SpiceJet, Emirates sign MoU for codeshare partnership

- Partnership to help both airlines expand reach
- SpiceJet passengers from 51 domestic destinations to enjoy seamless connectivity on Emirates' expansive network across America, Europe, Africa and the Middle East

GURUGRAM, 22 April 2019: SpiceJet, India's favourite carrier, and Emirates have signed a Memorandum of Understanding (MoU) to enter into a reciprocal codeshare agreement, which is set to open new routes and destinations for passengers travelling between India and popular destinations across America, Europe, Africa and the Middle East.

SpiceJet passengers travelling from Delhi, Mumbai, Ahmedabad, Kochi, Amritsar, Jaipur, Pune, Mangalore, Madurai, Kozhikode and 41 other domestic destinations that the airline operates to, will be able to access Emirates' expansive network across the globe.

Ajay Singh, Chairman and Managing Director, SpiceJet, said: "I am delighted to announce that as part of SpiceJet's international expansion strategy, we have signed a MoU for a codeshare agreement with Emirates. This new partnership should immensely benefit passengers travelling on both airlines. While SpiceJet passengers from across India will be able to enjoy seamless connectivity leveraging Emirates vast network across Europe, Africa, America and the Middle East those travelling to India on Emirates will be able to travel to 51 destinations across our domestic network."

SpiceJet passengers travelling from India will have more choice to travel seamlessly with minimum connection times, when flying to destinations in Emirates' Europe network such as London, Paris, Frankfurt, Manchester and Amsterdam. Subject to regulatory approvals, the codeshare agreement will also open up flights for Indian travellers to North and South American destinations such as New York, Washington, Toronto, and Sao Paulo as well as Middle Eastern destinations such as Jeddah, Kuwait and Amman, operated by Emirates.

Optimized scheduling will allow for minimal transit times between India and these global destinations and travellers on these codeshare routes will be able to book connecting flights using a single reservation.

“Our journey in India has been defined by progressive investment, partnership and growth. We constantly try to improve and provide our customers with greater flexibility and travel choices. This partnership with SpiceJet and the mutual expansion of our network will go a long way in further enhancing the travel experience of our customers in India as well as those heading into India, benefiting travellers and businesses alike,” said **Adnan Kazim, Emirates’ Divisional Senior Vice President, Strategic Planning, Revenue Optimization and Aeropolitical affairs.**

The partnership will enable Emirates’ passengers to enjoy seamless connectivity on flights to India, leveraging SpiceJet’s strong domestic presence and adding 51 domestic (10 directly and 41 through connecting flights) destinations, namely Delhi, Kochi, Mumbai, Ahmedabad, Amritsar, Jaipur, Pune, Mangalore, Madurai and Kozhikode. This will bolster Emirates’ already-extensive network adding a total of 67 weekly connections between Emirates’ hub in Dubai to these growing destinations in India. This includes increased domestic connectivity from Emirates’ nine Indian gateways to points such as Goa, Hubli, Guwahati, Vishakhapatnam and Tuticorin which would allow for a greater variety of travel options between both Emirates and SpiceJet flights.
