European Union (EU)

Dear Sir/Madam,

We are delighted to inform you that our company has recently been awarded the Technical Equivalence (TEQ) certification by the European Union (EU) for our advanced herbicide technical product. The product is specifically designed to effectively manage tough-to-control grass and broadleaf weeds in wheat and barley crops, including cereals, potatoes, and sunflowers.

This certification will increase our company's export revenue and contribute to the foreign exchange earnings of our country.

We are excited to continue providing high-quality products to our customers.

Kindly take the above on record.

Thanking you

Yours faithfully,

For India Pesticides Limited
