- 2 The provision for leave encashment and gratuity has been provided on the basis of the best estimate of the management of the companies and actuarial valuation will be done at the end of the year.
- 3 In the Limited Review report issued by the Auditors they have expressed significant doubt on the Subsidiary company's ability to continue as a "going concern". The Subsidiary Company is in the process of disposing off some of its assets. Since the realisable value of the assets is not likely to be lower than the carrying value of the assets, the management is of the opinion that no adjustment to the same is required to be made.
- 4 Estimation of uncertainties relating to the global health pandemic from COVID-19
The Company / Group, as at the date approval of these financial results has considered internal and external sources of information, in assessing the possible effects that may result from the global health pandemic relating to COVID-19 on the carrying amounts of loans, investments, receivables, inventories and other assets. As on the date of approval of these financial results, the Company / Group has concluded that the impact of COVID - 19 is not material based on these estimates and expects to recover the carrying amount of these assets. The impact of COVID-19 on the Company's / Group's Financial Statements may differ from that estimated as at the date of approval of these financial statements.
- 5 In view of the company not expecting any taxable profits in near future, no deferred tax asset, if any, is recognised.
- 6 Figures of the previous quarter/period/year have been regrouped / rearranged wherever necessary to make them comparable.
- 7 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors in its meeting held on February 14, 2022 in terms of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.
- 8 The Statutory Auditors have carried out "Limited Review" of the above financial results.

5. We draw your attention to Note 3 of the accompanying statement, the results are prepared using the going concern basis of accounting. Management is responsible for assessing the Company's ability to continue as a going concern. The Results and accounts of Subsidiary Company, indicate that as on March 31, 2021, its Current Liabilities are more than double of its total Assets; and it has incurred net Operating Loss during the year ended March 31, 2021 and hence indicates that there is a significant doubt on the Subsidiary Company's ability to continue as a going concern.

Our conclusion on the Statement is modified in respect of this matter.

6. Based on our review conducted above, except to the possible effects of our observation described in the Para 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
