**NOTES:**

- (1) In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its Circular No. 20/2020 dated May 5, 2020 read with circulars No. 14/2020, 17/2020, 2/2021 dated April 8, 2020, April 13, 2020, January 13, 2021 respectively (collectively referred to as "MCA Circulars") and also SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 (collectively referred to as "SEBI Circulars"), and all other relevant circulars issued from time to time, if any permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars and SEBI Circulars, the AGM of the Company is being held through Video Conferencing (VC) / Other Audio Video Means (OAVM). The AGM has been convened through VC / OAVM in compliance with applicable provisions of the Act and MCA Circulars. Hence, Members can attend and participate in the AGM through VC/OAVM only. Further, for the purpose of technical compliance of the provisions of section 96(2) of the Companies Act, 2013 we are assuming the place of meeting as the place where the Company is domiciled i.e. the registered office of the Company. The detailed procedure for participating in the meeting through VC/OAVM is annexed herewith.
- (2) The Company has engaged the services of National Securities Depository Limited ("NSDL") as the Agency for providing e-voting facility (remote e-voting and voting at AGM) to the shareholders of the Company in order to cast their votes electronically in terms of said 'MCA Circulars'.
- (3) Pursuant to the provisions of Section 105 of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on a poll instead of himself/herself and such proxy need not be a member. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members under Section 105 of the Act will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- (4) In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the AGM.
- (5) Members who hold shares in physical form in multiple folios in identical names or joint

names in the same order of names are requested to send the share certificates to the Company's Registrar and Share Transfer Agent ('RTA') for consolidation into single folio.

- (6) Pursuant to the provisions of Section 113 of the Act, representative of the Corporate Members may be appointed for the purpose of e-voting, for participation in the 37<sup>th</sup> AGM through VC /OAVM facility and voting during the 37<sup>th</sup> AGM. Institutional / Corporate Members (i.e. other than individuals / HUF, NRI, etc.) are requested to send a scanned copy (PDF/JPG Format) of its Board Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email, through its registered email address, at [voting@vinodkothari.com](mailto:voting@vinodkothari.com) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in).
- (7) The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, the 15<sup>th</sup> September, 2021 to Tuesday, the 21<sup>st</sup> September, 2021 (both days inclusive) for the purpose of Annual General Meeting. The Company has fixed Tuesday, 14<sup>th</sup> September, 2021 as the 'Record Date' for determining entitlement of members to final dividend for the Financial Year ended March 31, 2021, if approved at the AGM.
- (8) If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend subject to deduction of tax at source will be made on or before 5<sup>th</sup> October, 2021 as under:
  - i. To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of end of the day on Tuesday, 14<sup>th</sup> September, 2021;
  - ii. To all Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as on the close of business hours on Tuesday, 14<sup>th</sup> September, 2021.
- (9) Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM.
- (10) The requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting has been done away with vide notification dated May 7, 2018 issued by the Ministry of Corporate Affairs, New Delhi. Accordingly, no resolution is proposed for ratification of appointment of Auditors, who were appointed in the Annual General Meeting, held on 22<sup>nd</sup> September, 2017.
- (11) A Statement pursuant to Section 102(1) of the Companies Act, 2013 and Secretarial Standard on General Meetings (Revised) (SS-2), relating to the Special Business to be transacted at the Meeting is annexed hereto. The Board of Directors considered that the special businesses under item no. 4 to 6 unavoidable, be transacted at the AGM. Information on the Directors retiring by rotation/proposed to be appointed/re-appointed at the Meeting as required under Regulation 36 (3) of the SEBI Listing Regulations, as amended, and SS-2 are provided in the Annexure to this Notice.
- (12) SEBI vide its Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8<sup>th</sup> June, 2018 and Notification No. SEBI/LAD-NRO/GN/2018/49 dated 30<sup>th</sup> November, 2018 amended Regulation 40 of SEBI Listing Regulations. As per Regulation 40 of the SEBI Listing Regulations, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. **In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's RTA for assistance in this regard.**

- (13) SEBI vide its Circular No. SEBI / HO/ MIRSD/DOP1/CIR/P/2018/73 dated 20<sup>th</sup> April, 2018 had mandated that for making dividend payments, companies whose securities are listed on the Stock Exchanges shall use electronic clearing services (local, regional or national), direct credit, real time gross settlement, national electronic funds transfer etc. The Company and its RTA are required to seek relevant bank details of shareholders from depositories/ investors for making payment of dividends in electronic mode. It is also required to print the bank details on the physical instrument if the payment is made in physical mode. Further, pursuant to recent General Circular 20/2020 dated 5<sup>th</sup> May, 2020 companies are directed to credit the dividend of the shareholders directly to the bank accounts of shareholders using Electronic Clearing Service. Accordingly, **Members are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in dematerialized form and with the RTA in respect of shares held in physical form.**
- (14) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit their PAN to their Depository Participants (DPs) with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to RTA viz. Link Intime India Private Limited at 502 & 503, 5<sup>th</sup> Floor, Vaishno Chamber, 6 Brabourne Road, Kolkata 700 001.
- (15) **In accordance with the Ministry of Corporate Affairs' Green Initiative measures, members holding shares in physical form who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communications including Annual Reports, Notices and Circulars etc. from the Company electronically. However, where the shares are held by the members in dematerialized form, the same has to be communicated to his/her Depository Participant for the purpose of receiving any of the aforesaid documents in electronic form. If there is any change in the e-mail ID already registered with the Company, Members are requested to immediately notify such change to the Company or its RTA in respect of shares held in physical form and to DPs in respect of shares held in electronic form.**
- (16) In compliance with the relevant Circulars, the Company shall publish a public notice by way of an advertisement before the date of circulation of Annual Report alongwith AGM Notice by email, in one English Newspaper and one Bengali Newspaper, both having a nationwide circulation, *inter alia*, advising members whose e-mail ids are not registered with the Company, its RTA or Depository Participant(s) (DPs), as the case may be, to register their e-mail ids with them.
- (17) Pursuant to the provisions of Section 124 and Section 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (as amended) (the 'IEPF Rules') the dividend up to the year ended March 31, 2014 and earlier years remaining unpaid or unclaimed for a period of seven years from the date of transfer of the same to the unpaid dividend account, has been transferred to the Investor Education and Protection Fund established by the Central Government.

Adhering to the various requirements set out in the IEPF Rules, as amended; the amount due to be transferred to IEPF during financial year 2020-21 were transferred in accordance with the IEPF Rules. Details of shares transferred to the IEPF Authority in the previous year(s) are available on the website of the Company.

The said details have also been uploaded on the website of the IEPF Authority and the same can be accessed through the link: [www.iepf.gov.in](http://www.iepf.gov.in).

Shareholders may claim their unclaimed dividend for the years prior to and including the Financial Year 2013-14 and their shares from the IEPF Authority by applying in prescribed

IEPF e-Form (IEPF – 5). This Form can be downloaded from the website of IEPF Authority i.e. [www.iepf.gov.in](http://www.iepf.gov.in), the access link of which is also available on the Company's corporate website i.e. [www.manaksia.com](http://www.manaksia.com).

- (18) Shareholders who have not so far encashed their Interim Dividend Warrants for financial year 2014-15, 2015-16, 2017-18, 2018-19 and 2019-20 may immediately approach the Company/its RTA for revalidation of unclaimed Dividend Warrants at least 10 days before they are due for transfer to the Investor Education and Protection Fund ("IEPF") established by the Central Government.

The following are the details of unpaid/unclaimed amounts and respective due date for transfer of unclaimed dividend to IEPF:

## EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

As required under Section 102 of the Companies Act, 2013 (as amended) the following Explanatory Statement sets out all material facts relating to the Special Business set out in the accompanying Notice:

### Item No. 3:

Members to note that Mr. Sunil Kumar Agrawal (DIN: 00091784), Non Executive Director of the Company, retires by rotation at this Annual General Meeting and being eligible, offered himself for re appointment as a non-rotational non-executive director from the date of this 37<sup>th</sup> Annual General Meeting ('37<sup>th</sup> AGM') till the date of 38<sup>th</sup> Annual General Meeting (38<sup>th</sup> AGM) of the Company. Accordingly, it is proposed to re-appoint Mr. Sunil Kumar Agrawal as a non-executive director not liable to retire by rotation from the date of this 37<sup>th</sup> AGM till the date 38<sup>th</sup> AGM. Re-appointment of a Director who is retiring by rotation is an Ordinary business; however as a better corporate governance practice the Board of Directors is setting out this explanatory statement as a part of the notice.

It is to be noted that the Audit Committee and Board of Directors of the Company at their respective meetings held on 11<sup>th</sup> August, 2021 had approved and recommended the resolution no. 3 for the approval of the shareholders.

Except Mr. Sunil Kumar Agrawal and their relatives, none of the other Directors or Key Managerial Personnel or their relatives is, in anyway, concerned or interested, financially or otherwise, in the said resolution.

### Item No. 4:

Section 188 of the Companies Act, 2013 read with Companies (Meeting of Board and its Power) Rules, 2014 provides that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per last audited financial statements of the Company. As per the provisions of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The proposed transaction(s) with Sumo Steels Limited shall not be material as per the criteria of the materiality prescribed under the SEBI Listing Regulations.

However, the value of the proposed aggregated transactions with Sumo Steels Limited is likely to exceed the threshold limit as provided under the Companies Act, 2013, and is expected to be around Rs. 40 crore (Rupees Forty Crore) during the Financial Year 2021-22.

Pursuant to Rule 15 of the Companies (Meeting of Board and its Power) Rules, 2014, as amended, particulars of the transactions with Sumo Steels Limited are as follows:

Sl. No.	Particulars	Remarks
1.	Name of the Related Party	Sumo Steels Limited
2.	Name of the Director or KMP who is related	Mr. Suresh Kumar Agrawal
3.	Nature of Relationship	Entities over which KMP's and their relatives have significant influence
4.	Nature, material terms, monetary value and particulars of the contract or arrangement	Sale of raw materials like Hot Rolled Coils, Spares, on the general commercial terms i.e. payment credit period, delayed payment interest, delivery of the products, etc. of the company.

- The pricing of the products will be at prevailing market price and on arm's length basis. Payment will be received upon delivery of materials. Monetary value of aggregate proposed transactions during FY 2021-22 is expected to be Rs. 40 crores (Rupees Forty Crores).
5. Any other information relevant or important for the members to take a decision on the proposed resolution
- Product available for sale at a market price to the related party and justified from economies of scale point of view.

As per Section 188 of the Act related parties of the Company shall not vote to approve the said resolution.

The Audit Committee and the Board of Directors in their respective meetings have reviewed the terms and conditions of the aforesaid proposed transactions and accordingly the Board recommended the above resolution no. 4 for the approval of the shareholders.

Except Mr. Suresh Kumar Agrawal and their relatives, none of the other Directors or key managerial personnel or their relatives is, in anyway, concerned or interested, financially or otherwise, in the said resolution.

**Item No. 5:**

Section 188 of the Companies Act, 2013 read with Companies (Meeting of Board and its Power) Rules, 2014 provides that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per last audited financial statements of the Company. As per the provisions of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The proposed transaction(s) with MINL Limited shall not be material as per the criteria of the materiality prescribed under the SEBI Listing Regulations.

However, the value of the proposed aggregated transaction with MINL Limited is likely to exceed the threshold limit as provided under the Companies Act, 2013, and is expected to be around Rs. 30 crores (Rupees Thirty Crores) during the Financial Year 2021-22. MINL Limited is a wholly owned subsidiary of the Company and its accounts are consolidated with the accounts of the Company and therefore approval of the shareholders is not required. However, as better corporate governance practice the resolution is proposed for your approval.

Pursuant to Rule 15 of the Companies (Meeting of Board and its Power) Rules, 2014, as amended, particulars of the transactions with MINL Limited are as follows:

Sl. No.	Particulars	Remarks
1.	Name of the Related Party	MINL Limited
2.	Name of the Director or KMP who is related	None
3.	Nature of Relationship	Wholly owned Subsidiary
4.	Nature, material terms, monetary value and particulars of the contract or arrangement	Sale of raw materials and / or spares like Zink Metals, etc. on the general commercial terms of the Company i.e. payment, credit period, delayed payment interest, delivery of the products, etc. The pricing of the

- products will be at prevailing market price and on arm's length basis. Payment will be received upon delivery of materials. Monetary value of aggregate proposed transactions during FY 2021-22 is expected to be Rs. 30 crores (Rupees Thirty Crores).
5. Any other information relevant or important for the members to take a decision on the proposed resolution
- Product available for sale to related party at prevailing market price and justified from economies of scale point of view.

As per Section 188 of the Act related parties of the Company shall not vote to approve the said resolution.

The Audit Committee and the Board of Directors in their respective meetings have reviewed the terms and conditions of the aforesaid transactions and accordingly the Board recommend the above resolution no. 5 for the approval of the shareholders.

None of the Directors or key managerial personnel or their relatives is, in anyway, concerned or interested, financially or otherwise, in the said resolution.

**Item No. 6:**

Section 188 of the Companies Act, 2013 read with Companies (Meeting of Board and its Power) Rules, 2014 provides that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per last audited financial statements of the Company. As per the provisions of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The proposed transaction(s) with Manaksia Steels Limited shall be material as per the criteria of the materiality prescribed under the SEBI Listing Regulations.

The value of the proposed aggregated transaction with Manaksia Steels Limited is likely to exceed the said threshold limit as provided under the Companies Act, 2013, and is expected to be around Rs. 100 crores (Rupees One Hundred Crores), during the Financial Year 2021-22

Pursuant to Rule 15 of the Companies (Meeting of Board and its Power) Rules, 2014, as amended, particulars of the transactions with Manaksia Steels Limited are as follows:

Sl. No.	Particulars	Remarks
1.	Name of the Related Party	Manaksia Steels Limited

## OPERATIONS AND BUSINESS PERFORMANCE

The spread of COVID-19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption of regular business operations during first two quarters due to lockdowns, disruptions in transportation and supply chain, travel bans, quarantines, social distancing and other emergency measures. The operations in the overseas subsidiaries of the Company situated at Nigeria and Ghana have also been disrupted and the demand for product in those countries has dropped as never before. Since, Nigeria being an oil based economy, fall in oil prices caused an acute paucity of foreign exchange in that country. Operation of the Company in the first quarter of the year under review was adversely affected most due to the COVID - 19 pandemic. Despite such adversities, the performance of the overseas paper mill subsidiary was commendable. The management is evaluating the situation very closely and constructive measures are being taken to consolidate its performance and to enhance bottom-lines. Your Company has evaluated its liquidity position & recoverability and carrying values of its assets and has concluded that no material adjustments are required at this stage in the Financial Statements.

Further details of operation and business performance of the Company has been elaborated in the 'Management Discussion and Analysis Report', forming part of this Annual Report.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report for the year under review, as stipulated under Regulation 34(2)(e) read with Para B of Schedule V of the Listing Regulations forms part of this Annual Report.

## BUSINESS RESPONSIBILITY REPORT (BRR)

The provisions of Regulation 34(2)(f) of the Listing Regulations read with the SEBI Circular No. CIR/CFD/CMD/10/2015 dated November 4, 2015 requires top one thousand listed entities based on market capitalization, calculated as on 31<sup>st</sup> March of every financial year, to prepare and publish a Business Responsibility Report (BRR) describing the initiatives taken by the Company from an environmental, social and governance perspective, in the format as specified by the Board from time to time. Your company has voluntarily drawn up its Business Responsibility Report as required under Regulation 34(2)(f) of the Listing Regulations for the FY ended 31<sup>st</sup> March, 2021. The Report is annexed to the Board's Report and marked as **Annexure - "A"**. The policy on BRR has also been uploaded on the website of the Company at [www.manaksia.com](http://www.manaksia.com) and is available at the following weblink: <https://www.manaksia.com/pdf/BRR%20Policy.pdf>

## Performance Evaluation

### • Board of Directors

As per the applicable provisions of the Act and Listing Regulations and based on the Guidance Note on Board Evaluation of SEBI dated 5<sup>th</sup> January, 2017, the Board carries out an annual evaluation of its own performance, as well as the working of its Committees. The Board works with the Committees to lay down the criteria for the performance evaluation. The contribution and impact of individual directors is reviewed through a peer evaluation on parameters such as level of engagement and participation, flow of information, independence of judgement, conflicts resolution and their contribution in enhancing the Board's overall effectiveness. Feedback-cum-assessment of individual Directors, the Board as a whole and its Committees is conducted. The feedback obtained from the interventions is discussed in detail and where required, independent and collective action points for improvement are put in place.

### • Independent Directors

Performance evaluation of Independent Directors was done by the entire Board of Directors excluding the director being evaluated. On the basis of that evaluation the performance of the Independent Directors have been found satisfactory and the Board of Directors were of the view that the performance of the Independent Directors is beneficial for the Company. The parameters used by Board of Directors for the performance evaluation of Independent Directors *inter alia* include:

- i) Roles and responsibilities to be fulfilled as an Independent Director;
- ii) Participation in Board Processes

### Separate Meeting of the Independent Directors

During the Financial Year 2020-21, as per the requirement of Schedule IV of the Act and Listing Regulations, one separate meeting of Independent Directors was held on 14<sup>th</sup> July, 2020 without the presence of the Non-Independent Directors and the members of the management to discuss the following:

- a. Performance of Non-Independent Directors and the Board as a whole
- b. To assess the quality, quantity and timeliness of flow of information between the Company management and the Board.

### Familiarization Programme for the Independent Directors

The Company has organised a familiarisation programme for its Independent Directors. The objective of the programme is to familiarise the Independent Directors to enable them to understand the operation of the Company, its business, industry and environment in which it functions and the regulatory environment applicable to it. These include orientation programme upon induction of new Directors as well as other initiatives to update the knowledge of Directors on a continuing basis.

During the financial year 2020-21, no new Independent Director was appointed on the Board of the Company. Therefore, on an ongoing basis as a part of Agenda of Board/ Committee Meetings, Independent Directors regularly discuss on various matters *inter-alia* covering the Company's and the businesses & operations of its subsidiaries, industry and regulatory updates, strategy, finance, risk management framework, role, rights, responsibilities of the Independent Directors under various statutes and other relevant matters.

The details of Familiarization Programme for Independent Directors are provided at the following weblink:  
<https://www.manaksia.com/pdf/Familiarization-Programme-08052019.pdf>

## Auditors Certificate on Corporate Governance

To  
The Members of **Manaksia Limited**

1. We, S K AGRAWAL AND CO. CHARTERED ACCOUNTANTS LLP, the statutory auditors of Manaksia Limited (“the Company”), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March, 2021, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’) as amended.

### Management’s Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

### Auditor’s Responsibility

3. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the “ICAI”), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

### Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as per relevant provisions during the year ended 31st March, 2021.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## SECRETARIAL AUDIT REPORT

FOR THE PERIOD FROM APRIL 1, 2020 TO MARCH 31, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To  
The Members,  
Manaksia Limited  
Turner Morrison Building, 6 Lyons Range,  
Mezzanine Floor, North-West Corner,  
Kolkata-700001,  
West Bengal.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Manaksia Limited** (hereinafter called the “**Company**”). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company (as per Annexure – II, hereinafter referred to as “**Books and Papers**”) and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the period covered by our audit, that is to say, from April 01, 2020 to March 31, 2021 (hereinafter referred to as “**Audit Period**”), complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the Books and Papers maintained by the Company for the Audit Period according to the provisions of:

1. The Companies Act, 2013 (“the Act”) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 (“SCRA”) and the rules made thereunder;
3. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, as may be applicable;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”):-
  - a) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (“LODR/Listing Regulations”);
  - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (to the extent applicable);
  - e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
6. Secretarial Standards 1 and 2 as issued by the Institute of Company Secretaries of India;
7. Laws specifically applicable to the industry to which the Company belongs: We have been intimated by the Company that no specific laws are applicable to it.

### Management Responsibility:

Kindly refer to our letter of even date which is annexed as **Annexure 'I'** which is to be read with and forms an integral part of this report.

We report that during the Audit Period, the Company has complied with the provisions of the Act, 2013, rules, regulations, guidelines, standards etc. mentioned above subject to the observations mentioned in this report.

The observations, if any, mentioned in this report are in addition to the observations and qualifications, if any, made by the statutory auditors of the Company or any other professional and the same has not been reproduced herein for the sake of repetition.

### Recommendations as a matter of best practice:

In the course of our audit, we have made certain recommendations in order to improve the corporate governance practices therein, separately addressed to the Board of Directors, for its necessary consideration and implementation by the Company. The said recommendations form part of this Report.

During the Audit Period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc.

### We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The number of directors liable to retire by rotation is in compliance with provision of 152(6) of Act, 2013 which provides that 2/3rd of the total directors (except independent directors) of the Company shall be such whose period of office will be liable to determination by retirement of directors by rotation.

No changes took place in the composition of the Board of Directors during the Audit Period except re appointment of Mr. Suresh Kumar Agrawal as Managing Director of the Company, which was made in due compliance of the various provisions of the Act.

Adequate notices were given to all directors to schedule the Board Meetings.

All decisions of the board were taken with the requisite majority and recorded as part of the minutes.

**We further report that** subject to above observations, the Company has complied with the conditions of Corporate Governance as stipulated in the Act and LODR.

**We further report that** there are adequate systems and processes commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the Audit Period, the Company has not incurred any specific event/ action that can have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. However, the following point shall be noted for the purpose of an information:

*At the beginning of the FY 20-21, the Company was of the view that the provisions of section 135 of the Act pertaining to Corporate Social Responsibility (CSR) are applicable to the Company and accordingly, the budget was fixed for INR 105.82 lakhs to be incurred during the said FY in various eligible CSR activities. However, it was later on observed that the average net profits based on which the CSR budget was fixed included the dividend received from the foreign subsidiary of the Company.*

*In terms of section 135(5) read with Rule 2(h) of the Companies (CSR Policy) Rules, 2014, dividend received from foreign branch/ subsidiary shall not form part of the net profits calculated under section 198 of the Act. Accordingly, the average net profits of the Company for the immediately preceding 3 FYs was negative thereby removing the requirement of spending of 2% of the average net profits of immediately preceding FYs in the FY 20-21.*

*Despite the non-applicability of the spending requirement as aforesaid, the Company has voluntarily spent an amount of INR 20.25 lakhs during the FY 2020-2021 in pursuance of its CSR Policy which is be considered as an excess spending under the Act eligible for set off with the obligations, if any, in the immediate succeeding three financial years.*

### Annexure I

#### ANNEXURE TO SECRETARIAL AUDIT REPORT (UNQUALIFIED)

To,  
**The Members,  
Manaksia Limited**

Our Secretarial Audit Report of even date is to be read along with this letter.

1. Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit. The list of documents for the purpose, as seen by us, is listed in **Annexure II**;
2. We have followed the audit practices and the processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion;
3. Our Audit examination is restricted only upto legal compliances of the applicable laws to be done by the Company, we have not checked the practical aspects relating to the same.
4. Wherever our Audit has required our examination of books and records maintained by the Company, we have also relied upon electronic versions of such books and records, as provided to us through online communication. Wherever for the purposes of our Audit, there was a need for physical access to any of the places of business of the Company, the same was not possible due to the lockdowns and travel restrictions imposed by Central and State Governments respectively. We have conducted online verification & examination of records, as facilitated by the Company, due to Covid 19 and subsequent lockdown situation for the purpose of issuing this Report.
5. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company as well as correctness of the values and figures reported in various disclosures and returns as required to be submitted by the Company under the specified laws, though we have relied to a certain extent on the information furnished in such returns.

6. Wherever required, we have obtained the management representation about the compliance of laws, rules and regulation and happening of events etc.
7. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of the management. Our examination was limited to the verification of procedure *on test basis and sample basis*.
8. Due to the inherent limitations of an audit including internal, financial, and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with audit practices.
9. The contents of this Report has to be read in conjunction with and not in isolation of the observations, if any, in the report(s) furnished/to be furnished by any other auditor(s)/agencies/authorities with respect to the Company.
10. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

## Management Discussion and Analysis Report

### Economic Overview

According to the World Bank, though the global economy is emerging from the collapse triggered by the COVID-19 pandemic, the recovery is expected to be subdued. Global economic output is expected to expand 4 percent in 2021 but still remain around 5 percent below its pre-pandemic trend.

The growth in developing economies is projected to firm up at 5 percent in 2021, but output of such economies is expected to remain well below its pre-pandemic projection. The pandemic has further compounded the risks associated with a decade-long wave of global debt accumulation. Debt levels have reached historic highs, making the global economy particularly vulnerable to financial market stress. Providing relief for vulnerable populations, limiting the spread of the virus and overcoming vaccine-related challenges are key immediate priorities. With weak fiscal positions severely constraining government support measures in many countries, an emphasis on ambitious reforms is required to rejuvenate robust, sustainable and equitable growth. Global cooperation is very important for addressing many of these challenges. Unless there are substantial and effective reforms, the global economy is heading towards a decade of disappointing growth outcomes.

The pandemic has caused major disruptions worldwide. Economic activity has been hit by reduced personal interface, uncertainty about the post-pandemic economic landscape and policies has discouraged investment; disruptions to education has slowed human capital accumulation and concerns about the course of the pandemic have weighed on international trade and tourism sectors. As with previous economic crises, the pandemic is expected to leave long-term adverse effects on per capita incomes and global economic activity.

In its latest issue of Global Economic Prospects, the World Bank has reduced India's GDP forecast to 8.3 per cent for FY2022, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent.

The report has further projected India's growth to be 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the Covid-19, the largest outbreak in the world since the deadly pandemic started. The report further noted that in India, an enormous second Covid-19 wave is preventing a sharper-than-expected rebound in activity seen during the second half of Fiscal Year 2020-21, especially in the services sector.

In 2020, India's economy is projected to have contracted by 7.3 per cent, while in 2019 it registered a growth rate of four per cent, according to the World Bank, mentioning that in 2023, India is expected to grow at 6.5 per cent. The World Bank feels that activity will benefit from policy support, including higher spending on infrastructure, rural development, and health, and a stronger-than expected recovery in services and manufacturing sectors, though it expects significant economic damage from an enormous second Covid-19 wave and localised mobility restrictions since March 2021.

In April and May 2021, India struggled with the second wave of the Covid-19 pandemic. Hospitals were reeling under a shortage of medical oxygen and beds. In mid-May, new corona virus cases in India hit a record high, though things are presently showing signs of improvement.

### Industry Structure and Developments

Manaksia Limited engaged itself in trading in the following products from the respective industrial sectors, the structure and development of which are as below:

#### Steel:

The World Steel Association forecast in April 2021 that steel demand will grow by 5.8% during the year to reach 1,874.0 million tonnes, after declining by 0.2% in 2020. In 2022 steel demand would see further growth of 2.7% to reach 1,924.6 million tonnes. This forecast assumes that the ongoing second or third waves of infections will stabilise in the second quarter and that steady progress on vaccinations will be made, allowing a gradual return to normalcy in major steel-using countries.

In China, the economy rebounded quickly from the lockdown in late February last year, and almost all economic activity except retailing, resumed full productivity by May.

Following a free-fall in economic activity during the second quarter of 2020, industry in the advanced economies generally rebounded quickly in the third quarter. However, activity levels still remained below the pre-pandemic level at the end of 2020. As a result, the steel demand of the developed world recorded a double-digit decline of 12.7% in 2020.

Substantial recovery with growth of 8.2% and 4.2% respectively is forecast in 2021 and 2022, though steel demand in 2022 would still fall short of 2019 levels. Despite high levels of infection the US economy was able to rebound strongly from the first wave but overall US steel demand fell by 18% in 2020.

Similarly, in the EU steel-using sectors suffered severely from the first lockdown measures in 2020, but experienced a stronger than expected post-lockdown rebound in manufacturing activities.

Apart China, other developing economies suffered more from the pandemic vis-a-vis the developed economies. In 2020, steel demand in such developing economies declined by 7.8% in 2020. India, Middle East & North Africa and most Latin American countries suffered the most.

India suffered severely from an extended period of severe lockdown, which brought most industrial and construction activities to a standstill. However, the economy has been recovering strongly since August 2020, with the resumption of government projects and pent-up consumption demand. India's steel demand fell by 13.7% in 2020 but is expected to rebound by 19.8% to exceed the 2019 level in 2021.

In ASEAN, disruptions to construction projects hit the fast-growing steel market, and steel demand contracted by 11.9% in 2020. Latin American economies in general were severely hit by the pandemic and steel demand in 2020 recorded a double-digit contraction in most countries in the region. In the MENA region, steel demand suffered and declined by 9.5% in 2020 from the cancellation of construction projects and a fall in oil prices, but the rebound of oil prices helped the region's steel demand to recover toward the end of 2020.

Among steel using sectors, global construction output in 2020 fell by 3.9% more than the fall of 1.9% in 2009 post the global financial crisis, as the COVID confinement measures led to an interruption of construction works in many countries. Global construction is expected to reach the 2019 level again in 2022. The automotive sectors saw the most severe decline among the steel-using sectors. While post-lockdown recovery was somewhat more robust than expected, the decline in the automotive industry in 2020 was of a double-digit scale in most countries. However, the automotive sector is expected to recover strongly in 2021. The global machinery sector was hit by the fall in investment in 2020, but the decline was much less than in 2009. Recovery is expected to take place at a faster pace as well.

#### **Aluminium:**

The global demand for aluminium was forecast to contract by 5.4 per cent in 2020, followed by a prolonged period of slow and staggered recovery on a sector-by-sector, region-by-region basis, according to a latest report by research firm CM Group prepared for the International Aluminium Institute.

The impact of the COVID-19 pandemic on global economic activity is set to be profound and a deep and potentially extended recession appears inevitable. Global aluminium demand has been hit already, with the automotive and aerospace sectors in particular feeling the full force of the downturn.

The impact on China's aluminium demand outlook is likely to be severe over the short-term, although a strong recovery in demand growth through 2021 is forecast, followed by and a return to pre-COVID-19 growth rates beyond 2022.

The Rest-Of-World (ROW) markets are expected to experience a contraction in demand growth across all regions, with previously strong demand forecasts for South-East Asian countries replaced by significantly lower short-term figures.

The Indian aluminium industry is going through a challenging phase and is under immense threat by rising imports, declining domestic market share, increasing production and logistic costs. These challenges have been further compounded by the COVID-19 pandemic which has adversely impacted the domestic demand for aluminium. At the same time, the industry is not able to compete effectively in the global markets as the burden of central and state taxes and levies puts the domestic industry in a significant disadvantage compared to its global peers.

### Packaging Products:

The global metal packaging market has been segmented, based on material, type, and application. On the basis of material, the market has been further classified as aluminum, steel, and others. In the past, while the steel segment held the largest market share of the global metal packaging market, the aluminum segment is now expected to witness the highest CAGR in the future because of the high demand for beer, carbonated soft drinks and energy drinks.

On the basis of type, the market has been segmented into cans, drums & barrels, caps & closures, and others.

On the basis of application, the market has been segmented into food & beverages, healthcare, personal care, chemical, and others. The food & beverages segment held the largest market share of the global metal packaging market due to various properties of the metal, which extends the shelf life of the product.

The growing demand from the food and beverage markets has been fueling the overall growth of the packaging industry. Advancements in packaging technology, have also been a major factor triggering the market growth in the beverages end-use sector.

The global metal packaging market had been witnessing moderate growth in the past couple of years. The market is fairly competitive, with a moderate number of players across the globe. The global metal packaging market is expected to grow by USD 280.29 billion by 2024. The demand for metal packaging is expected to be driven by increasing consumption of beverages and demand for aerosol cans.

The revenue from operations of the Company has reduced over the last year. The total revenue during the year has reduced by 49.17% due to cumulative impact of revenue from operations and dividend income from subsidiary.

#### Risks and Concerns

Your Company continues to look aggressively for growth opportunities and new markets in all the products that it trades in. The first and second waves of COVID - 19 pandemic have had a devastating effect on the global economy and all commercial and industrial activities. You are aware that MINL Limited, the material foreign subsidiary of the Company and Jebba Paper Mills Limited are situated at Nigeria. There had been an outbreak of COVID - 19 at Nigeria as well and the Government of that country took various precautionary measures to contain the spread of the disease which included partial and complete lockdowns till June 2020. The operations of the Company's subsidiaries situated in that country and demand of the products have been adversely impacted. The Company is also exposed to a number of market risks arising from its normal business activities. These risks include changes in prices of the products dealt with, foreign currency exchange rate and interest rate which may adversely impact the Company's financial assets, liabilities and/or future cash flows. The Company continues to mitigate these risks by careful planning of optimum sales mix, active treasury management and penetration of new markets.

### Opportunities and Threats

Varied portfolios of products dealt with by the Company and considerable domestic and international geographical presence and reach – had in the past, helped the Company to try and de-risk its business and meet the risks with suitable precaution. Under the present circumstances, in view of the COVID - 19 pandemic prevailing in the world today, the Management is studying the situation carefully, before venturing into any new markets and products.

### Future Outlook

Your Company is taking all possible steps to improve its performance in these uncertain times and is also cautiously exploring various options for improving its bottom line.

### Internal Control System and their adequacy

An effective system of internal controls helps your Company to maintain both internal controls and procedures to ensure all transactions are authorised, recorded and reported correctly and also ensure disclosure and protection of physical and intellectual property. The Company has appointed a firm of Chartered Accountants as Internal Auditors who independently evaluate the adequacy of the internal control system from time to time. For ensuring transparency and effectiveness, the management considers and takes appropriate action on the recommendations made by Statutory Auditors, Internal Auditors and by Management Committee / Audit Committee of the Board of Directors. The Company utilises the SAP Platform in order to have proper internal control procedure with the required authorization and “maker and checker” concept. This helps in correct recording of transactions and elimination and timely rectification of errors. The Company has appointed consultants/ professionals to conduct Secretarial Audit and observations made, if any, are reviewed by the Management periodically and corrective actions taken.

### Human Resources

During the year under review, employee relations continued to be cordial throughout the year. The Company employs twenty one people in India.

### Finance Cost

Finance Cost, during the year under review stood at Rs. 11.18 Lacs, as compared to Rs. 7.80 Lacs for the financial year ended March 31, 2020.

### Key Financial Ratios

Key Financial Ratios of the Company during the year under review in comparison with the immediately previous financial year are as follows:

Ratios	FY 2020-21	FY 2019-20
Debtor Turnover	6.35	2.53
Inventory turnover	84.3	637.00
Interest Coverage Ratio	71.31	843.81
Current Ratio	54.03	84.95
Debt Equity Ratio	-	-
Operating Profit Margin (%)	3.20%	3.96%
Net Profit Margin (%)	7.46%	47.54%
Return on Net Worth	3.68%	47.97%

During the year under review, EBIT of the Company has significantly reduced compared to the last year on account of dividend received from overseas subsidiary company, resulting in significant reduction in interest coverage ratio over the last year. The current ratio during the year has decreased primarily due to effect of increase in trade payable and employees benefits provision. The Board proposed final dividend @ 150% (i.e. Rs. 3/- per equity share) to the shareholders amounting to Rs. 1966.02 Lacs subject to the approval of shareholders at the ensuing AGM..

### Cautionary Statement

Statements in the Management Discussion and Analysis, describing the company's objectives, outlook and expectation, may constitute “Forward Looking Statements” within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied expectations, projections etc. Several factors make a significant difference to the company's operations, including climatic conditions, present uncertain economic scenario view COVID - 19 affecting demand and supply, Government regulations, taxation, natural calamity and other such factors over which the company does not have any direct control.

## Independent Auditor's Report

To the Members of **Manaksia Limited**

### Report on the audit of standalone Ind AS financial statements

#### Opinion

We have audited the standalone Ind AS financial statements of **Manaksia Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2021, and the statement of profit and loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit and total comprehensive income, (changes in equity) and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

1. We draw attention to Note 43 to the standalone financial statement, which describes the uncertainties and potential impact of the Covid-19 pandemic of the Company's operation and results as assessed by the management. The actual results may differ from such estimates depending upon future developments. Our opinion is not modified in respect of this matter.
2. We draw attention to Note 44 to the standalone financial statements in relation to outstanding balances of trade receivables, trade payables and loans and advances which are subject to confirmation and subsequent adjustments, if any. Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Key audit matters	How our audit addressed the key audit matter
<p><b>Accuracy and completeness of disclosure of related party transactions (as described in note 35 of the standalone Ind AS financial statements).</b></p>	
<p>We identified the accuracy and completeness of disclosure of related party transactions as set out in respective notes to the standalone Ind AS financial statements as a key audit matter due to:</p> <ul style="list-style-type: none"> <li>• the significance of transactions with related parties during the year ended March 31, 2021.</li> <li>• Related party transactions are subject to the compliance requirement under the Companies Act 2013 and SEBI (LODR) 2015.</li> </ul>	<p>Our procedures in relation to the disclosure of related party transactions included:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of the Company's policies and procedures in respect of the capturing of related party transactions and how management ensures all transactions and balances with related parties have been disclosed in the standalone Ind AS financial statements.</li> <li>• Obtaining an understanding of the Company's policies and procedures in respect of evaluating arms-length pricing and approval process by the audit committee and the board of directors.</li> <li>• Agreeing the amounts disclosed to underlying documentation and reading relevant agreements, evaluation of arms-length, on a sample basis, as part of our evaluation of the disclosure.</li> <li>• Assessing management evaluation of compliance with the provisions of Section 177 and Section 188 of the companies Act 2013 and SEBI (LODR) 2015.</li> <li>• Evaluating the disclosures through reading of statutory information, books and records and other documents obtained during the course of our audit.</li> </ul>

We have determined that there are no other key audit matters to communicate in our report.

### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Other Section of Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that gives a true and fair view of the financial position, financial performance, Changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are

appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, We determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

- I. **Annexure -A to the Independent Auditors' Report**

The Annexure referred to in our Independent Auditor's Report to the members of **Manaksia Limited** (the Company') on the standalone Ind AS financial statements for the year ended on March 31, 2021. We report that:

- i.
  - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - (c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventories have been physically verified during the year by the management at regular intervals. In our opinion and according to the information and explanations given to us, no material discrepancies were noticed on physical verification.
- iii.
  - (a) The terms and conditions in respect of the loans granted by the Company (secured/unsecured loans) to companies/firms/limited liability partnerships or other parties covered in the register maintained under section 189 of the Act wherever applicable are not prima facie prejudicial to the interest of the Company except for certain parties as highlighted in note 41 of the financial statements.
  - (b) In respect of the aforesaid loans, the parties are repaying the principal amounts as stipulated and are also regular in payment of interest, where applicable except for certain parties as highlighted in note 41 of the financial statements.
  - (c) In respect of the aforesaid loans, there is no overdue amount for a period exceeding 90 days except for certain parties as highlighted in note 39 of the financial statements.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 with respect to loans, investments, guarantee and securities, where applicable except for certain parties as highlighted in note 41 of the financial statements.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public.
- vi. Based on the information provided, the company is not required to maintain cost records pursuant to the rules prescribed by the Central Government for maintenance of cost records under sec 148(1) of the Act.
- vii. According to the information and explanations given to us in respect of statutory dues:

- (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Goods & Service Tax, Sales Tax, Value Added Tax, duty of Custom, duty of Excise, Cess, and other statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March, 2021 for a period of more than six months from the date they became payable.
- (b) According to information and explanations given to us, the following dues of income tax, sales tax, service tax and value added tax have not been deposited by the Company on account of disputes:

Name of Statute	Nature of Dues	Amount under dispute not yet deposited	Financial year to which the amount relates	Forum where the dispute is pending
		(Rs in Lakhs)		
The Finance Act, 1994	Service tax	52.4	2006-2010	CESTAT, Kolkata
Income Tax Act, 1961	Income tax	30.91	2013-2014	C.I.T.(NFAC), Kolkata

- viii. In our opinion and according to information and explanations given by the management, we are of the opinion that the Company has not defaulted in the repayment of dues to financial institution, banks, government and debenture holders.
- ix. To the best of our knowledge and belief and according to the information and explanations given to us, no term loan availed by the company. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year.
- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us, the Company has paid/provided for managerial remunerations in accordance with the requisite approvals mandated by the provisions of Sec 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable Indian accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. During the financial year ended 31 March 2021, the Company fulfills the criteria specified by RBI vide its press release 1998-99/1269 dated April 8, 1995 for determining the principality of the business and is accordingly required to register itself as NBFC under Section 45-1A of Reserve Bank of India Act, 1934. However as explained to us, the Principal business of the Company in past few years has been trading in Metals such as Steel Sheets, Zinc and Machinery Spares, etc. Since carrying of the financial activities was not principal business of the Company and exceptionally high Dividend Income was non-recurring in nature, the Company has not registered itself as NBFC under Section 45-1A of Reserve Bank of India Act, 1934.

## **Annexure -B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Manaksia Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention

or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## MANAKSIA LIMITED

Notes to Financial Statements as at and for the year ended March 31, 2021

**1. Company Overview**

Manaksia Limited ("the Company") is a public limited company incorporated in India having its registered office situated at 6, Lyons Range, Turner Morrison Building, North West Corner, Mezzanine Floor, Kolkata – 700 001. The Company has its shares listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The Company is primarily engaged in the business of trading of Metals and other items.

**2. Significant Accounting Policies****I) Basis of Preparation of Standalone financial statements****(a) Statement of compliance**

These Standalone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) notified under Section 133 of the Companies Act, 2013 ('Act') and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India ('SEBI'), as applicable.

The Standalone financial statements are authorized for issue by the Board of Directors of the Company at their meeting held on 15th June 2021.

**(b) Functional and presentation currency**

These Standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated.

**(c) Basis of measurement**

The Standalone financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

- (i) Certain financial assets and financial liabilities measured at fair value;
- (ii) Assets held for sale-measured at the lower of its carrying amount and fair value less costs to sell; and
- (iii) Employee's defined benefit plan as per actuarial valuation

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

**(d) Use of estimates and judgments**

The preparation of the Company's Standalone financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these Standalone financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. The changes in the estimates are reflected in the Standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Standalone financial statements.

**Critical accounting estimates and key sources of estimation uncertainty: Key assumptions****(i) Useful lives of Property, plant and equipment**

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets. See Note 3 for details.

**(ii) Fair value measurement of financial instruments**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss. See Note 37 for details.

**MANAKSIA LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2021

**(iii) Defined benefit plan**

The cost of the defined benefit plan includes gratuity and leave encashment. The present value of the obligations are determined using actuarial valuations using Projected unit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. See Note 36 for details.

**(iv) Recognition of current tax and deferred tax**

Current taxes are recognized at tax rates (and tax laws) enacted or substantively enacted by the reporting date and the amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. See Note 34 for details.

**(v) Recognition and measurement of provisions and contingencies**

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for. See Note 32 for details.

**(e) Measurement of fair values**

A number of the Company's accounting policies and disclosures require the measurement of fair values, for financial assets and financial liabilities. The Company has an established control framework with respect to the measurement of fair values. The management has overall responsibility for overseeing all significant fair value measurements and it regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;

Level 2: Inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: No significant observable inputs for the asset or liability. Some observable inputs used in fair value measurement are discounted cash flows, market multiple method etc. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values is included in Note 37.

**II) Current and non-current classification**

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

**Assets**

An asset is classified as current when it satisfies any of the following criteria:

- (i) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (ii) it is held primarily for the purpose of being traded;
- (iii) it is expected to be realized within 12 months after the reporting date; or
- (iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date. Current assets include current portion of non-current financial assets. All other assets are classified as non-current.

**Liabilities**

A liability is classified as current when it satisfies any of the following criteria:

- (i) it is expected to be settled in the Company's normal operating cycle;
- (ii) it is held primarily for the purpose of being traded;
- (iii) it is due to be settled within 12 months after the reporting date; or
- (iv) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

## MANAKSIA LIMITED

Notes to Financial Statements as at and for the year ended March 31,2021

**Operating cycle**

For the purpose of current/ non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of business and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

**III) Revenue from contract with customer**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made.

The specific recognition criteria described below must also be met before revenue is recognised.

**Sale of Products**

Revenue from sale of products is recognized when the Company transfers the control of goods to the customer as per the terms of contract. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any). In case of domestic sales, the company believes that the control gets transferred to the customer on dispatch of the goods from the factory/ Godown and in case of exports, revenue is recognised on passage of control as per the terms of contract / incoterms.

Variable consideration in the form of volume rebates is recognised at the time of sale made to the customers and are offset against the amounts payable by them.

**Contract balances****Trade receivables**

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

**Refund Liabilities**

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer. The Company updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

Dividend income is recognized in Statement of Profit and Loss on the date on which the Company's right to receive payment is established. Interest income is recognized using the effective interest method.

All other income are recognized on accrual basis.

**IV) Property, Plant & Equipment**

Property, plant and equipment are stated at acquisition cost, less accumulated depreciation and accumulated impairment loss, if any. The cost of Property, Plant & Equipment comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Interest and other financial charges on loans borrowed specifically for acquisition of capital assets are capitalised till the start of commercial production.

Depreciation is provided on the straight line method over the estimated useful lives of assets and are in line with the requirements of Part C of Schedule II of the Companies Act, 2013. The estimated useful lives are as follows :

Building	30 Years
Plant & Equipment	15 Years
Computers	3 Years
Office Equipment	5 Years
Furniture & Fixtures	10 Years
Motor Vehicles	8 Years

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as 'Capital Advances' under other 'Non-Current Assets' and the cost of assets not put to use before such date are disclosed under 'Capital Work in Progress'.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**V) Intangible Assets**

Intangible Assets acquired separately are measured on initial recognition at cost. Intangible Assets acquired in a business combination is valued at their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

**MANAKSIA LIMITED****Notes to Financial Statements as at and for the year ended March 31, 2021**

The useful lives of Intangible Assets are assessed as either finite or indefinite.

Intangible Assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an Intangible Asset with a finite useful life are reviewed at the end of each reporting period. The amortization expense on Intangible Assets with finite lives is recognized in the Statement of Profit & Loss. The Company amortizes intangible assets over their estimated useful lives using the straight line method. The estimated useful life is as follows:

Software	6 Years
----------	---------

Intangible Assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit & Loss when the asset is derecognized.

**VI) Inventories**

Inventories are valued at cost or net realisable value whichever is lower except for saleable scraps, whose cost is not identifiable, which are valued at estimated net realisable value. Closing stock has been valued on Weighted Average basis. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activity.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**VII) Foreign currency transactions**

The functional currency of the Company is Indian Rupee. These Financial Statements are presented in Indian Rupee (rounded off to the nearest Lacs).

Transactions in foreign currencies entered into by the company are accounted at the exchange rates prevailing on the date of the transaction. Gains & losses arising on account of realization are accounted for in the Statement of Profit & Loss.

Monetary Assets & Liabilities in foreign currency that are outstanding at the year-end are translated at the year-end exchange rates and the resultant gain/loss is accounted for in the Statement of Profit & Loss.

**VIII) Financial Instruments****(i) Recognition and initial measurement**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

**(ii) Classification and subsequent measurement****Financial assets****a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets at fair value through other comprehensive income (FVOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

**c) Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

## MANAKSIA LIMITED

## Notes to Financial Statements as at and for the year ended March 31, 2021

**Financial liabilities: Classification, subsequent measurement, gains and losses**

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**(iii) Derecognition****Financial assets****The Company derecognizes a financial asset:**

- when the contractual rights to the cash flows from the financial asset expire, or
- it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

**Financial liabilities**

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in Statement of Profit and Loss.

**(iv) Off setting**

Financial assets and financial liabilities are off set and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

**IX) Fair Value Measurement**

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii) Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

**X) Impairment**

Impairment is recognized based on the following principles:

**Financial Assets**

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at life time ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

**Non-Financial Assets**

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an assets fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest level for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash- generating unit). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of reporting period.

**MANAKSIA LIMITED****Notes to Financial Statements as at and for the year ended March 31,2021****XI) Provisions and Contingent Liabilities**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

**XII) Cash and Cash Equivalents**

Cash and Cash Equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**XIII) Employee Benefits****Defined Contribution Plan**

The Company makes contributions towards provident fund to the regulatory authorities to a defined contribution retirement benefit plan for qualifying employees, where the Company has no further obligations. Both the employees and the Company

**Defined Benefit Plan**

Gratuity is paid to employees under the Payment of Gratuity Act 1972 through unfunded scheme. The Company's liability is actuarially determined using the Projected Unit Credit method at the end of the year in accordance with the provision of Ind AS 19 - Employee Benefits.

The Company recognizes the net obligation of the defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods.

The Company recognises the changes in the net defined benefit obligation like service costs comprising current service costs, past service costs, gains and losses on curtailments and non-routine settlements and net interest expense or income, as an expense in the Statement of Profit and Loss.

Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.

**XIV) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**XV) Leases**

The company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to control the use of that asset to the Company in return for payment.

## MANAKSIA LIMITED

Notes to Financial Statements as at and for the year ended March 31, 2021

**Company as a lessee**

The company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

**(i) Right-of-use assets**

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Leasehold Land is amortised over the period of lease ranging from 30 to 99 years.
- Building 3 to 15 years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

**(ii) Lease liabilities**

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. The Company's lease liabilities are included in Interest-bearing loans and borrowings.

**(iii) Short-term leases and leases of low-value assets**

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

**Company as a lessor**

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

**XVI) Government Grants**

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**XVII) Income Taxes**

Income tax expense is recognized in the Statement of Profit & Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Provision for current tax is made at the current tax rates based on assessable income.

**MANAKSIA LIMITED****Notes to Financial Statements as at and for the year ended March 31,2021**

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**XVIII) Earnings per Share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**XIX) Dividend**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**XX) Rounding of Amounts**

All amounts disclosed in the standalone Financial Statements and notes have been rounded off to the nearest Lacs (with two places of decimal) as per the requirement of Schedule III, unless otherwise stated.

**XXI) Statement of Cash flows**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**XXII) Recent Accounting pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards.

MCA issued notifications dated 24th March,2021 to amend Schedule III to the Companies Act,2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021.

**II) Fair Value Hierarchy**

All Financial Assets & Financial Liabilities are carried at amortised cost except Investments in quoted Equity Instruments and Units of Mutual Funds, which have been fair valued.

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The following table represents the fair value hierarchy of Financial Assets and Financial Liabilities measured at Fair Value on a recurring basis :

Particulars	Fair Value Hierarchy Level	Amount in Rs. Lacs	
		March 31,2021	March 31,2020

**III) Financial Risk Management**

In the course of its business, the Company is exposed primarily to fluctuations in foreign currency exchange rates, interest rates, equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. The Company's focus is on foreseeing the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**a) Market Risk -**

Market Risk Comprises of Foreign Currency Exchange Rate Risk, Interest Rate Risk & Equity Price Risk

**i) Exchange Rate Risk**

The fluctuation in foreign currency exchange rates may have a potential impact on the Statement of Profit and Loss and Equity, where any transactions are denominated in a currency other than the functional currency of the Company.

The Company's Exchange Rate Risk exposure is primarily due to Trade Payables, Trade Receivables and Borrowings in the form of Buyers' Credit denominated in foreign currencies. The Company uses foreign exchange and forward contracts primarily to hedge foreign exchange exposure.

The following table analyzes foreign currency risk from financial instruments:-

Particulars		Amount in Rs. Lacs	
		March 31,2021	March 31,2020
<b>Exposure Currency (USD)</b>			
<b>Financial Assets</b>

## MANAKSIA LIMITED

## Notes to Financial Statements as at and for the year ended March 31,2021

## 37. Disclosures on Financial Instruments (contd.)

An appreciation/depreciation of the foreign currencies with respect to functional currency of the Company by 1% would result in an increase/decrease in the Company's Net Profit before Tax by approximately Rs. 26.52 lacs for the year ended March 31, 2021 (March 31, 2020 : - Rs. 0.03 lacs)

## ii) Interest Rate Risk

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. The Company does not have any interest bearing liabilities having floating rate of interest. Hence, the Company does not have any material exposure to Interest Rate Risk.

## iii) Equity Price Risk

Equity price risk is related to change in market reference price of investments in equity securities held by the Company. The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are held for trading purposes.

The fair value of quoted investments in equity, classified as Fair Value through Other Comprehensive Income as at March 31, 2021 and March 31, 2020 was Rs. 1.31 lacs and Rs. 1.14 lacs respectively.

A 10% change in equity prices of such securities held as at March 31, 2021 and March 31, 2020 would result in an impact of Rs. 0.13 lacs and Rs. 0.11 lacs respectively on equity before tax impact.

## b) Liquidity Risk -

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital facilities from various banks.

The following table shows a maturity analysis of the Company's Financial Liabilities on the basis of undiscounted contractual payments :

Particulars	Amount in Rs. Lacs	
	March 31,2021	March 31,2020
One Year or less		
Trade Payables	18.88	11.94
Lease Liabilities	10.92	10.92
Other Financial Liabilities	65.99	42.86
More than One Year		
Lease Liabilities	26.57	33.37

## c) Credit Risk -

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness.

Financial instruments that are subject to credit risk principally consist of Trade Receivables, Loans Receivables, Investments, Cash and Cash Equivalents and Financial Guarantees provided by the Company. None of the financial instruments of the Company result in material concentration of credit risk.

The Company has a policy of dealing only with credit worthy counter parties as a means of mitigating the risk of financial loss from defaults. The Company manages risks through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.

## 39. Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long term and short term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term strategic investment and expansion plans. The funding needs are met through cash generated from operations and short term bank borrowings.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company. Net debt includes interest bearing borrowings less cash and cash equivalents, other bank balances and current investments. The table below summarises the capital, net debt and net debt to equity ratio of the Company.

**MANAKSIA LIMITED****Notes to Financial Statements as at and for the year ended March 31,2021****43. Impact of COVID-19 (Global pandemic)**

The first half of the Financial Year 2020-21 was a challenging period with the uncertainties and complexities brought on by the COVID -19 pandemic. The World Economy and steel demand has been improving since then with accommodative policies, government spending and relaxation in mobility restrictions. The Company is closely monitoring the impact of the pandemic on all aspect of its business. The management does not see long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. The Management has also evaluated the recoverability of receivables and realisability of inventory on hand based on subsequent realisations and customer orders respectively. However, given the uncertainties associated with the eventual outcome, nature and duration of the pandemic, the impact may be different from that estimated as on the date of approval of these financial statements

44. Balances of some parties (including of Trade receivables and Trade payables) and loans and advances are subject to reconciliation/ confirmations from the respective parties. The management does not expect any material differences affecting the financial statement for the year.
45. Corresponding comparative figures for the previous years have been regrouped and readjusted wherever considered necessary to conform to the current year presentation.

## **Independent Auditor's Report**

To the Members of **Manaksia Limited**

### **Report on the audit of Consolidated Ind AS financial statements**

#### **Opinion**

We have audited the accompanying consolidated Ind AS financial statements of Manaksia Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2021, and consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

#### **Emphasis of Matter**

1. We draw attention to Note 46 to the Consolidated financial statement, which describes the uncertainties and potential impact of the Covid-19 pandemic of the Group's operation and results as assessed by the management. The actual results may differ from such estimates depending upon future developments. Our opinion is not modified in respect of this matter.
2. We draw attention to Note 47 to the Consolidated financial statements in relation to outstanding balances of trade receivables, trade payables and loans and advances which are subject to confirmation and subsequent adjustments, if any. Our opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31 March 2021. These matters were addressed in the context of our audit

of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Key audit matters	How our audit addressed the key audit matter
<p><b>Accuracy and completeness of disclosure of related party transactions (as described in note 38 of the consolidated Ind AS financial statements).</b></p>	
<p>We identified the accuracy and completeness of disclosure of related party transactions as set out in respective notes to the consolidated Ind AS financial statements as a key audit matter due to:</p> <ul style="list-style-type: none"> <li>• the significance of transactions with related parties during the year ended March 31, 2021.</li> <li>• Related party transactions are subject to the compliance requirement under the Companies Act 2013 and SEBI (LODR) 2015.</li> </ul>	<p>Our procedures in relation to the disclosure of related party transactions included:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of the Group's policies and procedures in respect of the capturing of related party transactions and how management ensures all transactions and balances with related parties have been disclosed in the standalone Ind AS financial statements.</li> <li>• Obtaining an understanding of the Group's policies and procedures in respect of evaluating arms-length pricing and approval process by the audit committee and the board of directors.</li> <li>• Agreeing the amounts disclosed to underlying documentation and reading relevant agreements, evaluation of arms-length, on a sample basis, as part of our evaluation of the disclosure.</li> <li>• Assessing management evaluation of compliance with the provisions of Section 177 and Section 188 of the companies Act 2013 and SEBI (LODR) 2015.</li> <li>• Evaluating the disclosures through reading of statutory information, books and records and other documents obtained during the course of our audit.</li> </ul>

We have determined that there are no other key audit matters to communicate in our report.

**Information other than the Financial Statements and Auditor's Report thereon**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included Other Section of Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of the Management and those charge with governance for the Consolidated Ind AS financial statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of Consolidated Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated Ind AS financial statements. We are also responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matter**

We did not audit the financial statements/financial information of three subsidiaries (including one step down subsidiary), incorporated outside India, whose financial statements/financial information reflect total assets of Rs 1,05,950.45 lakhs as at 31st March 2021, total revenue (including other Income) of Rs 71,293.28 lakhs and net profit/(loss) after tax amounting to Rs 6,956.32 lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

The aforesaid subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with the accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated Ind AS financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

**Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d. In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
- e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated Ind AS financial statements disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note no. 36 of the Consolidated Ind AS financial statements).
  - ii. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Holding Company.

## **Annexure -A to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of **Manaksia Limited** ("the Holding Company") and its subsidiary companies incorporated in India, as of that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and subsidiary companies, which are companies incorporated in India.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company and its subsidiary companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Mark Steels Ltd.	India	70%	Step-down Subsidiary

**2. Significant Accounting Policies****I) Basis of Preparation****(a) Statement of compliance**

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended. These financial statements are prepared under the historical cost convention on the accrual basis except for certain items of assets and liabilities which have been measured at their fair values.

The consolidated financial statements are authorized for issue by the Board of Directors of the Company at their meeting held on June 15, 2021.

**(b) Functional and presentation currency**

These Consolidated financial statements are presented in Indian Rupees (Rs.), which is also the Group's functional currency. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated.

**(c) Basis of measurement**

The Consolidated financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

- (i) Certain financial assets and financial liabilities measured at fair value;
- (ii) Assets held for sale-measured at the lower of its carrying amount and fair value less costs to sell; and
- (iii) Employee's defined benefit plan as per actuarial valuation.

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

**(d) Use of estimates and judgments**

The preparation of the Group's Consolidated financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these Consolidated financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. The changes in the estimates are reflected in the Consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Consolidated financial statements.

**MANAKSIA LIMITED**

Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021

**Critical accounting estimates and key sources of estimation uncertainty: Key assumptions****(i) Useful lives of Property, plant and equipment**

The Group uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets. See note 3 for details.

**(ii) Fair value measurement of financial instruments**

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss. See note 41 for details.

**(iii) Defined benefit plan**

The cost of the defined benefit plan includes gratuity and leave encashment. The present value of the obligations are determined using actuarial valuations using Projected unit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. See note 39 for details.

**(iv) Recognition of current tax and deferred tax**

Current taxes are recognized at tax rates (and tax laws) enacted or substantively enacted by the reporting date and the amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. See note 35 for details.

**(v) Recognition and measurement of provisions and contingencies**

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for. See note 36 for details.

**(e) Measurement of fair values**

A number of the Group's accounting policies and disclosures require the measurement of fair values, for financial assets and financial liabilities. The Group has an established control framework with respect to the measurement of fair values. The management has overall responsibility for overseeing all significant fair value measurements and it regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;

Level 2: Inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: No significant observable inputs for the asset or liability. Some observable inputs used in fair value measurement are discounted cash flows, market multiple method etc. When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values is included in note 41.

## MANAKSIA LIMITED

Notes to Consolidated Financial Statements as at and for the year ended March 31,2021

**II) Basis of Consolidation**

The consolidated financial statements comprise financial statements of the Company and its Subsidiaries and have been prepared in accordance with Indian Accounting Standard for Consolidated Financial Statements (Ind AS 110), prescribed under section 133 of the Companies Act, 2013 ('Act'). Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases. The Consolidated Financial Statements have been prepared on the following basis:

- i) The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation.
- ii) The difference between the cost of investment in the Subsidiaries over its proportionate share in the net assets value at the time of acquisition of stake in subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be. For this purpose, the company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation is adjusted against Goodwill. Changes in parents ownership interest in subsidiary that do not result in the parent losing control of the subsidiary are recognised directly in equity.
- iii) Non controlling interest in net profit/loss of the Subsidiaries for the year is identified and adjusted against income in order to arrive at the net income attributable to shareholders' of the company. Non controlling interest in net assets of the subsidiaries is identified and presented separately in Consolidated Financial Statements.
- iv) As far as possible the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the company's financial statements.
- v) The financial statements of the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the company.
- vi) Foreign Exchange fluctuations on conversion of the accounts of foreign subsidiaries have been taken to "Foreign Currency Translation Reserve" (Arising on Consolidation).

**III) Business Combination**

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or OCI, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

**MANAKSIA LIMITED****Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021**

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

**IV) Current and non-current classification**

All assets and liabilities are classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act.

**Assets**

An asset is classified as current when it satisfies any of the following criteria:

- i) expected to be realised or intended to be sold or consumed in the normal operating cycle,
- ii) held primarily for the purpose of trading,
- iii) expected to be realised within twelve months after the reporting period, or
- iv) cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

**Liabilities**

A liability is classified as current when it satisfies any of the following criteria:

- i) it is expected to be settled in the normal operating cycle,
- ii) it is due to be settled within twelve months after the reporting period, or
- iii) there is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as noncurrent.

**V) Revenue from contract with customer**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group regardless of when the payment is being made.

The specific recognition criteria described below must also be met before revenue is recognised.

**Sale of Products**

Revenue from sale of products is recognized when the Group transfers the control of goods to the customer as per the terms of contract. The Group considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Group considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any). In case of domestic sales, the Group believes that the control gets transferred to the customer on dispatch of the goods from the factory and in case of exports, revenue is recognised on passage of control as per the terms of contract / incoterms.

Variable consideration in the form of volume rebates is recognised at the time of sale made to the customers and are offset against the amounts payable by them.

**Contract balances****Trade receivables**

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

**Refund Liabilities**

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Group ultimately expects it will have to return to the customer. The Group updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

Dividend income is recognized in Statement of Profit and Loss on the date on which the Group's right to receive payment is established. Interest income is recognized using the effective interest method.

All other income are recognized on accrual basis.

## MANAKSIA LIMITED

Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021

**VI) Property, Plant & Equipment**

Property, plant and equipment are stated at acquisition cost, less accumulated depreciation and accumulated impairment loss, if any. The cost of Property, Plant & Equipment comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Interest and other financial charges on loans borrowed specifically for acquisition of capital assets are capitalised till the start of commercial production.

Depreciation is provided on the straight line method (except at Dynatech Industries Ghana Ltd., where depreciation is provided on Reducing Balance Basis) over the estimated useful lives of assets and are in line with the requirements of Part C of Schedule II of the Companies Act, 2013. The estimated useful lives are as follows :

Building	30 - 40 Years
Plant & Equipment	10 - 25 Years
Computers	3 Years
Office Equipment	5 - 8 Years
Furniture & Fixtures	10 Years
Vehicles	5 - 8 Years

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as 'Capital Advances' under other 'Non-Current Assets' Assets and the cost of assets not put to use before such date are disclosed under 'Capital Work in Progress'.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**VII) Intangible Assets**

Intangible Assets acquired separately are measured on initial recognition at cost. Intangible Assets acquired in a business combination is valued at their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of Intangible Assets are assessed as either finite or indefinite.

Intangible Assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an Intangible Asset with a finite useful life are reviewed at the end of each reporting period. The amortization expense on Intangible Assets with finite lives is recognized in the Consolidated Statement of Profit & Loss. The Group amortizes intangible assets over their estimated useful lives using the straight line method. The estimated useful life is as follows:

Software	6 Years
----------	---------

Intangible Assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Consolidated Statement of Profit & Loss when the asset is derecognized.

**VIII) Inventories**

Inventories are valued at cost or net realisable value whichever is lower except for saleable scraps, whose cost is not identifiable, which are valued at estimated net realisable value. Closing stock has been valued on Weighted Average basis. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its location and includes, where applicable, appropriate overheads based on normal level of activity.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**MANAKSIA LIMITED**

Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021

**IX) Foreign Currency Transactions & Translations****Functional and presentation currency**

The Consolidated financial statements are presented in INR, the functional currency of the Group. Items included in the financial statements of the Group are recorded using the currency of the primary economic environment in which the Group operates (the 'functional currency').

**Transaction and balances**

Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

**X) Financial Instruments****Initial recognition and measurement**

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

**Subsequent measurement****i. Non derivative financial instruments****a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

**c) Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

**d) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

## MANAKSIA LIMITED

Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021

**ii. Derivative financial instruments**

The Group holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income.

**Derecognition of financial instruments**

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**XI) Fair Value Measurement**

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- iii) Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**XII) Impairment**

Impairment is recognized based on the following principles:

**Financial Assets**

The Group recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at life time ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

**Non-Financial Assets**

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an assets fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest level for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating unit). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of reporting period.

**XIII) Provisions and Contingent Liabilities**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

**XIV) Cash and Cash Equivalents**

Cash and Cash Equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**MANAKSIA LIMITED****Notes to Consolidated Financial Statements as at and for the year ended March 31,2021****XV) Employee Benefits****(a) Defined Contribution Plan**

The Group makes contributions towards provident fund to the regulatory authorities to a defined contribution retirement benefit plan for qualifying employees, where the Company has no further obligations. Both the employees and the Company make monthly contributions to the Provident Fund Plan equal to a specified percentage of the covered employee's salary.

**(b) Defined Benefit Plan**

The Group operates a Defined Benefit Gratuity Plan in India. Gratuity is paid to employees under the Payment of Gratuity Act 1972 through unfunded scheme. The Group's liability is actuarially determined using the Projected Unit Credit method at the end of the year in accordance with the provision of Ind AS 19 - Employee Benefits.

The Group recognizes the net obligation of the defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods.

The Group recognises the changes in the net defined benefit obligation like service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements and net interest expense or income, as an expense in the Consolidated Statement of Profit and Loss.

Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.

**XVI) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**XVII) Leases**

The company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to control the use of that asset to the Group in return for payment.

**Group as a lessee**

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

**i) Right-of-use assets**

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Leasehold Land is amortised over the period of lease ranging from 30 to 99 years.
- Building 3 to 15 years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

## MANAKSIA LIMITED

## Notes to Consolidated Financial Statements as at and for the year ended March 31, 2021

## ii) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate.

Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. The Group's lease liabilities are included in Interest-bearing loans and borrowings.

## iii) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

## Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

## XVIII) Government Grants

The Group recognizes government grants only when there is reasonable assurance that the conditions attached to them shall be complied with and the grants will be received. Grants related to assets are treated as deferred income and are recognized as other income in the Statement of profit & loss on a systematic and rational basis over the useful life of the asset. Grants related to income are recognized on a systematic basis over the periods necessary to match them with the related costs which they are intended to compensate and are deducted from the expense in the consolidated statement of profit & loss.

## XIX) Income Taxes

Income tax expense is recognized in the Consolidated Statement of Profit & Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Provision for current tax is made at the current tax rates based on assessable income.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Consolidated Financial Statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**MANAKSIA LIMITED****Notes to Consolidated Financial Statements as at and for the year ended March 31,2021****XX) Earnings per Share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**XXI) Dividend**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**XXII) Rounding of Amounts**

All amounts disclosed in the Consolidated Financial Statements and notes have been rounded off to the nearest Lacs (with two places of decimal) as per the requirement of Schedule III, unless otherwise stated.

**XXIII) Statement of Cash flows**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**XXIV) Recent Accounting pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards.

MCA issued notifications dated 24th March,2021 to amend Schedule III to the Companies Act,2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021.

**41. Disclosures on Financial Instruments (contd.)**
**II) Fair Value Hierarchy**

All Financial Assets & Financial Liabilities are carried at amortised cost except Investments in quoted Equity Instruments, Units of Mutual Funds and Government Securities, which have been fair valued.

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The following table represents the fair value hierarchy of Financial Assets and Financial Liabilities measured at Fair Value on a recurring basis :

Particulars	Fair Value Hierarchy Level	Amount in Rs. Lacs	
		March 31,2021	March 31,2020
<b>Financial Assets</b>			
Investments in Quoted Equity Shares	Level 1	23.98	10.07
Investments in Units of Mutual Funds		43,184.30	624.26

**III) Financial Risk Management**

In the course of its business, the Group is exposed primarily to fluctuations in foreign currency exchange rates, interest rates, equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. The Group's focus is on foreseeing the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

**a) Market Risk -**

Market Risk Comprises of Foreign Currency Exchange Rate Risk, Interest Rate Risk & Equity Price Risk.

**i) Exchange Rate Risk**

The fluctuation in foreign currency exchange rates may have a potential impact on the Consolidated Statement of Profit and Loss and Equity, where any transactions are denominated in a currency other than the functional currency of the Group.

The Group's Exchange Rate Risk exposure is primarily due to Trade Payables, Trade Receivables and Borrowings in the form of Buyers' Credit denominated in foreign currencies. The Group uses foreign exchange and forward contracts primarily to hedge foreign exchange exposure.

An appreciation/depreciation of the foreign currencies with respect to functional currency of the Group by 1% would result in an decrease/increase in the Group's Net Profit before Tax by approximately Rs. 13.60 lacs for the year ended March 31, 2021 (March 31, 2020 : - Rs. 9.07 lacs)

**ii) Interest Rate Risk**

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. The Group does not have any interest bearing liabilities having floating rate of interest. Hence, the Group does not have any material exposure to Interest Rate Risk.

**iii) Equity Price Risk**

Equity price risk is related to change in market reference price of investments in equity securities held by the Group. The fair value of quoted investments held by the Group exposes the Group to equity price risks. In general, these investments are held for trading purposes.

The fair value of quoted investments in equity, classified as Fair Value through Other Comprehensive Income as at March 31, 2021 and March 31, 2020 was Rs. 16.83 lacs and Rs. 10.07 lacs respectively.

A 10% change in equity prices of such securities held as at March 31, 2021 and March 31, 2020, would result in an impact of Rs. 1.68 lacs and Rs. 1.01 lacs respectively on equity before tax impact.

## MANAKSIA LIMITED

Notes to Financial Statements as at and for the year ended March 31,2021

## 41. Disclosures on Financial Instruments (contd.)

## b) Liquidity Risk -

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Group has obtained fund and non-fund based working capital facilities from various banks.

The following table shows a maturity analysis of the Group's Financial Liabilities on the basis of undiscounted contractual payments :

Particulars	Amount in Rs. Lacs	
	March 31,2021	March 31,2020
One Year or less		
Borrowings	5,175.88	1,293.79

More than One Year		
Borrowings	6.53	14.60
Trade Payables	-	-
Lease Liability	26.57	33.37
Other Financial Liabilites	-	-

## c) Credit Risk -

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness.

Financial instruments that are subject to credit risk principally consist of Trade Receivables, Loans Receivables, Investments, Cash and Cash Equivalents and Financial Guarantees provided by the Group. None of the financial instruments of the Group result in material concentration of credit risk.

The Group has a policy of dealing only with credit worthy counter parties as a means of mitigating the risk of financial loss from defaults. The Group manages risks through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the group grants credit terms in the normal course of business.

**43. Capital Management**

The Group's capital management is intended to create value for shareholders by facilitating the meeting of long term and short term goals of the Group.

The Group determines the amount of capital required on the basis of annual business plan coupled with long term and short term strategic investment and expansion plans. The funding needs are met through cash generated from operations and short term bank borrowings.

The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Group. Net debt includes interest bearing borrowings less cash and cash equivalents, other bank balances and current investments. The table below summarises the capital, net debt and net debt to equity ratio of the Group.

**46. Impact of COVID-19 (Global pandemic)**

The first half of the Financial Year 2020-21 was a challenging period with the uncertainties and complexities brought on by the COVID -19 pandemic. The World Economy and steel demand has been improving since then with accommodative policies, government spending and relaxation in mobility restrictions. The Group is closely monitoring the impact of the pandemic on all aspect of its business. The management does not see long term risks in the Group's ability to continue as a going concern and meeting its liabilities as and when they fall due. The Management has also evaluated the recoverability of receivables and realisability of inventory on hand based on subsequent realisations and customer orders respectively. However, given the uncertainties associated with the eventual outcome, nature and duration of the pandemic, the impact may be different from that estimated as on the date of approval of these financial statements

**47. Balances of some parties (including of Trade receivables and Trade payables) and loans and advances are subject to reconciliation/ confirmations from the respective parties. The management does not expect any material differences affecting the financial statement for the year.**
