CFO Tech Outlook Recognizes Emagia As “The Top 10 Fintech Solutions Providers 2019”

September 9, 2019 — Santa Clara, Calif – Emagia, a leading provider of digital order-to-cash solutions announced that CFO Tech Outlook, a leading technology magazine has recognized Emagia as one of the “Top 10 FinTech Solution Providers 2019”. CFO Tech Outlook brings best-in-class coverage of technology innovations and trends to thousands of qualified finance executives in the U.S.

Selected by a distinguished panel, comprising of CXOs, VCs, industry analysts, Emagia was narrowed down among many other solution providers to the final Top 10 providers that exhibit competence.

Emagia’s highly innovative digital solutions for finance operations include next generation intelligent order-to-cash operations automation platform driven with advanced analytics and artificial intelligence. As an integral part of the automation platform, Emagia includes AI-powered cognitive finance assistant Gia to augment human staff and improve digital customer experience. Emagia digital order-to-cash platform enables major boosting of the entire order to cash cycle performance. Emagia digital automation platform enables digital credit, digital order management, digital invoicing and payments, digital collections, digital disputes resolution and digital cash application.

Emagia’s Gia, a digital cognitive assistant is purpose built to assist global finance executives, order-to-cash shared services staff and accounts receivables operations teams. Equipped with specific skills in credit, collections and finance, Gia has smart conversational capabilities to communicate with and provide support to customers, sales, operations and treasury teams. Gia delivers next-generation digital transformation to scale operations in global finance, order-to-cash operations with human and digital hybrid teams to boost operations efficiency to whole new levels.

Veena Gundavelli, Founder and CEO of Emagia said, “We are honored and humbled by this CFO Tech Outlook Award. The future of finance operations is digital. We will continue to deliver innovations focused on bringing game changing power to the finance leaders.”
