PIONEERING GROWTH WITH PURPOSE, INTEGRITY & TECHNOLOGY

Every brick of affordable housing lays the foundation for a more inclusive tomorrow. Inspired by the same philosophy, India Shelter Finance Corporation Limited is driven by a Purpose, a commitment to serve communities underserved by traditional financial institutions, particularly in Tier 2 and Tier 3 cities. With a firm belief that affordable housing is not just a policy but a commitment to the community, we focus on making homeownership dreams a reality for low and middle-income segments.

We take cognizance that each of our customer's financial aspirations are unique, and so our expert artisans carefully craft personal and perfectly tailored loan options, ensuring a smooth journey for our customers—a true reflection of our integrity.

With transparency in each of our operations and integrity towards customer service, we leverage on the strength of technology. Our digital platforms enable easy and secure access to our services, eliminating the need for extensive paperwork.

Our purpose drives us to serve the community, integrity defines our actions, and technology propels us forward.

Homeownership is the legacy we create and the shelter we provide.

At India Shelter Finance Corporation Limited, homeownership dreams take centre stage, supported by a commitment to understanding the unique needs and the principles of integrity that pave the way for pioneering growth.

INITIAL PUBLIC OFFERING AND LISTING: A MILESTONE ACHIEVED

The financial year 2023-24 marked a significant milestone for India Shelter Finance Corporation Limited as we successfully listed the shares on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE) on December 20, 2023. The Initial Public Offering (IPO) was a resounding success, garnering overwhelming interest from investors across various categories.

Our successful IPO listing is a testament to our commitment to providing affordable housing solutions and our focus on sustainable growth. Our strong distribution network, diversified product portfolio, and customer-centric approach have been the driving forces behind our success. We will continue to leverage these strengths while exploring new opportunities in the affordable housing segment. We are humbled by the trust placed in us by our investors, and this milestone will further motivate us to execute our strategies and create value for all our stakeholders.

– MD & CEO

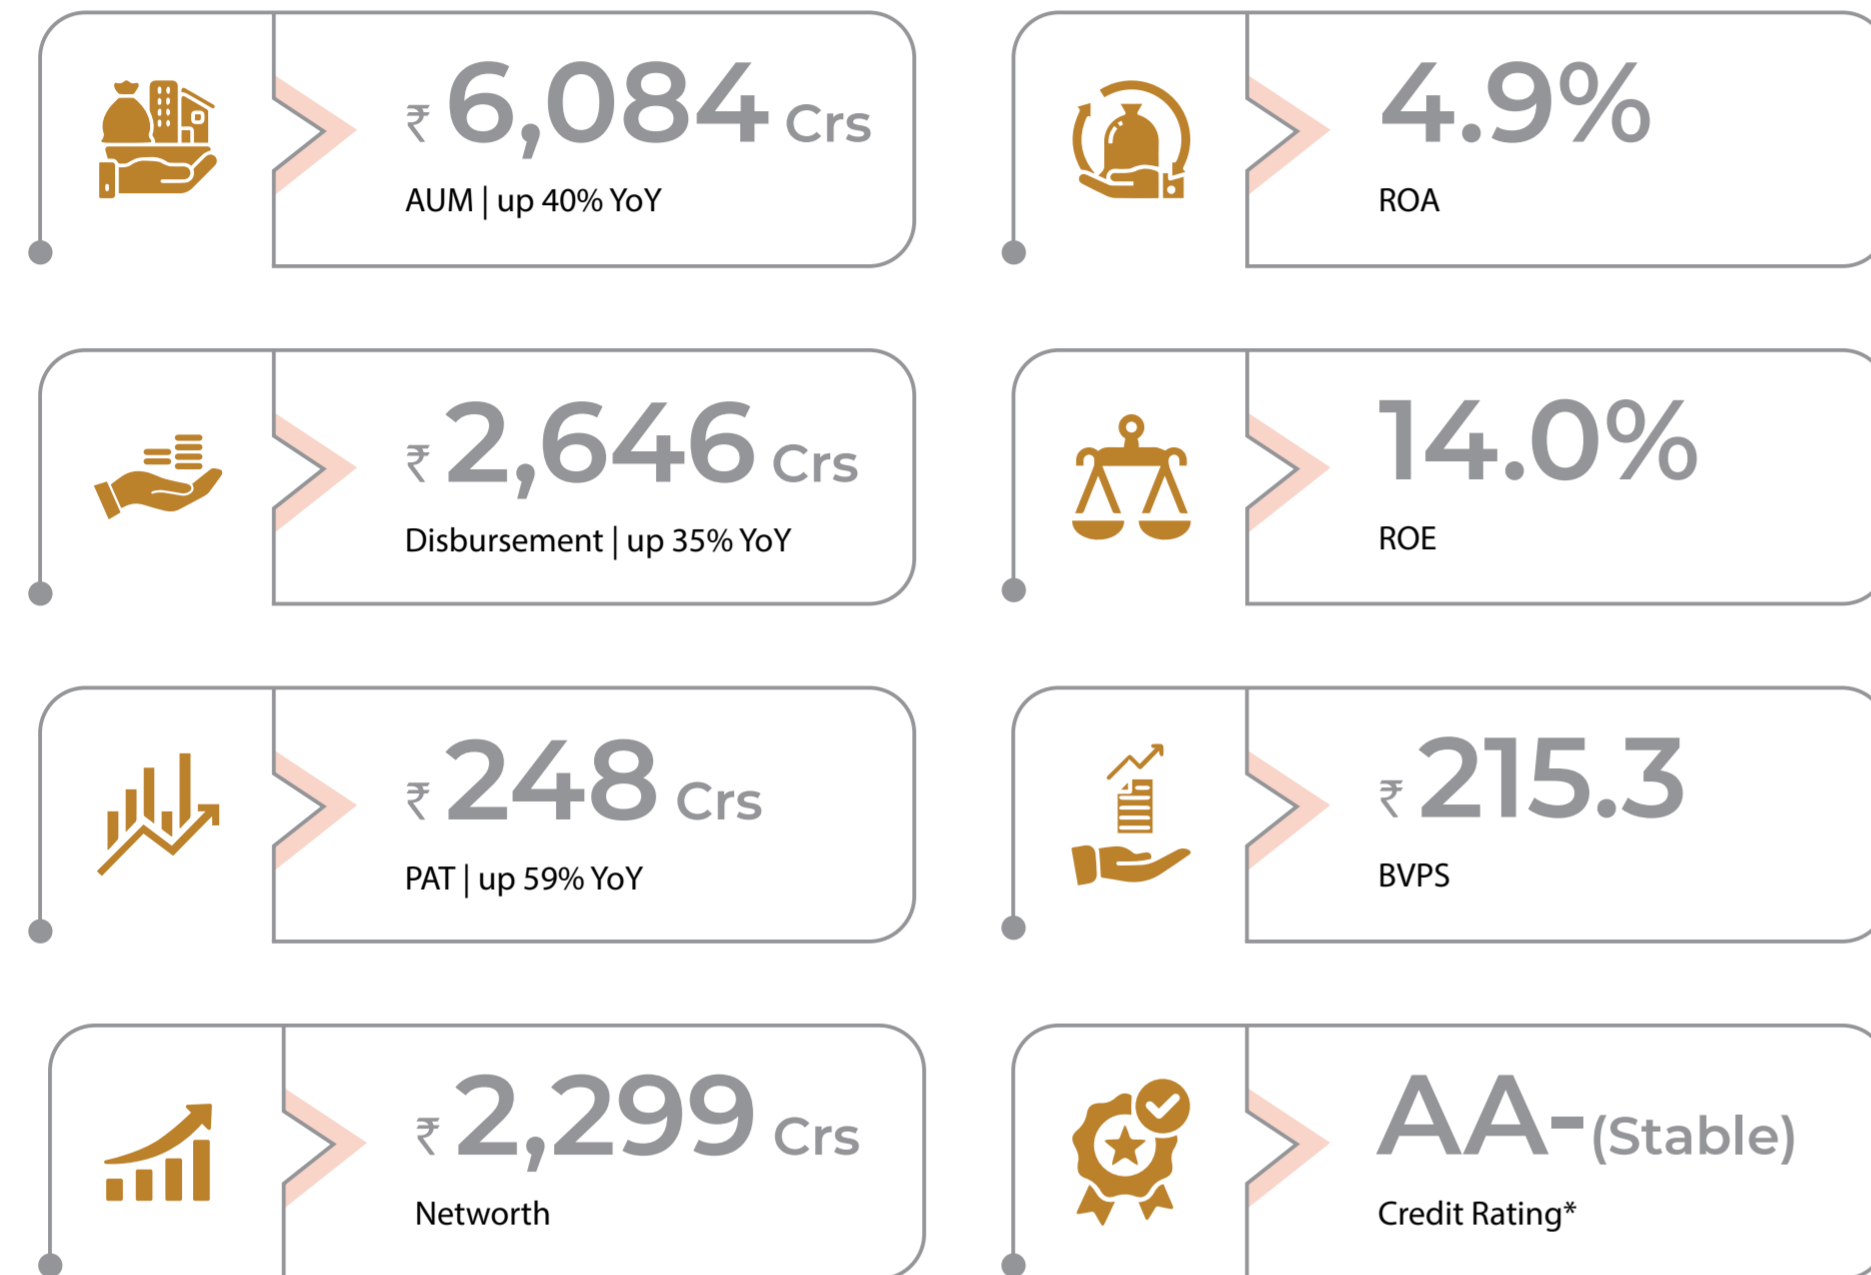

This marks the beginning of a new chapter for India Shelter Finance Corporation Limited. With a strengthened financial position and enhanced visibility, we are well-positioned to capitalise on the growing demand for affordable housing in India while maintaining our commitment to quality and customer satisfaction.

A RETAIL-FOCUSSED AFFORDABLE HOUSING FINANCE COMPANY

India Shelter Finance Corporation Limited ('India Shelter', 'our Company' or 'We') is equipped with an extensive distribution network and a scalable technology infrastructure that spans across our business operations and the entire loan life cycle. Our Company specialises in providing housing loans and loans against property, offering our customers comprehensive financial solutions to meet their diverse needs.

Established in 2010, India Shelter specialises in serving self-employed individuals with a focus on first-time home loan takers in low and middle-income segments across Tier 2 and Tier 3 cities in India.

Our Company leverages technology and analytics across our operations and throughout the customer life cycle, which includes onboarding, underwriting, asset quality monitoring, collections and customer service. We have implemented a paperless approach to customer acquisition and onboarding, with tailored mobile solutions that cater to different stages of the lending process.

With a deep commitment to governance, we stay dedicated to serving the expansive yet under-penetrated affordable housing finance industry, focussing on underserved customers through a blend of customer experience and technology.

SETTING THE FOUNDATION

India Shelter is a catalyst for social impact, contributing to the building of a more inclusive India. By addressing the pressing issue of homeownership for low- and middle-income individuals, our Company fosters a sense of pride and belonging within communities.

At India Shelter, we have emerged as a leading player in the realm of affordable housing finance, owing to the right blend of innovative underwriting strategies and a strong understanding of the requirements of our target segment. Our Company's alternative income assessment methods and technology driven processes strategically address the challenges encountered by traditional lenders in assessing self-employed borrowers. This proactive approach ensures equitable and inclusive access to credit. India Shelter's commitment to innovation extends beyond lending by leveraging technology to streamline processes, enhance efficiency, and reach more customers.

India Shelter's foundation story is one of determination, resilience, and a firm belief in the power of dreams. Our Company's commitment to excellence has propelled it to achieve consistent and impressive growth. This quality helps us establish ourselves as a force to be reckoned with in the housing finance landscape. With our unique blend of experience, expertise, and passion for innovation, we are well-positioned to continue our successful journey and redefine the boundaries of the industry.

VALUES

HONESTY

We believe in maintaining a lasting brand that requires honesty and integrity.

RESPECT

We believe in treating all of our stakeholders with decency and respect.

HARDWORK

At India Shelter, hard work is the backbone that holds the weight of our objectives and primary responsibilities as we endeavour to improve housing finance availability for everyone in the country.

MD & CEO'S MESSAGE

Dear Shareholders,

It is my privilege to present our Annual Report for the financial year 2023-24 and share the remarkable journey of India Shelter Finance Corporation Limited's progress with you. This year has been an incredible and transformative one, marked by strong financial performance and rapid footprint expansion for sustaining high growth.

The IPO Listing Story

We are driven by a purpose, a commitment to serve communities underserved by traditional financial institutions, particularly in Tier 2 and Tier 3 cities. Our operations are defined by transparency, and our commitment to customer service is guided by integrity. By harnessing our technological capabilities, we ensure that our services are not only efficient but also widely accessible. This dedication helps us empower underserved communities, making a real difference where it matters the most.

This commitment to our purpose was evident in the successful completion of our Initial Public Offering (IPO) and subsequent listing on the NSE & BSE, which marked a significant milestone for us. I would like to express my sincere gratitude to all our investors for their support in making our IPO a resounding success with a 26% listing premium. The total size of the IPO was ₹ 1,200 Crs, of which the primary issue amounted to ₹ 800 Crs. The funds raised through the IPO have augmented the capital base, a necessary impetus to expand our operations, reach more customers, and impact underserved communities. This momentous occasion was the culmination of years of dedication, perseverance, and a belief in our mission to serve affordable housing. It was a surreal and humbling experience as we rang the ceremonial bell, ushering in a new era of growth and opportunity for India Shelter.

Growing Affordable Housing Sector Providing the Necessary Boost

Our focus on the affordable housing sector has been a critical driver of our growth, and we are committed to further expanding our footprint in this space. We believe that this segment provides significant potential and are proud to contribute to developing India's housing sector. Our focus on this segment has enabled us to serve a large and growing population that needs affordable housing solutions. According to data reports, there is a requirement for many crores of houses in this segment, typically categorised as the Low-Income Group (LIG) and Middle-Income Group (MIG) sector, where the monthly income ranges from ₹ 25,000 to ₹ 60,000.

70% of Loans
First-Time Mortgage Buyers

While progress in meeting this demand has been limited, we acknowledge the growing awareness and advancements in this area, largely driven by developments in infrastructure. As demand persistently rises and progress continues, the scope for affordable housing solutions is increasing.

Our focus on the affordable housing sector has been a critical driver of our growth, and we are committed to further expanding our footprint in this space. We believe that this segment provides significant potential and are proud to contribute to developing India's housing sector. Our focus on this segment has enabled us to serve a large and growing population that needs affordable housing solutions.

Tackling this monumental challenge represents an opportunity for India Shelter and the entire affordable housing sector. We are committed to expanding our impact and sustaining the positive momentum we have achieved in the 15 states where we operate.

Key Financial and Operational Developments during the Year

During the year, we witnessed strong Asset Under Management (AUM) growth of 40% year-on-year, led by a 35% year-on-year increase in disbursements. Over the years, we have been experiencing 30-40% consistent growth, and our strategy to collaborate with people through technology is playing out well. We are confident about our medium-term growth backed by a strong distribution structure covering 15 states where 94% of the mortgage industry lies. We will continue to focus on servicing self-employed individuals in this segment, while maintaining a balanced approach to growth, asset quality, and profitability.

Our liquidity pipeline remains strong, supported by effective Asset-Liability Management. Our total income for the year increased by 42% year-on-year, while our portfolio yield remained steady at 14.9%. We have broadened our borrowing sources to include more than 35 counter parties, and our cost of funds has been maintained at 8.8%.

Our margins remained in line with our guidance for the medium term at ~6%. Operating expenses increased by 30% and Net Total Income grew by 44%, resulting in operating leverage. Our Profit After Tax (PAT) for the year was ₹ 248 Crs, up 59% year-on-year. Our Return on Assets (ROA) for the year was at 4.9% and Return on Equity (ROE) for the year was at 14.0%.

Focussing on the Underserved Customer Group

India Shelter remains committed to identifying and serving underserved customer groups. We have focussed on specific market segments—Affordable Housing and Loan Against Property—that have been overlooked by larger players in the sector. This has helped us fulfill our mission of providing financial inclusion to those whom the mainstream financial sector has traditionally underserved.

In line with our mission, we have strategically expanded our footprint in lower-tier cities, prioritising underserved borrowers. This initiative is underpinned by a comprehensive grasp of local credit dynamics and property markets, reinforced by the appointment of the Middle-Management from within each state.

The substantial number of branches opened in recent years is expected to improve productivity across our existing network, facilitating future growth. We are committed to annual expansion, with plans to add 30 to 40 branches, reinforcing our distribution network for enhanced performance. Recognising the fact that it takes time for new branches to reach peak efficiency, our focus extends to boosting productivity.

15 States

with a Strong Distribution Network

30-35%

of Consistent Growth

We are committed to annual expansion with plans to add 30 to 40 branches, reinforcing our distribution network for enhanced performance. Recognising the fact that it takes time for new branches to reach peak efficiency, our focus extends to boosting productivity.

Technological Integration to Enhance Operating Efficiency

We are pioneers in embracing technology across various functions, including origination, underwriting, collections, and servicing, adopting a technology-first approach since 2013. We were among the early adopters of Salesforce in the Indian housing finance industry and have invested in technology since our inception, focussing on ease of doing business and lower turnaround times.

We have developed mobility apps for customers, sales, credit, technical, and collections teams, enabling paperless operations and API integration with third-party service providers. Our entire loan lifecycle processes are paperless.

We are pioneers in embracing technology across various functions, including origination, underwriting, collections, and servicing, adopting a technology-first approach since 2013. We were among the early adopters of Salesforce in the Indian housing finance industry and have invested in technology since our inception, focussing on ease of doing business and lower turnaround times.

Moreover, we have developed machine learning algorithms to predict the likelihood of customer default and increase customer engagement for fraud checks. Our underwriting process involves four to five field interactions before disbursement, with extensive field checks, a 'maker-checker' mechanism, and tech augmentation to ensure a strong credit appraisal. Our collections process is deeply integrated with technology, using models to predict bounce rate, forward flow, and plan collection routes for employees.

Our field teams are empowered to make subjective assessments of borrowers' income and collateral, while leveraging technology to independently assess our borrowers' repayment capability and collateral valuation. This approach allows for the monitoring of deviations from credit policy and underwriting norms, improving the scalability of our business model.

Conclusion and Expression of Gratitude

As we look ahead, we remain determined to pursue providing affordable housing solutions and empowering the underserved segments of our society. With our strong foundation, innovative spirit, and commitment to excellence, we are confident in our ability to create long-term value for all our stakeholders while positively impacting the lives of countless individuals and communities.

I would like to express my sincere gratitude to our esteemed Board members, regulators, shareholders, valued customers

and dedicated employees for their relentless support and trust. It is through our collective efforts that we have achieved these notable milestones and laid the foundation for sustainable growth. As we move ahead, we remain committed to our mission of empowering communities through inclusivity, integrity, and technological advancements. We look forward to sharing more success stories with you in the years to come, continuing to create a positive impact together.

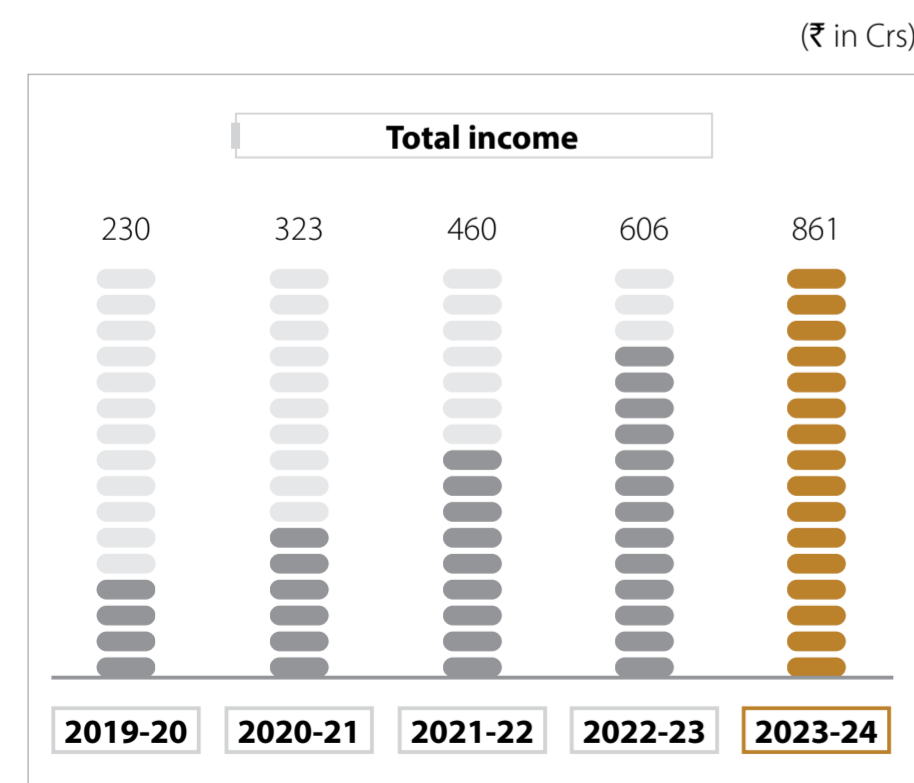

Rupinder Singh

Managing Director & Chief Executive Officer

FINANCIAL PRUDENCE

At India Shelter, our financial performance over the past fiscal years reflects our ongoing commitment to financial strength and operational excellence. Throughout this period, our Company has demonstrated resilience and adaptability in navigating the evolving economic landscape. With a focus on prudent risk management and sustainable growth strategies, we have maintained a steady trajectory, ensuring stability and value for our stakeholders.

THE JOURNEY OF GROWTH

India Shelter has embarked on a remarkable journey since 2011, evolving into a rapidly expanding affordable housing finance company. Our Company's journey testifies to our firm commitment to making a difference in the lives of our customers. Founded with a vision of providing accessible and affordable housing solutions, we have embarked on a path of continuous growth and expansion. Over the years, at India Shelter, we have strategically extended our reach, establishing a strong footprint across a wider geographical area. This expansion reflects India Shelter's dedication to serving a broader audience and catering to the diverse housing needs within the Indian market.

GEOGRAPHICAL REACH

At India Shelter, we have bolstered the scale of our operations and amplified our branch network by embracing a strategy centred on strengthening our footprint in regions with high demand for affordable housing finance. While the feet-on-street approach is centered around physical interaction with customers, the digital interface assists us in accessing a wider customer base.

Our Company's longstanding presence in these states has offered us invaluable insights into the unique intricacies of affordable housing finance within each locale. This experience has empowered us with a better understanding of local businesses and property regulations, facilitating more informed underwriting decisions grounded in precise evaluations of cash flows and collateral.

We added 40 new branches during the year to deepen our presence in existing locations, aiming to improve branch productivity and utilise operating leverage, with an increase in branch vintage.

BUSINESS PORTFOLIO

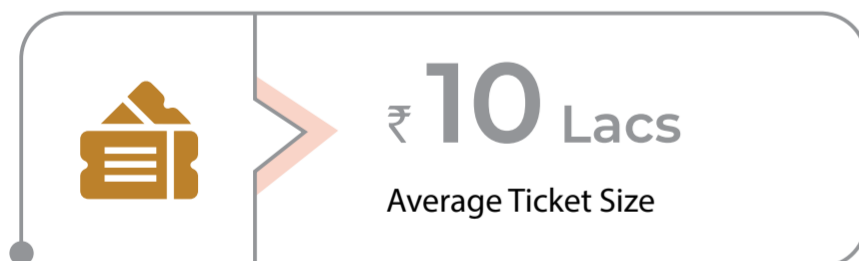

India Shelter is committed to driving financial inclusion and empowering the under banked population in India. For over a decade, our Company's range of affordable financial products has been specifically designed to address homeownership and property-related financial requirements. This comprehensive product range fosters inclusivity by making homeownership a more attainable dream for many.

Home Loans

At India Shelter, we provide home loans for internal or external repairs to existing homes, upgradation of existing homes (including addition of rooms and floors), self-construction, plot purchase and property purchase.

Loan Against Property

Our Company provides secured loans, disbursed with an identified property mortgaged as collateral. Our loans against property primarily include self-occupied residential properties.

THE BROADER VISION

Our core focus remains on providing financial support to first-time home loan applicants, particularly self-employed individuals in Tier II and Tier III cities in India.

Through our business reach, we offer loan against property and financial aid for the purchase and self-construction of residential properties.

With a strong focus on financial inclusion and promotion of affordable housing, we aim to empower women, who play a pivotal role in households. By prioritising their economic empowerment, we not only enhance household stability but also contribute to broader societal progress.

As of 31 March, 2024, self-employed customers represented 72% of our Assets Under Management (AUM). 98% of our borrowers included women applicant and 70% of our customers were first-time mortgage borrowers.

OUR STRENGTHS

At India Shelter, an array of formidable strengths fuels our position in the housing finance sector. Our Company takes immense pride in our journey of success and innovation within the housing finance sector. Our achievements are anchored by a myriad of key strengths and strategic initiatives. Furthermore, from our deep understanding of customer needs to our robust tech-driven business model, diversified distribution strategies, and unyielding focus on governance and creditworthiness, we have solidified our position as a leader in the industry.

Deep Understanding of Customer Needs

With a strong 14-year vintage, at India Shelter, we have developed a deep understanding of the customer segment and micro-markets we serve. Strengthened with strong domain knowledge, our Company understands the specific financial circumstances and challenges the low- and middle-income customer segment faces. We have tailored our underwriting process towards assessing their creditworthiness.

Tech-Driven Company with Scalable Business Model

As a technology-driven company, we leverage our cloud-based IT infrastructure to enhance lead sourcing and customer fulfilment processes. Our Company's focus on real-time updates and improved customer experiences drives efficiency, productivity, and business growth. At India Shelter, our in-house tools such as the Business Rule Engine (BRE) and Radial tool, enhance policy compliance, streamline operations, and optimise costs as we scale.

Diversified 'Phygital' Distribution

Our Company has built an extensive and diversified distribution network. We are present in 15 states, covering 94% of the affordable housing finance market. By implementing a penetrative expansion strategy, at India Shelter, we have targeted regions with high economic growth and demand for affordable housing finance, particularly in Tier II and Tier III cities. The 'Phygital' strategy optimises customer acquisition costs, enhances sales and productivity, and strengthens customer relationships, reflecting our extensive, diversified, and pan-India distribution network.

Curated In-House Processes Enable Robust Asset Quality

At India Shelter, with our robust in-house infrastructure, we ensure seamless operations and independence across key functions. Our Company prioritises localised hiring for branches to strengthen customer connections. The in-house origination model enables us to conduct all lending operations internally, reducing turnaround time and transaction costs. Our dedicated customer service solution, iServe, ensures prompt resolution of customer concerns. This approach has provided pricing power for loans, allowing us to offer competitive terms while maintaining healthy margins. As of 2023-24, 98% of disbursed loans originated in-house, demonstrating the effectiveness of our Company's operations.

Professional Management Led by Industry Veterans on Board

India Shelter's Board comprises industry veterans and Senior Management Personnel from diverse backgrounds, including credit evaluation, risk management, recovery, treasury, technology, and marketing. They bring varied experience in financial services, contributing to our Company's business growth and expansion into new geographies. Our employee retention and recognition are bolstered by our Employee Stock Options Plans (ESOPs), aligning our team's interests with our long-term success.

Strong Focus on Governance

At India Shelter, we are highly focussed on governance, which is evident from our comprehensive approach to transparency, accountability, and ethical conduct. Governance practices are deeply ingrained in our Company's culture, guiding our decision-making processes, mitigating risks, and ensuring the protection of stakeholders' interests. By prioritising governance, we not only enhance our reputation but also build trust with stakeholders, laying a solid foundation for sustainable growth and long-term success.

*IND RA (AA- Stable), CARE Rating (A+ Positive), ICRA (A+ Positive)

Enhancement of Creditworthiness

At India Shelter, we are focussed on diversifying our borrowing, optimising costs, and maintaining a positive ALM position. Our Company's current credit rating stands at AA- (Stable)*. Our borrowing costs were contained at 8.8% as of 31 March, 2024. Our Company is committed to enhancing our credit rating for better funding access and exploring co-lending for inclusive growth.

ROBUST UNDERWRITING PROCESS

At India Shelter, our comprehensive underwriting, collections, and risk management systems serve as the cornerstone of our expansion in the affordable housing finance sector, safeguarding asset quality at every turn. By prioritising the empowerment of women customers and promoting financial inclusion, our Company's dedicated teams carefully conduct in-depth credit evaluations, technical assessments, and legal verifications. Leveraging technology like mobile-first applications and verification APIs, we streamline loan approvals and conduct preventive checks. Our underwriting process, focussing on the '4 Cs' - Customer Profile, Cash Flow Assessment, Collateral Evaluation, and Controls—enables us to assess creditworthiness effectively, ensuring sustainable growth.

CUSTOMER PROFILING

- We prioritise assessing business vintage, sustainability, and customer repayment behaviour across different business cycles
- We utilise references from borrowers within the same industry or geographic region as the applicant
- We consider lifestyle indicators and living standards when selecting customer profiles for a holistic credit assessment
- We utilise credit bureau reports to evaluate and establish the repayment credentials of customers

CASH FLOW ASSESSMENT

- We excel at assessing customer cash flows and investing significant time at customers' business premises through discussions on business and household income
- We leverage technology for our credit processes, with real-time KYC validation and API-based bank statement analysis, including Account Aggregator framework, supported by our BRE to minimise errors
- We disburse funds based on a comprehensive understanding of the intended utilisation of the loan proceeds by the customer
- We conduct household visits to triangulate the income, expenses, and savings of the applicant

COLLATERAL EVALUATION

- Identification and Occupancy: Ensuring proper identification and occupancy status of the collateral
- Geo-tagging/Radial Variances: Utilising geo-tagging and the radial tool for accurate valuation
- Local By-laws: Checking compliance with local regulations
- Marketability: Assessing the marketability of the collateral

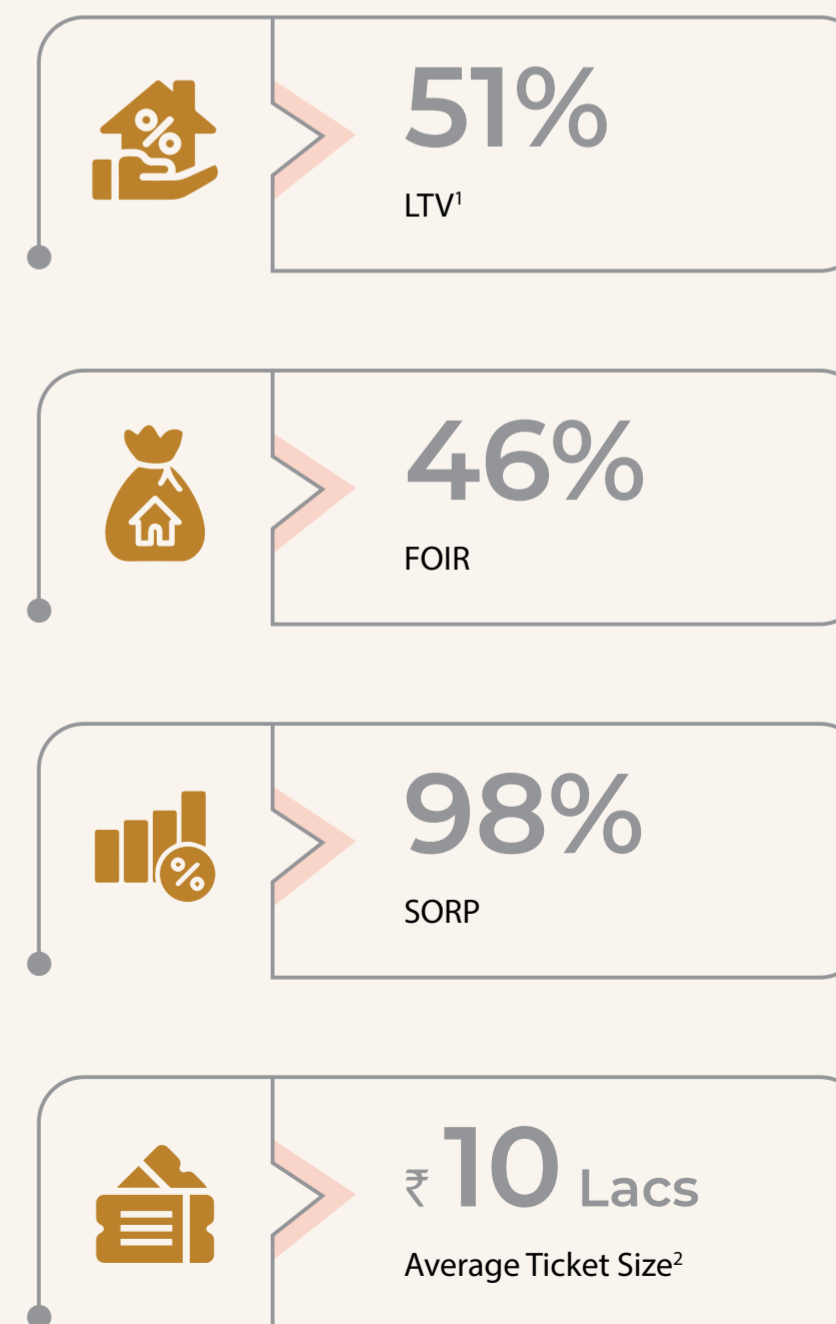

LEGAL EVALUATION

- Ensured all mortgages are executable under the SARFESI Act
- Title Check: Conducting legal opinions for title verification
- Encumbrance: Performing title searches to verify encumbrances
- Document Authenticity: Vetting legal documents for authenticity

CREDIT CONTROL

- In-house Business Rule Engine is utilised for conducting checks on customers digital presence, fraud history, negative database cross-references, pending legal or litigation issues, and other adverse findings
- Centralised Risk Containment Unit verifies the authenticity of documents provided by customers
- Centralised Credit and Hindsight Control Unit is responsible for evaluating each proposal after approval by the field credit team and before any disbursement takes place, verifying cash flow assessments conducted by the field credit team
- Maker Checker at critical processes is implemented to ensure accuracy and authenticity in critical processes
- Requirement for all applicants to visit the branch

OPERATING ENVIRONMENT

In the current operating landscape, India's economy is resilient, with a focus on robust domestic demand and growth in key sectors. HFCs and NBFCs are vital for financing underserved populations, especially in areas like affordable housing. There is also a broader trend towards financial inclusion and digital transformation in the financial services sector.

ROBUST ECONOMIC LANDSCAPE

Despite global geopolitical tensions, India's economy is expected to grow by 7.6% in 2023-24, driven by robust domestic demand and strong growth in the manufacturing and services sectors. Demand for credit is likely to remain strong, especially among MSMEs and retail, projected to grow by 13.5–14.0%. NBFCs have emerged as a crucial source of finance for a large segment of the population, including SMEs and underserved & unserved communities, efficiently meeting diverse financial needs. Non-bank money lenders have played a vital role in financial inclusion, supporting the growth of millions of MSMEs and self-employed individuals. The percentage of urbanisation is also expected to increase further in the years to come, thereby translating into higher demand for housing and related amenities in urban areas. Several drivers such as rising urbanisation, growing disposable income, favourable demographics and government measures are expected to lead to higher mortgage penetration going forward.

At India Shelter, we primarily finance the purchase and self-construction of residential properties by first-time home loan takers through home loans and also offer loans against property. Our focus is on serving low- and middle-income, salaried and self-employed individuals in Tier II and Tier III cities in India. The majority of our customers have a monthly income of up to ₹ 50,000, and our loan portfolio comprises mostly loans with principal amounts less than ₹ 2.5 million. India Shelter maintains a conservative average loan-to-value ratio for home loans and loans against property, with a lending portfolio entirely dedicated to the retail segment and a focus on loans with self-occupied residential property as collateral.

OPPORTUNITIES IN THE UNDER PENETRATED RURAL MARKET

India's housing shortage has been well documented over the years with potential demand for housing by 2022 pegged at 100 million units as per the Reserve Bank of India's Report of the Committee on the Development of Housing Finance Securitisation Market in September 2019. LIG (Low Income Group) and EWS (Economic Weaker Section) account for 95% of the shortage, while MIG (Middle Income Group) and above account for the remaining 5%. Total demand to fulfil the entire shortage in value terms is estimated at ₹ 50-60 trillion. Understanding and bridging this housing gap is crucial for India's inclusive growth and sustainable development.

By targeting this segment, India Shelter can tap into a market with substantial growth potential, where demand for housing finance is on the rise due to factors like increasing disposable income and a growing desire for homeownership. This strategic approach allows our Company to cater to a segment that is often underserved by traditional financial institutions, presenting a unique opportunity for us to expand our reach and generate higher yields on advances. The under-penetrated rural market offers India Shelter a promising avenue for growth and market expansion, positioning us to capitalise on the increasing demand for affordable housing finance in these regions.

THE GROWING AFFORDABLE HOUSING FINANCE AND LAP SEGMENT

The growing Affordable Housing Finance and Loan Against Property (LAP) segment signifies a strategic shift among Affordable Housing Finance Companies (AHFCs) to diversify their loan portfolios. While housing loans continue to dominate AHFCs' loan books, accounting for 74% of the total share as of 2023, there is a noticeable trend towards increasing the share of non-housing segments, particularly LAP. This move is aimed at mitigating margin pressures and complying with regulatory guidelines such as the RBI's requirement for HFCs to have 60% of their portfolios in housing finance by 2024. AHFCs are focussing on LAP within the non-housing segment, unlike prime HFCs that diversify through builder book/construction finance. This strategic shift underscores AHFCs' adaptability and proactive approach to evolving market dynamics.

We have witnessed significant growth in the affordable housing finance segment, achieving a remarkable 5-year CAGR of 32% in assets under management from 2020-21 to 2023-24. Our scalable technology infrastructure and extensive distribution network have played pivotal roles in expanding our business operations. This strategic approach has empowered us to meet the evolving needs of customers seeking financial solutions backed by property assets. The growth witnessed in both the affordable housing finance and LAP segments underscores our commitment to serving a diverse customer base and seizing opportunities in India's burgeoning housing finance market.

RISING POPULARITY OF EFFICIENT NBFCs EMPOWERING UNDERSERVED SEGMENTS

NBFCs have emerged as a crucial source of finance for a large segment of the population, including SMEs and economically unserved and underserved people. They have managed to cater to the diverse needs of the borrowers in the fastest and most efficient manner, considering their vast geographical scope, understanding of the various financial requirements of the people and extremely fast turnaround times. Non-bank money lenders have played an important role in the financial inclusion process by supporting the growth of millions of MSMEs and independently employing people. The sector has grown significantly, with several players with heterogeneous business models starting operations. The last few years have seen a transformation in the Indian financial services landscape. The increasing penetration of neo-banking, digital authentication, the rise of UPI and mobile phone usage as well as mobile internet has resulted in the modularisation of financial services, particularly credit.

At India Shelter, our focus on the affordable housing finance segment aligns with the trend of NBFCs catering to the financial needs of underserved populations. Our Company's significant AUM growth serves as a testament to our efforts in addressing the housing finance requirements of this segment. By tapping into market demand, expanding our customer base, and enhancing our revenue streams, we have positioned ourselves as a key player in providing financial solutions to segments that are traditionally underserved by mainstream financial institutions.

STRATEGIC IMPERATIVES

At India Shelter, our strategies underscore our commitment to innovation, growth, and customer-centricity in the affordable housing finance sector. It centres on our key priorities and initiatives aimed at driving sustainable success. By focussing on deepening market penetration, enhancing operational efficiency, and fostering a culture of honesty & transparency, our Company aims to solidify our position as a leader in the industry.

EXPANDING REACH AND DEEPENING PENETRATION

At India Shelter, we aim to expand our footprint in adjacent markets, strategically increasing our reach and penetration in untapped areas. This, along with improved branch efficiency, will drive overall growth.

OPTIMISING BORROWING STRATEGY

Recognising the importance of a diversified and cost-effective borrowing approach, we plan to enhance our credit rating, prioritise long-term borrowings, and explore co-lending opportunities to secure capital at competitive rates.

LEVERAGING TECHNOLOGY FOR EFFICIENCY

Technology will play a pivotal role in our Company's growth strategy, improving lead generation and customer service processes. Internal data models will also be used to identify potential default risks and strengthening financial stability.

BUILDING BRAND EQUITY AND SUSTAINABILITY

At India Shelter, we aim to boost our brand presence by focussing on Tier II and Tier III cities. Additionally, fostering a positive work environment will help attract and retain top talent, supporting our Company's long-term sustainability.

OUR MARKETING SYMPHONY

At India Shelter, our marketing strategy seamlessly integrates technology, personalised interactions, and data analytics to deliver a seamless customer experience. Our 'Phygital' strategy combines a dedicated and experienced sales force with targeted social media campaigns and data-driven customer insights. This allows our Company to not only nurture trust-based relationships with potential homeowners but also optimise sales efforts and maximise brand awareness. India Shelter's marketing efforts include data analysis for customer segmentation and targeting, allowing us to reach our audience effectively. By utilising social media and client databases, we strategically target potential customers, expanding our reach and engagement. Our marketing structure follows a multi-tiered approach that includes various components and strategies, as detailed alongside.

A 'PHYGITAL' BLEND

Our 'Phygital' strategy seamlessly combines a dedicated and experienced sales force with targeted social media campaigns and data-driven customer insights. This allows us to:

-  **Build Relationships:** Foster trust and personalised interactions with potential homeowners.
-  **Optimise Sales Efforts:** Concentrate resources and efforts on the most promising leads.
-  **Maximise Brand Awareness:** Expand our reach and establish brand recognition across various platforms.

DATA-DRIVEN TARGETING

India Shelter's marketing strategies utilise data analytics to segment and target customer audiences effectively. This allows:

-  **Customer Segmentation:** Develop targeted messaging and strategies for distinct customer groups based on demographics, behaviour, and psychographics.
-  **Strategic Communication:** Craft compelling narratives across social media and client databases to reach the right audience with the right message.

MULTI-TIERED APPROACH

Our marketing strategy in today's competitive landscape is about understanding our audience, building relationships, and guiding them through a seamless customer journey. We incorporate several key tiers, working together to achieve this goal.

Strategic Marketing

-  Conduct market research to understand customer needs and preferences
-  Identify target market segments based on demographics, behaviour, and psychographics
-  Develop marketing strategies to reach and engage with potential customers
-  Focus on market analysis, competitive positioning, and identifying growth opportunities

Product Marketing

-  Create compelling value propositions for different loan products
-  Develop product messaging that highlights unique features and benefits
-  Communicate effectively to drive customer interest, generate leads, and onboard customers

Digital Marketing

-  Utilise online channels like social media, SEO, and online advertising
-  Expand reach and drive targeted campaigns for lead generation and brand awareness
-  Engage third-party agencies for performance marketing and media partnerships

Customer Relationship Management

-  Personalise customer communication for enhanced engagement
-  Ensure seamless grievance redressal and post-sales support
-  Build customer loyalty and generate referrals through satisfactory service

Public Relations & Advertising

-  Enhance brand visibility through industry events and exhibitions
-  Issue press releases to improve brand reputation
-  Run targeted advertising campaigns to reach specific audiences

ENVIRONMENTAL GUARDIANSHIP

At India Shelter, our environmental initiatives are centred around enhancing energy efficiency and managing waste, including e-waste. Through digitalising our Company's lending process, we are committed to minimising paper usage and encouraging sustainable practices throughout our operations. India Shelter has been certified by JAN GRIHA for our Green Home initiative. This prestigious recognition highlights our relentless pursuit of eco-conscious living and sets a new benchmark for sustainable housing practices in the industry. We provide financing options tailored for green housing projects and actively support eco-friendly initiatives within the housing sector.

INCLUSIVE CULTURE FOR OUR PEOPLE

At India Shelter, we nurture human capital as a key responsibility, forming the backbone of our operations. In line with this approach, we have adopted a three-dimensional strategy: Get, Keep, and Grow. It focusses on effectively acquiring, retaining, and developing the talent pool.

GET

India Shelter has implemented comprehensive strategies to attract top-quality candidates, with 95% sourced through employee referrals, highlighting the success of our referral programme.

KEEP

India Shelter promotes a culture of excellence, performance & meritocracy through various rewards and recognition programmes, including Long Service, Adversity, ICON Awards, Performance, Behind the Scenes, and Woman of Substance Awards, celebrating excellence within our organisation.

GROW

At India Shelter, we have invested significantly in employee development to support our ambitious business plans, focussing on building capabilities and maximising potential.

CAREER ADVANCEMENT

At India Shelter, we focus on the career growth of our people, with our leadership team actively supporting internal promotions based on performance. We offer career discussions through our Pragati programme, ensuring high-potential employees have opportunities for professional growth within the organisation.

EMPLOYEE DEVELOPMENT AND WELL-BEING

At India Shelter, we prioritise the development and well-being of our employees, ensuring a healthy and balanced work environment. Here are some initiatives that we have implemented:

- Parambh – A Leadership Journey
- India Shelter Child Scholarship Programme
- Mandatory Health Check-Up
- Yoga Classes
- Fitness Community

EMPLOYEE REWARD AND RECOGNITION

At India Shelter, we foster a work culture that inspires and motivates our employees to deliver their best each day. Our Company firmly believes in recognising and celebrating excellence, creating an environment that promotes healthy competition and rewards outstanding achievements. To achieve this, we have established a robust Reward & Recognition programme that highlights the exceptional contributions of our employees.

- 19,142** Person hours of training provided in 2023-24
- Multiple policies to create a safe and conducive work environment
- 290+** Employees are covered under the ESOP programme, comprising 9% of the total employee base and 23% of the employee base, excluding frontline staff
- Employment generated in Tier II, III & IV cities
- 25%** Women representation on the Board
- 20%** Women representation at corporate office

CUSTOMER DELIGHT

In our journey at India Shelter, we recognise the pivotal role of customer centricity in our operations. Catering to customers within the low and middle-income strata underscores our commitment of prioritising their needs and satisfaction. By tailoring financial solutions to align with the unique requirements of these segments, fostering transparency, and delivering efficient services, our Company demonstrates firm commitment to customer centricity. This approach not only cultivates enduring customer loyalty but also propels our overall success and growth within the affordable housing finance segment.

ELEVATING CUSTOMER DELIGHT THROUGH TECHNOLOGICAL ADVANCEMENTS

Streamlined onboarding experience

Integration of technology-led programmes such as E-Nach, E-Sign, and E-Stamp

Utilisation of data analytics for credit underwriting

Expedited disbursements with thorough quality checks

Multi-channel customer engagement

Round-the-clock customer service through IVR (Interactive Voice Response)

Seamless digital service modules

Paperless processes

HOW DIGITALISATION BROUGHT INDIA SHELTER CLOSER TO CUSTOMERS

Boundary-Less Organisation

Embracing digitalisation has led to a collaborative and interconnected organisation.

Omni-Channel Transformation

Integration of multiple touchpoints has facilitated a transition to an omni-channel strategy, ensuring seamless customer interactions across various platforms.

Empowered Demand Forecasting

Digitalisation has strengthened India Shelter's demand forecasting capabilities by providing enhanced access to customer preferences and responses across geographies, enabling better anticipation of market needs.

THE ROLE OF TECHNOLOGY WITHIN OUR BUSINESS

- Technology is integrated into every operation at India Shelter.
- Our Company leverages technology to gain a comprehensive understanding of customers throughout their engagement lifecycle.
- Through technology, we offer the best turnaround time, address emerging customer needs, and provide additional offerings, ultimately leading to higher customer retention.
- Our Company thoroughly examines various technology options and tailors them to meet our specific requirements, ensuring a seamless alignment between customer demands and our services.
- We have introduced innovative business use cases of technology such as geo-tagging for radial delinquency, valuation, and income assessment, lead eligibility and filtering, IRIS-based Aadhaar e-KYC with built-in biometric scans on tablets, E-Stamping, and insurance calculators.

HOW OUR COMPANY'S TECHNOLOGY PERSONALITY IS OUR BRAND

Simplifying Complex Processes

India Shelter excels at simplifying complex processes, automating labour-intensive tasks, and delivering extended services instantly, showcasing a commitment to efficiency and innovation.

Commitment to Service

We are renowned for our relentless commitment to serving customers with a smile, assurance, and speed, highlighting a customer-centric approach.

Innovative Business Practices

The ability to leverage technology empowers India Shelter to engage in traditional business practices in a modern and innovative manner. This approach challenges existing paradigms with a sense of urgency, passion, and the ability to design solutions that go beyond the ordinary, demonstrating a forward-thinking and progressive attitude.

OUR TECHNOLOGY INVESTMENTS HAVE PRIORITISED

Flexible Systems

At India Shelter, our strategic investments focus on flexible systems that facilitate smooth upgrades to the latest versions, ensuring we remain updated with technology trends.

Pure Software-as-a-Service (SaaS) Technologies

Our Company prioritises investments in pure SaaS technologies, which offer pricing based on usage, modular architecture, and adaptability. This approach ensures we are constantly prepared for future technological advancements.

Cloud Migration

We have taken steps to migrate all our knowledge capital to the cloud, enabling online access to our systems and data anytime, anywhere, enhancing flexibility and accessibility.

OUR COMPANY HAS ACHIEVED A HIGH LEVEL OF AUTOMATION

Mobile-Based Technology for Field Force

Investment in mobile-based technology for our entire field force, aimed at improving responsiveness, saving time, and enhancing customer satisfaction.

Investments in Top-Tier Systems

Prioritisation of investments in top-tier systems, efficient data management, and third-party online data services to optimise our Company's credit and operational functions.

Accessible Technology Stack

At India Shelter, our technology stack is accessible round the clock, from anywhere, ensuring continuous availability and convenience for our operations.

CASE STUDY

Loan Granted for Construction Purposes (Uttarakhand)

Challenge

Our customer applied for a home loan for construction on a pre-owned parcel of land. The customer did not have any previous loan history or documentary evidence of cash flows.

Tech-Driven Solutions

-  Automated Income Assessment: Public data + cash register app data
-  Radial Variances: Benchmarks and property value checks
-  E-Verification & Background Checks: Secure mobile & bank verification (social media checks)
-  E-signing & Disbursement: Digital paperwork and fast loan transfer

Benefits

-  Loan approval in 4 days*
-  No paperwork (entire process digital)
-  Enhanced security (e-verification)
-  Improved customer experience (faster and transparent)

FOR THE COMMUNITY

At India Shelter, we are deeply dedicated to catalysing positive change by uniting our employees and communities to create a profound impact on our society. Our Company's initiatives are strategically designed to empower communities through targeted interventions in crucial areas such as healthcare, education, women empowerment, and societal welfare. Guided by our corporate social responsibility (CSR) policy, we are committed to implementing sustainable solutions that generate enduring benefits for the communities we serve. Here are the details of some of India Shelter's CSR initiatives:

OUR CSR INITIATIVES

Education Initiative – An initiative to empower young girls through education

Under this initiative, we are working towards eradicating classroom hunger by providing mid-day meals to underprivileged children in partnership with the Akshaya Patra Foundation.

8,500+
Government school children supported with mid-day meals in Hubli and Jaipur

₹ 8,750,000
Contributed to Akshaya Patra Foundation under our education initiative

Healthcare Initiative – An initiative to support underprivileged women and young girls with better healthcare facilities

Through our healthcare initiative, we extend a helping hand to underprivileged women and young girls, offering them access to better healthcare facilities. This initiative embodies our commitment to nurturing a healthier future, bringing rays of hope and healing to those in need.

Under our healthcare initiative, we have partnered with Bansi Vidya Memorial Trust. With this partnership, we are supporting leukaemia-affected young girls by supporting their treatment and providing financial support to them.

We have partnered with the Impact Guru Foundation, a collaboration that aims to illuminate the lives of underprivileged communities through enhanced healthcare facilities. This initiative reflects our commitment to making a meaningful impact and bringing positive change to those in need.

₹ 8,817,288
Contributed to the Impact Guru Foundation

276
Children supported in the treatment against leukaemia

₹ 8,500,000
Contributed to the Bansi Vidya Memorial Trust

Women Empowerment Initiative – An initiative to upskill and empower young girls and women from underprivileged areas

We have partnered with the Paralympic Committee of India to empower para-athletes by extending financial support for their training and providing sport kits, showcasing their incredible accomplishments, and promoting the importance of sports for people with disabilities.

₹ 3,990,000
Contributed to the Paralympic Committee of India

STAKEHOLDER ENGAGEMENT

At India Shelter, we integrate diverse stakeholder perspectives, concerns, and expectations into our decision-making and practices through structured and inclusive engagement. Their feedback drives our Company's performance, aligning our efforts with their evolving needs. This initiative builds trust, fosters relationships and creates shared value. We are committed to open dialogue, listening and integrating feedback for sustainable outcomes.

OUR GOVERNANCE PHILOSOPHY

At India Shelter, we uphold the highest standards of ethical integrity, corporate governance, and regulatory compliance, which serve as the bedrock of our corporate governance policy. Embracing a proactive approach, our Company continuously refines and elevates our adherence to best governance practices. Central to this commitment is our esteemed Board of Directors, whose guidance steers the trajectory of our Company and assesses our performance against the highest governance benchmarks.

Additionally, our evaluation criteria encompass a comprehensive spectrum, including compliance, internal control, risk management, information and cybersecurity, customer service, as well as social and environmental responsibility.

KEY POLICIES

Customer Grievance Policy

This policy ensures a timely, fair, and thorough resolution of customer complaints through an effective grievance management process.

Whistle-Blower Policy

This policy encourages and supports employees to promptly report any suspicions or observations of actions that may indicate corrupt, illegal, or unethical conduct.

Prevention of Sexual Harassment (POSH)

This policy shows our commitment to zero-tolerance towards sexual harassment, ensuring a safe and respectful workplace for all employees.

Equal Opportunities

This policy helps maintain a state of stringent non-discrimination ensuring fair treatment for all employees regardless of gender, age, social status, or religious beliefs.

Second Innings Policy

Through this policy, we actively encourage and support women to rejoin the workforce after a career break for personal reasons.

KEY RESPONSIBILITIES OF THE BOARD

The Board plays a crucial role as the guardian of our Company's stakeholders, overseeing and guiding all business operations. With a focus on corporate performance, the Board reviews, evaluates, and approves strategic investments, while ensuring vigilant oversight of regulatory compliance and corporate governance matters. By offering invaluable guidance and strategic direction, the Board enables the Management team to navigate complex challenges and seize opportunities. Working closely with the specialised committees, the Board provides leadership and wise counsel, ensuring that India Shelter operates optimally in the best interests of all stakeholders.

CORPORATE SOCIAL RESPONSIBILITY

At India Shelter, we firmly believe in the power of making a difference, one step at a time. Our unwavering dedication lies in creating meaningful change by bringing together our employees and communities to have a positive impact on every aspect of society. Whether it is the economic, social, or environmental imperatives, we are committed to fostering growth and development. To achieve this, we empower communities through targeted interventions in crucial areas such as healthcare, education, skill development, and societal welfare. We extend a helping hand to the underprivileged children and their families, providing a ray of hope in their darkest hours with our initiatives like Education, Healthcare, and empowerment. Through collaborative efforts and a people centric approach, we strive to make a lasting difference. We strive towards the progress of society, through our Corporate Social Responsibility (CSR) policy, which lays down the action plan for defining how CSR is to be implemented and is in compliance with the Schedule VII of the Companies Act, 2013. The said policy is available at <https://www.indiashelter.in/investor-relations>.

The Board constituted the Corporate Social Responsibility Committee in terms of the provisions of Section 135 of the Act and is chaired by an Independent (Non-Executive Director).

The Corporate Social Responsibility Committee of your Company as on 31 March, 2024 comprises three members including two independent directors as below:

Independent Directors

Independent Directors are appointed for a specific term based on the recommendations of the Nomination and Remuneration Committee by the Board and the members at their respective meetings. Independent Director acts as a guide, coach, and mentor to the Company. The role of an Independent Director includes improving corporate credibility and governance standards and helping in managing risk.

Meeting of Independent Directors

In compliance with Regulation 25 (3) of the Listing Regulations and Schedule IV of the Act, separate meetings of Independent Directors were held two times, on 07 December, 2023 and on 08 February, 2024 in 2023-24, without the presence of Non-Independent Directors and members of the management.

Declaration by Independent Directors

The Independent Directors have submitted declaration of independence, as required pursuant to sub-section (7) of Section 149 of the Companies Act, 2013 stating that they meet the criteria of independence as provided in sub-section (6) of Section 149 of the Act and in terms of Regulation 25(8) of Listing Regulations, they have confirmed that they are not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

They have also confirmed compliance with the provisions of Rule 6 of Companies (Appointment and Qualification of Directors) Rules, 2014 relating to the inclusion of their name in the databank of Independent Directors maintained by Indian Institute of Corporate Affairs (IICA). The terms and conditions of appointment of Independent Directors are available on the Company's website.

Fit & Proper Criteria

The Company has formulated and adopted a Policy on Fit & Proper Criteria for the Directors as per the provisions of the RBI Master Directions.

Familiarisation Programmes for The Independent Directors

The Familiarisation Programme of your Company endeavours to familiarise Independent Directors with the Housing Industry scenario and to keep the Independent Directors in the loop with matters relating to the industry in which Company operates, its business model, the operational and financial performance of the Company, risk matrix, mitigation and management, governing regulations, overall socio economic regime of the industry, information technology including cyber security, and major developments and updates on the Company so as to enable them to take well-informed decisions in a timely manner. Further, at the time of appointment of an Independent Director, the Company issues a formal letter of appointment outlining his/ her role, function, duties and responsibilities. The details of familiarisation programme imparted to independent directors and policy of the Company are available on the Company's website at <https://www.indiashelter.in>.

ANNEXURE - 2 (Contd.)

RISK MANAGEMENT COMMITTEE

The Board constituted the Risk Management Committee in terms of the provisions of RBI Master Directions and Regulation 21 of the SEBI Listing Regulations and is chaired by a Non-Executive Independent Director to identify the risks that can create an impact

Directors	Designation	DIN
Mr. Parveen Kumar Gupta	Independent Director (Chairman of the Committee)	02895343
Mr. Thomson Thomas	Independent Director	09691435
Mr. Rupinder Singh	Managing Director and Chief Executive Officer	09153382
Mr. Sudhin Bhagwandas Choksey	Non-Executive Director (Nominee)	00036085
Mr. Shailesh J. Mehta	Non-Executive Director (Nominee)	01633893
Mr. Sharad Pareek	Chief Risk Officer	-
Mr. Ashish Gupta	CFO	-

Your Company had Board-approved Credit and Risk Management Policies wherein all material risks faced by your Company were identified and assessed. Your Company set up a policy framework for ensuring better management of its asset and liability profile.

The Risk Management Policy of the Company has been approved by the Board which is enclosed which is available at the Website of the Company at <https://www.indiashelter.in/investor-relations>.

During the year, the Risk Management committee reviewed the risks associated with the business of the Company, its root causes and the efficacy of the measures taken to mitigate the same. The Board of Directors of your Company with the intent to implement a consistent, efficient, and economical approach to identify, evaluate, respond and mitigate key risks that may impact business objectives of your Company and in order to minimise the frequency and impact of risks, have adopted Risk Management Policy.

Terms of reference as prescribed by the Board shall inter alia, include, –

- review, assess and formulate the risk management system and policy of our Company from time to time and recommend for an amendment or modification thereof, which shall include: (a) a framework for identification of internal and external risks specifically faced by our Company, in particular including financial, operational, sectoral, sustainability (particularly, environmental, social and corporate governance related risks), information, cyber security risks or any other risk as may be determined by the Risk Management Committee; (b) measures for risk mitigation including systems and processes

on the Company and to take appropriate measures to mitigate such risks for assisting the Board to establish a risk culture and risk governance framework in the organisation. The Risk Management Committee of your Company as on 31 March, 2024 comprises of Seven members including Two independent directors as below:

for internal control of identified risks; and (c) business continuity plan;

- ensure that appropriate methodology, processes and systems are in place to monitor and evaluate risks associated with the business of our Company;
- monitor and oversee implementation of the risk management policy, including evaluating the adequacy of risk management systems;
- periodically review the risk management policy, at least once in two years, including by considering the changing industry dynamics and evolving complexity, and recommend for any amendment or modification thereof, as necessary;
- keep the Board of directors of our Company informed about the nature and content of its discussions, recommendations and actions to be taken;
- review the appointment, removal and terms of remuneration of the chief risk officer (if any);
- to implement and monitor policies and/or processes for ensuring cyber security; and
- any other similar or other functions as may be laid down by Board from time to time and/or as may be required under applicable law, as and when amended from time to time, including the SEBI Listing Regulations.

The Risk Management Committee met four times during the year under consideration on [1] 08 May, 2023; [2] 14 August, 2023; [3] 25 October, 2023; and [4] 09 February, 2024.

ANNEXURE - 2 (Contd.)

ANNEXURE

MD & CFO Certificate

We hereby certify that:

1. We have reviewed the Audited Financial Statements and the cash flow statement for the financial year ended 31 March, 2024 and that to the best of our knowledge and belief:
 - a. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - b. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's code of conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
4. We have indicated to the auditors and the Audit Committee that there are no:
 - a. significant changes in internal control over financial reporting during the year;
 - b. significant changes in accounting policies during the year requiring disclosure in the notes to the financial statements; and
 - c. instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

ANNEXURE - 3

Independent Company Secretary's certificate on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,

The Board of Directors

India Shelter Finance Corporation Limited

6th Floor, Plot No. 15, Sector - 44, Institutional Area,

Gurgaon-122002, Haryana, India.

We have examined the compliance of the conditions of Corporate Governance by **India Shelter Finance Corporation Limited ("the Company")** having CIN: L65922HR1998PLC042782 and having registered office at 6th Floor, Plot No. 15, Sector - 44, Institutional Area, Gurgaon-122002, Haryana, India for the year ended 31 March 2024 as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and Paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("SEBI Listing Regulations") read with Regulation 34(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the financial year ended March 31, 2024.

MANAGEMENT'S RESPONSIBILITY

The compliance of conditions of Corporate Governance is the responsibility of the Management of the Company. This responsibility includes the designing, implementing and operating effectiveness of internal control to ensure compliance with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations.

OUR RESPONSIBILITY

Our responsibility is limited to examine the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

OPINION

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Para C and D of Schedule V of the SEBI Listing Regulations during the year ended 31 March 2024.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the company.

The Company firmly believes that it has commitment to all its stakeholders - customers, employees and the community.

India Shelter's key CSR initiatives were undertaken with a long-term view. Initiatives that are sustainable, that have long-term benefits to the society at large.

We have a CSR policy which lays down the action plan for defining how CSR is to be implemented and is in compliance with the Schedule VII of the Companies Act, 2013. The CSR programs undertaken by the Company largely fall in the areas of improving awareness of communities towards Education and medical aid.

2. THE COMPOSITION OF THE CSR COMMITTEE AS ON 31 MARCH, 2024

Directors	Designation	DIN
Ms. Savita Mahajan	Independent Director (Chairman of Committee)	06492679

23. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, and approach to adapt or mitigate the risk along with its financial implications, as per the following format

S. no.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (indicate positive or negative implications)
1.	Affordable housing	 	<p>Opportunity There is a significant credit gap among the underserved population, and addressing this through financial inclusion presents a substantial opportunity for the Company</p> <p>Risk Company primarily funds customer in LIG, MIG segment which largely comprises un-documented income, incorrect assessment of income, collateral can impact recovery prospects</p>	<p>The Company has an experienced field underwriting team that operates independently of sales and other functions. This field team is structured into three verticals, i.e., credit underwriters, legal verification, and technical valuation. These teams work in parallel and independently to ensure efficient decision-making and are supported by the Company's mobile-first digital infrastructure, enhancing their capabilities.</p> <p>Additionally, the Company has a dedicated centralised team that provides oversight to the field credit team, ensuring a strong maker-checker process.</p>	<p>Positive Enabling the customers from LIG & MIG segment to construct their dream homes by enabling credit</p> <p>Negative Lack of adequate income/property documents makes credit assessment and underwriting a difficult task</p>
2.	Social capital		Maintaining healthy relationships with local communities has enabled the Company to effectively contribute to social development and thus create a foundation for a sustainable business	-	Positive Social activities help build trust among communities and contribute towards their betterment and upliftment
3.	Human capital		We cultivate a positive work environment, enhancing satisfaction, productivity, and engagement by prioritising employee health and well-being	-	Positive Effective talent management process leads to improved productivity and performance, resulting in achieving desired goals and business targets
4.	Corporate governance		Effective corporate governance enhances transparency, accountability, and investor confidence, leading to improved financial performance and access to capital	-	Positive Corporate governance has a significant financial impact. Adhering to these guidelines improves the Company's reputation. It helps build trust among stakeholders, such as investors and regulators, by providing long-term support and acting as a key differentiator
5.	Sustainable finance		Integrating sustainability into our operations and investments can lead to increased competitiveness, cost savings, and access to new markets.	-	

SECTION B MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

☑ Yes ☒ No

It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

SECTION C PRINCIPLE-WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorised as 'Essential' and 'Leadership'. While the essential indicators are expected to be disclosed by every entity mandated to file this report, the leadership indicators may be voluntarily disclosed by entities that aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

Principle 1 Businesses should conduct and govern themselves with integrity and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year

Segment	Number of trainings programs held	Topics/principles covered under the training and its impact	Percentage of persons in respective category covered by the awareness programs
Board of Directors *	1	Code of Conduct, Health and Safety, Prohibition of Sexual Harassment	100%
Key Managerial Personnel	1	Code of Conduct, Health and Safety, Prohibition of Sexual Harassment	100%
Employees other than BoD & KMPs	Regular and Ongoing	Skill up-gradation, Health and Safety, Prohibition of Sexual Harassment	100%
Workers	-	-	-

* Includes only MD & CEO

2. Details of fines/penalties/punishment/award/compounding fees/settlement amount paid in proceedings (by the entity or by directors/KMPs) with regulators/law enforcement agencies/judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

Monetary					
	NGRBC principle	Name of the regulatory/enforcement agencies/judicial institutions	Amount (in ₹)	Brief of the case	Has an appeal been preferred? (Yes/No)
Penalty/fine			Nil		
Settlement			Nil		
Compounding fee			Nil		

Non-monetary				
	NGRBC principle	Name of the regulatory/enforcement agencies/judicial institutions	Brief of the case	Has an appeal been preferred? (Yes/No)
Imprisonment			Nil	
Punishment			Nil	

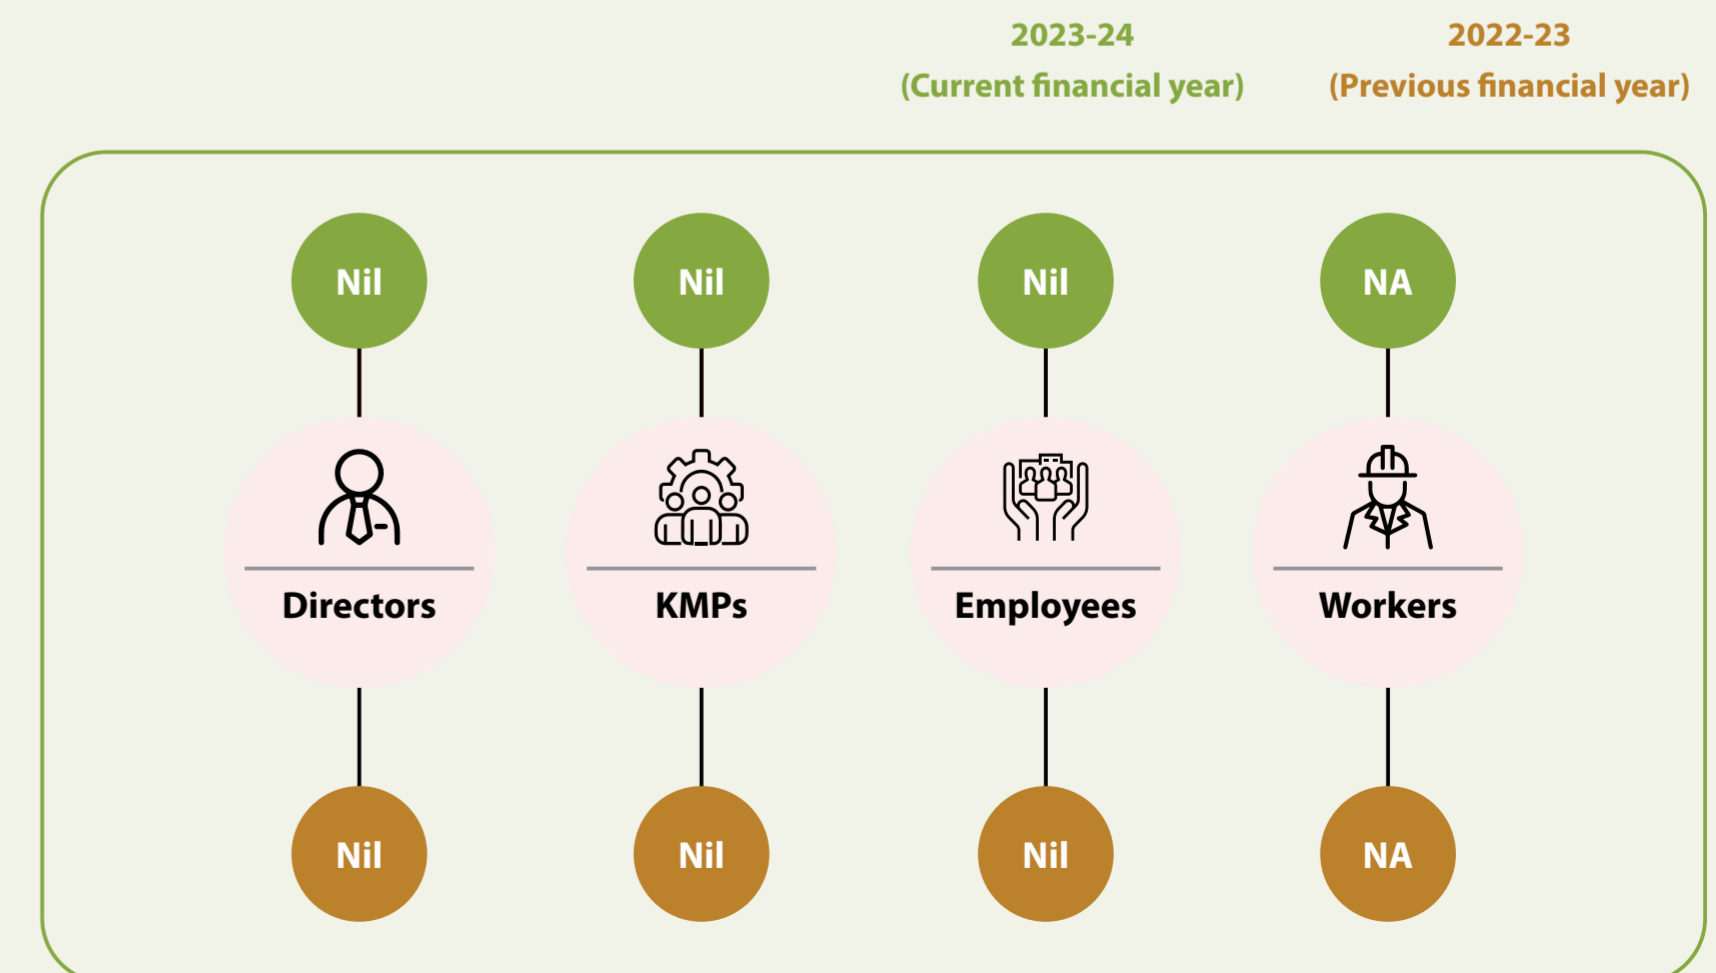

3. Of the instances disclosed in Question 2 above, details of the Appeal/Revision preferred in cases where monetary or non-monetary action has been appealed.

Case details	Name of the regulatory/enforcement agencies/judicial institutions
	Nil

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes. The Anti-Corruption and Anti-Bribery Policy is covered under the Code of Conduct Policy of the Company which is applicable to Board, employees and other stakeholders of the Company. Web-Link: <https://www.indiashelter.in/investor-relations>.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/corruption:

6. Details of complaints with regard to conflict of interest:

	2023-24 (Current financial year)	2022-23 (Previous financial year)
Number of complaints received in relation to issues of Conflict of Interest of the Directors	Nil	Nil
Number of complaints received in relation to issues of Conflict of Interest of the KMPS	Nil	Nil

7. Provide details of any corrective action taken or underway on issues related to fines/penalties/action taken by regulators/law enforcement agencies/judicial institutions, on cases of corruption and conflicts of interest.

Not Applicable

8. Number of days of accounts payables ((Accounts payable *365)/Cost of goods/services procured) in the following format:

	2023-24 (Current financial year)	2022-23 (Previous financial year)
Number of days of accounts payables	Not Applicable	

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	2023-24 (Current financial year)	2022-23 (Previous financial year)
Concentration of purchases	a. Purchases from trading houses as % of total purchases	Not Applicable	
	b. Number of trading houses where purchases are made from		
	c. Purchases from top 10 trading houses as % of total purchases from trading houses		
Concentration of sales	a. Sales to dealers/distributors as % of total sales	Not Applicable	
	b. Number of dealers/distributors to whom sales are made		
	c. Sales to top 10 dealers/distributors as % of total sales to dealers/distributors		
Shares of RPT in	a. Purchases (Purchases with related parties/Total Purchases)	Not Applicable	
	b. Sales (Sales to related parties/Total Sales)		
	c. Loans & advances (Loans & advances given to related parties/Total loans & advances)		
	d. Investments (Investments in related parties/Total Investments made)		

Leadership Indicators**1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:**

Total no of awareness campaign held	Topics/principles covered under the training	% age of value chain programme partners covered (by value of business done with such partners) under the awareness programmes
1	Green Home Training for Employees	JAN Griha provided training sessions for 25+ employees from technical teams who in-turn provided training to technical managers on Green Home Initiatives.

2. Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.

Yes. The Code of Conduct covers all employees and Directors of the Company which states that they shall always act in the interest of the Company, and ensure that any business or personal association that they may have does not result in any conflict with the interests of the Company.

Weblink: <https://www.indiashelter.in/investor-relations>

Principle 2 Businesses should provide goods and services in a manner that is sustainable and safe.

Essential Indicators

1. **Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

Total no of awareness campaign held	2023-24	2022-23	Details of improvements in environmental and social impacts
R&D	-	-	JAN Griha provided training sessions for employees from technical teams on Green Home Initiatives.
Capex	-	-	Given the nature of the Company's business, its relevance is largely restricted to information technology (IT) capex. IT and digital initiatives play a critical role in reducing paper use and manual processes, as well as increasing efficiency and productivity.

2. **a. Does the entity have procedures in place for sustainable sourcing (Yes/No)**

Not Applicable

- b. If yes, what percentage of inputs were sourced sustainably?**

Not Applicable

3. **Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**

Since the Company is in the business of providing housing finance, its scope is limited to using products that are made of recycled materials. The key waste products are primary paper and e-waste. The Company has an e-waste policy in place.

4. **Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

Not Applicable

Leadership Indicators

1. **Has the entity conducted Life Cycle Perspective/Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?**

NIC code 64910

Name of product/service Housing Finance Activities

% of total turnover contributed 100%

Boundary for which the Life Cycle Perspective/Assessment was conducted 2023-24

Whether conducted by an independent external agency (Yes/No) No

Results communicated in the public domain (Yes/No) If yes, provide the weblink

The primary business activity of the Company is providing housing finance. The loan cycle is a sequential process starting with onboarding, underwriting, collections, and customer service. The detailed description of each of the processes is presented in the public offer document of the Company.

Weblink: <https://www.indiashelter.in/investor-relations>

2. **If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products/services, as identified in the Life Cycle Perspective/Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.**

Not Applicable

3. **Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).**

Not Applicable

4. **Of the products and packaging reclaimed at end of life of products, amount (in metric tonnes) reused, recycled, and safely disposed, as per the following format:**

Not Applicable

5. **Reclaimed products and their packaging materials (as percentage of products sold) for each product category.**

Not Applicable

Principle

3

Businesses should respect and promote the well-being of all employees, including those in their value chains.

Essential Indicators

1. a. Details of measures for the well-being of employees

Category	% of employees covered by										
	Total (A)	Health insurance		Accident insurance		Maternity benefits		Paternity benefits		Day care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent employees											
Male	3,164	2,317	73%	3,164	100%	-	-	3,164	100%	210	7%
Female	159	110	69%	159	100%	159	100%	-	-	52	33%
Total	3,323	2,427	73%	3,323	100%	159	5%	3,164	95%	262	8%
Other than permanent employees											
Male	-	-	-	-	-	-	-	-	-	-	-
Female	-	-	-	-	-	-	-	-	-	-	-
Total	-	-	-	-	-	-	-	-	-	-	-

b. Details of measures for the well-being of workers

Category	% of workers covered by										
	Total (A)	Health insurance		Accident insurance		Maternity benefits		Paternity benefits		Day care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent workers											
Male	-	-	-	-	-	-	-	-	-	-	-
Female	-	-	-	-	-	-	-	-	-	-	-
Total	-	-	-	-	-	-	-	-	-	-	-
Other than permanent workers											
Male	-	-	-	-	-	-	-	-	-	-	-
Female	-	-	-	-	-	-	-	-	-	-	-
Total	-	-	-	-	-	-	-	-	-	-	-

c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) in the following format –

	2023-24 (Current financial year)	2022-23 (Previous financial year)
Cost incurred on well-being measures as a % of total revenue of the Company	0.3%	0.3%

2. Details of retirement benefits, for current financial year and previous financial year:

2023-24 (Current financial year)			Benefits	2022-23 (Previous financial year)			
No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)		No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	
100%	-	Y	PF	100%	-	Y	
100%	-	Y		Gratuity	100%	-	Y
27%	-	Y		ESI	38%	-	Y
-	-	NA		Others – please specify	-	-	NA

3. Accessibility of workplaces

Are the premises/offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

India Shelter did not have any disabled employees as of March 31, 2024, on its payroll. However, the head office of the Company has ramps and elevators for the comfortable movement of people with disabilities.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

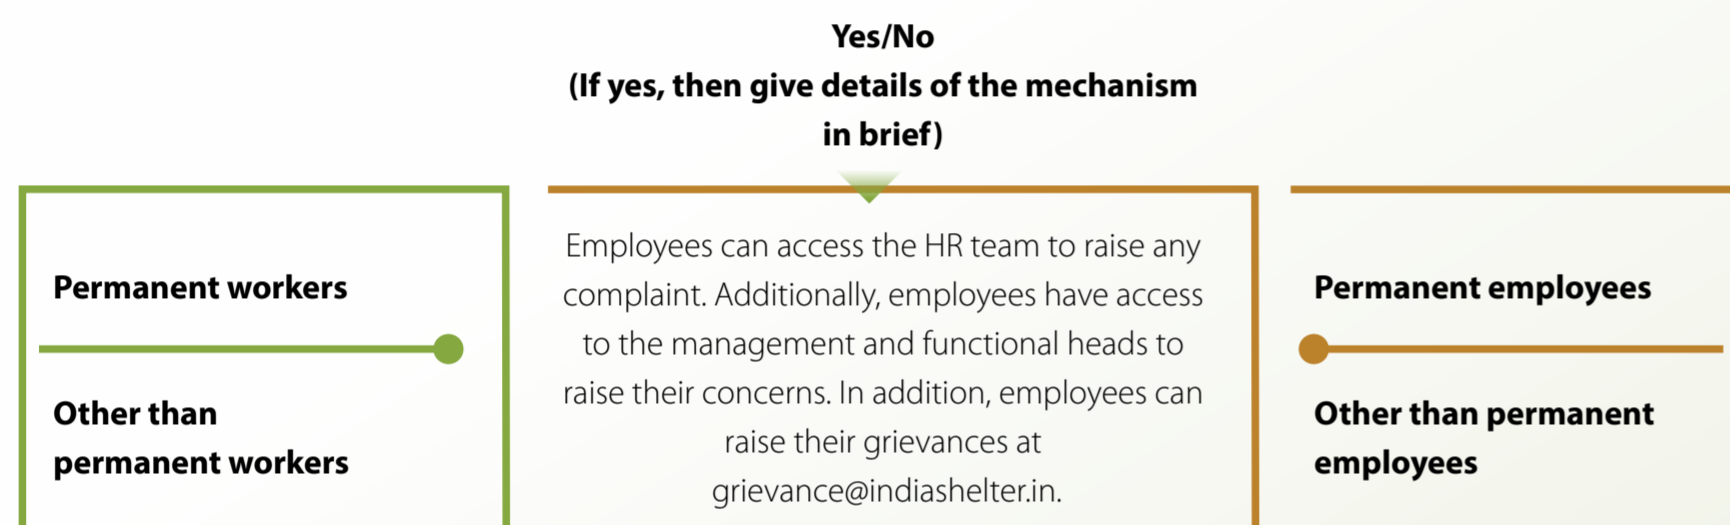

The Company has equal opportunity and ensures that there is no discrimination between employees on grounds of age, gender, race, national or ethnic origin, language or religion.

5. Return to work and retention rates of permanent employees and workers that took parental leave.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

7. Membership of employees and workers in association(s) or Unions recognised by the listed entity:

The Company does not have any employee associations. The Company, however, recognises the right to freedom of association and does not discourage collective bargaining.

Category	2023-24 (Current financial year)			2022-23 (Previous financial year)		
	Total employees/workers in the respective category (A)	No. of employees/workers in the respective category who are part of association(s) or Union (B)	% (B/A)	Total employees/workers in the respective category (C)	No. of employees/workers in the respective category who are part of association(s) or Union (D)	% (D/C)
Total permanent employees	Not Applicable

Total	3,323	2,080	63%	2,709	1,613	60%
Workers						
Male	-	-	-	-	-	-
Female	-	-	-	-	-	-
Total	-	-	-	-	-	-

10. Health and safety management system:

- a) **Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, the coverage such system?**

The Company is in the business of providing housing loans and loans against properties. Hence, there are no occupational health and safety risks due to the nature of the work. However, the Company has provided health, accidental and life insurance to its employees.

- b) **What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?**

The Company is in the business of providing housing loans and loans against properties. Hence, there are no occupational health and safety risks due to the nature of the work.

- c) **Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/N)**

The Company is in the business of providing housing loans and loans against properties. Hence, work-related hazards are not envisaged. In case of an emergency situation, the employee can reach out to HR/Functional heads to report the incident.

- d) **Do the employees/worker of the entity have access to non-occupational medical and healthcare services? (Yes/No)**

Yes, all employees are covered under Group Personal Accident Insurance and Group Health Insurance Policies.

11. Details of safety related incidents, in the following format:

Safety incident/number	Category	2023-24 (Current financial year)	2022-23 (Previous financial year)
Lost Time Injury Frequency Rate (LTIFR) (per one million person-hours worked)	Employees	-	-
	Workers	-	-
Total recordable work-related injuries	Employees	-	-
	Workers	-	-
No. of fatalities	Employees	-	-
	Workers	-	-
High-consequence work-related injury or ill-health (excluding fatalities)	Employees	-	-
	Workers	-	-

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

The Company prioritises the development & well-being of its employees, ensuring a healthy and balanced work environment. The Company has initiated various measures to encourage health consciousness and fitness among its employees, including health checkups, weekly yoga classes and fitness community. These initiatives are centred around psychological, and social well-being of employees.

13. Number of complaints on the following made by employees and workers:

Category	2023-24 (Current financial year)			2022-23 (Previous financial year)		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Working conditions	Nil	Nil	Nil	Nil	Nil	Nil
Health & safety						

14. Assessments for the year:**15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/concerns arising from assessments of health & safety practices and working conditions.**

No corrective action plan has been necessitated for the above-mentioned parameters.

Leadership Indicators**1. Does the entity extend any life insurance or any compensatory package in the event of the death of (A) Employees (Y/N) (B) Workers (Y/N).**

Yes, the Company has term insurance policy, a group personal accident policy and group health insurance policy for the employees. In the event of the death of an employee who was granted stock options under the ESOP scheme, the unvested options shall immediately vest with the nominee of such employee.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The Company monitors and tracks to ensure statutory dues have been deducted and deposited. The Company undertakes compliance reconciliation on a monthly basis by HR and Compliance department.

3. Provide the number of employees/workers having suffered high consequence work-related injury/ill-health/fatalities (as reported in Q11 of Essential Indicators above), who have been are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

Category	Total no. of affected employees/workers		No. of employees/workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment	
	2023-24 (Current financial year)	2022-23 (Previous financial year)	2023-24 (Current financial year)	2022-23 (Previous financial year)
Employees	-	-	-	-
Workers	-	-	-	-

4. Does the entity provide transition assistance programmes to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/No)

The Company currently does not have any such transition assistance programmes.

5. Details on assessment of value chain partners:

6. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from assessments of health and safety practices and working conditions of value chain partners.

No corrective actions were required to be taken to address such concerns.

Principle 4 Businesses should respect the interests of and be responsive to all their stakeholders.

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Our company has identified individuals, groups of individuals, institutions and entities that add value to the business value chain as key stakeholders. The Company's key stakeholders identified include Customers, Employees, Shareholders/Investors, Regulators, Lenders, Rating Agencies and Communities.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Stakeholder Group	Whether identified as Vulnerable & Marginalised Group (Yes/No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (annually/half yearly/quarterly/others - please specify)	Purpose and scope of engagement, including key topics and concerns raised during such engagement
Customers	Yes, if they qualify based on specific criteria such as gender, and income, among others	Customer care phone number and Email Branch interactions Digital: Customer App, SMS, social media engagement, Whatsapp House, Business Premise visits Pamphlets, Standees, Banners	Regular and need basis	Stay in touch with customers throughout the loan life cycle, address any issues faced by customers, and provide quality customer service.
Employees	No	Direct interactions and other modes like SMS, Emails, HRMS portal, webinars, reward & recognition programme, appraisal process and employee engagement activities	Regular and need basis	To ensure wellness and safety and to provide learning and development sessions and redress employee grievances and increase employment in tier-II and III geographies
Shareholders/Investors	No	Annual General Meeting, Annual Report, investor presentations, investor/analyst meets, media releases, conference/video calls, investor conferences and roadshows	Regular and as per statutory requirements	To update on the Company's developments, including operational and financial performance, adherence to regulatory compliance, governance and ethical practice
Regulators	No	Emails, meetings and regulatory filings	Regular and as per statutory requirements	Update on regulations and amendments, inspections and approvals
Lenders & Rating Agencies	No	Emails, meetings and conference calls	Regular and need basis	To update on the Company's developments, including operational and financial performance, adherence to regulatory compliance, governance and ethical practice
Communities	Yes, if they qualify based on specific criteria such as gender, and income, among others	Directly and through implementing agencies	Regular and need basis	Implementation of CSR activities

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Stakeholder engagement is a continuous process and this process is driven by senior management of the Company. The Board and its various statutory committees are kept abreast of various developments and feedback is gathered on a continuous basis.

2. Whether stakeholder consultation is used to support identifying and managing environmental and social topics (Yes/No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

The Company engages with various stakeholders on a continuous basis to understand the requirements and expectations from the Company. The continuous engagement leads to changes in the policies of the Company as and when required.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalised stakeholder groups.

The Company believes in creating meaningful change by bringing together its employees and communities to create a positive impact on society. The Company seeks to empower communities through targeted interventions in areas such as healthcare, education, women's empowerment, and societal welfare. The Company works towards long-term solutions that have a lasting and positive impact on the communities that it serves.

Principle 5 Businesses should respect and promote human rights.

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity in the following format

The Company's code of conduct, equal employment opportunity policy, diversity and inclusion policy, and policy against sexual harassment have all been approved by the Board. Employees receive regular training to ensure they are aware of the aforementioned policies. For easier employee access, these policies are also available on the Company website.

In addition, as part of the induction, all new hires receive a copy of the employee guide, which helps them better comprehend the Company's policies.

Category	2023-24 (Current financial year)			2022-23 (Previous financial year)

3. Details of remuneration/salary/wages

a. Median remuneration/wages:

	Male		Female	
	Number	Median remuneration/salary/wages of the respective category	Number	Median remuneration/salary/wages of the respective category
Board of Directors (BoD)*	1	3,17,40,000	-	-
Key Managerial Personnel	1	1,20,00,000	1	34,36,444
Employees other than BoD and KMP	3,162	3,25,000	158	3,48,000
Workers	-	-	-	-

* MD & CEO, is categorised as a member of the Board of Directors for the purposes of this table.

b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	2023-24 (Current financial year)	2022-23 (Previous financial year)
Gross wages paid to females as % of total wages	5%	5%

4. Do you have a focal point (Individual/Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business?

Yes, the Company has Board-approved policies led by the CHRO and HR department.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

The Company has Board-approved policies in place, namely a grievance redressal policy and a policy on the prevention of sexual harassment, among others, for handling various stakeholder grievances.

6. Number of complaints on the following made by employees and workers:

	2023-24 (Current financial year)			2022-23 (Previous financial year)		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Sexual harassment		Nil			Nil	
Discrimination at workplace		Nil			Nil	
Child labour		Nil			Nil	
Forced labour/involuntary labour		Nil			Nil	
Wages		Nil			Nil	
Other human rights-related issues		Nil			Nil	

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	2023-24 (Current financial year)	2022-23 (Previous financial year)
Total complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	Nil	Nil
Complaints on POSH as a % of female employees/workers	Nil	Nil
Complaints on POSH upheld	Nil	Nil

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

The Company has in place a Code of Conduct and a Whistle-Blower policy that provide mechanisms to prevent discrimination and harassment at the workplace.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes, in certain business agreements where relevant.

Assessments for the year:

	% of your plants and offices that were assessed (by the entity or statutory authorities or third parties)
Child labour	The Company is in compliance with the laws as applicable.
Forced/Involuntary labour	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

10. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 9 above.

Nil

Leadership Indicators

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/complaints.

There have been no cases of human rights grievances and/or complaints; hence, no changes to the business process are necessitated.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

The Company, with the support of its Whistle-Blower Policy, has created a culture in which employees are at liberty to voice any concerns regarding wrongdoing. A vigil mechanism is offered by the aforementioned policy to facilitate the reporting of cases of wrongdoing. The vigil mechanism is supervised by the Audit Committee.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

There is a ramp and elevator at the Company's head office and most of the branches to make travelling for visitors with disabilities easier.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual harassment	The Company expects its value chain partners to adhere to the same values, principles and business ethics upheld by the Company in all their dealings. No specific assessment with respect to the value chain partners has been carried out.
Discrimination at workplace	
Child labour	
Forced labour/Involuntary labour	
Wages	
Others – Please specify	

5. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 4 above.

No corrective actions were required to be taken by the Company for the year under review.

Principle 6 **Businesses should respect and make efforts to protect and restore the environment.**

Essential Indicators

1. Details of total energy consumption (in joules or multiples) and energy intensity in the following format:

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
From renewable sources		
Total electricity consumption (A)	Not Tracked	
Total fuel consumption (B)		
Energy consumption through other sources (C)		
Total energy consumed from renewable sources (A+B+C)		
From non-renewable sources		
Total electricity consumption (D)	Not Tracked	
Total fuel consumption (E)		
Energy consumption through other sources (F)		
Total energy consumed from non-renewable sources (D+E+F)		
Total energy consumed (A+B+C+D+E+F)		
Energy intensity per rupee of turnover (Total energy consumption/Revenue from operations)		
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed/Revenue from operations adjusted for PPP)		
Energy intensity in terms of physical output		
Energy intensity (optional) – the relevant metric may be selected by the entity		

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency:.

No

2. Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Not Applicable

3. Provide details of the following disclosures related to water in the following format:

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	-	-
(iii) Third-party water	-	-
(iv) Seawater/desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	-	-
Total volume of water consumption (in kilolitres)	-	-
Water intensity per rupee of turnover (Water consumed/turnover)	-	-
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption/Revenue from operations adjusted for PPP)	-	-
Water intensity in terms of physical output	-	-
Water intensity (optional) – the entity may select the relevant metric	-	-

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

4. Provide the following details related to water discharged:

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
Water discharge by destination and level of treatment (in kilolitres)		
(i) To surface water	-	-
No treatment	-	-
With treatment – please specify level of treatment	-	-
(ii) To groundwater	-	-
No treatment	-	-
With treatment – please specify level of treatment	-	-
(iii) To seawater	-	-
No treatment	-	-
With treatment – please specify level of treatment	-	-
(iv) Sent to third-parties	-	-
No treatment	-	-
With treatment – please specify level of treatment	-	-
(v) Others	-	-
No treatment	-	-
With treatment – please specify level of treatment	-	-
Total water discharged (in kilolitres)	-	-

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Not Applicable

6. Please provide details of air emissions (other than GHG emissions) by the entity in the following format

Parameter	Please specify unit	2023-24 (Current financial year)	2022-23 (Previous financial year)
NOx	-	-	-
SOx	-	-	-
Particulate matter (PM)	-	-	-
Persistent organic pollutants (POP)	-	-	-
Volatile organic compounds (VOC)	-	-	-
Hazardous air pollutants (HAP)	-	-	-
Others – please specify	-	-	-

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & their intensity in the following format:

Parameter	Unit	2023-24 (Current financial year)	2022-23 (Previous financial year)
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	Not Tracked	
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	Not Tracked	
Total Scope 1 and Scope 2 emissions per rupee of turnover			
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions/Revenue from operations adjusted for PPP)			
Total Scope 1 and Scope 2 emission intensity in terms of physical output			
Total Scope 1 and Scope 2 emission intensity (optional) – the entity may select the relevant metric			

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.
No.

9. Provide details related to waste management by the entity, in the following format:

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
Total waste generated (in metric tonnes)		
Plastic waste (A)	-	-
E-waste (B)	Not Tracked	Not Tracked
Bio-medical waste (C)	-	-
Construction and demolition waste (D)	-	-
Battery waste (E)	-	-
Radioactive waste (F)	-	-
Other hazardous waste. Please specify, if any. (G)	-	-
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	-	-
Total (A+B + C + D + E + F + G + H)	-	-
Waste intensity per rupee of turnover (Total waste generated/Revenue from operations)	-	-
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated/Revenue from operations adjusted for PPP)	-	-
Waste intensity in terms of physical output	-	-
Waste intensity (optional) – the relevant metric may be selected by the entity	-	-
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	-	-
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	-	-

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	-	-
(ii) Landfilling	-	-
(iii) Other disposal operations	-	-
Total	-	-

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Since the Company is a housing finance company, the key waste products are paper waste and e-waste. The Company does not use any hazardous and/or toxic chemicals. As majority of the process is digitised with high reliance on technology, paper waste is minimal. Employees are trained to be mindful of paper use by restricting paper waste.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required, please specify details in the following format:

S. no.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval/clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
Not Applicable			

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws in the current financial year

Name and brief details of project	EIA notification no.	Date	Whether conducted by an independent external agency (Yes/No)	Results communicated in the public domain (Yes/No)	Relevant weblink
Not Applicable					

13. Is the entity compliant with the applicable environmental law/regulations/guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Since the Company is a housing finance company, there are no major emissions of water or air pollution. Hence, the Company is not directly covered under the above-mentioned acts.

S. no.	Specify the law/regulation/guidelines which were not complied with	Provide details of the non-compliance	Any fines/penalties/action taken by regulatory agencies such as Pollution Control Boards or by courts	Corrective action taken, if any
-	-	-	-	-

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility/plant located in areas of water stress, provide the following information:

- Name of the area - Not Applicable
- Nature of operations - Not Applicable
- Water withdrawal, consumption and discharge in the following format - Not Applicable

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	-	-
(iii) Third-party water	-	-
(iv) Seawater/desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres)	-	-
Total volume of water consumption (in kilolitres)	-	-
Water intensity per rupee of turnover (Water consumed/turnover)	-	-
Water intensity (optional) – the entity may select the relevant metric	-	-

Parameter	2023-24 (Current financial year)	2022-23 (Previous financial year)
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into surface water	-	-
No treatment	-	-
With treatment – please specify the level of treatment	-	-
(ii) Into groundwater	-	-
No treatment	-	-
With treatment – please specify the level of treatment	-	-
(iii) Into seawater	-	-
No treatment	-	-
With treatment – please specify the level of treatment	-	-
(iv) Sent to third-parties	-	-
No treatment	-	-
With treatment – please specify the level of treatment	-	-
(v) Others	-	-
No treatment	-	-
With treatment – please specify the level of treatment	-	-
Total water discharged (in kilolitres)	-	-

Note: Indicate if any independent assessment/evaluation/assurance carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

2. Please provide details of total Scope 3 emissions & their intensity in the following format:

Since the Company is a housing finance company, the focus on environmental indicators is passive and Scope 3 emissions have not been tracked.

Parameter	Unit	2023-24 (Current financial Year)	2022-23 (Previous financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent		
Total Scope 3 emissions per rupee of turnover			
Total Scope 3 emission intensity (optional) – the entity may select the relevant metric			

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, the name of the external agency.

No

3. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not Applicable

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

S. no.	Initiative undertaken	Details of the initiative (weblink, if any, may be provided alongwith summary)	Outcome of the initiative
1	Capturing Customer Data in Digital Form and Digital Onboarding of Customers	<ul style="list-style-type: none"> Mobile app for new loan applications and onboarding Online verification and document capture Facilitates real-time submission of applications 	<ul style="list-style-type: none"> Saving paper and improving turnaround time by having eco-friendly process
2	Digital loan agreements	<ul style="list-style-type: none"> Customers e-sign loan agreements 	<ul style="list-style-type: none"> 98% E-Signing of agreements
3	Digital Collections and Remote Payment Ability	<ul style="list-style-type: none"> EMI collection and other dues from delinquent customers Allows mutual agreement on payment dates Updates outstanding balances in real-time 	<ul style="list-style-type: none"> Reduced number of cash collections, digital collections at 92% Saving time and efforts for the collection officer and providing convenience to the customer, thereby also reducing fuel consumption
4	Customer Application	<ul style="list-style-type: none"> App for existing customers to check loan status Allows payment of EMIs and pending dues Supports service requests in multiple languages 	<ul style="list-style-type: none"> Customers can avoid branch visits and save time, fuel & energy

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/weblink.

To guarantee the dependability and smooth continuation of the Company's operations during any unforeseen adverse events, the Company has a Business Continuity Policy in place. To protect sensitive information and uphold client data confidentiality, it place a strong focus on information and cybersecurity practices in addition to taking adequate data privacy measures. The Company's Business Continuity Plan has well-defined roles and responsibilities for IT activities through adequate disaster recovery measures. The Company's IT business continuity plan is carefully designed to ensure minimal disruption of its day-to-day business operations in case of contingencies.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Not Applicable

7. Percentage of Value Chain Partners (by value of business done with such partners) that were assessed for environmental impacts.

Not Applicable

Principle 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

- Number of affiliations with trade and industry chambers/associations - Nil
 - List the top 10 trade and industry chambers/associations (determined based on the total members of such body) the entity is a member of/affiliated to - Nil

Name of the trade and industry chambers/associations	Reach of trade and industry chambers/associations (state/national)
-	-

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities

Name of authority	Brief of the case	Corrective action taken
-	-	-

Leadership Indicators

1. Details of public policy positions advocated by the entity:

S. no.	Public policy advocated	Method resorted for such advocacy	Whether information available in the public domain? (Yes/No)	Frequency of review by board (annually/half yearly/quarterly/ others – please specify)	Weblink, if available
Not Applicable					

Principle 8 Businesses should promote inclusive growth and equitable development.

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of the project	SIA notification no.	Date of notification	Whether conducted by an independent external agency (Yes/No)	Results communicated in the public domain (Yes/No)	Relevant weblink
Nil					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format

S. no.	Name of the project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (in ₹)
Nil						

3. Describe the mechanisms to receive and redress grievances of the community

The Company has various mechanisms in place to receive and redress grievances of its various stakeholders. Details of such mechanisms and policies are given elsewhere in this report.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Name and brief details of the project	2023-24 (Current financial year)	2022-23 (Previous financial year)
Directly sourced from MSMEs/Small producers	Not Applicable	
Directly from within India		

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent/on contract basis) in the following locations, as % of total wage cost

2023-24 (Current financial year)

2022-23 (Previous financial year)

Legend: Rural (Green), Semi-urban (Light Green), Urban (Orange), Metropolitan (Light Orange)

Places to be categorised as per the RBI Classification System (rural, semi-urban, urban, or metropolitan).

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above)

Details of negative social impact identified	Corrective action taken
Nil	

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies

S. no.	State	Aspirational district	Amount spent (in ₹)
1	Gujarat, Rajasthan, Uttar Pradesh	Baran, Bhilwara, Hubli, Jaipur, Kalol, Lucknow	Akshaya Patra Foundation - 8,750,000
2	Delhi, Haryana, Madhya Pradesh, Maharashtra, Rajasthan, Tamil Nadu, Uttar Pradesh	Chennai, Gurgaon, Indore, Kasna, Kota, Nagpur	Impact Guru Foundation- 8,817,288
3	Assam, Bihar, Delhi, Haryana, J&K, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Punjab, Rajasthan, Tamil Nadu, Telangana, Uttar Pradesh, West Bengal	Aurangabad, Bengaluru, Belgaum, Calicut, Chennai, Gurugram, Guwahati, Hyderabad, Indore, Jaipur, Kolkatta, Ludhiana, Manipal, Mumbai, Noida, Patna, Puducherry, Pune, Srinagar, Trivandrum, Vellore	Bansi Vidya Memorial Trust - 8,500,000
4	Delhi, Gujarat, Karnataka, Odisha, Rajasthan, Tamil Nadu, Telangana	Balangir, Bengaluru, Chattarpur, Chennai, Gandhi Nagar, Hyderabad, Jaipur, Jangpura, Kachipuram, Munirka	Paralympic Committee of India - 3,990,000

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalised/vulnerable groups? (Yes/No)

No, the Company caters to the housing finance needs of lower and middle-income customers. Given the nature of the business, purchases from suppliers in the above-mentioned groups are limited.

(b) From which marginalised/vulnerable groups do you procure?

Not Applicable

(c) What percentage of total procurement (by value) does it constitute?

Not Applicable

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge

S. no.	Intellectual property based on traditional knowledge	Owned/Acquired (Yes/No)	Benefit shared (Yes/No)	Basis of calculating benefit share
Nil				

5. Details of corrective actions taken or underway based on any adverse order in intellectual property related disputes wherein traditional knowledge is used.

Name of authority	Brief of the case	Corrective action taken
Not Applicable		

6. Details of beneficiaries of CSR Projects

CSR project	No. of persons benefitted from CSR projects	% of beneficiaries from vulnerable and marginalised groups
Education Initiative – 1. The Akshaya Patra Foundation	1. Supported 8,500+ government school children with mid-day meals in Hubli and Jaipur and the procurement of a food distribution vehicle with vessels in Bhilwara Kitchen.	<p style="text-align: center;">100%</p> <p style="text-align: center;">The main objective of the Company's CSR programmes is to support and improve the lives of marginalised and vulnerable communities. The Company tries to improve their social and economic situation.</p>
Healthcare Initiative- 1. Bansi Vidya Memorial Trust 2. Impact Guru Foundation	1. Supported 277 children and 247 girl child with treatment against leukaemia, with a survival rate of 91.3%. 2. Supported 30,000+ treatments in Nagpur, Kota, and Indore with healthcare services delivered through the Care on Wheel (COW), Scootest Project initiatives, and cataract surgeries camps held in Delhi-NCR and Rajasthan.	
Empowerment Initiative- 1. Paralympic Committee of India	1. Supported 12 female para-athletes with high-quality sports equipment.	

Principle 9 Businesses should engage with and provide value to their consumers in a responsible manner.

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.
 The Company has put in place a Grievance Redressal Policy for prompt and effective redressal of customer complaints. The grievance redressal mechanism is outlined in the loan agreement provided to customers. Additionally, the Company's grievance redressal mechanism is available on its website (<https://www.indiashelter.in/grievance-redressal-policy>) for easy reference.

2. Turnover of products and/services as a percentage of turnover from all products/services that carry information about:

	As a percentage of total turnover
Environmental and social parameters relevant to the product	100%
Safe and responsible usage	All the Company's loan products and Most Important Terms & Conditions (MITCs) are completely transparent and disclose all product-related details.
Recycling and/or safe disposal	

3. Number of consumer complaints in respect of the following

	2023-24 (Current financial year)			2022-23 (Previous financial year)		
	Received during the year	Pending resolution at the end of the year	Remarks	Received during the year	Pending resolution at the end of the year	Remarks
Data privacy	-	-	-	-	-	-
Advertising	-	-	-	-	-	-
Cybersecurity	-	-	-	-	-	-
Delivery of essential services	-	-	-	-	-	-
Restrictive trade practices	-	-	-	-	-	-
Unfair trade practices	-	-	-	-	-	-
Other	-	-	-	-	-	-

4. Details of instances of product recalls on account of safety issues

	Number	Reasons for recall
Voluntary recalls	Not Applicable	
Forced recalls		

5. Does the entity have a framework/policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a weblink to the policy.

Yes, the Company has a policy on data privacy. Weblink: <https://www.indiashelter.in/privacypolicy>.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on the safety of products/services.

No penalty or action was taken by regulatory authorities on the safety of products or services.

7. Provide the following information relating to data breaches:

- Number of instances of data breaches - Nil
- Percentage of data breaches involving personally identifiable information of customers - Nil
- Impact, if any, of the data breaches - Not Applicable

Leadership Indicators

1. Channels/platforms where information on products and services of the entity can be accessed (provide weblink, if available).

Information about the Company's products and services is available on the Company website (<https://www.indiashelter.in/>) and in the dedicated customer app. The Company has developed marketing collateral and maintains active social media handles to facilitate effective communication and promotion of its offerings.

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The Company interacts with customers at various stages to provide information about loan details, terms, and conditions. The Company believes that transparency is a key factor in its customer service. To further promote awareness, the Fair Practice Code, Schedule of Charges, Most Important Terms and Conditions (MITC), and Grievance Redressal Policy are made available at branch locations and on the Company website. Additionally, these documents are available on the official website in regional languages to ensure customer understanding.

Weblink: <https://www.indiashelter.in/investor-relations>

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

The Company's team proactively monitors and maintains services to prevent disruptions or discontinuations of essential operations. However, in the event of such an incident, the team swiftly initiates efforts to resolve the issue. During this time, customers can reach out to the Company through physical branch visits/digital channels for assistance.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes. The Company initiates a welcome call with its customers and send SMS updates at various stages to keep them informed. The loan agreement provided to customers includes the Most Important Terms and Conditions (MITC), which is bilingual. The MITC is available at the Company's branches and on its website in regional languages. Customers can submit requests or queries through the customer app or reach out to its customer service team via various communication modes. Additionally, the Company has an automated feedback call system in place to gather customer feedback.

ANNEXURE - 6

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the Company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arm's length transactions under third proviso thereto.

- Details of contracts or arrangements or transactions not at arm's length basis
 - Name(s) of the related party and nature of relationship: NIL
 - Nature of contracts/arrangements/transactions: NIL
 - Duration of the contracts / arrangements/transactions: NIL
 - Salient terms of the contracts or arrangements or transactions including the value, if any: NIL
 - Justification for entering into such contracts or arrangements or transactions: NIL
 - Date (s) of approval by the Board: NIL
 - Amount paid as advances, if any: NIL
 - Date on which the special resolution was passed in general meeting as required under first proviso to section 188: NIL
- Details of material contracts or arrangement or transactions at arm's length basis

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMIC OVERVIEW

In CY 2023, the global economy exhibited remarkable resilience, with growth projections of 3.2% in CY 2024, is projected to continue at the same pace in CY 2025. Economic expansion surpassed expectations, driven by strong government and private expenditures, particularly in the US and in some of the key emerging markets. The US Federal Reserve maintained

benchmark interest rates at 5.25% to 5.50% in January after raising them eleven times since March 2022 to curb inflation. High central bank rates and reduced government spending due to high debt levels are hindering economic activity. Despite these challenges, economists are optimistic about the economic recovery, citing improved global trade and resilient consumer spending.

(Source: International Monetary Fund (IMF), World Economic Outlook (WEO) Projections, April 2024)

Outlook

The global economy in CY 2023 experienced a mix of positive developments and concerning trends. Initial worries were overshadowed by unexpectedly robust growth, fuelled by sustained spending and investments. In essence, a cautious and collaborative approach, grounded in a nuanced understanding of the economic landscape, is essential for shaping a positive future.

(Source: Organisation for Economic Cooperation & Development, United Nations Conference on Trade and Development (UNCTAD), MINT)

INDIAN ECONOMIC OVERVIEW

India's growth is expected to remain strong, supported by macroeconomic and financial

stability. Presently, the official estimate for growth in 2023-24 stands at 7.6%, and headline inflation is anticipated to decline gradually to the medium-term target of 4% for 2024-25. Positive outlook is underpinned by entrepreneurship and initiatives to uplift vulnerable communities, which include developing niche manufacturing sectors, improving infrastructure, diversifying exports, and focussing on higher value-added products, all of which contribute to a promising future.

The Indian economy showed resilience with a growth rate of 7.6% in 2023-24, surpassing the 7% growth rate in 2022-23. This robust performance can be largely attributed to the government's economic policy agenda, which prioritised revitalising India's growth potential. The key initiatives include increased public sector investment, the strong resilience shown by the financial sector, and significant expansion in non-food credit.

ANNEXURE - 7 (Contd.)

(Source: <https://pib.gov.in/PressReleasePage.aspx?PRID=2010223>)

CREDIT PENETRATION IN INDIA

Trend in Banking Credit to GDP and Housing Credit to GDP During Fiscals 2019 to 2023

(Source: Crisil Report)

ANNEXURE - 7 (Contd.)

The stability of the banking credit to GDP ratio at around 51% over the past five years suggests a continuation of this trend in the near future. Conversely, the housing credit to GDP ratio has seen a slight increase from 10.3% in 2019 to 12.3% in 2023 and is expected to remain stable, potentially experiencing modest growth.

Rural India's Under Penetration and Untapped - An Opportunity of Growth for Financiers

The significant difference between rural areas' contribution to GDP (47%) and their share of banking credit (8%) indicates a substantial opportunity for banks and NBFCs to expand lending in these regions. With the government focussing more on financial inclusion, increasing financial literacy, and providing greater access to smartphones and the internet in rural areas, there is potential for a notable increase in the delivery of credit services. Additionally, utilising alternative data for customer evaluation can help financiers better assess customers and serve these regions' informal segments of society.

Growth and Stability of NBFC Sector

The NBFC sector in India experienced significant growth, with segments like housing finance, microfinance, and consumer finance driving the expansion. They contributed towards the economy's growth, especially in meeting the credit demand of the underserved rural and semi-urban areas.

According to the RBI's annual report for 2022-23, the total assets under management (AUM) of NBFCs reached ₹ 79 Tn, representing approximately 18% of India's gross domestic product (GDP). The RBI's Digital Lending Regulations, effective January 2023, have encouraged digital transformation among NBFCs. They are leveraging digitisation, including super apps, to enhance customer engagement and streamline operations. Innovations in underwriting, propelled by the democratisation of data and analytics, empower swift credit decisions. Acting as vital sources of

finance for Small and Medium Enterprises (SMEs) and underserved communities, NBFCs provide a diverse array of financial products with rapid turnaround times. In doing so, they facilitate economic inclusion and bolster the growth of the MSME sector.

(Source: KPMG Report on NBFC's in India, February 2024)

OUTLOOK

The robust growth experienced by the Indian economy is anticipated to continue, supported by macroeconomic stability. The official estimates for 2023-24 project a 7.6% growth rate, with decreasing headline inflation. The digital revolution, supportive regulatory environment, social and economic upliftment measures, and efforts to diversify exports drive the positive outlook. Reforms implemented over the past decade establish a foundation for resilient governance, setting the stage for sustained economic growth.

(Source: Press Information Bureau – Indian Economy Estimates, February 2024, KPMG Report)

HOUSING FINANCE SECTOR OVERVIEW

Introduction to Housing Finance Market

The housing finance market serves as a vital catalyst for facilitating homeownership by offering loans and mortgages tailored to the needs and aspirations of individuals and families. India's housing market has seen remarkable resilience, defying odds with record-high sales despite soaring prices and interest rates. The housing finance sector has thrived, with a ~13.5% CAGR over the past four years, buoyed by rising incomes and steady demand. Smaller districts are emerging as key players in housing loans, indicating shifting preferences. Housing Finance Companies (HFCs) are poised for future growth, driven by factors such as affordable housing initiatives, increasing per capita income and tax incentives.

(₹ in Tn)

(Source: Crisil Industry Report)

ANNEXURE - 7 (Contd.)

Introduction to the Affordable Housing Finance Market (AHFCs)

India's mortgage market can broadly be divided into two segments by ticket size of the housing loan at the time of disbursement – prime loans and affordable housing loans.

Affordable Housing Loans consider loans to individuals with a ticket size of less than ₹ 2.5 Mn. The former, called prime housing loans, is prominent in the metro/urban areas, and the latter generally includes houses in the outskirts of these areas and semi-urban and rural areas, i.e., defined as housing finance market focussing on low-income housing segment.

(₹ in Tn)

(Source: Crisil Industry Report)

Despite encountering funding challenges in the past, AHFCs have shown consistent growth, with their portfolio expanding by 27% in fiscal year 2023. While housing loans remain dominant, accounting for 74% of AHFCs' total loan book as of 31 March, 2023, these companies are diversifying into non-housing segments. The non-housing portfolio primarily consists of 'loan against property' (LAP), through which micro, small, and medium enterprises (MSMEs) and small businesses raise funds for their business and personal needs, using property as collateral.

Mortgage to GDP

India's mortgage-to-GDP ratio has increased from 6.5% in 2008-09 to 12.3% in 2022-23, though it remains low as compared to other developing countries. This improvement is attributed to rising incomes, improving affordability, growing urbanisation and nuclearisation of families, emergence of Tier 2 and Tier 3 cities, ease of financing, tax incentives, and a wider reach of financiers.

(Source: Crisil Industry Report)

ANNEXURE - 7 (Contd.)

Housing Shortage in India

India faces a significant housing shortage, with various challenges contributing to this issue. Urban areas in India struggle with a housing backlog, infrastructure deficits, and a large slum population, with approximately 0.9 Mn homeless individuals in urban areas and around 65 Mn people living in slums. The Tier 2 and Tier 3 cities in India are facing a significant housing shortage, mirroring the challenges seen in larger urban centres. The rapid urbanisation and population growth in these cities have intensified the demand for affordable housing. The shortage of

housing units in these cities is a pressing issue, particularly for the Economically Weaker Sections (EWS) and Lower Income Groups (LIG). According to the report of the RBI-appointed Committee on the Development of the Housing Finance Securitisation Market in September 2019, the housing shortage in India was projected to surge to a staggering 100 Mn units by 2022. The total incremental demand for housing loans, required to address this entire shortage, is estimated to range between ₹ 50 Tn to ₹ 60 Tn, as outlined in the Committee report.

(Source: Crisil Industry Report, Niti Aayog)

(Source: RBI Planning Commission)

Ticket Size Split for Housing Finance & Affordable Housing Companies

In India, the housing loan market is predominantly characterised by smaller ticket size loans in terms of volume. Loans targeting the low-income housing segments, valued less than 2.5 Mn, constitute

roughly 37% of the overall housing finance market. These loans are particularly crucial for addressing the housing shortage, especially among the EWS and LIG. As of March 2023, the affordable housing finance market boasted outstanding loans of approximately ₹ 11.5 Tn. (Source: Crisil Industry Report)

Loan Against Property (LAP):

Loan Against Property (LAP) is availed by mortgaging a property (residential or commercial) with the lender. LAP is a secured loan, as it provides collateral to the financier in the form of the property. The overall Loan against property segment has grown at a CAGR of 16% with the market size expanding from ₹ 5.3 Tn in 2018-19 to ₹ 9.6 Tn in 2022-23.

ANNEXURE - 7 (Contd.)

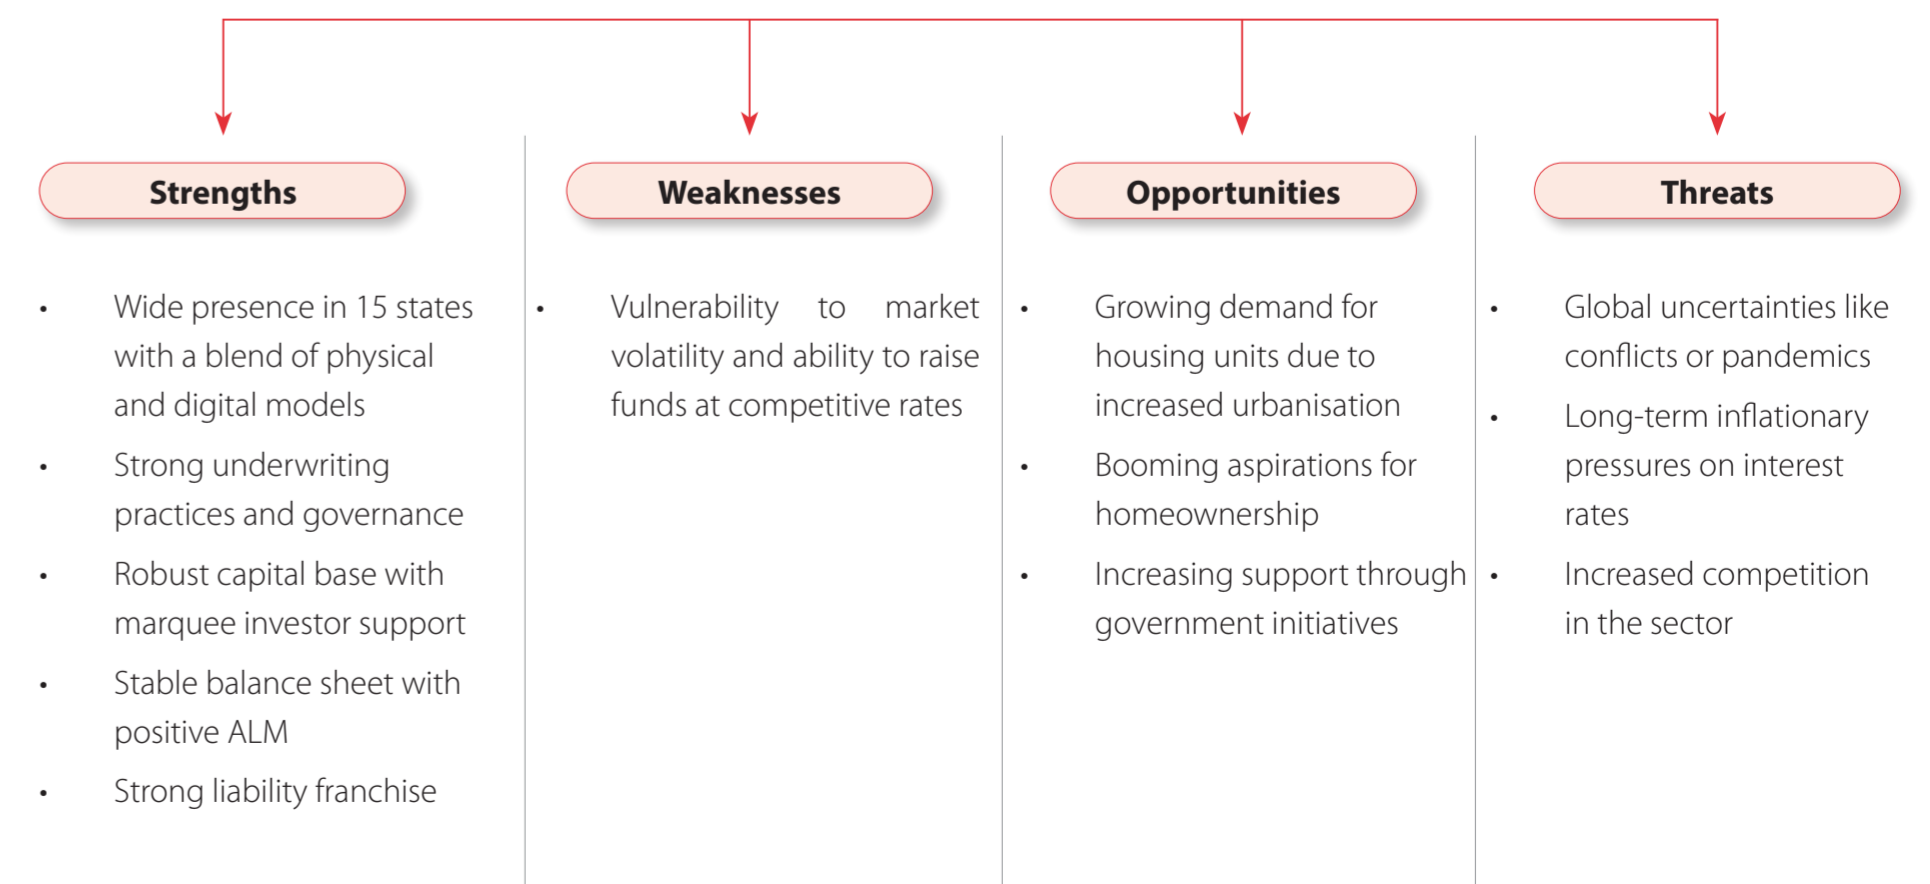

LAP portfolio with ticket size less than ₹ 2.5 Mn has grown at a relatively higher CAGR of 22% between 2018-19 and 2022-23 as compared to overall LAP portfolio which grew by 16% during the same period. This growth was driven by the increasing penetration of formal lending channels and greater lender confidence.

ABOUT THE COMPANY

India Shelter Finance Corporation Limited (referred to as 'India Shelter', 'Our Company' or 'We') specialises in providing housing loans and loans against property, with a pan-India network spanning 15 states and 223 branches. Established in 2010, we focus on serving self-employed individuals, especially first-time home loan takers in low and middle-income segments across Tier 2 and Tier 3 cities in India.

Through digital innovations, we offer comprehensive financial solutions with a paperless approach to customer acquisition and onboarding. Our credit and risk management policies are backed by technology and data analytics, ensuring healthy asset quality. Committed to governance, we aim to serve the affordable housing finance industry by focussing on underserved customers through a blend of customer experience and technology.

ANNEXURE - 7 (Contd.)

ANNEXURE - 7 (Contd.)

Stage-3 Assets

Through our collection mechanism, we have maintained a collection efficiency of 99.5%, resulting in an improvement in dues in various buckets and NPAs. As of 31 March, 2024, the Gross stage-3 assets and Net stage-3 assets improved by 16 bps and 10 bps to 1.0% and 0.7%, respectively, compared to 1.1% and 0.8% in the previous financial year.

Capital Adequacy Ratio (CAR)

As of 31 March, 2024, our Company's CRAR was 70.9%. This is well above the minimum required level.

Branch Network/Geographic Presence

Our expansive network of 223 branches spans 15 states across India. This strategic focus on Tier 2 and Tier 3 markets allow us to capture a significant 95% of the affordable housing market. This geographically diverse portfolio minimises AUM concentration risk, underscoring our widespread presence and commitment to building resilience through diversification.

For geographic presence and state-wise AUM please refer to page number 21.

RESOURCE MOBILISATION**Net Worth**

The net worth as of 31 March, 2024 was ₹ 2,298.6 Crs.

IPO

During the year under review, your Company has successfully completed the Initial public offering of 2,43,40,768 equity shares of face value of ₹ 5 each ("equity shares") of the Company for cash at a price of ₹ 493.00 per equity share of face value of ₹ 5 each including a securities premium of ₹ 488.00 per equity share (the "offer price") aggregating to ₹ 1,200 Crs (the "offer"). The offer comprises of a fresh issue of 16,227,180 equity shares of face value of ₹ 5 each by our company aggregating to ₹ 800 Crs (the "fresh issue") and an offer for sale of 81,13,588 equity shares aggregating to ₹ 400 Crs ("offer for sale"). For further information refer to Directors Report.

ESOP Allotment

Our Company issued and allotted 23,68,652 equity shares during the year pursuant to the exercise of stock options by the eligible employees of our Company under ESOP plans.

Term Loans from Banks and Financial Institutions

In FY24 we raised ₹ 1,589 Crs funds from banks and financial institutions with weighted average tenure more than 5 years. The undrawn sanctioned amount as of 31 March, 2024 is at ₹ 549 Crs and the outstanding proportion of term loans from banks and financial institutions is 56% of total borrowings.

Refinance from National Housing Bank (NHB)

Under the National Housing Bank (NHB) refinance scheme, we received a sanction of fresh refinance assistance of ₹ 350 Crs during 2023-24. We availed funds of ₹ 140 Crs during the financial year, which includes disbursements from last year's sanction as

well. The outstanding proportion NHB refinance as of 31 March, 2024 is 15% as against 16% in the previous year. The undrawn sanctioned amount as of 31 March, 2024 is at ₹ 210 Crs.

Non-Convertible Debentures (NCDs)

As of 31 March, 2024, the outstanding proportion from NCDs is 1% of total borrowings.

External Commercial Borrowings (ECB)

The Company has External Commercial Borrowing (ECB) line of \$30 mn from US International Development Finance Corporation (DFC). During the current year, the Company has drawn the remaining \$20 mn External Commercial Borrowing (ECB) limits. Total outstanding foreign currency loan exposure in the form of External Commercial Borrowing as on March 31, 2024 is 6% of total borrowings which is fully hedged by way of cross currency swaps.

Co-Lending

As part of our effort to make a difference and on tapping new initiative, we have actively implemented co-lending initiatives to establish ourselves as the preferred lender for those who are unbanked or underbanked. With a strategy to leverage distribution network and diversify, on tap sources of funds, the Company has co-lending partnership with two banks. The Co-Lending partnerships is gradually gaining traction and during the year company has disbursed ₹ 146 Crs of funds under co-lending partnership wherein partner bank has taken the share of 80% of the disbursed amount in its books.

Direct Assignment (DA) from Banks and Financial Institutions

During the Financial Year under review, your Company received purchase consideration of ₹ 451 Crs from transfer of LAP loan assets (Direct Assignment) pool to Banks. The Direct Assignment transactions were carried out in line with RBI guidelines on Transfer of Loan exposure of Standard Assets and assigned assets were de-recognized in the books of the Company.

Human Resources

We foster a work culture that inspires and motivates our employees to deliver their best each day. We firmly believe in recognising and celebrating excellence, creating an environment that promotes healthy competition and rewarding outstanding achievements. We have established a robust Reward & Recognition Programme to achieve the same.

- Employee Development & Well-Being: We prioritise the development and well-being of the employees, ensuring a healthy and balanced work environment
- Employee Training & Development: 19,142 person hours of training provided in 2023-24
- Employee Ownership: 294 employees are covered under ESOP programme, comprising 9% of the total employee base or 23% of the employee base excluding frontline staff

ANNEXURE - 7 (Contd.)

- Employment generated in Tier 2, 3 & 4 cities
- Gender Diversity: 25% women representation on the Board and 20% women at the Head Office.

Our Company has been certified for the second consecutive year with the Great Place to Work award & recognised as a Top 50 company in the BFSI sector. This achievement reflects our collaborative and supportive work environment, where everyone feels valued.

Employee Health and Safety

At India Shelter, we have set very high priorities for employee development and well-being. We foster a healthy work environment through initiatives like the India Shelter Child Scholarship Programme, health check-ups, weekly yoga classes, and a fitness community.

Training and Development Programmes

Through a range of training programmes, including our initiative 'Parambh - a Leadership Journey', we focus on nurturing our employees for leadership roles. We make them future-ready for covering specialised functions like lending operations, KYC and AML, underwriting, POSH, and information technology. Additionally, we have implemented multiple policies to ensure a safe and conducive work environment, emphasising employment and labour practices.

INFORMATION TECHNOLOGY

The financial ecosystem is evolving rapidly with the advent of tech-enabled and branchless lending models. Our technology ecosystem revolves around enhancing operational efficiency and customer experience. Operating on a Software-as-a-Service (SaaS) model, our major IT services are backed by a multi-layer security suite, ensuring the safety of our information. We are one of the early adopters of the Salesforce, a customer relationship management system. It is integrated with our downstream and upstream applications, including mobile apps, loan management systems, and customer service applications, streamlining processes and enhancing convenience for customers. We have adopted a paperless approach to entire loan lifecycle complemented by tailored mobile solutions such as iSales, iCredit, iTech, iCollect and iServe, catering to different stages of the lending process. These applications optimise customer acquisition, support underwriting, facilitate collateral evaluation, assist in collections and ensure prompt customer service.

Our data-driven approach utilises extensive databases for underwriting and risk scoring. Cloud-based solutions for customer relationship management and loan management provide us with a holistic view of our customers, while digital loan management through Finnone Neo ensures regulatory compliance. Additionally, we use Microsoft D365 - Finance for accounting and vendor management, with Azure Active Directory ensuring centralised administration and authentication. Our commitment to security is further strengthened by the deployment of an Extended Detection and Response (XDR) solution for threat detection using artificial intelligence. The incorporation of information technology in our service delivery mechanisms and operating model not only promotes uniformity in our operations but also enhances efficiency and improves customer experiences.

INTERNAL CONTROL FRAMEWORK

We have a comprehensive internal control framework in place that aligns with our Company's size, scale, and complexity. The Internal Audit Department conducts thorough audits of various functional areas and operations to assess compliance with policies, procedures, and regulatory requirements. The audit observations and follow-up actions are reported to the Audit Committee quarterly. The Audit Committee reviews the internal control environment's adequacy and effectiveness and oversees the implementation of audit recommendations.

The Directors are responsible for ensuring robust internal financial control systems and frameworks to provide reasonable assurance regarding reporting, operational, and compliance risks. There were no material breakdowns in controls, procedures, or systems during the reviewed year, and no significant changes in internal financial controls occurred that could materially affect them.

RISK MANAGEMENT

At India Shelter Finance Corporation, we understand that effective risk management and mitigation are essential for sustaining and growing businesses. We believe in proactively identifying risks and implementing tailored mitigation plans to reduce their impact. Our continuous review and update of risk management policies ensures that our business is well prepared to navigate potential risks successfully. Here are some key business risks that we address through our risk management processes:

Risk	Mitigation
Credit risk Credit risk refers to the possibility of a company's assets losing value because of uncertainty about whether borrowers will be able to repay loans.	We have implemented a comprehensive credit risk framework to mitigate this risk. It helps us evaluate factors such as the borrower's credit history, demographics, and income. Additionally, a rigorous credit sanction process is in place, and we continuously monitor post-disbursement to ensure a timely repayment.

ANNEXURE - 7 (Contd.)

Risk	Mitigation
<p>Operational risk</p> <p>Operational risk is the potential loss that can arise from inadequate or failed internal processes, people, systems, or external events. Financial institutions are particularly susceptible to this risk, as it can negatively impact their reputation, financial performance, and customer relationships.</p>	<p>We have established robust internal control systems with clear demarcations for duties, access, authorisation, and reconciliation procedures. Regular monitoring of procedures is conducted to uphold high standards across business processes. Staff education and assessment processes are also in place, including internal audit and risk containment units. These measures facilitate clear communication, monitor changes, and control business transaction risk. Additionally, the digitisation of internal processes reduces our reliance on manual work, minimising human errors through automation and precision in operations.</p>
<p>Market risk</p> <p>Market risk stems from fluctuations in the market environment, which have the potential to either escalate the worth of liabilities or devalue the assets.</p>	<p>Our exposure to market risk is confined to fluctuations in interest rates. To manage this risk, we regularly assess the maturity profile and conduct stress tests to ensure sufficient mitigation.</p>
<p>Interest rate risk</p> <p>Interest rate risk is the possibility of financial loss arising from changes in interest rates, which can affect an organisation's financial performance and overall value.</p>	<p>We evaluate the interest rate sensitivity gap and conduct regular portfolio tests. Additionally, we employ a combination of fixed and floating rate instruments to mitigate interest rate risk. We also diversify our funding sources to reduce reliance on any single one, thus lessening the impact of interest rate fluctuations. Furthermore, we closely monitor and analyse interest rate trends to anticipate changes and take timely action to mitigate interest rate risk.</p>
<p>Forex Risk</p> <p>Foreign exchange risk is the possibility of loss arising for the foreign currency exposure of the Company from currency fluctuations and adverse movement in the interest rates of international market.</p>	<p>The Company has External Commercial Borrowing (ECB) line of \$30 mn which is fully hedged by way of cross currency swaps.</p>
<p>Liquidity risk</p> <p>Liquidity risk is the potential risk of a shortfall in cash assets or their equivalents to fulfil urgent cash requirements.</p>	<p>We have sufficient cash reserves to address unexpected cash needs. Additionally, Asset-Liability Policy ensures that adequate cash flow and unused credit facilities are always available.</p>
<p>Reputation risk</p> <p>Reputation risk emerges from unforeseen and indirect losses due to unfavourable experiences or public perception.</p>	<p>We have implemented corporate governance and compliance framework to mitigate reputation risk. This framework is integrated into all aspects of our business operations.</p>
<p>Technology risk</p> <p>Technology risk is the possibility of loss arising from a system breakdown.</p>	<p>Our governance framework includes information technology practices to manage technology risks.</p>
<p>Regulatory risk</p> <p>Regulatory risk is the possibility of economic or reputational loss from non-compliance with legal requirements.</p>	<p>We diligently adhere to rules and regulations, ensuring no violations occur.</p>

CORPORATE SOCIAL RESPONSIBILITY

We aim to make a positive difference in society and improve the quality of life through our positive intervention in the community. We undertake key CSR initiatives with a sustainable, long-term view to benefit society at large. The scope of activities that we undertake towards the fulfilment of our CSR is in line with Schedule VII of the Companies Act, 2013, as amended from time to time, and any other applicable laws, regulations. Our key CSR objectives are identifying affordable housing, enhancing financial inclusion, supporting local communities, and addressing societal needs such as hunger, poverty, health, and rural development.

CAUTIONARY STATEMENT

This document contains forward-looking statements and information. Such statements are based on our current expectations and certain assumptions. Therefore, they are subject to certain risks and uncertainties. Should one or more of these risks or uncertainties materialise, or if underlying assumptions prove incorrect, actual results may vary. The Company does not intend to assume any obligation to update or revise these forward-looking statements in light of developments that differ from those anticipated.

ANNEXURE - 8

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31 MARCH, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

India Shelter Finance Corporation Limited

CIN: L65922HR1998PLC042782

Registered Office Address: 6th Floor, Plot No. 15,
Sector - 44, Institutional Area, Gurgaon- 122002,
Haryana, India

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **India Shelter Finance Corporation Limited** (hereinafter called '**the Company**'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company, during the audit period covering the financial year ended on March 31, 2024 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter along with Annexure 1 attached to this report.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- b. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- c. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- e. Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021.
- f. Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- g. Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (vi) The other laws which are specifically applicable to the Company based on its sector/industry are:
 - a. Regulations and Directions issued by National Housing Bank ("**NHB**");
 - b. Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013;

I have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards issued by the Institute of Company Secretaries of India;
- b. The Listing Agreement entered into by the Company with Bombay Stock Exchange ("**BSE**") and National Stock Exchange ("**NSE**").

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, etc. mentioned above.

I further report that –

The Board of the Company is duly constituted with a proper mix of Executive Directors, Non-Executive Directors and Independent Directors; the Board of Directors are fit and proper as stated in the RBI HFC Master Directions and in accordance with the applicable provisions of the Act.

ANNEXURE - 8 (Contd.)

Adequate notice is given to all Directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried out with requisite majority. Further as informed, there were no dissenting views by any member of the Board or Committee(s) during the period under review.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the year under review, Mr. Ajay Narayan Jha, Mr. Parveen Kumar Gupta and Ms. Savita Mahajan were appointed as an Independent Director. Thereafter, Mr. Anil Mehta resigned from the office of Chairman and Non-Executive Director with effect from July 31, 2023. Mr. Ajay Narayan Jha resigned from the office of Independent Director with effect from February 08, 2024 and Mr. Anup Kumar Gupta resigned from the office of Nominee Director with effect from March 07, 2024.

During the year under review, the remuneration of Mr. Rupinder Singh has been increased w.e.f. April 01, 2023 with the approval of Board in the meeting held on May 09, 2023 and shareholders'

approval in the Annual General Meeting held on July 14, 2023. The Board of Directors of the Company has, vide resolution passed on February 08, 2024, further approved distribution of amount equivalent to ₹ 6,00,000/- (Indian Rupees Six Lakh only), in one or more tranches, to some or any of the Independent Directors from financial year 2024-25 onwards.

As per the information provided by the Company, BSE and NSE, vide their communication dated February 22, 2024, have levied fine on the Company with respect to non-compliance under Regulation 19(1)/ 19(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the Quarter ended December 31, 2023 with respect to the composition of Nomination and Remuneration Committee. The Company has reconstituted the said Committee based on the clarification received from NSE. The Company has requested for waiver of the said fines.

It is also reported that during the audit period, the Company has:

- Approved Employee Stock Option Plan, 2023 in the Extra-Ordinary General Meeting held on July 18, 2023, to create, offer and grant up to 16,76,725 options.
- The Company, vide special resolution passed on July 18, 2023, approved the sub-division of equity shares having face value of ₹ 10/- each into equity shares having a face value of ₹ 5/- each.
- Approved allotment of equity shares pursuant to the following:

S. No.	Allotment pursuant to	Date of Allotment	No. of equity shares

INDEPENDENT AUDITORS' REPORT

To the Member of

India Shelter Finance Corporation Limited

Report on the Audit of the standalone financial statements

1. OPINION

We have audited the accompanying standalone financial statements of India Shelter Finance Corporation Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. BASIS FOR OPINION

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

3. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current year. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
a.	<p>Impairment on Financial Instruments</p> <p>As at 31 March 2024, the Company has reported gross loans assets amounting to Rs.5,10,648.98 lakhs and other financial assets amounting to Rs.12,732.69 lakhs against which impairment of Rs. 4,409.40 lakhs and Rs. 93.17 lakhs respectively have been recorded.</p> <p>Ind AS 109 Financial instruments (Ind AS 109) requires the Company to provide for impairment of its financial instruments (designated as amortized cost or fair value through other comprehensive income) using the expected credit loss (ECL) approach.</p> <p>ECL involves an estimation and a significant degree of judgement by the management for development of ECL model and its corresponding application in the ECL model. These judgement and estimates include:</p> <ol style="list-style-type: none"> 1. Estimating the behavioral life of the product. 2. Data inputs in relation to ECL model. 3. Application of the macroeconomic factors on a forward-looking basis. 4. Modification of assets in terms of restructuring. 5. Determination of loan book segmentation based on homogeneity, probability of defaults, loss given defaults and exposure at default. 	<p>Read and assessed the Company's accounting policies for impairment of financial instruments (Refer note 2.9) and their compliance with Ind AS 109 and the governance framework approved by the Board of Directors.</p> <p>Read and assessed the Company's policy with respect to one-time restructuring offered to customers pursuant to the "Resolution Framework 2.0- Resolution of COVID-19-related Stress of Micro, Small and Medium Enterprises" issued by RBI on May 5, 2021 and tested the implementation of such policy on a sample basis.</p> <p>We have evaluated the management response upon implementation of various RBI circulars and tested the implementation of requirements as per these circulars on sample basis.</p> <p>We also performed end to end process walkthroughs to identify the key systems, applications and controls used in the ECL processes.</p> <p>We tested the relevant manual controls, general IT and application controls over key systems used in the ECL process.</p> <p>Evaluated the reasonableness of the management estimates by understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation.</p>

INDEPENDENT AUDITOR'S REPORT (contd.)

Sr. No.	Key Audit Matter	Auditor's Response
.	<ol style="list-style-type: none"> 6. Management Overlay based on risk assessment and qualitative adjustments 7. Compliance with RBI circulars and assess the level of credit impairment of financial instrument. 8. Disclosures as required by IND AS 109 and RBI Circular Refer Note no. 6 & 8 of the standalone financial statements. 	<p>We tested the operating effectiveness of the controls for staging of loans and advances based on their past-due status.</p> <p>Tested a sample of performing (stage 1) loans to assess whether any Significant Increase in Credit Risk indicators were present requiring them to be classified under higher stages.</p> <p>Assessing the appropriateness of changes made in macro-economic factors and management overlays to calibrate the risks that are not yet fully captured by the existing model.</p> <p>We tested the arithmetical accuracy of computation of ECL provision performed by the Company.</p> <p>We assessed the disclosures included in the Ind-AS standalone financial statements with respect to such allowance / estimate are in accordance with the requirements of Ind AS 109 and Ind AS 107 Financial Instruments: Disclosures and also as per RBI Guidelines.</p>
b.	<p>Evaluation of Company's IT systems and Controls</p> <p>The Company's key financial accounting and reporting processes are highly dependent on information systems including automated controls in information systems, such that there exists a risk that, gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>We identified 'IT systems and controls' as key audit matter because of the high level of automation being used by management and the scale and complexity of the IT architecture.</p>	<p>Our audit procedures include assessment and identification of key IT applications, and further verifying, testing, and reviewing the design and operating effectiveness of the IT system on the basis of reports /returns and other financial and non-financial information generated from the system on a test check basis. Our audit procedures included:</p> <ol style="list-style-type: none"> a) Obtained an understanding of the IT control environment, IT policies during the audit period. b) Testing IT general controls related to User and Application controls, Change Management Controls and Data backup. <p>Where we identified the need to perform additional procedures, we placed reliance on manual reconciliations between systems and other information sources.</p>

4. OTHER INFORMATION

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give

INDEPENDENT AUDITOR'S REPORT (contd.)

a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

6. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone financial

statements made by the Management and Board of Directors.

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated

INDEPENDENT AUDITOR'S REPORT (contd.)

in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- I. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statement.
 - g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration

paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations as at 31 March 2024 on its financial position in its Standalone financial statements - Refer Note 34 of Standalone financial statements;
 - ii) The Company is not required to make any provision, as required under any law and accounting standards, for material foreseeable losses on any long-term contracts including derivative contracts- Refer note 5 of the financial statements.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv) (a) The Management has represented that, to the best of its (knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities

INDEPENDENT AUDITOR'S REPORT (contd.)

- identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) During the year, the company has not paid or declared any dividend.
- vi) Based on our examination which included test checks, the company has used accounting softwares (Finnone Loan Management System and Microsoft Dynamics 365 financial accounting package) which is operated by a third party

software service provider for maintaining its books of account. Based on SOC1TYPE2 and SOC2TYPE2 report for both softwares provided by the third party software service provider and other information provided to us by the company, we report that the audit trail (edit log) facility in the above softwares was enabled and operated throughout the year for all relevant transactions recorded in the software. Further, based on the confirmation of the third-party software service provider provided to us by the company we report that there was no instance wherein audit trail (edit log) feature was tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that;

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, Asset held for sale and relevant details of right-of use assets;
- (B) The Company has maintained proper records showing full particulars of intangible assets;
- (b) The Company has a program of physical verification of these Property, Plant and Equipment whereby all these assets are verified once in once in year. In our opinion, the periodicity of the physical verification is reasonable having regard to the size of the Company and the nature of its assets. For the assets where physical verification exercise was completed, no material discrepancies were noticed on such verification;
- (c) The title deeds of the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company;
- (d) The Company has not revalued its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year;
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder;
- ii. (a) The Company is primarily engaged in lending business. Accordingly, it does not hold any inventories. Thus, the provision of clause 3(ii)(a) of the Order is not applicable to the Company;
- (b) The Company has been sanctioned loans in excess of Rs.5 crores in aggregate during the year from banks and financial institutions on the basis of security of current assets and the quarterly returns/statements filed by the company with such banks and financial institutions. As disclosed by the management in Note 16(v) of the financial statements and as verified by us, the same are in agreement with the books of accounts of the company;
- iii. The Company has not made investments in and provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties. However, the Company has granted secured and unsecured loans to companies, firms, Limited Liability Partnerships and to others parties during the year in respect of which;
- (a) Since the Company is principally engaged in providing loans reporting under clause 3(iii)(a) of the Order is not applicable;
- (b) In our opinion, the terms and conditions of the loans granted during the year are prima facie not prejudicial to the Company's interest;
- (c) The Company is principally engaged in the business of providing loans. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been duly stipulated and the repayments of principal amounts and receipts of interest have been regular as per stipulation except for certain cases, the summary of which are as disclosed by the management in Note 6 of notes of the Financial Statements.
- (d) In respect of loans granted by the Company, the overdue amount remaining outstanding as at the balance sheet date is as reported in Note 6(viii) of notes of the Financial Statements. The total amount overdue for more than 90 days amounts to Rs. 5,012.87 Lakhs with respect to 676 borrowers (771 loan accounts). The Company has generally taken reasonable steps in its normal course of business for recovery of overdue principal and interest in respect of such loans;
- (e) As Company is principally engaged in providing loans, hence the reporting under clause 3(iii)(e) of the Order is not applicable;
- (f) The Company has not granted any loans or advances, in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- iv. The Company has not granted any loans, made investments, or provided guarantees and securities which attract the provisions of section 185 and section 186 of the Act. Accordingly, paragraph 3(iv) of the Order is not applicable to the Company;
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the Rules framed there under apply. Accordingly, the provision of clause 3(v) of the Order is not applicable to the Company;

ANNEXURE A (contd.)

- vi The Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the services rendered by the Company. Accordingly, the provision of clause 3(vi) of the Order is not applicable to the Company;
- vii (a) The amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income tax, cess and other applicable statutory dues have been regularly deposited by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of sales tax, service tax, value added tax, duty of customs and duty of excise; There were no undisputed amounts payable in respect of Goods and Services tax, provident fund, employees' state insurance, income tax, cess and other applicable statutory dues which were in arrears as at 31 March 2024 for a period of more than six months from the date they become payable;
- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

(Rs. In lakhs)

Nature of Act	Forum	Period (Assessment year)	Demand Amount excluding interest	Amount Deposited	Amount not deposited
Income Tax Act	Commissioner Income Tax Appeals	2017-18	445.23	89.05	356.18
Goods and Service Tax	Commissioner Goods and Service Tax	2019-20	12.50	1.25	11.25

- viii There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961);
- ix (a) The Company has not defaulted in the repayment of loans or other borrowings to or in the payment of interest thereon to any lender, during the year;
- (b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender;
- (c) Term loans availed by the Company during the year have been generally applied for the purpose for which they were obtained other than temporary deployment in liquid assets which are recoverable on demand;
- (d) On an overall examination of financial statements of the company, we report that no funds have been raised on short term basis. Accordingly, the provision of clause 3(ix)(d) of the Order is not applicable to the Company;
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its Subsidiary company or its associates' companies;
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, and accordingly, the provisions of clause 3(ix) (f) of the Order is not applicable;
- x (a) The Company has raised moneys by way of initial public offer of equity share capital during the year and as disclosed by the management in Note 20(f). Funds were applied for the purpose for which they were raised;
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) except for the 3,55,000 equity shares having face value of Rs.10 per share at a premium of Rs.73.20 per share issued during the year. The company has complied with the requirements of section 42 and section 62 of the companies act, 2013 and the funds raised have been used for the purposes for which the funds were raised.
- xi (a) We report that no fraud by the company has been noticed or reported during the year nor have we been informed of any such case by the management. As regards to fraud on the company, there have been 2 instance aggregating to Rs. 18.37 Lakh wherein frauds have been perpetrated by the borrower of the Company and third party as disclosed in note 44.31 of the financial statements.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report;

ANNEXURE A (contd.)

- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures;
- xii The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable;
- xiii In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, 2013 with respect to all applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards;
- xiv (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered the internal audit reports issued to the Company for the period under audit;
- xv The company has not entered into any non-cash transactions with directors or persons connected with him and hence provisions of section 192 of Companies Act are not applicable to the company.
- xvi (a) As the Company is a Non-Banking Financial institution and registered under National Housing Bank (NHB) Act, 1987, it has been exempted from the requirement of registration under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has a valid certificate of registration from National Housing Bank;
- (c) The Company is not a core investment company and hence reporting under clause (xvi)(c) of the Order is not applicable;
- (d) There are no core investment company as a part of the group;
- xvii The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year;
- xviii There has been no resignation of the statutory auditors during the year and hence reporting under clause 3 (xviii) of the Order is not applicable.
- xix According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due;
- xx As disclosed by management in note 30.2 of the financial statements and as verified by us, the gross amount required to be spent by company towards Corporate Social Responsibility (CSR) during the year has been duly spent during the year. Hence reporting under clause (xx)(a) and clause (xx)(b) of the Order is not applicable;

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF INDIA SHELTER FINANCE CORPORATION LIMITED

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **INDIA SHELTER FINANCE CORPORATION LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements, both applicable to an audit of Internal Financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial

statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNEXURE B (contd.)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at

March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

FOR THE YEAR ENDED 31 MARCH, 2024

(All amounts in ₹ Lacs, unless otherwise stated)

1. COMPANY OVERVIEW/CORPORATE INFORMATION

India Shelter Finance Corporation Limited ("the Company") is a Housing Finance Company registered under section 29A of The National Housing Bank Act, 1987 vide Registration Certificate No. 09.0087.10 dated 14 September, 2010. The Company is engaged in providing secured retail home loans, home equity loans and loans against property to borrowers for a period up to twenty years. These loans are primarily to be used by the borrowers for home purchase, home improvements, home extension and for construction of dwelling units on plots owned by borrowers. Under the scale based regulation the Company is categorised as middle layer (HFC-ML).

The Company does not accept public deposits and utilises internal and external funds to provide loans to borrowers.

The Company's registered office and principal place of business is situated at 6th Floor, Plot No-15, Sector 44, Gurugram- 122001.

1.1 Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements ("the Financial Statements") have been prepared in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('Act') and other relevant provisions of the Act and guidelines issued by Reserve Bank of India (RBI) and National Housing Bank (NHB) to the extent applicable. The Company has uniformly applied the accounting policies for the periods presented in these financial statements.

The financial statements for the year ended 31 March 2024 were authorised and approved for issue by the Board of Directors on 08 May, 2024.

(ii) Historical cost convention

The financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values at the end of each reporting period as explained in relevant accounting policies. The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell

an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 'Leases' and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36 'Impairment of Assets'.

In addition, for financial reporting purposes, fair value measurements are categorised into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain exemptions upon transition.

2.1. Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income on financial assets is recognised on a time proportion basis considering the amount outstanding and the effective interest rate applicable.

Effective Interest Rate ("EIR")

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at Fair Value Through Profit and Loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses).

Interest/Dividend income on investment

Interest income on investments and fixed deposits is recognised on time proportionate basis with reference to EIR method. Dividend income is accounted for when the right to receive it is established.

Income from assignment

Gains arising out of direct assignment transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of excess interest spread (EIS). The future EIS basis the scheduled cash flows on execution of the transaction, discounted at the EIR of underlying pool of loans rate entered into with the assignee is recorded upfront in the statement of profit and loss. EIS is evaluated and adjusted for ECL and expected prepayment.

Fee and Commission Income

Fee and commission income includes fees other than those that are an integral part of EIR method. The Company recognises the fee and commission income at fair value of the consideration received or receivable when the Company satisfies the performance obligation.

Other operating revenue

Interest on overdue of loans and other ancillary charges are recognised upon realisation. All other income is recognised on an accrual basis upon satisfaction of performance obligation, when there is no uncertainty in the ultimate realisation/collection and income can be measured reliably.

2.2. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount

of cash and which are subject to an insignificant risk of changes in value.

2.3. Cash flow statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.4. Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on the straight line method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013, or in case of assets where the estimated useful life was determined basis technical evaluation carried out by the Company, over the useful life so determined.

Depreciation on additions to fixed assets is provided for full month in which acquisition of the assets is made. No depreciation is provided for the month of sale/disposal of asset. Leasehold improvements are amortised over a period of lease. Asset costing less than ₹ 10,000 each are fully depreciated in the year of capitalisation.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

Estimated useful lives of the assets are as follows:

Asset category	Estimated useful life (in Years)	Life as per Schedule II
Plant & Equipment- Computer and other related equipment	3 years	3 years
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vehicles	8 years	8 years
Handheld communication devices (included in office equipment)	2 years	5 years
Leasehold improvements	Over the period of the lease or the estimated useful life whichever is lesser.	Over the period of the lease or the estimated useful life whichever is lesser.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the statement of profit and loss, when the asset is derecognised.

2.5. Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation method, estimated useful lives and residual value

Intangible assets are amortised over a period of 4 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

2.6. Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each reporting date. If there is any indication of impairment

based on internal / external factors, an impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. For the purpose of assessing impairment, the smallest identifiable group of assets that generate cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit.

Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

If at the reporting date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

2.7. Taxation

Tax expense recognised in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognised in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

With effect from 1 April 2019, with introduction of Taxation Laws (Amendment) Ordinance, 2019, where section 115BAA was introduced in the Income-tax Act, 1961 proposing option to compute income tax liability at revised taxation rates. Further, under section 115JB (MAT provisions) a sub-section was introduced stating non-applicability of Minimum Alternative Tax ('MAT') provisions on the companies exercising option to pay income tax under section 115BAA.

MAT policy applicable before 1 April 2019, MAT under the provisions of the Income-tax Act, 1961 was recognised as current tax in the Statement of Profit and Loss. The credit available under the Income-tax Act, 1961 in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

2.8. Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Where in the employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

Share based payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value of the option determined at the grant date of the equity settled share-based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the statement of profit and loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

In respect of re-pricing of existing stock option, the incremental fair value of the option on the date of re-pricing is accounted for as employee cost over the remaining vesting period.

2.9. Expected credit losses and write-off of financial assets

Loan assets

Loans are classified into performing and non-performing assets in terms of policy adopted by the Company, subject to minimum classification and provisioning norms required under 'Housing Finance Company (Reserve Bank) Directions, 2021' issued by RBI from time to time.

All loan exposures to borrowers with instalment structure are stated at disbursed value after netting off:

- unearned income
- instalments appropriated up to the year end

Under Ind AS, the Company's assets have been classified as follows based on Exposure at Default:

- Stage 1: Performing Assets
- Stage 2: Under Performing Assets
- Stage 3: Non-Performing Assets

Under Ind AS, asset classification and provisioning moves from the 'rule based', incurred losses model to the Expected Credit Loss (ECL) model of providing for expected future credit losses. Thus, loan loss provisions are made on the basis of the Company's historical loss experience, future expected credit loss and after factoring in various macro-economic parameters

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

2.10.Provisions, contingent assets and contingent liabilities

Provisions are recognised only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

2.11.Leases

Company as a Lessee:

At inception of a contract, Company assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease, a lease if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and

adjusted for certain re measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortised cost using the effective interest method. It is re measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is re measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property and equipment' and lease liabilities in 'borrowings (other than debt securities)' in the balance sheet.

2.12.Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through statement of profit and loss are recognised immediately in statement of profit and loss.

Financial assets

Financial assets, with the exception of loans and advances to customers, are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. Loans and advances to customers are recognised when funds are disbursed to the customers

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

Classification and Subsequent measurement of financial assets

Financial assets are classified in to three categories for subsequent measurement:

- Financial asset at amortised cost
- Financial asset at fair value through other comprehensive income (FVTOCI)
- Financial asset at fair value through profit and loss(FVTPL)

Financial asset at amortised cost

Financial instruments that meet the following conditions are subsequently measured at amortised cost less impairment loss:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

Financial assets (debt instruments) at FVOCI

Financial asset (debt instruments) is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI. Financial assets included within the above category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at FVTPL

Financial asset which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets classified under FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Financial liabilities

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

Derivative Financial Instruments

The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if certain criteria are met.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship.

The Company designates certain derivatives as hedging instruments to hedge the variability in cash flows associated with its external commercial borrowings arising from changes in exchange rates.

At inception of designated hedging relationships, the Company documents the risk management objective and strategy for undertaking the hedge. The Company also documents the economic relationship between the hedged item and the hedging instrument, including whether the changes in cash flows of the hedged item and hedging instrument are expected to offset each other.

Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognised in OCI and accumulated in the other equity under 'effective portion of cash flows hedges'. The effective portion of changes in the fair value of the derivative that is recognised in OCI is limited to the cumulative change in fair value of the hedged item, determined on a present value basis, from inception of the hedge. Any ineffective portion of changes in fair value of the derivative is recognised immediately in profit or loss.

The Company designates only the change in fair value of the spot element of forward exchange contracts as the hedging instrument in cash flow hedge relationships. The change in fair value of the forward element of the forward exchange contracts ('forward points') is separately accounted for as cost of hedging and recognised separately within equity. If a hedge no longer meets the criteria for hedge accounting or the hedging instrument is sold, expires, is terminated or is exercised, then hedge accounting is discontinued prospectively.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently

enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.13.Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.14.Foreign currency

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements have been prepared and presented in Indian Rupees (₹), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognised in the Statement of Profit and Loss in the year in which they arise.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

2.15.Insurance Claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.16.Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months.

2.17.Share/Securities issue expense

Share/security issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent any balance is available for utilisation in the Securities Premium Account. Share/security issue expenses in excess of the balance in the Securities Premium Account are expensed off in the Statement of Profit and Loss.

2.18.Borrowing Costs

Borrowing costs are interest and other costs incurred in connection with the borrowings of funds. Borrowing costs primarily include interest on amounts borrowed for the revenue operations of the Company. These are expensed to the statement of profit and loss using the EIR. All other Borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.19.Assets held for sale

Assets acquired by the Company under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, has been classified as assets held for sale, as their carrying amounts will be recovered principally through a sale of asset. In accordance with Ind AS 105, the Company is committed to sell these assets and they are measured at the lower of their carrying amount and the fair value less costs to sell.

2.20.Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). CODM is responsible for allocating the resources, assess the financial performance and position of the Company and make strategic decision.

2.21.Investment in Subsidiaries, Joint Ventures and Associates

Investment in subsidiaries are measured at cost less impairment loss (if any) as per Ind AS 27- Separate Financial Statements.

2.22.Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements:

Expected credit loss ('ECL') – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/ market and the associated ECL; and
- Establishing groups of similar financial assets for the purposes of measuring ECL.

Significant estimates:

Provision for employee benefits - Provision for employee benefits, requires that certain assumptions such as expected future salary increases, average life expectancy and discount rates etc. are made in order to determine the amount to be recorded for retirement benefit obligations. Substantial changes in the assumed development of any of these variables may significantly change the Company's retirement benefit obligations.

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Standard issued but not yet effective

No new standards as notified by Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules are effective for the current year.

3. CASH AND CASH EQUIVALENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
i. Cash on hand	308.43	175.98
ii. Balances with banks (of the nature of cash and cash equivalents)		
(a) Balance with banks in current accounts	10,876.98	6,277.86
(b) Deposits with original maturity of less than 3 months	-	29,400.00
Sub-total (a and b)	10,876.98	35,677.86
Total (I and II)	11,185.41	35,853.84

4. BANK BALANCE OTHER THAN CASH AND CASH EQUIVALENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
Deposits with original maturity of more than 3 months	18,398.08	7,043.42
Deposit held as margin money under securitisation and borrowing agreements*	6,878.16	6,585.37
Total	25,276.24	13,628.79

*Includes ₹ 900 Lacs and ₹ 25 Lacs (31 March, 2023: ₹ 25 Lacs) towards guarantee to National Stock Exchange and Unique Identification Authority of India (UIDAI).

5. DERIVATIVE FINANCIAL INSTRUMENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
Financial Asset		
Cross currency derivatives	-	5.85
Financial Liability		
Cross currency derivatives	255.54	-
Total	255.54	5.85

(a) Cross Currency Swaps (CCS)

Particulars	As at 31 March, 2024	As at 31 March, 2023
i) Total notional principal amount of CCS agreement undertaken during the year	16,370.00	7,981.00
ii) Total notional principal amount of CCS agreement outstanding as on end of the year*	24,351.00	7,981.00
iii) Maturity date of CCS	15-Jun-27	15-Jun-27
iv) Hedge ratio	1:1	1:1
v) Currency pair	USD/₹	USD/₹

* Notional amount outstanding is the original amount. Restated amount as at the balance sheet date basis exchange rate is 31 March, 2024: ₹ 25,021.70 Lacs (31 March, 2023: ₹ 8,222.07 Lacs). Refer note 39.5(d).

(b) Hedged item

As at 31 March, 2024

Particulars	Change in the value of the hedged item used as the basis for recognising hedge ineffectiveness	Cash flow hedge reserve	Foreign currency monetary items translation reserve
ECB term loan	(429.63)	(926.24)	-

As at 31 March, 2023

Particulars	Change in the value of the hedged item used as the basis for recognising hedge ineffectiveness	Cash flow hedge reserve	Foreign currency monetary items translation reserve
ECB term loan	(241.07)	(235.22)	-

6.1 Loans granted by the Company are secured by equitable mortgage/registered mortgage of the property and/or undertaking to create a security by way of equitable mortgage of property.

6.2 LOAN DETAILS

Particulars	Gross Carrying amount*	Effective interest rate adjustment	Total
As at 31 March, 2024	5,18,673.70	(8,024.72)	5,10,648.98
As at 31 March, 2023	3,70,362.69	(5,899.81)	3,64,462.88

* Loans represents aggregate of loan - principal outstanding, interest overdue and interest accrued but not due from borrowers pertaining to loans held in our books as on the last day of the relevant period.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

6.3 There were no loans given against the collateral of gold jewellery and hence the percentage of such loans to the total outstanding asset is Nil (31 March, 2023: Nil).

6.4 Loans sanctioned but undisbursed amount to ₹ 42,834.11 Lacs as on 31 March, 2024 (31 March, 2023: ₹ 26,789.44 Lacs).

6.5 The Company has balance of securitised assets amounting to ₹ 7,877.25 Lacs (31 March, 2023: 10,652.34 Lacs). These loan assets have not been de-recognised from the loan portfolio of the Company as these does not meet the de-recognition criteria. The Company is responsible for collection and servicing of this loan portfolio on behalf of buyers/investors. In terms of the said securitisation agreements, the Company pays to buyer/investor on monthly basis the prorated collection amount as per the respective agreement terms.

6.6 During the financial year 2023-24, the Company has assigned pools of certain loans amounting to ₹ 45,066.42 Lacs (31 March, 2023: 44,091.16 Lacs) by way of a direct assignment transactions. These loans have been de-recognised from the loan portfolio of the Company as the sale of loan assets is an absolute assignment and transfer on a 'no-recourse' basis. The Company continues to act as a servicer to the assignment transaction on behalf of assignee. In terms of the assignment agreements, the Company pays to assignees, on a monthly basis, the pro-rata collection amounts.

6.7 During the financial year 2023-24, The Company also undertaken co-lending arrangement with Bank, whereby loans are co-originated by both the entities in 20:80 ratio (Company:Bank). As at March, 31, 2024, outstanding amount of bank's share is ₹ 14,552.05 Lacs (31 March, 2023: 59.76 Lacs). The said arrangement is carried post disbursement of loans by the Company and the folios under the same are picked by the Bank. These loans have been de-recognised from the loan portfolio of the Company.

6.8 EXPECTED CREDIT LOSS

Expected credit loss is a calculation of the present value of the amount expected not to be recovered on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

The references below show where the Company's impairment assessment and measurement approach is set out in these notes. It should be read in conjunction with the Summary of significant accounting policies.

(i) Definition of default

The Company considers a financial instrument as defaulted and considered it as Stage 3 (credit-impaired) for ECL calculations in all cases, when the borrower becomes more than 90 days past due on its contractual

payments or classified as NPA as per RBI directions. The Probability of Default is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed year, if the facility has not been previously derecognised and is still in the portfolio.

ii) Exposure at default

The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation, addressing both the client's ability to increase its exposure while approaching default and potential early repayments

iii) Loss given default

The Company segments its retail lending products into homogeneous portfolios, based on key characteristics that are relevant to the estimation of future cash flows. The data applied is collected loss data and involves a wider set of transaction characteristics (e.g., product type, wider range of collateral types, loan to value (LTV) ratio, expected realisation rate, etc.) as well as borrower characteristics.

iv) Significant increase in credit risk

The Company continuously monitors all assets subject to ECL. In order to determine whether an instrument or a portfolio of instruments is subject to 12 month ECL or lifetime ECL, the Company assesses whether there has been a significant increase in credit risk since initial recognition. The Company considers an exposure to have significantly increased in credit risk when contractual payments are more than 30 days past due.

When estimating ECL on a collective basis for a group of similar assets, the Company applies the same principles for assessing whether there has been a significant increase in credit risk since initial recognition..

v) Delinquency buckets have been considered as the basis for the staging of all loans with:

- Stage 3 are those accounts which are classified as NPA

- Stage 2 are those accounts wherein there is significant increase in credit risk

- Stage 1 are those accounts wherein DPD is 0-30 days and not considered in Stage 2 and Stage 3

vi) Macro economic factors

Macro-economic variables relevant to the underlying loan portfolio such as Gross Domestic Product, Inflation, Housing Price Index and 10 year bond yield were analysed for their correlation. Based on the analysis of trend, the Company has considered the 10 year bond yield as relevant macro-economic factor as

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

it shows relatively better correlation with the portfolio performance.

vii) Credit quality of asset

The Company has classified all individual loans as amortised cost and has assessed it at the collective pool level. The individual loan book has been divided into the housing and non-housing (Loan against property) sub portfolios.

The vintage analysis methodology has been used to create the PD term structure which incorporates both 12 month (Stage 1 Loans) and lifetime PD (Stage 2 Loans). The vintage analysis captures a vintage default experience across a particular portfolio by tracking

the yearly slippages from advances originating in a particular year. The vintage slippage experience/default rate is then used to build the PD term structure.

The workout methodology has been used to determine LGD wherein the recoveries of loans defaulted in past are tracked and discounted to the date of default using the effective interest rate. The worked out LGD for loans has been bucketed into various levels of collateral cover. LGD based on collateral cover has been applied to each loan in the portfolio based on specific collateral cover adjusted for the expected fall in valuation. The Company has used the forward looking LGD basis the management expectation on property prices basis the market environment.

viii) An analysis of changes in the gross carrying amount and the corresponding ECL allowances in relation to loans is, as follows:

Reconciliation of gross carrying amount balance is as follows:

	Stage 1	Stage 2	Stage 3	Total
Loans to customers at amortised cost				
Balance as at 01 April, 2022	2,55,015.67	8,695.19	5,703.93	2,69,414.79
Transfer to Stage 1	5,219.33	(3,585.50)	(1,633.83)	-
Transfer to Stage 2	(4,643.85)	5,091.36	(447.51)	-

- Income tax matters	660.03	660.03
- Goods and Service tax	12.50	-
b) Commitments		
- Loan financing	42,834.11	26,789.44
c) Bank guarantees	925.00	25.00

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Note:

- (i) The Company received income tax notice under section 143(3) of the Income Tax Act, 1961 (the Act) dated 25 December, 2019 for tax demand amounting to ₹ 445.23 Lacs on account of unexplained credit under Section 68 of the Act for assessment year 2017-18. In response to such notice, the Company has filed an appeal before Commissioner of Income Tax (Appeals). The Company has deposited ₹ 89.05 Lacs under protest. The legal proceeding when ultimately concluded will not, in the opinion of the management, have a material effect on the financial position of the Group.
- (ii) The Company received an income tax notice under section 143(1)(a) of the Income Tax Act, 1961 on 4 March, 2020, for the assessment year 2019-20, for tax demand of ₹ 214.80 Lacs, on account of disallowance of Interest payable on NCD issued to mutual fund under section 43B of the Income Tax Act, 1961. The said amount has been adjusted against the refund due for the assessment year 2019-20. The Company has filed an appeal before the National Faceless Appeal Centre, New Delhi.
- (iii) The Company has received a demand order of ₹ 12.50 Lacs for contravention of Section 34(2) of CGST Act 2017 for 2019-20 dated 27 September, 2023. The Company has filed the appeal with the relevant authorities. Above amount does not include the contingencies, the likelihood of which is remote.
- (iv) Bank guarantees amounting to INR 900 lacs given to National Stock Exchange as security deposit for Initial Public Offer.

35. DISCLOSURES AS PER THE MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006

Particulars	As at 31 March, 2024	As at 31 March, 2023
(i) the principal amount and the interest due thereon remaining unpaid to any supplier at the end of each accounting year;		
- Principal due	18.55	Nil
- Interest due	Nil	Nil
(ii) the amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil
(iii) the amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006;	Nil	Nil
(iv) the amount of interest accrued and remaining unpaid at the end of each accounting year; and	Nil	Nil
(v) the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	Nil	Nil

36. ASSETS HELD FOR SALE

The Company has obtained possession of certain properties mortgaged by customers, under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (The SARFAESI Act, 2002), which shall be sold to realise the loan and other amounts receivable by the Company. The Company is in the process of selling these properties and has classified these as assets held for sale.

Particulars	As at 31 March, 2024	As at 31 March, 2023
Gross Carrying Amount	926.05	991.22
Less:- Impairment loss on stock of acquired properties	(289.48)	(346.14)
Net Carrying amount	636.57	645.08

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

37. EMPLOYEE BENEFIT PLANS

A) Defined contribution plans

Provident and other funds

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and other funds which are defined contribution plans. The Company has no obligations other than this to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue.

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Employer's contribution to provident and other funds	890.24	698.50

B) Defined benefit plans

Gratuity

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at 31 March, 2024 by Mr. Ashok Kumar Garg (FIAI M.No. 00057), Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.

Principal assumptions	31 March, 2024	31 March, 2023
Discount rate(s)	7.25%	7.50%
Expected rate(s) of salary increase	11.00%	11.00%
Retirement age	58	58
Withdrawal rate	20.00%	20.00%
In service mortality	IALM (2012-14)	IALM (2012-14)

Amounts recognised in the statement of profit and loss in respect of these defined benefit plans are as follows:

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Service cost:		
Current service cost	159.19	113.36
Interest cost	24.40	25.55
Components of defined benefit costs recognised in profit or loss	183.59	138.91

Remeasurement (gains)/ loss recognised in other comprehensive income:

Actuarial losses/(gains) arising from changes in financial assumptions	36.95	(62.32)
Actuarial (gains)/losses arising from experience adjustments for plan liabilities	(51.10)	(89.69)
Actuarial (gains)/losses arising from experience adjustments for plan assets	(2.15)	-
Components of defined benefit costs recognised in other comprehensive income	(16.29)	(152.01)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Present value of funded defined benefit obligation	461.65	325.35
Fair value of plan assets	402.15	-
Net liability arising from defined benefit obligation	59.50	325.35

Movements in the present value of the defined benefit obligation are as follows:

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
Opening defined benefit obligation	325.35	365.01
Current service cost	159.19	113.36
Interest cost	24.40	25.55

Remeasurement (gains)/losses:

Actuarial losses/(gains) arising from changes in financial assumptions	36.95	(62.32)
Actuarial (gains)/losses arising from experience adjustments	(51.10)	(89.69)
Past service cost, including losses/(gains) on curtailments	-	-
Benefits paid	(33.14)	(26.56)

Closing defined benefit obligation 461.65 325.35

Movements in the fair value of planned assets are as follows:

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
Fair value of plan assets at the beginning of the period	-	-
Expected return on plan assets	-	-
Contributions	400.00	-
Benefits paid	-	-
Actuarial gain/(loss) on plan assets	2.15	-
Fair Value of Plan Asset at the end of the Period	402.15	-

Sensitivity analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase, mortality, etc. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

- If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by ₹ 22.42 Lacs (increase by ₹ 24.76 Lacs) [31 March, 2023: 15.59 Lacs (increase by ₹ 16.85 Lacs)].

- If the expected salary growth increases (decreases) by 100 basis points, the defined benefit obligation would increase by ₹ 23.20 Lacs (decrease by ₹ 21.38 Lacs) [31 March, 2023: increase by ₹ 16.14 Lacs (decrease by ₹ 15.25 Lacs)].

Sensitivities due to change in mortality rate and change in withdrawal rate are not expected to be material and hence impact of such change is not calculated.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Other disclosures

Maturity profile of defined benefit obligations

Particulars	As at 31 March, 2024	As at 31 March, 2023

Classification of assets & liabilities under maturity buckets is based on estimates and assumptions of the Company.

39. FINANCIAL INSTRUMENTS

39.1 CAPITAL MANAGEMENT

Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the National Housing Bank (NHB) and Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by NHB and RBI.

Capital management

The capital management objectives of the Company are:

- to ensure that the Company complies with externally imposed capital requirements, if any and maintains strong credit ratings and healthy capital ratios
- to ensure the ability to continue as a going concern
- to provide an adequate return to shareholders

Gearing ratio

The gearing ratio at the end of reporting period was as follows:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Debt		
Borrowings(other than debt securities)	3,38,508.97	2,81,233.49
Debt securities	3,000.90	17,653.41
Cash and cash equivalents	(11,185.41)	(35,853.84)
Net debt	3,30,324.46	2,63,033.06
Total equity	2,29,757.66	1,24,016.21
Net debt to equity ratio	1.44	2.12

Management assesses the capital requirements of the Company in order to maintain an efficient overall financing structure. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends, return on capital to shareholders, issue new shares, or sell assets to reduce debt.

39.3 FAIR VALUE MEASUREMENT OF ASSETS AND LIABILITIES

Fair value hierarchy

Assets and liabilities are measured at fair value in the financial statements and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: Quoted prices (unadjusted) for identical instruments in an active markets;
- Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data (unobservable inputs).

The following table shows the levels within the hierarchy of assets measured at fair value on a recurring basis:

As at 31 March, 2024

Particulars	Level 1	Level 2	Level 3	Total
Asset measured at fair value on a recurring basis				
Financial Assets carried at fair value through profit and loss				
Investments in mutual fund	-	-	-	-
Assets measured at fair value on a non recurring basis				
Assets held for sale	-	636.57	-	636.57

As at 31 March, 2023

Particulars	Level 1	Level 2	Level 3	Total
Asset measured at fair value on a recurring basis				
Investments in mutual fund	499.98	-	-	499.98
Assets measured at fair value on a non recurring basis				
Assets held for sale	-	645.08	-	645.08

Valuation methodologies of financial instruments measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are recorded and measured at fair value in the Company's financial statements:

- Mutual funds** - Units held in Mutual funds are valued based on their published Net asset value (NAV) and such instruments are classified under Level 1.
- Asset held for sale** - Assets held for sale valuation are basis independent valuations by a specialist in valuing these type of assets. The best estimate of fair value is current prices in an active market for similar assets.

39.4 Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 3 inputs:

As at 31 March, 2024

Particulars	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Cash and cash equivalents	11,185.41	-	-	11,185.41	11,185.41
Bank balance other than cash and cash equivalents	25,276.24	-	-	25,276.24	25,276.24
Loans	5,06,239.58	-	-	5,06,239.58	5,06,239.58
Investments	16,979.70	-	-	16,979.70	16,979.70
Other financial assets	12,639.52	-	-	12,639.52	12,639.52
	5,72,320.45	-	-	5,72,320.45	5,72,320.45
Financial liabilities					
Trade payables	499.16	-	-	499.16	499.16
Debt securities	3,000.90	-	-	3,000.90	3,000.90
Borrowings (Other than debt securities)	3,38,508.97	-	-	3,38,508.97	3,38,508.97
Other financial liabilities	6,846.05	-	-	6,846.05	6,846.05
	3,48,855.08	-	-	3,48,855.08	3,48,855.08

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

As at 31 March, 2023

Particulars	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Cash and cash equivalents	35,853.84	-	-	35,853.84	35,853.84
Bank balance other than cash and cash equivalents	13,628.79	-	-	13,628.79	13,628.79
Loans	3,60,914.42	-	-	3,60,914.42	3,60,914.42
Investments	5,392.85	-	-	5,392.85	5,392.85
Other financial assets	9,022.66	-	-	9,022.66	9,022.66
	4,24,812.56	-	-	4,24,812.56	4,24,812.56
Financial liabilities					
Trade payables	613.98	-	-	613.98	613.98
Debt securities	17,653.41	-	-	17,653.41	17,653.41
Borrowings (Other than debt securities)	2,81,233.49	-	-	2,81,233.49	2,81,233.49
Other financial liabilities	5,343.53	-	-	5,343.53	5,343.53
	3,04,844.41	-	-	3,04,844.41	3,04,844.41

The management is of view that the fair value of bank balances and cash and cash equivalents, other bank balances, loans, other financial assets, trade payables, borrowings including debt securities and other financial liabilities that are being carried at amortised cost, approximates to their respective net carrying value.

39.5. FINANCIAL RISK MANAGEMENT

Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Loan receivables, cash and bank balances, investments, financial assets measured at amortised cost	Expected loss analysis	Credit risk analysis, diversification of customers/ asset base, high rated bank deposits, credit limits and collateral.
Liquidity risk	Business commitments and other liabilities	Rolling cash flow forecasts	Maintaining adequate cash reserves and undrawn credit facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
Market risk - interest rate	Borrowings at variable rates	Sensitivity analysis	Funding strategies to ensure diversified resource-raising options to minimise cost and maximise stability of funds. and Asset Liability Management Committee supervise an interest rate sensitivity report periodically for assessment of interest rate risks.
Market risk - currency risk	External Commercial Borrowings	Sensitivity analysis	Hedging strategies to ensure 100 % hedge by way of booking derivatives in the form of forward cover or cross currency swap. Effectiveness of the hedge is reviewed by Risk management Committee periodically.

The Board has the overall responsibility of risk management - there are two committees of the Board which takes care of managing overall risk in the organisation. In accordance with the RBI and NHB guidelines to enable Housing Finance Companies to adopt best practices and greater transparency in their operations, the Board of Directors of the Company has constituted a Risk Management Committee to review risk management in relation to various risks, namely, market risk, credit risk, and operational risk, and an Asset Liability Management Committee (ALCO).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

a) Credit risk

Credit risk is the risk of loss that may occur from the failure of any party to abide by the terms and conditions of any contract, principally the failure to make required payments of amounts due to the Company. In its lending operations, the Company is principally exposed to credit risk. The credit risk is governed by various product policies. The product policies outline the type of products that can be offered, customer categories, the targeted customer profile and the credit approval process and limits. The Company measures, monitors and manages credit risk at an individual borrower level. The credit risk for individual borrowers is being managed at portfolio level for both Housing Loans and Non-housing Loans. The Company has a structured and standardised credit approval process, which includes a well-established procedure of comprehensive credit appraisal.

Credit risk arises from loan financing, cash and cash equivalents, investments and deposits with banks and financial institutions, as shown below:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Loans	5,06,239.58	3,60,914.42
Cash and cash equivalents	11,185.41	35,853.84
Bank balance other than cash and cash equivalents	25,276.24	13,628.79
Investments	16,979.70	5,892.83
Other financial assets	12,639.52	9,022.66

Credit risk management

The Company assesses and manages credit risk based on internal credit rating system and external ratings.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Loans

The customers are primarily low and middle-income, salaried and self-employed individuals. The credit officers evaluate credit proposals on the basis of active credit policies as on the date of approval. The criteria typically include factors such as the borrower's income and obligations, the loan-to-value ratio and demographic parameters subject to regulatory guidelines. Any deviations need to be approved at the designated levels. The various process controls such as PAN Number Check, CERSAI database scrubbing, Credit Bureau Report analysis are undertaken prior to approval of a loan. Individual loans are secured by the mortgage of the borrowers property.

Investments

Investments are generally made in mutual funds and high rated debt securities. Credit risk related to these investments is managed by monitoring the recoverability of such amounts continuously.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Management of the Company monitors forecast of liquidity position and cash and cash equivalents on the basis of expected cash flows. The Asset Liability Management Policy aims to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

The tables below analyse the financial assets and liabilities of the Company into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows except EIS receivables on direct assignment included in other financial assets. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Maturities of financial assets

31 March, 2024

Disclosure on Liquidity Coverage Ratio (LCR) as on 31 March, 2024 in accordance with RBI circular No. RBI/2020-21/73 DOR.FIN. HFC.CC.No.102 /03.10.136/2020-21 dated 17 February, 2021 and RBI circular No. RBI/DNBR/2016-17/45 Master Direction DNBR.PD.008/03.10.119/ 2016-17 dated 01 September, 2016

The RBI vide Circular No. RBI/2020-21/73 DOR.FIN.HFC.CC.No.120/03.10.136/2020-21 dated 17 February, 2021 issued guidelines on maintenance of Liquidity Coverage Ratio (LCR) for HFCs. The guidelines required all non-deposit taking HFC with an asset size of ₹ 5,000 crore and above, but less than ₹ 10,000 crore, to maintain LCR of 30% as at 31 December 2021, to be gradually increased to 100% by December 2025.

The objective of the LCR is to promote resilience in the liquidity risk profile of HFCs. This is done by ensuring that the Company has an adequate stock of unencumbered high-quality liquid assets (HQLA) that can be converted easily and immediately into cash to meet its liquidity needs for a 30 calendar day liquidity stress scenario.

The total assets of the Company has crossed ₹ 5,000 crores as at 31 December, 2023, the Company has presented the LCR related disclosures for position as on 31 December 2023 and for the quarter ended 31 March 2024 only i.e. the period for which the guideline became applicable to the Company.

The Company regularly reviews the maturity position of assets and liabilities and liquidity buffers, and ensures maintainance of sufficient quantum of High Quality Liquid Assets, most of which is in the form of government securities as at 31 March, 2024.

Quantative information on LCR for the year ended 31 March, 2024 is as follows:

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

c) Market risk

Interest rate risk

Liabilities

The policy of the Company is to minimise interest rate cash flow risk exposures on long-term loans and borrowings. As at 31 March, 2024, the Company is exposed to changes in market interest rates through loans and bank borrowings at variable interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Variable rate borrowing	2,72,924.05	2,37,326.50
Fixed rate borrowing	66,880.03	59,685.86
Total borrowings	3,39,804.07	2,97,012.36

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates:

Particulars	Impact on profit before tax	
	Year ended 31 March, 2024	Year ended 31 March, 2023
Interest rate - Increase by 100 basis points*	2,508.21	1,925.33
Interest rate - Decrease by 100 basis points*	(2,508.21)	(1,925.33)

* Holding all other variables constant

d) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to External Commercial Borrowings (ECB).

- (i) The Company has hedged its foreign currency exposure through Cross Currency Swaps in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Company's profit before tax (PBT).

Foreign Currency Exposure

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
External Commercial Borrowing (USD in Lacs)	300.00	100.00

Sensitivity

Below is the sensitivity of profit or loss and equity changes in currency rates:

Name of the instrument	Impact on profit before tax		Impact on OCI before tax	
	Year ended 31 March, 2024	Year ended 31 March, 2023	Year ended 31 March, 2024	Year ended 31 March, 2023
Number of significant counterparties*				
USD rate - Increase by 5%*	-	-	(1,250.69)	(411.08)
USD rate - Decrease by 5%*	-	-	1,250.69	411.08

* Holding all other variables constant

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

42. LEASE RELATED DISCLOSURES

The Company has leases for office building, branches and related facilities and cars. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right-of-use assets. The Company classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term.

A Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Short-term leases	195.37	152.95
Leases of low value assets	-	-
Variable lease payments	-	-

B Total cash outflow for leases for the year ended 31 March, 2024 was ₹ 725.17 Lacs (31 March, 2023: 584.59 Lacs).

C The Company has total commitment for short-term leases as at 31 March, 2024 ₹Nil (31 March, 2023: Nil).

D Maturity of lease liabilities

The lease liabilities are secured by the related underlying assets. Future minimum lease payments were as follows:

31 March, 2024

Particulars	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	736.34	654.38	395.65	236.92	90.25	114.26	2,227.81
Interest expense	132.34	84.05	46.82	23.47	11.17	9.03	306.89
Net present values	604.00	570.33	348.83	213.45	79.08	105.23	1,920.92

31 March, 2023

Particulars	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	530.22	420.50	369.09	240.66	119.28	171.39	1,851.14
Interest expense	110.96	77.59	51.18	30.80	16.26	20.28	307.07
Net present values	419.26	342.91	317.91	209.86	103.02	151.11	1,544.07

E There are no variable lease agreements.

F Information about extension and termination options

As at 31 March, 2024

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

The value of the underlying shares has been determined by an independent valuer. The following assumptions were used for calculation of fair value of grants in accordance with Black Scholes model, for options granted during the financial year:

Particulars	
Risk free interest rate	7.05% to 7.28%
Expected life of option	3.6 yrs to 5.6 yrs
Expected Volatility	12.01% to 15.95%
Dividend yield	0%

The risk free interest rates are determined based on the Government bond yields with maturity equal to the expected term of the option. Volatility calculation is based on historical stock prices of relevant index using standard deviation of daily change in index price. The historical period is taken into account to match the expected life of the option. Dividend yield has been considered taking into account the historical and expected rate of dividend on equity share price as on grant date.

The Board of Directors of the Company in its meeting held on 12 July, 2023 and shareholders in the Extraordinary General Meeting held on 18 July, 2023 approved the sub-division of shares from ₹ 10 per share to ₹ 5 per share (Also refer Note 57).

44.04 Derivatives

1 The Company does not have any Forward Rate Agreement/Interest rate Swaps as at 31 March, 2024 and 31 March, 2023

2 Exchange traded Interest Rate (IR) Derivative

The Company has not entered into any Exchange traded interest rate (IR) derivative during the current as well as previous financial year, hence the disclosure under this clause is not applicable.

Disclosures on Risk Exposure in Derivatives

i) Qualitative Disclosure

Structure and organisation for management of risk in derivatives trading:

The Board of Directors, the Asset Liability Management Committee (ALCO) and the Risk Management Committee (RMC) are entrusted with the management of market risks and derivatives booked to hedge the same, if any. The philosophy and framework for the hedging through derivative is laid out in the Risk Management policy approved by Board. The Risk Management Committee reviews all risks periodically. The monitoring and measurement of risk is carried out by the Risk Department headed by Chief Risk Officer which is independent of the Treasury Front office and back office.

Scope and nature of risk measurement, risk reporting and risk monitoring systems:

As per the risk framework, derivatives are being used only for hedging purpose and not speculating purposes. Company has undertaken Cross Currency swap to hedge the foreign exchange exposure on its ECB liability. Hedge effectiveness of this transaction is assessed on periodic basis.

Policies for hedging and / or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

The Risk management Policy and Accounting Policy details the hedging strategies, hedging processes, accounting treatment, documentation requirements and effectiveness testing for hedges. Hedges are monitored for effectiveness periodically, in accordance with the Policy.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Accounting policy for recording hedge and non-hedge transactions; recognition of income, premiums and discounts; valuation of outstanding contracts; provisioning, collateral and credit risk mitigation:

The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship.

The Company designates certain derivatives as hedging instruments to hedge the variability in cash flows associated with its external commercial borrowings arising from changes in exchange rates.

At inception of designated hedging relationships, the Company documents the risk management objective and strategy for undertaking the hedge. The Company also documents the economic relationship between the hedged item and the hedging instrument, including whether the changes in cash flows of the hedged item and hedging instrument are expected to offset each other.

Cash flow hedges: When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognised in OCI and accumulated in the other equity under 'effective portion of cash flows hedges'. The effective portion of changes in the fair value of the derivative that is recognised in OCI is limited to the cumulative change in fair value of the hedged item, determined on a present value basis, from inception of the hedge. Any ineffective portion of changes in fair value of the derivative is recognised immediately in profit or loss. The Company designates only the change in fair value of the spot element of forward exchange contracts as the hedging instrument in cash flow hedge relationships. The change in fair value of the forward element of the forward exchange contracts ('forward points') is separately accounted for as cost of hedging and recognised separately within equity. If a hedge no longer meets the criteria for hedge accounting or the hedging instrument is sold, expires, is terminated or is exercised, then hedge accounting is discontinued prospectively.

The Company periodically review the counterparty exposure and limits. Additional margins paid, if any, are shown under Other financial assets.

INDEPENDENT AUDITORS' REPORT

To the Member of

India Shelter Finance Corporation Limited

Report on the Audit of the Consolidated financial statements

1. OPINION

We have audited the accompanying Consolidated financial statements of **India Shelter Finance Corporation Limited ("the Company")** and its subsidiaries (the company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year ended on that date, and notes to the Consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31 March 2024, and Consolidated profit, Consolidated other comprehensive income,

Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

2. BASIS FOR OPINION

We conducted our audit of Consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

3. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
a.	<p>Impairment on Financial Instruments</p> <p>As at 31 March 2024, the Group has reported gross loans assets amounting to Rs. 5,10,648.97 lakhs and other financial assets amounting to Rs. 12,732.69 lakhs against which impairment of Rs. 4,409.40 lakhs and Rs. 93.17 lakhs respectively have been recorded.</p> <p>Ind AS 109 Financial instruments (Ind AS 109) requires the Company to provide for impairment of its financial instruments (designated as amortized cost or fair value through other comprehensive income) using the expected credit loss (ECL) approach.</p> <p>ECL involves an estimation and a significant degree of judgement by the management for development of ECL model and its corresponding application in the ECL model. These judgement and estimates include:</p> <ol style="list-style-type: none"> 1. Estimating the behavioral life of the product 2. Data inputs in relation to ECL model 	<p>Read and assessed the Group's accounting policies for impairment of financial instruments (Refer Note 2.9) and their compliance with Ind AS 109 and the governance framework approved by the Board of Directors.</p> <p>Read and assessed the Group's policy with respect to one-time restructuring offered to customers pursuant to the "Resolution Framework 2.0- Resolution of COVID-19-related Stress of Micro, Small and Medium Enterprises" issued by RBI on May 5, 2021 and tested the implementation of such policy on a sample basis.</p> <p>We have evaluated the management response upon implementation of various RBI circulars and tested the implementation of requirements as per these circulars on sample basis.</p> <p>We also performed end to end process walkthroughs to identify the key systems, applications and controls used in the ECL processes.</p> <p>We tested the relevant manual controls, general IT and application controls over key systems used in the ECL process.</p>

INDEPENDENT AUDITOR'S REPORT (contd.)

Sr. No.	Key Audit Matter	Auditor's Response
	<ol style="list-style-type: none"> 3. Application of the macroeconomic factors on a forward-looking basis 4. Modification of assets in terms of restructuring 5. Determination of loan book segmentation based on homogeneity, probability of defaults, loss given defaults and exposure at default. 6. Management Overlay based on risk assessment and qualitative adjustments 7. Compliance with RBI circulars and assess the level of credit impairment of financial instrument. 8. Disclosures as required by IND AS 109 and RBI Circular Refer Note no. 6 & 8 of the Consolidated financial statements. 	<p>Evaluated the reasonableness of the management estimates by understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation.</p> <p>We tested the operating effectiveness of the controls for staging of loans and advances based on their past-due status.</p> <p>Tested a sample of performing (stage 1) loans to assess whether any Significant Increase in Credit Risk indicators were present requiring them to be classified under higher stages.</p> <p>Assessing the appropriateness of changes made in macro-economic factors and management overlays to calibrate the risks that are not yet fully captured by the existing model.</p> <p>We tested the arithmetical accuracy of computation of ECL provision performed by the Company.</p> <p>We assessed the disclosures included in the Ind-AS Consolidated financial statements with respect to such allowance / estimate are in accordance with the requirements of Ind AS 109 and Ind AS 107 Financial Instruments: Disclosures and also as per RBI Guidelines.</p>
b.	<p>Evaluation of Company's IT systems and Controls</p> <p>The Group's key financial accounting and reporting processes are highly dependent on information systems including automated controls in information systems, such that there exists a risk that, gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>We identified 'IT systems and controls' as key audit matter because of the high level of automation being used by management and the scale and complexity of the IT architecture.</p>	<p>Our audit procedures include assessment and identification of key IT applications, and further verifying, testing, and reviewing the design and operating effectiveness of the IT system on the basis of reports /returns and other financial and non-financial information generated from the system on a test check basis. Our audit procedures included:</p> <ol style="list-style-type: none"> a) Obtained an understanding of the IT control environment, IT policies during the audit period. b) Testing IT general controls related to User and Application controls, Change Management Controls and Data backup. <p>Where we identified the need to perform additional procedures, we placed reliance on manual reconciliations between systems and other information sources.</p>

4. OTHER INFORMATION

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Consolidated financial statements and our auditors' report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that

there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act. This responsibility also includes maintenance of adequate

INDEPENDENT AUDITOR'S REPORT (contd.)

accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group are also responsible for overseeing the financial reporting process of the Group's.

6. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Consolidated financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.
- Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the

INDEPENDENT AUDITOR'S REPORT (contd.)

Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. OTHER MATTER

In respect of financial statements and other information of 1 subsidiary company, we did not carry out the audit, whose financial statements include total assets of Rs. 1,311.27 lakhs as at March 31, 2024, total income of Rs.100.96 lakhs, total profit after tax of Rs. 72.45 lakhs, total comprehensive income of Rs. 72.45 lakhs and Net cash outflow of Rs. 234.28 lakhs for the year ended 31 March 2024, as considered in the Consolidated Financial Statements. These financial statements and other financial information have been audited by other independent auditors.

The independent auditor's reports on financial statements of the aforesaid entity have been furnished to us by the management and our opinion on the statement in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on the reports of such auditors and the procedures performed by us as stated in above paragraph.

Our opinion is not modified in this respect.

8. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- As required by section 143(3) of the Act, based on our audit we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
 - The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
 - On the basis of the written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls with reference to Consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to consolidated Financial Statement.
 - With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.

INDEPENDENT AUDITOR'S REPORT (contd.)

- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Group has disclosed the impact of pending litigations as at 31 March 2024 on its financial position in its Consolidated financial statements - Refer Note 34 of Consolidated financial statements;
- ii) The Group is not required to make any provision, as required under any law and accounting standards, for material foreseeable losses on any long-term contracts including derivative contracts-Refer note 5 of the financial statements;
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group;
- iv) (a) The Management has represented that, to the best of its (knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) During the year, the group has not paid or declared any dividend.
- vi) Based on our examination which included test checks and that performed by the auditors of the subsidiary which are company incorporated in India whose financial statements have been audited under the act, the company and subsidiary have used accounting softwares (Finnone Loan Management System and Microsoft Dynamics 365 financial accounting package) which is operated by a third party software service provider for maintaining its books of account. Based on SOC1TYPE2 and SOC2TYPE2 report for both softwares provided by the third party software service provider and other information provided to us by the company, we report that the audit trail (edit log) facility in the above softwares was enabled and operated throughout the year for all relevant transactions recorded in the software. Further, based on the

INDEPENDENT AUDITOR'S REPORT (contd.)

confirmation of the third-party software service provider provided to us by the company we report that there was no instance wherein audit trail (edit log) feature was tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

Place: Gurugram
Date: 08th May 2024

- ii. With respect to the matters specified in paragraphs 3(xxii) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF INDIA SHELTER FINANCE CORPORATION LIMITED

Report on the Internal Financial Controls with reference to Consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Consolidated financial statements of **India Shelter Finance Corporation Limited (“the Company”)** and its subsidiaries (the company and its subsidiaries together referred to as “the Group”) as of March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Group’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Group’s internal financial controls with reference to consolidated financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements, both applicable to an audit of Internal Financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system with reference to consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the

ANNEXURE A (contd.)

internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to consolidated financial statements criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTER

We did not audit the internal financial control with reference to financial statements of 1 subsidiary company, whose financial statements include total assets of Rs. 1,311.27 lakhs as at March 31, 2024, total income of Rs.100.96 lakhs, total profit after tax of Rs. 72.45 lakhs, total comprehensive income of Rs. 72.45 lakhs and Net cash outflow of Rs. 234.28 lakhs for the year ended 31 March 2024, as considered in the Consolidated Financial Statements. These financial statements and other financial information have been audited by other independent auditors.

The internal financial control with reference to financial statements in so far as it relates to such subsidiary company have been audited by other auditors whose reports have been furnished to us by the Management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to the financial statements for the Holding Company and its subsidiary company, as aforesaid under Section 143 (3) (i) of the Act in so far as it relates to such subsidiary company is based solely on the reports of the auditors of such company. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of other auditors.

Our opinion is not modified in this respect.

CONSOLIDATED STATEMENT OF CASH FLOWS (contd.)

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Cash and cash equivalents at the beginning of the year	36,094.42	14,380.16
Cash and cash equivalents at the end of the year	11,191.71	36,094.42
Components of cash and cash equivalents:-		
Cash on hand	308.43	175.98
Balances with banks (of the nature of cash and cash equivalents)		
(a) Balance with banks in current accounts	10,883.28	6,281.44
(b) Deposits with original maturity of less than 3 months	-	29,637.00
Total cash and cash equivalents	11,191.71	36,094.42

Note:

- The above consolidated statement of cash flows has been prepared under the "Indirect Method" as set out in Indian Accounting Standard (Ind AS) - 7 'Statement of Cash flows' as specified under Section 133 of the Companies Act, 2013, ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- Refer note 16 for reconciliation of liabilities arising from financing activities.
- Previous year figures have been regrouped/reclassified wherever applicable.

The accompanying notes form an integral part of these consolidated financial statements.
This is the consolidated statement of changes in equity referred to in our report of even date.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024

(All amounts in ₹ Lacs, unless otherwise stated)

1. CORPORATE INFORMATION

India Shelter Finance Corporation Limited ("the Company") is a Housing Finance Company registered under section 29A of The National Housing Bank Act, 1987 vide Registration Certificate No. 09.0087.10 dated 14 September, 2010. The Group is engaged in providing secured retail home loans, home equity loans and loans against property to borrowers for a period up to twenty years. These loans are primarily to be used by the borrowers for home purchase, home improvements, home extension and for construction of dwelling units on plots owned by borrowers.

India Shelter Capital Finance Limited ("Subsidiary Company") was incorporated on 24 March, 2022 to carry on lending business as Non-Banking Finance Company subject to receipt of regulatory approvals. The Subsidiary Company has neither obtained Certificate of Registration from Reserve Bank of India nor has commenced any business activity during the year ending 31 March, 2024.

The above two companies are collectively referred to as the ("Group").

1.1 Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These Consolidated financial statements ("the Financial Statements") of the Group have been prepared in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 ('Act') and other relevant provisions of the Act and guidelines issued by Reserve Bank of India (RBI) and National Housing Bank (NHB) to the extent applicable. The Group has uniformly applied the accounting policies for the periods presented in these financial statements.

The financial statements for the year ended 31 March, 2024 were authorised and approved for issue by the Board of Directors on 08 May, 2024.

(ii) Historical cost convention

The financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values at the end of each reporting period as explained in relevant accounting policies. The financial statements have been prepared on going concern basis in

accordance with accounting principles generally accepted in India.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 'Leases' and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36 'Impairment of Assets'.

In addition, for financial reporting purposes, fair value measurements are categorised into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

(iii) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries including controlled structured entities as at 31 March, 2024. The Company consolidates a subsidiary when it controls it. Control is achieved when the Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

(All amounts in ₹ Lacs, unless otherwise stated)

over the investee. Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Company has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee.
- Rights arising from other contractual arrangements.
- The Company's voting rights and potential voting rights.
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Company gains control until the date the Company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Company uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Company member's financial statements in preparing the consolidated financial statements to ensure conformity with the Company's accounting policies.

(iv) Principles of consolidation

The consolidated financial statements relate to India Shelter Finance Corporation Limited (the Company) and its subsidiary company.

The consolidated financial statements have been prepared on the following basis:

- The financial statements of all the entities used for the purpose of consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March, 2024.
- The financial statements of the Company and its subsidiary company have been combined on a

line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intragroup transactions.

- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- India Shelter Capital Finance Limited, a wholly owned subsidiary has been considered in the preparation of the consolidated financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the consolidated financial statements, except where the Group has applied certain exemptions upon transition.

2.1. Revenue recognition

Interest and processing fee income on loans

Interest and processing fee income on financial assets is recognised on a time proportion basis considering the amount outstanding and the effective interest rate applicable.

Effective Interest Rate ("EIR")

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at Fair Value Through Profit and Loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Interest/Dividend income on investment

Interest income on investments and fixed deposits is recognised on time proportionate basis with reference to EIR method. Dividend income is accounted for when the right to receive it is established.

Income from assignment

Gains arising out of direct assignment transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of excess interest spread (EIS). The future EIS basis the scheduled cash flows on execution of the transaction, discounted at the EIR of underlying pool of loans rate entered into with the assignee is recorded upfront in the statement of profit and loss. EIS is evaluated and adjusted for ECL and expected prepayment.

Fee and Commission Income

Fee and commission income includes fees other than those that are an integral part of EIR method. The Group recognises the fee and commission income at fair value of the consideration received or receivable when the Group satisfies the performance obligation.

Other operating revenue

Interest on overdue of loans and other ancillary charges are recognised upon realisation. All other income is recognised on an accrual basis upon satisfaction of performance obligation, when there is no uncertainty in the ultimate realisation/collection and income can be measured reliably.

2.2. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

2.3. Cash flow statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash

flows from operating, investing and financing activities of the Group are segregated based on the available information.

2.4. Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on the straight line method over the useful life of the assets as prescribed under Part 'C' of Schedule II of the Companies Act, 2013, or in case of assets where the estimated useful life was determined basis technical evaluation carried out by the Group, over the useful life so determined.

Depreciation on additions to fixed assets is provided for full month in which acquisition of the assets is made. No depreciation is provided for the month of sale/disposal of asset. Leasehold improvements are amortised over a period of lease. Asset costing less than ₹ 10,000 each are fully depreciated in the year of capitalisation.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Estimated useful lives of the assets are as follows:

Asset category	Estimated useful life (in Years)	Life as per Schedule II
Plant & Equipment- Computer and other related equipment	3 years	3 years
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vehicles	8 years	8 years
Handheld communication devices (included in office equipment)	2 years	5 years
Leasehold improvements	Over the period of the lease or the estimated useful life whichever is lesser.	Over the period of the lease or the estimated useful life whichever is lesser.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the statement of profit and loss, when the asset is derecognised.

2.5. Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation method, estimated useful lives and residual value

Intangible assets are amortised over a period of 4 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

2.6. Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each reporting date. If there is any indication of impairment based on internal / external factors, an impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. For the purpose of assessing impairment, the smallest identifiable group of assets that generate cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit.

Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

If at the reporting date there is an indication that previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

2.7. Taxation

Tax expense recognised in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognised in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

With effect from 1 April 2019, with introduction of Taxation Laws (Amendment) Ordinance, 2019, where section 115BAA was introduced in the Income-tax Act, 1961 proposing option to compute income tax liability at revised taxation rates. Further, under section 115JB (MAT provisions) a sub-section was introduced stating non-applicability of Minimum Alternative Tax ('MAT') provisions on the companies exercising option to pay income tax under section 115BAA.

MAT policy applicable before 1 April 2019, MAT under the provisions of the Income-tax Act, 1961 was recognised as current tax in the Statement of Profit and Loss. The credit available under the Income-tax Act, 1961 in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

2.8. Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The Group has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Group in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Group has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Where in the employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Group, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Group also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to Statement of Profit and Loss in the year in which such gains or losses are determined.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Share based payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value of the option determined at the grant date of the equity settled share-based payments is expensed on a straight line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the statement of profit and loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

In respect of re-pricing of existing stock option, the incremental fair value of the option on the date of re-pricing is accounted for as employee cost over the remaining vesting period.

2.9. Expected credit losses and write-off of financial assets

Loan assets

Loans are classified into performing and non-performing assets in terms of policy adopted by the Group, subject to minimum classification and provisioning norms required under 'Housing Finance Company (Reserve Bank) Directions, 2021' issued by RBI from time to time.

All loan exposures to borrowers with instalment structure are stated at disbursed value after netting off:

- i. unearned income
- ii. instalments appropriated up to the year end

Under Ind AS, the Group's assets have been classified as follows based on Exposure at Default:

- Stage 1: Performing Assets
- Stage 2: Under Performing Assets
- Stage 3: Non-Performing Assets

Under Ind AS, asset classification and provisioning moves from the 'rule based', incurred losses model to the Expected Credit Loss (ECL) model of providing for expected future credit losses. Thus, loan loss provisions are made on the basis of the Group's historical loss experience, future expected credit loss and after factoring in various macro-economic parameters

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Group's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Group expects to be owed at the time of default. For a revolving commitment, the Group includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Trade receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of trade receivables.

Other financial assets

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Write-offs

Financial assets are written off either partially or in their entirety to the extent that there is no realistic prospect of recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

2.10. Provisions, contingent assets and contingent liabilities

Provisions are recognised only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

2.11. Leases

Group as a Lessee:

At inception of a contract, Group assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease, if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.

The lease liability is measured at amortised cost using the effective interest method. It is re measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is re measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group presents right-of-use assets that do not meet the definition of investment property in 'property and equipment' and lease liabilities in 'borrowings (other than debt securities)' in the balance sheet.

2.12. Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through statement of profit and loss are recognised immediately in statement of profit and loss.

Financial assets

Financial assets, with the exception of loans and advances to customers, are initially recognised on the trade date, i.e., the date that the Group becomes a party to the contractual provisions of the instrument. Loans and advances to customers are recognised when funds are disbursed to the customers

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Classification and Subsequent measurement of financial assets

Financial assets are classified in to three categories for subsequent measurement:

- Financial asset at amortised cost
- Financial asset at fair value through other comprehensive income (FVTOCI)
- Financial asset at fair value through profit and loss(FVTPL)

Financial asset at amortised cost

Financial instruments that meet the following conditions are subsequently measured at amortised cost less impairment loss:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

Financial assets (debt instruments) at FVOCI

Financial asset (debt instruments) is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI. Financial assets included within the above category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Group recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at FVTPL

Financial asset which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets classified under FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Group's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Group has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Financial liabilities

Debt and equity instruments issued by a Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Derivative Financial Instruments

The Group holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if certain criteria are met.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each balance sheet date. The resulting gain/loss is recognised in the statement of profit and loss immediately unless the derivative is designated and is effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedge relationship.

The Group designates certain derivatives as hedging instruments to hedge the variability in cash flows associated with its external commercial borrowings arising from changes in exchange rates.

At inception of designated hedging relationships, the Group documents the risk management objective and strategy for undertaking the hedge. The Group also documents the economic relationship between the hedged item and the hedging instrument, including whether the changes in cash flows of the hedged item and hedging instrument are expected to offset each other.

Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognised in OCI and accumulated in the other equity under 'effective portion of cash flows hedges'. The effective portion of changes in the fair value of the derivative that is recognised in OCI is limited to the cumulative change in fair value of the hedged item, determined on a present value basis, from inception of the hedge. Any ineffective portion of changes in fair value of the derivative is recognised immediately in profit or loss.

The Group designates only the change in fair value of the spot element of forward exchange contracts as the hedging instrument in cash flow hedge relationships. The change in fair value of the forward element of the forward exchange contracts ('forward points') is separately accounted for as cost of hedging and recognised separately within equity. If a hedge no longer meets the criteria for hedge accounting or the hedging instrument is sold, expires, is terminated or is exercised, then hedge accounting is discontinued prospectively.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently

enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.13.Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.14.Foreign currency

Functional and presentation currency

Items included in the consolidated financial statement of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements have been prepared and presented in Indian Rupees (INR), which is the Group's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency, by applying the exchange rates on the foreign currency amounts at the date of the transaction. Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognised in the Statement of Profit and Loss in the year in which they arise.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

2.15. Insurance Claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.16. Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months.

2.17. Share/Securities issue expense

Share/security issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent any balance is available for utilisation in the Securities Premium Account. Share/security issue expenses in excess of the balance in the Securities Premium Account are expensed off in the Statement of Profit and Loss.

2.18. Borrowing Costs

Borrowing costs are interest and other costs incurred in connection with the borrowings of funds. Borrowing costs primarily include interest on amounts borrowed for the revenue operations of the Group. These are expensed to the statement of profit and loss using the EIR. All other Borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.19. Assets held for sale

Assets acquired by the Group under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002. has been classified as assets held for sale, as their carrying amounts will be recovered principally through a sale of asset. In accordance with Ind AS 105, the Group is committed to sell these assets and they are measured at the lower of their carrying amount and the fair value less costs to sell.

2.20. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). CODM is responsible for allocating the resources, assess the financial performance and position of the Group and make strategic decision.

2.21. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements:

Expected credit loss ('ECL) – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Group makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
- Establishing groups of similar financial assets for the purposes of measuring ECL.

Significant estimates:

Provision for employee benefits - Provision for employee benefits, requires that certain assumptions such as expected future salary increases, average life expectancy and discount rates etc. are made in order to determine the amount to be recorded for retirement benefit obligations. Substantial changes in the assumed development of any of these variables may significantly change the Group's retirement benefit obligations.

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Standard issued but not yet effective

No new standards as notified by Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules are effective for the current year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

3. CASH AND CASH EQUIVALENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
i. Cash on hand	308.43	175.98
ii. Balances with banks (of the nature of cash and cash equivalents)		
(a) Balance with banks in current accounts	10,883.28	6,281.44
(b) Deposits with original maturity of less than 3 months	-	29,637.00
Sub-total (a and b)	10,883.28	35,918.44
Total (I and II)	11,191.71	36,094.42

4. BANK BALANCE OTHER THAN CASH AND CASH EQUIVALENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
Deposits with original maturity of more than 3 months	19,700.60	8,048.03
Deposit held as margin money under securitisation and borrowing agreements*	6,878.16	6,585.37
Total	26,578.76	14,633.40

*Includes ₹ 900 Lacs and ₹ 25 Lacs (31 March, 2023: ₹ 25 Lacs) towards guarantee to National Stock Exchange and Unique Identification Authority of India (UIDAI).

5. DERIVATIVE FINANCIAL INSTRUMENTS

Particulars	As at 31 March, 2024	As at 31 March, 2023
Financial Asset		
Cross currency derivatives	-	5.85
Financial Liability		
Cross currency derivatives	255.54	-
Total	255.54	5.85

(a) Cross Currency Swaps (CCS)

Particulars	As at 31 March, 2024	As at 31 March, 2023
i) Total notional principal amount of CCS agreement undertaken during the year	16,370.00	7,981.00
ii) Total notional principal amount of CCS agreement outstanding as on end of the year*	24,351.00	7,981.00
iii) Maturity date of CCS	15-Jun-27	15-Jun-27
iv) Hedge ratio	1:1	1:1
v) Currency pair	USD/₹	USD/₹

* Notional amount outstanding is the original amount. Restated amount as at the balance sheet date basis exchange rate is 31 March, 2024: ₹ 25,021.70 Lacs (31 March, 2023: ₹ 8,222.07 Lacs). Refer note 39.5(d).

(b) Hedged item

As at 31 March, 2024

Particulars	Change in the value of the hedged item used as the basis for recognising hedge ineffectiveness	Cash flow hedge reserve	Foreign currency monetary items translation reserve
ECB term loan	(429.63)	(926.24)	-

As at 31 March, 2023

Particulars	Change in the value of the hedged item used as the basis for recognising hedge ineffectiveness	Cash flow hedge reserve	Foreign currency monetary items translation reserve
ECB term loan	(241.07)	(235.22)	-

6.1 Loans granted by the Group are secured by equitable mortgage/registered mortgage of the property and/or undertaking to create a security by way of equitable mortgage of property.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

6.2 Loan details

Particulars	Gross Carrying amount*	Effective interest rate adjustment	Total
As at 31 March, 2024	5,18,673.69	(8,024.72)	5,10,648.97
As at 31 March, 2023	3,70,362.69	(5,899.81)	3,64,462.88

* Loans represents aggregate of loan - principal outstanding, interest overdue and interest accrued but not due from borrowers pertaining to loans held in our books as on the last day of the relevant period.

6.3 There were no loans given against the collateral of gold jewellery and hence the percentage of such loans to the total outstanding asset is Nil (31 March, 2023: Nil).

6.4 Loans sanctioned but undisbursed amount to ₹ 42,834.11 Lacs as on 31 March, 2023 (31 March, 2023: 26,789.44 Lacs).

6.5 The Group has securitised assets amounting to ₹ 7,877.25 Lacs (31 March, 2023: 10,652.34 Lacs). These loan assets have not been de-recognised from the loan portfolio of the Group as these does not meet the de-recognition criteria. The Group is responsible for collection and servicing of this loan portfolio on behalf of buyers/investors. In terms of the said securitisation agreements, the Group pays to buyer/investor on monthly basis the prorated collection amount as per the respective agreement terms.

6.6 During the financial year 2023-24, the Group has assigned pools of certain loans amounting to ₹ 45,066.42 Lacs (31 March, 2023: 44,091.16 Lacs) by way of a direct assignment transactions. These loans have been de-recognised from the loan portfolio of the Group as the sale of loan assets is an absolute assignment and transfer on a 'no-recourse' basis. The Group continues to act as a servicer to the assignment transaction on behalf of assignee. In terms of the assignment agreements, the Group pays to assignees, on a monthly basis, the pro-rata collection amounts.

6.7 During the financial year 2023-24, The Group also undertakes lending under co-lending model with Banks, whereby loans are co-originated by both the entities in 20:80 ratio (Group:Bank). As at March, 31, 2024, outstanding amount for same is ₹ 14,552.05 Lacs (31 March, 2022 ₹ 59.76 Lacs). The said arrangement is carried post disbursement of loans by the group and the folios under the same are picked by the Bank. These loans have been de-recognised from the loan portfolio of the Company.

6.8 Expected credit loss

Expected credit loss is a calculation of the present value of the amount expected not to be recovered on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to

meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

The references below show where the Group's impairment assessment and measurement approach is set out in these notes. It should be read in conjunction with the Summary of significant accounting policies.

(i) Definition of default

The Group considers a financial instrument as defaulted and considered it as Stage 3 (credit-impaired) for ECL calculations in all cases, when the borrower becomes more than 90 days past due on its contractual payments or classified as NPA as per RBI directions. The Probability of Default is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed year, if the facility has not been previously derecognised and is still in the portfolio.

ii) Exposure at default

The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation, addressing both the client's ability to increase its exposure while approaching default and potential early repayments too.

iii) Loss given default

The Group segments its retail lending products into homogeneous portfolios, based on key characteristics that are relevant to the estimation of future cash flows. The data applied is collected loss data and involves a wider set of transaction characteristics (e.g., product type, wider range of collateral types, loan to value (LTV) ratio, expected realisation rate, etc.) as well as borrower characteristics.

iv) Significant increase in credit risk

The Group continuously monitors all assets subject to ECL. In order to determine whether an instrument or a portfolio of instruments is subject to 12 month ECL

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

or lifetime ECL, the Group assesses whether there has been a significant increase in credit risk since initial recognition. The Group considers an exposure to have significantly increased in credit risk when contractual payments are more than 30 days past due.

When estimating ECL on a collective basis for a group of similar assets, the Group applies the same principles for assessing whether there has been a significant increase in credit risk since initial recognition."

v) Delinquency buckets have been considered as the basis for the staging of all loans with:

- Stage 3 are those accounts which are classified as NPA
- Stage 2 are those accounts wherein there is significant increase in credit risk
- Stage 1 are those accounts wherein DPD is 0-30 days and not considered in Stage 2 and Stage 3

vi) Macro economic factors

Macro-economic variables relevant to the underlying loan portfolio such as Gross Domestic Product, Inflation, Housing Price Index and 10 year bond yield were analysed for their correlation. Based on the analysis of trend, the Group has considered the 10 year bond yield as relevant macro-economic factor as it shows relatively better correlation with the portfolio performance.

viii) An analysis of changes in the gross carrying amount and the corresponding ECL allowances in relation to loans is, as follows:

Reconciliation of gross carrying amount balance is as follows:

Particulars	Stage 1	Stage 2	Stage 3	Total
Loans to customers at amortised cost				
Balance as at 01 April, 2022	2,55,015.67	8,695.19	5,703.93	2,69,414.79
Transfer to Stage 1	5,219.33	(3,585.50)	(1,633.83)	-
Transfer to Stage 2	(4,643.85)	5,091.36	(447.51)	-
Transfer to Stage 3	(1,330.29)	(1,122.71)	2,453.00	-
New financial assets originated	1,80,841.30	363.56	135.14	1,81,340.00
Financial assets that have been de-recognised/repaid	(76,853.70)	(1,517.33)	(2,021.07)	(80,392.10)
Balance as at 31 March, 2023	3,58,248.46	7,924.57	4,189.66	3,70,362.69
Loans to customers at amortised cost				
Balance as at 01 April, 2023	3,58,248.46	7,924.57	4,189.66	3,70,362.69
Transfer to Stage 1	3,181.44	(2,257.86)	(923.58)	-
Transfer to Stage 2	(7,612.71)	7,937.67	(324.96)	-
Transfer to Stage 3	(3,089.08)	(800.42)	3,889.50	-
New financial assets originated	2,37,852.77	605.31	292.91	2,38,750.99
Financial assets that have been de-recognised/repaid	(86,315.41)	(2,013.92)	(2,110.66)	(90,439.99)
Balance as at 31 March, 2024	5,02,265.47	11,395.35	5,012.87	5,18,673.69

vii) Credit quality of asset

The Group has classified all individual loans as amortised cost and has assessed it at the collective pool level. The individual loan book has been divided into the housing and non-housing (Loan against property) sub portfolios.

The vintage analysis methodology has been used to create the PD term structure which incorporates both 12 month (Stage 1 Loans) and lifetime PD (Stage 2 Loans). The vintage analysis captures a vintage default experience across a particular portfolio by tracking the yearly slippages from advances originating in a particular year. The vintage slippage experience/default rate is then used to build the PD term structure.

The workout methodology has been used to determine LGD wherein the recoveries of loans defaulted in past are tracked and discounted to the date of default using the effective interest rate. The worked out LGD for loans has been bucketed into various levels of collateral cover. LGD based on collateral cover has been applied to each loan in the portfolio based on specific collateral cover adjusted for the expected fall in valuation. The Group has used the forward looking LGD basis the management expectation on property prices basis the market environment.

16. BORROWINGS (OTHER THAN DEBT SECURITIES)

Particulars	As at 31 March, 2024	As at 31 March, 2023
At amortised cost		
(a) Term loans - Secured (including interest accrued)		
(i) from banks	2,43,809.68	1,79,128.67
(ii) from other parties		
- National housing bank	63,898.10	57,843.78
- Financial institutions	21,802.22	33,933.52
(b) Lease liabilities	1,920.92	1,544.07
(c) Liability against securitised assets (net of over collateralisation amount)	7,078.05	8,783.45
Total	3,38,508.97	2,81,233.49
Borrowings in India	3,13,580.96	2,73,056.29
Borrowings outside India	24,928.01	8,177.20
Total	3,38,508.97	2,81,233.49

i) Secured term loans from National Housing Bank carry rate of interest in the range of 2.80% to 8.40% p.a (31 March, 2023: 2.80% to 7.90%). The loans are having tenure of 5 to 15 years (31 March, 2023: 5 to 15 years) from the date of disbursement and are repayable in quarterly or yearly installments. These loans are secured by hypothecation (exclusive charge) of certain loans given by the Group.

ii) Secured term loans from banks and financial institutions include loans from various banks and financial institutions and carry rate of interest (including hedge cost in case of external commercial borrowing) in the range of 8.40% to 10.75% p.a (31 March, 2023: 7.55% to 12.35%). The loans are having tenure of 24 to 108 months (31 March, 2023: 34 to 180 months) from the date of disbursement and are repayable in monthly or quarterly installments. These loans are secured by hypothecation (exclusive charge) of certain loans given by the Group.

iii) During the year the Group has borrowed ₹ 16,370.00 Lacs equivalent to 200 Lacs USD (31 March, 2023: ₹ 7,981.00 Lacs equivalent to 100 Lacs USD) under the External Commercial Borrowing (ECB). The ECB loan is secured by hypothecation (exclusive charge) of certain loans given by the Group. The same is hedged by derivative instrument through cross currency swaps. The derivative instrument is for hedging the underlying ECB transaction as per applicable RBI guidelines and not for any speculative purpose.

iv) The Group is not a declared willful defaulter by any bank or financial Institution or other lender, in accordance with the guidelines on willful defaulters issued by the Reserve Bank of India, during the year ended 31 March, 2024 and 31 March, 2023.

v) The Group has borrowings from banks and financial institutions on the basis of security of loans and the quarterly details filed by the Group with the banks and financial institutions are in accordance with the books of accounts of the Group for the respective quarters.

vi) The Group has not defaulted in the repayment of debt, borrowings (other than debt securities) and interest thereon for the year ended 31 March, 2024 and 31 March, 2023

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Note:

- The Company received income tax notice under section 143(3) of the Income Tax Act, 1961 (the Act) dated 25 December, 2019 for tax demand amounting to ₹ 445.23 Lacs on account of unexplained credit under Section 68 of the Act for assessment year 2017-18. In response to such notice, the Company has filed an appeal before Commissioner of Income Tax (Appeals). The Company has deposited ₹ 89.05 Lacs under protest. The legal proceeding when ultimately concluded will not, in the opinion of the management, have a material effect on the financial position of the Group.
- The Company received an income tax notice under section 143(1)(a) of the Income Tax Act, 1961 on 4 March, 2020, for the assessment year 2019-20, for tax demand of ₹ 214.80 Lacs, on account of disallowance of Interest payable on NCD issued to mutual fund under section 43B of the Income Tax Act, 1961. The said amount has been adjusted against the refund due for the assessment year 2019-20. The Company has filed an appeal before the National Faceless Appeal Centre, New Delhi.
- The Company has received a demand order of ₹ 12.50 Lacs for contravention of Section 34(2) of CGST Act 2017 for 2019-20 dated 27 September, 2023. The Company has filled the appeal with the relevant authorities. Above amount does not include the contingencies, the likelihood of which is remote.
- Bank guarantees amounting to INR 900 lacs given to National Stock Exchange as security deposit for Initial Public Offer.

35. DISCLOSURES AS PER THE MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006

Particulars	As at 31 March, 2024	As at 31 March, 2023
(i) the principal amount and the interest due thereon remaining unpaid to any supplier at the end of each accounting year;		
- Principal due	18.55	Nil
- Interest due	Nil	Nil
(ii) the amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;	Nil	Nil
(iii) the amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006;	Nil	Nil
(iv) the amount of interest accrued and remaining unpaid at the end of each accounting year; and	Nil	Nil
(v) the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	Nil	Nil

36. ASSETS HELD FOR SALE

The Group has obtained possession of certain properties mortgaged by customers, under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (The SARFAESI Act, 2002), which shall be sold to realise the loan and other amounts receivable by the Group. The Group is in the process of selling these properties and has classified these as assets held for sale.

Particulars	As at 31 March, 2024	As at 31 March, 2023
Gross Carrying Amount	926.05	991.22
Less:- Impairment loss on stock of acquired properties	(289.48)	(346.14)
Net Carrying amount	636.57	645.08

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

37. EMPLOYEE BENEFIT PLANS

A) Defined contribution plans

Provident and other funds

The Group makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and other funds which are defined contribution plans. The Group has no obligations other than this to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue.

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Employer's contribution to provident and other funds	890.24	698.50
	890.24	698.50

B) Defined benefit plans

Gratuity

These plans typically expose the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk

The plan exposes the Group to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at 31 March, 2024 by Mr. Ashok Kumar Garg (FIAI M.No. 00057), Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.

Principal assumptions	31 March, 2024	31 March, 2023
Discount rate(s)	7.25%	7.50%
Expected rate(s) of salary increase	11.00%	11.00%
Retirement age	58	58
Withdrawal rate	20.00%	20.00%
In service mortality	IALM (2012-14)	IALM (2012-14)

Amounts recognised in the statement of profit and loss in respect of these defined benefit plans are as follows:

Particulars	For the year ended 31 March, 2024	For the year ended 31 March, 2023
Service cost:		
Current service cost	159.19	113.36
Interest cost	24.40	25.55
Components of defined benefit costs recognised in profit or loss	183.59	138.91
Remeasurement (gains)/ loss recognised in other comprehensive income:		
Actuarial losses/(gains) arising from changes in financial assumptions	36.95	(62.32)
Actuarial (gains)/losses arising from experience adjustments for plan liabilities	(51.10)	(89.69)
Actuarial (gains)/losses arising from experience adjustments for plan assets	(2.15)	-
Components of defined benefit costs recognised in other comprehensive income	(16.29)	(152.01)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

The amount included in the balance sheet arising from the Group's obligation in respect of its defined benefit plans is as follows:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Present value of funded defined benefit obligation	461.65	325.35
Fair value of plan assets	402.15	-
Net liability arising from defined benefit obligation	59.50	325.35

Movements in the present value of the defined benefit obligation are as follows:

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
Opening defined benefit obligation	325.35	365.01
Current service cost	159.19	113.36
Interest cost	24.40	25.55
Remeasurement (gains)/losses:		
Actuarial losses/(gains) arising from changes in financial assumptions	36.95	(62.32)
Actuarial (gains)/losses arising from experience adjustments	(51.10)	(89.69)
Past service cost, including losses/(gains) on curtailments	-	-
Benefits paid	(33.14)	(26.56)
Closing defined benefit obligation	461.65	325.35

Movements in the fair value of planned assets are as follows:

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
Fair value of plan assets at the beginning of the period	-	-
Expected return on plan assets	-	-
Contributions	400.00	-
Benefits paid	-	-
Actuarial gain/(loss) on plan assets	2.15	-
Fair Value of Plan Asset at the end of the Period	402.15	-

Sensitivity analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase, mortality, etc. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

- If the discount rate is 100 basis points higher (lower), the defined benefit obligation would decrease by ₹ 22.42 Lacs (increase by ₹ 24.76 Lacs) [31 March, 2023: 15.59 Lacs (increase by ₹ 16.85 Lacs)].
- If the expected salary growth increases (decreases) by 100 basis points, the defined benefit obligation would increase by ₹ 23.20 Lacs (decrease by ₹ 21.38 Lacs) [31 March, 2023: increase by ₹ 16.14 Lacs (decrease by ₹ 15.25 Lacs)].

Sensitivities due to change in mortality rate and change in withdrawal rate are not expected to be material and hence impact of such change is not calculated.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of reporting period.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Classification of assets & liabilities under maturity buckets is based on estimates and assumptions of the group.

39.1 Capital management

Capital

The Group maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the National Housing Bank (NHB) and Reserve Bank of India (RBI). The adequacy of the Group's capital is monitored using, among other measures, the regulations issued by NHB and RBI.

Capital management

The capital management objectives of the Group are:

- to ensure that the Group complies with externally imposed capital requirements, if any and maintains strong credit ratings and healthy capital ratios
- to ensure the ability to continue as a going concern
- to provide an adequate return to shareholders

Gearing ratio

The gearing ratio at the end of reporting period was as follows:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Debt		
Borrowings (other than debt securities)	3,38,508.97	2,81,233.49
Debt securities	3,000.90	17,653.41
Cash and cash equivalents	(11,191.71)	(36,094.42)
Net debt	3,30,318.16	2,62,792.49
Total equity	2,29,866.57	1,24,052.67
Net debt to equity ratio	1.44	2.12

Management assesses the capital requirements of the Group in order to maintain an efficient overall financing structure. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends, return on capital to shareholders, issue new shares, or sell assets to reduce debt.

Total financial liabilities	-	-	3,04,845.31	3,04,845.31

39.3 Fair value measurement of assets and liabilities

- Fair value hierarchy

Assets and liabilities are measured at fair value in the financial statements and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: Quoted prices (unadjusted) for identical instruments in an active markets;
- Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data (unobservable inputs).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

The following table shows the levels within the hierarchy of assets measured at fair value on a recurring basis:

As at 31 March, 2024

Particulars	Level 1	Level 2	Level 3	Total
Asset measured at fair value on a recurring basis				
Financial Assets carried at fair value through profit and loss				
Investments in mutual fund	-	-	-	-
Assets measured at fair value on a non recurring basis				
Assets held for sale	-	636.57	-	636.57

As at 31 March, 2023

Particulars	Level 1	Level 2	Level 3	Total
Asset measured at fair value on a recurring basis				
Investments in mutual fund	499.98	-	-	499.98
Assets measured at fair value on a non recurring basis				
Assets held for sale	-	645.08	-	645.08

Valuation methodologies of financial instruments measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are recorded and measured at fair value in the Group's financial statements:

- Mutual funds** - Units held in Mutual funds are valued based on their published Net asset value (NAV) and such instruments are classified under Level 1.
- Asset held for sale** - Assets held for sale valuation are basis independent valuations by a specialist in valuing these type of assets. The best estimate of fair value is current prices in an active market for similar assets.

39.4 Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 3 inputs:

As at 31 March, 2024

Particulars	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Cash and cash equivalents	11,191.71	-	-	11,191.71	11,191.71
Bank balance other than cash and cash equivalents	26,578.76	-	-	26,578.76	26,578.76
Loans	5,06,239.57	-	-	5,06,239.57	5,06,239.57
Investments	15,779.70	-	-	15,779.70	15,779.70
Other financial assets	12,639.52	-	-	12,639.52	12,639.52
	5,72,429.26	-	-	5,72,429.26	5,72,429.26
Financial liabilities					
Trade payables	500.23	-	-	500.23	500.23
Debt securities	3,000.90	-	-	3,000.90	3,000.90
Borrowings (Other than debt securities)	3,38,508.97	-	-	3,38,508.97	3,38,508.97
Other financial liabilities	6,846.05	-	-	6,846.05	6,846.05
	3,48,856.15	-	-	3,48,856.15	3,48,856.15

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

As at 31 March, 2023

Particulars	Carrying value	Fair value			
		Level 1	Level 2	Level 3	Total
Financial assets					
Cash and cash equivalents	36,094.42	-	-	36,094.42	36,094.42
Bank balance other than cash and cash equivalents	14,633.40	-	-	14,633.40	14,633.40
Loans	3,60,914.42	-	-	3,60,914.42	3,60,914.42
Investments	4,192.85	-	-	4,192.85	4,192.85
Other financial assets	9,021.25	-	-	9,021.25	9,021.25
	4,24,856.34	-	-	4,24,856.34	4,24,856.34
Financial liabilities					
Trade payables	614.88	-	-	614.88	614.88
Debt securities	17,653.41	-	-	17,653.41	17,653.41
Borrowings (Other than debt securities)	2,81,233.49	-	-	2,81,233.49	2,81,233.49
Other financial liabilities	5,343.53	-	-	5,343.53	5,343.53
	3,04,845.31	-	-	3,04,845.31	3,04,845.31

The management is of view that the fair value of bank balances and cash and cash equivalents, other bank balances, loans, other financial assets, trade payables, borrowings including debt securities and other financial liabilities that are being carried at amortised cost, approximates to their respective net carrying value.

39.5. Financial risk management

Risk Management

The Group's activities expose it to market risk, liquidity risk credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Loan receivables, cash and bank balances, investments, financial assets measured at amortised cost	Expected loss analysis	Credit risk analysis, diversification of customers/asset base, high rated bank deposits, credit limits and collateral.
Liquidity risk	Business commitments and other liabilities	Rolling cash flow forecasts	Maintaining adequate cash reserves and undrawn credit facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
Market risk - interest rate	Borrowings at variable rates	Sensitivity analysis	Funding strategies to ensure diversified resource-raising options to minimise cost and maximise stability of funds. and Asset Liability Management Committee supervise an interest rate sensitivity report periodically for assessment of interest rate risks.
Market risk - currency risk	External Commercial Borrowings	Sensitivity analysis	Hedging strategies to ensure 100 % hedge by way of booking derivatives in the form of forward cover or cross currency swap. Effectiveness of the hedge is reviewed by Risk management Committee periodically.

The Board has the overall responsibility of risk management - there are two committees of the Board which takes care of managing overall risk in the organisation. In accordance with the RBI and NHB guidelines to enable Housing Finance Companies to adopt best practices and greater transparency in their operations, the Board of Directors of the Company has constituted a Risk Management Committee to review risk management in relation to various risks, namely, market risk, credit risk, and operational risk, and an Asset Liability Management Committee (ALCO).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

a) Credit risk

Credit risk is the risk of loss that may occur from the failure of any party to abide by the terms and conditions of any contract, principally the failure to make required payments of amounts due to the Group. In its lending operations, the Group is principally exposed to credit risk. The credit risk is governed by various product policies. The product policies outlines the type of products that can be offered, customer categories, the targeted customer profile and the credit approval process and limits. The Group measures, monitors and manages credit risk at an individual borrower level. The credit risk for individual borrowers is being managed at portfolio level for both Housing Loans and Non-housing Loans. The Group has a structured and standardised credit approval process, which includes a well-established procedure of comprehensive credit appraisal.

Credit risk arises from loan financing, cash and cash equivalents, investments and deposits with banks and financial institutions, as shown below:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Loans	5,06,239.57	3,60,914.42
Cash and cash equivalents	11,191.71	36,094.42
Bank balance other than cash and cash equivalents	26,578.76	14,633.40
Investments	15,779.70	4,692.83
Other financial assets	12,639.52	9,021.25

Credit risk management

The Group assesses and manages credit risk based on internal credit rating system and external ratings.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Loans

The customers are primarily low and middle-income, salaried and self-employed individuals. The credit officers evaluate credit proposals on the basis of active credit policies as on the date of approval. The criteria typically include factors such as the borrower's income and obligations, the loan-to-value ratio and demographic parameters subject to regulatory guidelines. Any deviations need to be approved at the designated levels. The various process controls such as PAN Number Check, CERSAI database scrubbing, Credit Bureau Report analysis are undertaken prior to approval of a loan. Individual loans are secured by the mortgage of the borrowers property.

Investments

Investments are generally made in mutual funds and high rated debt securities. Credit risk related to these investments is managed by monitoring the recoverability of such amounts continuously.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Management of the Group monitors forecast of liquidity position and cash and cash equivalents on the basis of expected cash flows. The Asset Liability Management Policy aims to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

The tables below analyse the financial assets and liabilities of the Group into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows except EIS receivables on direct assignment included in other financial assets. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Disclosure on Liquidity Coverage Ratio (LCR) as on 31 March, 2024 in accordance with RBI circular No. RBI/2020-21/73 DOR.FIN. HFC.CC.No.102 /03.10.136/2020-21 dated 17 February, 2021 and RBI circular No. RBI/DNBR/2016-17/45 Master Direction DNBR.PD.008/03.10.119/ 2016-17 dated 01 September, 2016

The RBI vide Circular No. RBI/2020-21/73 DOR.FIN.HFC.CC.No.120/03.10.136/2020-21 dated 17 February, 2021 issued guidelines on maintenance of Liquidity Coverage Ratio (LCR) for HFCs. The guidelines required all non-deposit taking HFC with an asset size of ₹ 5,000 Crs and above, but less than ₹ 10,000 Crs to maintain LCR of 30% as at 31 December, 2021, to be gradually increased to 100% by December, 2025.

The objective of the LCR is to promote resilience in the liquidity risk profile of HFCs. This is done by ensuring that the Company has an adequate stock of unencumbered high-quality liquid assets (HQLA) that can be converted easily and immediately into cash to meet its liquidity needs for a 30 calendar day liquidity stress scenario.

The total assets of the Group has crossed INR 5,000 crores as at 31 December, 2023, the Group has presented the LCR related disclosures for position as on 31 December 2023 and for the quarter ended 31 March 2024 only i.e. the period for which the guideline became applicable to the Group.

The Group regularly reviews the maturity position of assets and liabilities and liquidity buffers, and ensures maintenance of sufficient quantum of High Quality Liquid Assets, most of which is in the form of government securities as at 31 March 2024.

Quantative information on LCR for the year ended 31 March, 2024 is as follows:

c) Market risk

Interest rate risk

Liabilities

The policy of the Group is to minimise interest rate cash flow risk exposures on long-term loans and borrowings. As at 31 March, 2024, the Group is exposed to changes in market interest rates through loans and bank borrowings at variable interest rates.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION
ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2024 (Contd.)

Interest rate risk exposure

Below is the overall exposure of the Group to interest rate risk:

Particulars	As at 31 March, 2024	As at 31 March, 2023
Variable rate borrowing	2,72,924.05	2,37,326.50
Fixed rate borrowing	66,880.03	59,685.86
Total borrowings	3,39,804.07	2,97,012.36

Sensitivity

Below is the sensitivity of profit or loss and equity changes in interest rates:

Particulars	Impact on profit before tax	
	Year ended 31 March, 2024	Year ended 31 March, 2023
Interest rate - Increase by 100 basis points*	2,508.21	1,925.33
Interest rate - Decrease by 100 basis points*	(2,508.21)	(1,925.33)

* Holding all other variables constant

d) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to External Commercial Borrowings (ECB).

(i) The Group has hedged its foreign currency exposure through Cross Currency Swaps in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Group's profit before tax (PBT).

Foreign Currency Exposure

Particulars	Year ended 31 March, 2024	Year ended 31 March, 2023
External Commercial Borrowing (USD in Lacs)	300.00	100.00

Sensitivity

Below is the sensitivity of profit or loss and equity changes in currency rates:

Particulars	Impact on profit before tax		Impact on OCI before tax

a) Basic earnings per share (₹)	26.32	17.75
b) Diluted earnings per share (₹)	25.18	17.47

42. LEASE RELATED DISCLOSURES

The Group has leases for office building, branches and related facilities and cars. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right-of-use assets. The Group classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term.

A Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	31 March, 2024	31 March, 2023
Short-term leases	195.37	152.95
Leases of low value assets	-	-
Variable lease payments	-	-

B Total cash outflow for leases for the year ended 31 March, 2024 was ₹ 725.17 Lacs (31 March, 2023: 584.59 Lacs).

C The Group has total commitment for short-term leases as at 31 March, 2024 ₹ Nil (31 March, 2023: Nil).

Exercisable at the end of the year	-	-	1,37,000	98.51	2,96,758	482.46	-	-

The value of the underlying shares has been determined by an independent valuer. The following assumptions were used for calculation of fair value of grants in accordance with Black Scholes model, for options granted during the financial year:

Particulars	
Risk free interest rate	7.05% to 7.28%
Expected life of option	3.6 yrs to 5.6 yrs
Expected Volatility	12.01% to 15.95%
Dividend yield	0%

The risk free interest rates are determined based on the Government bond yields with maturity equal to the expected term of the option. Volatility calculation is based on historical stock prices of relevant index using standard deviation of daily change in index price. The historical period is taken into account to match the expected life of the option. Dividend yield has been considered taking into account the historical and expected rate of dividend on equity share price as on grant date.

The Board of Directors of the Company in its meeting held on 12 July, 2023 and shareholders in the Extraordinary General Meeting held on 18 July, 2023 approved the sub-division of shares from ₹ 10 per share to ₹ 5 per share (Also refer Note 55).
