Notes

The above Unaudited Standalone and Consolidated interim financial information of the Company for the Quarter and Half year ended September 30, 2024 have been reviewed by the Audit Committee and approved by the Board of Director. at their meeting held on November 13, 2024

On November 5, 2024, the Group received an Order from Additional Commissioner of CGST & Central Excise for appropriation of GST dues amounting to Rs. 629 million along with equivalent penalty and applicable interest relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. The Group has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the Order with respect to applicable interest and penalty for the aforementioned period. The Group intends to initiate legal procedure within the time limit prescribed under the GST Law, pending which no adjustments have been made in respect of this matter in the financial results for the quarter and half year ended September 30, 2024.

During the previous year ended March 31, 2024, the Company received eligibility certificates (ECs) in respect of three plants in Aurangabad/Pune under the Maharashtra Electronic Policy 2016 effective from April 1, 2022 and valid for 10 years. Under these ECs, the Company was eligible to claim incentive in the form of taxes payable under SGST on finished goods eligible for incentives from the respective plants. The Company has considered these as grants related to income under Ind AS 20 by recognizing the same as income in profit and loss based on SGST collected for the period/year. The amount of income recognised in the year ended March 31, 2024, in respect of the aforesaid ECs was Rs. 989.71 million pertaining to the period April 1, 2022 to March 31, 2024.

During the year ended March 31, 2024, Varroc Engineering Limited ('VEL') and Varroc Polymers Limited ('VPL') had derecognised (written-off) loans given to VarrocCorp Holding BV ('VCHBV'), Netherlands including interest on such loans During the year ended March 31, 2024, Varroc Engineering Limited (VEL') and Varroc Polymers Limited (VPL') had derecognised (written-off) loans given to VarrocCorp Holding BV (VCHBV'), Netherlands including interest on such loans aggregating to Rs. 13,533.33 million after making requisite submissions to AD Bank. The Group had claimed this write-off of loans as an allowable business loss, considering that these loans extended to VCHBV were in the nature of trade investments to derive benefits for the Group's businesses rather than for earning dividend/capital appreciation. The Group batained legal opinions from two independent senior counsels who supported their view on claiming this write-off of loans as an allowable business loss. Accordingly, the group considered this loss as tax deductible for computation of current tax provision to the extent of Rs. 437.14 million and for recognition of deferred tax asset of Rs. 2,968.93 million towards the loss as at March 31, 2024 in VPL & VEL respectively. These loans pertained to funding of Varroc Lighting Systems (VLS') entities (erstwhile subsidiaries of VCHBV) which were fully provided for during the period ended September 50, 20,2022, in respective standalone financial statements of VEL and VPL when the VLS business was sold to Compagnie Plastic Omnium SE, France. Further, VEL shifted to new tax regime under section 115BAA of Income Tax Act, 1961 from financial year ended March 31, 2024. As a result, MAT credit of Rs. 265.34 million was written off and deferred tax liability to the extent of Rs. 254.54 million was reversed on account of lower tax rate under new regime, which has been included in the total tax expense for the year ended March 31, 2024.

Varroc Engineering Limited ("VEL") and VarrocCorp Holding BV, Netherlands ("VCHBV", wholly owned subsidiary of VEL) (together referred to as "Sellers") entered into a Securities Purchase Agreement dated April 29, 2022 as amended dated July 01, 2022, October 05, 2022 and May 12, 2023 (collectively referred to as "SPA") with Compagnie Plastic Omnium SE, France (referred to as "Buyer"), to divest the Sellers 4-Wheeler lighting business in the Americas and Europe ("VLS Business"). The equity value agreed under the SPA was Euro 69.5 million (subject to closing adjustments as provided under the SPA). Subsequently, both the Buyer and the Sellers entered into Settlement Agreement on July 14, 2023 whereby both the parties agreed to settle the disagreements on closing adjustments and the final equity value agreed under the SPA was Euro 64.5 million. Accordingly, VCHBV received thement Agreement on July 14, 2023 whereby 13 million on July 17, 2023 pursuant to this final settlement with Buyer. Loss from discontinued operations for the half year ended September 30, 2023 and year ended March 31, 2024 of Rs. 209.20 million pertains to adjustments in the value 17.2 2023 exercuted the date for schement of Varence Relement Engineering Limited (building company).

The Board of Directors of Varroc Engineering Limited (the Holding Company) at its meeting dated May 17, 2024 approved the draft scheme of amalgamation of Varroc Polymers Limited (a wholly owned subsidiary of the Holding Company) with the Holding Company under sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013 ('the Act') subject to the requisite approvals under the Act and the sanction of the scheme by National Company Law Tribunal ("NCLT"). The appointed date of the said scheme is April 01, 2024 or such other date as may be approved by the NCLT or any other competent authority.
