(Work gets accomplished by putting in effort, and certainly not by mere wishful thinking. Deer certainly do not enter a sleeping lion's mouth.)

Dear Stakeholder,

It gives me immense pleasure to share with you all in the 10<sup>th</sup> Annual General Meeting of your Company. This was the transformative year for your Company and your Company has now become an independent Public Listed Company on BSE SME Platform w.e.f 14<sup>th</sup> of May, 2019.

In this financial year 2018-19, your company has seen growth in all aspects. We have grown as a company. We consistently delivered industry beating growth in our electronic products business and big project work, despite the challenging business environment. We recognize our responsibility to the planet and have committed ourselves to minimizing environmental impacts of our operations and products. We continue to develop energy-efficient products and with minimum wastage of resources.

As we are newly listed company, we are encouraged with growth across the product verticals and channels witnessed in FY 2018-19. The markets have responded well, with a healthy growth in our share price. This year has been fantastic for Artemis Electricals Limited where we witnessed a significant growth in terms of share value and enterprise value of the Company. Further I would like to share with you all, there are big projects lined up in the agenda and your Board of Directors and the management are taking efficient steps toward it and soon it will be shared with you all.

I would also like to take the opportunity to express my deepest gratitude to our entire management team, employees, and business associates for their commitment and contribution towards the Company in the past year, without which your Company's continued growth would not have been possible. Further, I would like to thank my colleagues on the Board for their guidance in helping to position the Company for long term progress. Last but not the least; I would like to extend my gratitude to our loyal shareholders for their support.

At Artemis Electricals, we remain committed to driving our growth trajectory positively, enhancing our margins and institutionalizing our organization for a sustainable future.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Global Economic Scenario**

The year 2018 witnessed the growth of the global economy by 3.6%. The economy bounced back with resilience despite the presence of multiple hindrances. As trade tensions rose between the US and China, several economies undertook various positive initiatives, aiming to reverse the tightening of financial conditions and reducing inflationary pressures. In order to address concerns, the US Federal Reserve signaled no further increase in interest rates till the year-end. China also brought about improvements in its fiscal and monetary policy to counter the negative effects of trade tariffs with the US. With no visible ease in the trade tensions in the near future, the trade war may have a cascading effect on other global economies as well.

The advanced economies grew at 2.2% during the year with a softer growth reported in exports thereby resulting in waning consumer and business confidence. However, the emerging and developing economies witnessed a growth of 4.5% and achieved a decline in inflation to 3.5% during the year. Consumer price inflation remained muted across advanced economies, given the drop in commodity prices. Wage growth was seen picking up across most advanced economies, notably in the US and UK. Further, inflation pressures eased towards the lower end of the central bank's target range with the drop in commodity prices (Indonesia) and slowdown in food inflation (India).

The growth is expected to slowdown in 2019 briefly at 3.3% before returning to an improved 3.6% in 2020. The decline in the growth in 2019 is on account of risks and challenges faced by the economies. The growth is anticipated to pick up owing to a number of factors. The ongoing buildup of policy stimulus in China and expected improvements in global financial market sentiments could have positive impact to augment an improved growth. Further, some diminishing temporary drags on growth in the euro area, and a gradual stabilisation of conditions in stressed emerging market economies, including Argentina and Turkey can provide impetus for the recovery of the global economy. Beyond 2020, global growth is set to stabilise at about 3.6% over the medium term, sustained by the increase in the relative size of economies, such as those of China and India, which are projected to have robust growth by comparison to slower-growing advanced and emerging market economies. (Source: IMF)

**Indian Economic Scenario**

India witnessed a GDP growth of 6.8% in FY19, being the fastest among the developing economies of the world. The growth was attributed to escalation in consumption, investments and manufacturing sector. The index of industrial production also grew, reflecting a sturdy demand for capital equipment, construction goods, and consumer durables. The agriculture sector did face challenges in recording steady growth targets coupled with widening current account deficit and rising inflation. After rebounding in FY18, imports slowed to 9.8% in FY19, reflecting sluggishness in imports other than oil. Growth in import of capital goods declined in H2 FY19 in line with weakening economic sentiments. Further, exports grew by 8.9%, slightly slower than in the previous year. The growth in exports was productively buoyed by strong growth in refined petroleum, aided by the rise in global prices. Also, healthy growth in exports of electronics, chemicals, pharmaceuticals, machinery, and textiles were noticed even though contraction in exports of metals and leather products was noted.

The country's economy is expected to grow at 7.2% in FY20. This is mainly on the backdrop of strengthening domestic demand in India, with benefits of structural reforms such as GST and bank recapitalisation taking effect. Higher financial inflows to the commercial sector augur well for economic activity. Private consumption is projected to remain strong and investment growth is expected to continue in response to improved bank and corporate balance sheets and more competitive domestic firms. Manufacturing is likely to benefit from lower borrowing costs and rising demand for consumer goods, aided by government measures to boost disposable incomes. (Source: IMF, ADB, RBI)

#### **Future Outlook and opportunities**

We believe that with the product qualities and quality assurance for which we always gets the appreciation and praised by clients, we have seen good progressive growth in past.

1. The Company has extended its operations and forehead into providing turnkey Electricals Projects Solutions in a big way and has recently bagged Rs.30 crore Project to completely do the electrical work including the lighting of the prestigious Delhi Police Head-Quarter, New Delhi.

2. The Company has developed strong relationship with Shimera Lighting for lighting projects. Shimera has very good market share in the industry and has recently done one of the dream project of big corporate like Jio Gardern and Ambani house. We certainly hope that through this your company will achieve greater heights in near future.
3. The Company has also developed cordial relationship with KELTRON, a Government of Kerala Undertaking to do lighting projects on Back to back basis which may include work of Nagaland Government awarded to the Company for engaging with ESSL to do large scale street lighting project on tender basis.

### **Opportunities and Threats**

#### **Opportunities**

- Although the Company has numerous products in its portfolio, the introduction of new and innovative products through its in-house Research & Development team would increase its market share.
- Greater adoption of smart and connected lighting solutions for residential and commercial purposes would make the product more appealing to the consumers and increase in revenues

#### **Threats**

- Small electrical appliances and consumer lighting is a low entry-barrier business, thereby resulting in constant entry of new players into Company's product categories.
- Rapid technological change in lighting is driving value erosion and enhancing the need for continuous re-evolution.

### **Risk and Concern**

The Company is responsible for handling risks, which forms a part of good corporate governance. As part of our group values, adequate risk management ensures that risks are identified early and mitigation process is defined.

Various types of risks that can be categorised into external risks, operational risks and financial risks impact the Company. The Company has active risk management policies in place which helps drive successful operations by monitoring and minimizing key risks in a structured and proactive manner.

**External Risks:** Factors such as macroeconomic trends, political uncertainties, technological developments and changes in the industry dynamics have a significant impact on the environment in which the Company operates. The Company monitors development in the key markets and takes required actions to actively assess external risks as well as opportunities that may influence the Company's strategy and operations. The Company's strategy is in alignment with both the external world and internal factors which may upset the Company's execution of the strategy. The Company continuously reviews the strategic framework to ensure it is up to date and its business divisions are fit to create and capture economic value.

**Operational Risks:** The Company can improve operational performance and create long-term value for shareholders on the back of superior consumer innovation as well as persistent focus on profitable growth and cost efficiency. Realizing this potential requires effective and controlled risk management. The internal departments of the Company proactively monitor and manage the operational risks at various levels. In addition to this, the Company is also exposed to several financial risks which are regulated in accordance with the Company's financial policy. The Company's inability to meet financial obligations and mitigate exposure to broad market risk can significantly impact the financial position of the Company.

#### **Internal control**

Commensurate with the size, scale and complexity of its operation, the Company has well defined and adequate internal controls. Throughout the year, the internal controls operated effectively. The Company has clearly defined organization structure and lines of authority and sufficient Control is exercised through business review by the Management. The Company has adopted a well-defined system to ensure adequacy and efficiency of the Internal Financial Control Function.

#### **Human Resource Management**

To build a talent pool, it becomes necessary for the human resource function to partner with the various business segments so as to create a work ecosystem that shall have on board, the right talent and therefore nurture them to deliver superior performances. As an organisation committed towards motivating its employees, the Company believes in recognizing and rewarding its employees for their extra-ordinary contributions through quarterly and annual rewards programs. It also recognizes employees who have contributed to the organization. Your company is focused on building a high performance culture with a growth mindset. Developing and strengthening capabilities of all employees has remained an ongoing priority.

#### **Details of significant changes in key financial ratios, along with detailed explanations therefore**

The Debtors Turnover ratio Decrease from 5.10 in previous financial year to 4.68 in financial Year 2018-19 i.e. 8.30 % decrease in current financial year i.e. the Company has collected more from the outstanding debtors as compared to the previous financial year. A high receivables turnover ratio can indicate that a company's collection of accounts receivable is efficient and that the company has a high proportion of quality customers that pay their debts quickly.

The Inventory Turnover Ratio Decrease from 7.62 in previous financial year to 4.75 in financial Year 2018-19 i.e. 37.69 % decrease in current financial year. The inventory turnover ratio is an efficiency ratio that shows how effectively inventory is managed by comparing cost of goods sold with average inventory for a period. This measures how many times average inventory is “turned” or sold during a period. In other words, it measures how many times a Company sold its total average inventory during the year.

The interest coverage ratio is a debt ratio and profitability ratio used to determine how easily a company can pay interest on its outstanding debt. The interest coverage ratio is calculated by dividing a company's earnings before interest and taxes (EBIT) during a given period by the company's interest payments due within the same period. In Current Financial Year the company interest coverage ratio is reduced to 14.71 as compared to previous financial year 53.46.

The current ratio is used to measure a company's short-term liquidity position and provides a quantitative relationship between current assets (CA) and current liabilities (CL). The Current Ratio for Previous financial year is 1.26 as compared to current financial year 1.52 i.e. Company is more liquid and is apparently in a better position to payoff its liabilities.

The Debt Equity Ratio is used to evaluate a company's financial leverage. The Debt Equity Ratio is an important metric used in corporate finance. It is a measure of the degree to which a company is financing its operations through debt versus wholly-owned funds. More specifically, it reflects the ability of shareholder equity to cover all outstanding debts in the event of a business downturn.

Operating Profit Margin is profitability or performance ratio used to calculate the percentage of profit a company produces from its operations, prior to subtracting taxes and interest charges. It is calculated by dividing the operating profit by total revenue, and expressing as a percentage. The Company operating profit margin ratio is increase from 17.95 to 18.44.

Net profit margin (also known as "Profit Margin" or "Net Profit margin Ratio") is a financial ratio used to calculate the percentage of profit a company produces from its total revenue. It measures the amount of net profit a company obtains per rupee of revenue gained. The net profit margin is equal to net profit (also known as net income) divided by total revenue, expressed as a percentage. In Current financial year the company net profit margin ratio is slightly reduced from 10.68 to 10.03.

In terms of its implication, return on net worth indicates how much profit has been generated for every rupee of equity investment. Even more plainly, return on net worth is a measure of how well the company is utilizing the money invested by the shareholders. In the current financial year the return on networth is 1.88 as compare to 2.77 in previous financial year.

#### **Cautionary Statement**

Statements in this report describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable laws and regulations. The actual results may differ materially from those expressed in this statement because of many factors like economic condition, availability of labour, price conditions, domestic and international market, changes in Government policies, tax regime, etc. The Company assumes no responsibility to publicly amend, modify or revise any statement on basis of any development, information and event.

**Independent Auditor's Report to the Members of Artemis Electricals Limited****Report on the Financial Statements****Opinion**

We have audited the accompanying financial statements of Artemis Electricals Limited ('the Company'), which comprise the balance sheet as at 31 March 2019, the statement of profit and loss and the statement of cash flows for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, the profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<b>Defined Benefit Plans (Unfunded) – Gratuity</b> The Company has recognized provision for gratuity for the financial year ended 31 March 2019. Earlier year no provisions were recognized in respect of gratuity. Refer note 28 to the financial statement read with the significant account policies of the Company.	<p>We reviewed the scheme rules to ensure our understanding is correct.</p> <p>We tested the input data used by the actuary to company records.</p> <p>We evaluated the key actuarial assumptions with the assistance of our specialists to determine if these were within an acceptable range.</p> <p>We read the disclosure in the financial statements in respect of defined benefit plans to consider whether these are consistent with the conclusions of our audit work and meet the disclosure requirements of the relevant accounting standards.</p> <p>Further we have ensured that disclosure and representation of unrecognized provision related to previous year is as per the relevant accounting standard.</p>

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of

these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order;
2. As required by Section 143(3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the balance sheet, the statement of profit and loss and the statement of cash flows dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder;
- (e) on the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.
- (h) with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**Annexure B to the Independent Auditors' Report**

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Artemis Electricals Limited ('the Company') as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**Artemis Electricals Limited****Notes on Financial Statements for the period ended 31<sup>st</sup> March, 2019****1. Significant accounting policies****A. Basis of Preparation**

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles, Accounting Standards notified under Section 133 of the Companies Act, 2013 and the relevant provisions thereof.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013.

**B. Use Of Estimates**

The preparation and presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as on date of the financial statements and reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates is recognized in the period in which the results are known / materialized.

**C. Tangible Assets**

Tangible assets are stated at cost less accumulated depreciation and net of impairment, if any. Pre-operation expenses including trial run expenses (net of revenue) are capitalised. Borrowing costs during the period of construction is added to the cost of eligible tangible assets.

**D. Intangible Assets**

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets having finite useful lives are amortised on a straight-line basis over their estimated useful lives.

**E. Depreciation And Amortisation****Tangible Assets**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

**F. Impairment**

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**G. Borrowing Costs**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit and Loss Statement in the period in which they are incurred.

**H. Employee Benefits****(i) Short term employee benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Profit and Loss Account.

**(ii) Defined Contribution Plans:**

Contributions to defined contribution schemes such as provident fund are charged off to the Profit and Loss Account during the year in which the employee renders the related service.

**(iii) Defined Benefit Plans:**

The present value of the obligation under such plan is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Profit and Loss Account. Termination benefits are recognised as and when incurred.

**(iv) Other Long Term Benefits:**

Leave encashment is payable to eligible employees who have earned leaves, during the employment and / or on separation as per the Company's policy.

**I. Income Taxes**

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognised if there is virtual certainty that sufficient future taxable income will be available to realize the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

**J. Inventories**

Items of inventories are measured at lower of cost or net realizable value after providing for obsolescence, if any. Cost of inventories comprises cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

Cost of raw materials, stores and spares, packing materials and other products are determined on weighted average basis.

**K. Revenue Recognition**

Revenue from sale of goods is recognised net of rebates and discounts on transfer of significant risks and rewards of ownership to the buyer. Sale of goods is recognised net of sales tax and value added tax.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Dividend income is recognised when the right to receive payment is established.

**L. Investments**

Current investments are carried at lower of cost and quoted/fair value, computed category-wise. Non-Current investments are stated at cost. Provision for diminution in the value of Non- Current investments is made only if such a decline is other than temporary.

**M. Foreign Currency Transactions**

Transactions in foreign currency are recorded at the rate of exchange prevailing on the date of transaction. Year-end balance of foreign currency monetary item is translated at the year-end rates. Exchange differences arising on settlement of monetary items or on reporting of monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements are recognised as income or expense in the period in which they arise.

**N. Earnings Per Share**

Basic earnings per share (EPS) is calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by adjusting the number of shares used for basic EPS with the weighted average number of shares that could have been issued on the conversion of all dilutive potential equity shares. The weighted average number of equity shares and potential equity shares outstanding during the period and for all the period presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

**O. Provisions, Contingent Liabilities and Contingent Assets**

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements.

**P. Cash and Cash Equivalents**

In the cash flow statement, cash and cash equivalents include cash in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less.

**Q. Segment Reporting**

Disclosure under Accounting Standard 17 - 'Segment Reporting' is not given as, in the opinion of the management, the entire business activity fails under one segment, viz., Manufacturing of electrical equipment, accessories and allied products. The Company conduct its business in only one Geographical Segment, viz., India.

**Support Green Initiative - Email registration**

Dear Shareholders,

As you may be aware, Ministry of Corporate Affairs, New Delhi ("MCA") has taken a "Green Initiative" in the Corporate Governance by permitting paperless compliances by companies vide its Circular No. 17/2011 dated April 21, 2011 and Circular No.18/2011 dated April 29, 2011 and clarified that the service of documents by a company can be made through electronic mode instead of sending the physical copy of the document(s) to its shareholders.

Our Company appreciates the initiative taken by MCA, as it believes strongly in a Greener Environment. This initiative also helps in prompt receipt of communication, apart from helping avoid losses / delays in postal transit.

We request and encourage you to register your e-mail address/addresses with the Company in case you have not registered your email id with the Company's Registrar & Transfer Agent (RTA) viz. Cameo Corporate Services Ltd or with your Depository Participant (DP). Please note that in case you have already registered your e-mail address, you are not required to re-register unless there is a change in your e-mail address.

In case you wish to receive all the above communications in electronic form, you may please register your e-mail address as under:

Shareholders holding shares in dematerialized form, kindly register your e-mail address with your Depository Participant at the earliest; or
