Notes to the Unaudited Consolidated and Standalone Financial Results for the Quarter and Nine months ended December 31, 2022:

- (1) The above consolidated and standalone financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their meetings held on February 14, 2023.
- (2) The Company's business activity falls within a single business segment i.e. Construction and Infrastructure Development, in terms of Ind AS 108 on Operating Segments
- (3) These consolidated and standalone financial results of the Company are prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder.
- (4) **Investigations etc. by Regulatory/Investigative Agencies:**

Consequent to adverse developments at Infrastructure Leasing and Financial Services Limited ("IL&FS") and IL&FS group level, as stated in earlier years, various regulatory authorities and investigative agencies have initiated their proceedings and are seeking information from the Company as part of their investigations since 2018-19 onwards. The Company and the present management are cooperating with the respective authorities and submitting the information as sought from time to time.

Further, as per the directions of the Reconstituted Board of IL&FS, forensic audit by an independent firm was initiated for select entities including the Company. The forensic auditors submitted their final report relating to the Company in May 2021 detailing certain potential anomalies in the financial statements and operations of the Company. The report has been hosted on the Company's website and also submitted to the stock exchanges, Serious Fraud Investigation Office (SFIO), etc. Based on the said report, SFIO and Enforcement Directorate sought additional information from the Company which the Company has submitted from time to time. The adjustments, if any, arising out these investigations would be known upon completion of investigation process by respective authorities / agencies and hence, are not determinable at this stage.

- (5) **Going Concern:**

The Company has incurred loss of Rs.2451 Lakhs and Rs.4,448 Lakhs during the quarter and nine months ended December 31, 2022 respectively (Loss for the year ended March 31, 2022 Rs.38,630 Lakhs). The Company's net worth is fully eroded and the current liabilities exceed its current assets by Rs.369,586 Lakhs as at the reporting date. Existing projects being executed by the Company are nearing completion / or approaching their end of term, which resulted in significant reduction in the Company's operating revenue over the past three years. The Company has continued to default in payment of various loans to the lenders of the Company, including borrowings from promoter group entities.

The Reconstituted Board of Directors of IL&FS in their reports to National Company Law Tribunal ("NCLT") categorized the Company under the Group "Red" implying that the Company is unable to meet its contractual, statutory and debt obligations. The National Company Law Appellate Tribunal ("NCLAT") by way of its order on October 15, 2018 ("Interim Order") in the Company Appeal (AT) 346 of 2018, after taking into consideration the nature of the case, stayed certain coercive and precipitate actions against IL&FS and its group companies including the Company. The NCLAT vide its Judgement dated March 12, 2020 accepted the resolution process and revised resolution framework, including October 15, 2018 as date of initiation of resolution process of IL&FS Group entities, (including the Company) and crystallization of claims as of that date i.e. cut-off date with no interest, additional interest, penal charges or other similar charges to accrue after the said cut-off date. Accordingly, the Company is currently not settling liabilities existing prior to October 15 2018, being the cutoff date to its Financial Creditors and the Operational Creditors.

Adverse developments in promoter group entities impacted the operations of the company and also resulted in cancellation/ termination/suspension/foreclosure of certain contracts with customers. The Reconstituted Board and the management of the Company have taken various steps to continue the operations at present level during the period as per the resolution process framework accepted by the Hon'ble NCLAT.

In line with the said framework, the Reconstituted Board is in the process of finalizing a comprehensive approach to manage the current situation including sale of existing equity share holding by IL & FS Group. In this process, the Reconstituted Board, as part of resolution process for the Company, has invited expression of interest for acquiring the equity stake in the Company. In January 2022, a bid had been received from an unincorporated Consortium which was subjected to challenge through counter bid under a Swiss Challenge method. The successful bid has been put up to the Committee of Creditors for their approval. If accepted, the bid would then be placed for approvals from Justice D.K. Jain (Retd.) and then NCLT.

The ability of the Company to continue as going concern is solely dependent on positive outcome of resolution process initiated by the Reconstituted Board which would restructure the debt and resume normal operations. The above financial results have been prepared on a going concern basis considering the status of the resolution process and steps taken by the Reconstituted Board.

(6) Interest Expense:

As detailed in Note 4 and 5 above, NCLAT vide its Judgement dated March 12, 2020, accepted the revised resolution framework process fixing October 15, 2018 as date of initiation of resolution process of IL&FS Group entities (including the Company) and crystallization of claims as of that date i.e. cut-off date with no interest, additional interest, penal charges or other similar charges to accrue after the said cut-off date.

Pursuant to the above, the Company has not recognized interest expense, which would otherwise been accrued and recognized in its financial results in accordance with the applicable Accounting Standards, aggregating to Rs. 10,986 Lakhs approximately and Rs.32,507 Lakhs approximately (excluding penal interest etc.) for the quarter and nine months ended December 31, 2022 respectively. Aggregate amount of interest expense not recognized as at December 31, 2022 is Rs. 160,987 Lakhs approximately (excluding penal interest etc.)

- (7)** In respect of a road project, consequent to arbitration proceedings, the Company has been awarded a favorable Order by the Arbitration Tribunal for an amount of Rs. 70331 Lakhs. The contractee has preferred an appeal against the said award in Hon'ble High Court of Delhi. The carrying values of assets and liabilities relating to the project was Rs.25,263 Lakhs [net] which comprises of interest receivable, trade receivable, retention money, mobilization advance and interest payable on said advance. Considering the favorable Order as at the date of reporting, the said amount of Rs.25,263 Lakhs is considered good for recovery.

(8) Confirmation of Balances:

- a) As at December 31, 2022, fund-based borrowings outstanding aggregates to Rs 262,901 Lakhs. These include borrowings from group entities, aggregating to Rs 204,707 Lakhs. The Company neither serviced principal amounts and /or interest payments, wherever applicable. Further, Borrowings to the extent of Rs.184,946 Lakhs were not confirmed by respective lenders. Adjustments to principal and interest, if any, will be recognized in the year of final settlement.
- b) The Company has not received confirmation of balances for trade receivables from customers and from parties to whom advances have been made by the Company for supply of services/goods and trade payables. Further, these balances are subject to reconciliation with respective parties. The management is confident that the settlement of these balances will be made at the carrying amounts and no provision is required at present. Adjustments for variances, if any will be made in the year of settlement.

(9) **Default in redemption of preference shares and dividend thereon:**

In the earlier years, the Company has issued 37,50,000, 6% optionally convertible cumulative redeemable preference shares (OCCRPS) of Rs.100 each, aggregating to Rs 3750 Lakhs were outstanding as on September 30, 2019. All these OCCRPS were purchased by ILFS Trust Company Limited (ITCL), now Vistra ITCL India Limited, being the trustee of Maytas Investment Trust. As per various agreements/extensions, all these OCCRPS were due for redemption as on September 30, 2019. The Company defaulted in the redemption of these OCCRPS. Further, the Company has also defaulted in payment of dividend payable Rs 1,579 Lakhs.

(10) The Consolidated financial results do not include the results of operations and other financial information related to one subsidiary viz Maytas Infra Saudi Arabia (MISA) since the subsidiary has ceased its operation for a period exceeding 3 years and the financial information is not available.

(11) Statutory Auditors of the Company have issued qualified audit reports on standalone financial statements as at and for the year ended March 31, 2022 in respect of matter stated in paragraph 6 above and in respect of matters stated in paragraphs 6 and 10 above in case of consolidated financial statements as at and for the year ended on March 31, 2022. For the quarter and nine months ended December 31 2022, the matter stated in paragraph 6 above has been considered for reporting under emphasis of matter para in respect of the standalone and consolidated financial results. The matter stated in paragraph 10 above continued to be reported under qualified conclusion in their limited review reports on the above consolidated financial results. Further, emphasis of matter in respect of matters stated in paragraphs 4, 5 and 8 above in the audit reports on standalone and consolidated financial statements as at and for the year ended March 31 2022 have been continued as such in their limited review reports of the above financial results.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
IL&FS Engineering and Construction Company Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of IL&FS Engineering and Construction Company Limited ('the Company') for the quarter and nine months ended December 31, 2022, ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('Listing Regulations').
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors of the Company on February 14, 2023, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Material uncertainty related to going Concern:

4. Attention is invited to Note 5 to the Statement regarding continued losses, erosion of net worth as at the period end, and significant reduction in the Company's income from operations and other matters detailed in the said paragraph. These events and conditions indicate a material uncertainty which cast a significant doubt on the Company's ability to continue as a going concern, and therefore it may not be able to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Company to continue as a going concern is solely dependent on the finalisation and approval of the resolution process, which is not wholly within the control of the Company.

The Management of the Company has prepared these financial results on going concern basis considering status of process initiated by the Board and Interim Orders of NCLAT.

Our conclusion is not modified in respect of this matter.

Emphasis of Matter:

5. We draw attention to the following notes to the Statement:
 - a. Note 4 regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies

against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Holding Company'), and its subsidiaries (including the Company). The financial results of the Company for the period ended December 31, 2022 do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating agencies, Regulatory Authorities and other agencies, as the management, at this juncture, do not foresee any adjustments to be made in these financial results of the Company as a result of investigations.

- b. Note 6 regarding non recognition of interest expense, for the reasons stated in the note, of Rs.10,986 Lakhs and Rs.32,507 Lakhs on borrowings, (excluding penal / other interest and charges) for the quarter and nine-month period ended on December 31, 2022 pursuant to the Interim Order and the Judgement passed by NCLAT specifying October 15, 2018 as cut-off date for initiation of resolution process.
- c. Note 8 regarding non-receipt of confirmation of balances as at December 31, 2022 from some lenders, customers and vendors. In the absence of confirmations, the adjustments, if any, on account of unsettled transactions, to the carrying values of assets and liabilities cannot be ascertained.

The adjustments, if any, arising out of the above matters to the carrying value of assets or to the amounts disclosed in financial statements, cannot be determined at this juncture for the reasons stated in respective notes.

Our conclusion on the accompanying statement is not modified in respect of above matters.

Conclusion

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, read with Material uncertainty relating to the Going Concern and read with the matters in Para 5 under Emphasis of Matter paragraph above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Conclusion:

5. We draw attention to Note 10 to the Statement regarding non consolidation of one foreign subsidiary which has ceased its operations for a period exceeding three years. We are unable to comment on the impact, if any, on the financial results for the respective periods in the absence of the financial information of the said foreign subsidiary.

Material uncertainty related to going concern:

6. Attention is invited to Note 5 of the Statement regarding continued losses, erosion of net worth as at the year end, and significant reduction in the Holding Company's income from operations and other matters detailed in the said paragraph. These events and conditions indicate a material uncertainty which cast a significant doubt on the Holding Company's ability to continue as a going concern, and therefore it may not be able to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Holding Company to continue as a going concern is solely dependent on the finalisation and approval of the resolution process, which is not wholly within the control of the Holding Company.

The Management of the Holding Company has prepared these financial results on going concern basis considering status of process initiated by the Board and Interim Orders of NCLAT.

Our conclusion is not modified in respect of this matter.

Emphasis of Matter:

7. We draw attention to the following notes to the Statement:
- Note 4 regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies against Infrastructure Leasing & Financial Services Limited ('IL&FS'), and its subsidiaries (including the Holding Company). The financial results of the Holding Company for the quarter and nine months ended December 31, 2022 do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating agencies. Regulatory Authorities and other agencies, as the management, at this juncture, do not foresee any adjustments to be made in these financial results of the Holding Company as a result of investigations.
 - Note 6 regarding non recognition of interest expense, for the reasons stated in the note, of Rs.10,986 Lakhs and Rs.32,507 Lakhs on borrowings, (excluding penal / other interest and charges) for the quarter and nine-month period ended on December 31, 2022 pursuant to the Interim Order and the Judgement passed by NCLAT specifying October 15, 2018 as cut-off date for initiation of resolution process.
 - Note 8 regarding non-receipt of confirmation of balances as at December 31, 2022 from some lenders, customers and vendors. In the absence of confirmations, the adjustments, if any, on account of unsettled transactions, to the carrying values of assets and liabilities cannot be ascertained.

The adjustments, if any, arising out of the above matters to the carrying value of assets or to the amounts disclosed in financial statements, cannot be determined at this juncture for the reasons stated in respective notes.

Our conclusion on the accompanying statement is not modified in respect of the above matters.
