See accompanying notes to the consolidated financial results

NOTES:

- 1. The consolidated financial results of United Breweries Limited (("the Company" or "the Holding Company") and its subsidiary (together referred to as "the Group") together with its share of profit/ (loss) of its associate for the guarter ended December 31, 2022 and the year to date period from April 1, 2022 to December 31, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on February 8, 2023 and February 9, 2023, respectively, and have been subjected to limited review by the statutory auditors of the Holding Company. The consolidated financial results does not include the Holding Company's share of net profit/(loss) in respect of Kingfisher East Bengal Football Team Private Limited, an associate, which is considered as not material to the Group. The consolidated financial results for the quarter and year to date ended December 31, 2021 and year ended March 31, 2022 were reviewed/audited by previous auditors who had expressed an unqualified review conclusion/ audit opinion.
- 2. The consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3. As per Ind AS 108, operating segment is a component of the Company that engages in business activities, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ('CODM') to make decisions about resources to be allocated to the segment and assess its performance; and for which discrete financial information is available. Accordingly, the Company has identified its operating segments, as below:
 - Beer This segment includes manufacture, purchase and sale of beer including licensing of brands
 - Non-alcoholic beverages This segment includes manufacture, purchase and sale of non-alcoholic beverages
- Considering the seasonality of the business, the revenue and profits do not accrue evenly over the year in respect of aforesaid operating segments. The Group's CODM does not review assets and liabilities for each operating segment separately, hence segment disclosures relating to total assets and liabilities have not been furnished.
- The Holding Company received an order dated September 24, 2021 under Section 27 of the Competition Act, 2002 from the Competition Commission of India ("CCI") ('the CCI Order'), wherein the CCI concluded that the Holding Company and certain executives (including former executives) of the Holding Company contravened the provisions of Section 3 of the Competition Act, 2002. The CCI levied a penalty of Rs 75,183 Lakhs on the Holding Company. On December 8, 2021, the Holding Company filed an appeal against the aforesaid CCI Order before the National Company Law Appellate Tribunal ('NCLAT'). The NCLAT vide its order dated December 22, 2021 granted a stay of the CCI Order during the pendency of the appeal, including recovery of the penalty imposed by the CCI, subject to deposit of 10% of the penalty amount by the Holding Company. The Holding Company has accordingly deposited Rs. 7,518 Lakhs in the form of Fixed Deposit Receipt (FDR) with the Registrar, NCLAT which is presented under "Other non-current assets". The FDR was valid till December 24, 2022 and as per NCLAT order dated December 8 2022 the FDR aggregating to Rs.7,793 Lakhs was renewed for another period of six months. On December 23, 2022 NCLAT passed its judgment and dismissed the appeals filed by the Holding Company and other appellants. The Holding Company has filed appeal against NCLAT order dated December 23, 2022 before the Supreme Court of India on January 30, 2023 under Section 53T of the Competition Act, 2002.

Based on the advice of the external legal experts, the Holding Company is of the view that the Director General, the CCI and the NCLAT has not considered all aspects of its submissions particularly considering the nature of the regulations governing the manufacture, distribution and sale of beer in India. As advised by the Holding Company's external legal experts, the Holding Company has a strong case on merits, there exists uncertainty relating to the final outcome in this matter, which is dependent on judicial proceedings; and that it is not in a position to reliably estimate the final obligation relating to penalties, if any. Accordingly, no provision has been recorded in the books of account and the same has been considered as a contingent liability in accordance with Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets.

5. The Bihar State Government ("the Government") vide its notification dated April 5, 2016 had imposed ban on trade and consumption of alcoholic beverages in the State of Bihar. The Holding Company had filed a writ petition with the High Court at Patna, requesting remedies and compensation for losses incurred on account of such abrupt notification, which was allowed by Patna High Court and against which the Government preferred a special leave petition before the Supreme Court of India. Further, the Government did not renew brewery licenses for the financial year 2017-18 onwards and consequently the Holding Company discontinued production of beer at Bihar. The matter is currently pending before the Supreme Court for final conclusion.

During the financial year 2018-19, in order to maintain the assets in running condition, the Holding Company commenced manufacture of non-alcoholic beverages at its existing manufacturing facility at Bihar using its existing property, plant and equipment. The Holding Company carried out an impairment assessment of its property, plant and equipment and the recoverable amount for these property, plant and equipment is determined by an external valuer based on a fair value less cost of disposal calculation.

Effective May 1, 2022, the Holding Company has closed its manufacturing operations from Bihar unit and has made alternative arrangement for manufacturing non-alcoholic beverages on contract basis with a third-party contractor, considering the economies of scale of operations for non-alcoholic beverages. The Holding Company has received a show cause notice dated June 25, 2022 from Bihar Industrial Area Development Authority (BIADA) for cancellation of its land lease at Bihar considering non-operation of the manufacturing unit. The Holding Company, based on legal advice, has filed its response to the said show-cause notice stating that there has been no violation of the BIADA Act and the notice to the Holding Company is not maintainable. BIADA thereafter, issued another show cause notice dated November 2, 2022 to start production within 30 days failing which the allotment of land would be cancelled forfeiting the allotment money. The Holding Company sought six months' time to commence production as per the Amnesty Scheme of BIADA. However, BIADA cancelled allotment of land to the Holding Company vide order dated December 16, 2022 against which the Holding Company has filed a writ before the High Court of Patna. The High Court vide order dated January 25, 2023 has directed to maintain status quo and also directed the Holding Company to file undertaking that it will commence commercial production in the unit. The Management is planning to restart production of non-alcoholic beverages in the unit. As at December 31, 2022, the carrying value of property, plant and equipment at Bihar is Rs. 9,110 Lakhs (net of impairment) based on fair value less cost of disposal calculation after considering contractual rights available to the Holding Company under the BIADAAct.

- 6. Employee benefits expense for the year ended March 31, 2022 and December 31, 2022 includes severance pay of Rs. 1,748 Lakhs and Rs. 409 Lakhs respectively, paid/payable to certain employees of the Holding Company on separation.
- 7. Based on an intimation received from a member of senior management of the Holding Company during the guarter ended June 30, 2022, the majority shareholder with the co-operation of the Holding Company initiated a review of the justification and appropriateness of commercial terms with certain distributors and vendors in certain states. During the guarter ended December 31, 2022, the review was concluded and based on the outcome of the review, no adjustments have been determined necessary to the unaudited consolidated financial results of the Holding Company for the guarter and for the nine months period ended December 31, 2022, on this account.
- 8. The change in the operating models in the states of Tamil Nadu and Andhra Pradesh, has seen recent volumes decline in these states inter alia on account of the post integration review undertaken by Heineken. This resulted in lower cash inflows due to reduction in revenue, which triggered an impairment review being performed across property, plant and equipment of the breweries in the two states. As a result, the impacted assets were reviewed for impairment on an asset-by-asset basis and an impairment of Rs 3,312 Lakhs was recorded on the property, plant and equipment for the two States. Management is reviewing opportunities to restore volumes in the states and, as such whilst there is no plan of restructuring as on date, potential risks of the Holding Company incurring additional costs remain.
- 9. The Holding Company had received orders from the Debt Recovery Tribunal, Karnataka, Bangalore (DRT), whereby the Holding Company has been directed not to pay/release amounts that may be payable with respect to shares in the Holding Company held by an erstwhile director (including his joint holdings) and certain other shareholders, without its prior permission; accordingly, the Holding Company has withheld payment of Rs. 3,812 Lakhs (net of taxes) relating to dividend on aforesaid shares. Further, the Holding Company had received various orders from tax and provident fund authorities prohibiting the Holding Company from making any payment to an erstwhile director; accordingly the Holding Company has withheld payment of Rs. 45 Lakhs (net of TDS), relating to director commission and sitting fees payable to the aforesaid erstwhile director.
- 10. The Code on Social Security, 2020 ("the Code) which would impact the contributions by the Group towards Provident Fund and Gratuity, has received Presidential assent in September 2020. The Code have been published in the Gazette of India. However, the date from which the Code will come into effect has not been notified. The Ministry of Labour and Employment (Ministry) has released draft rules for the Code on November 13, 2020 and has invited suggestions from stake holders which are under active consideration by the Ministry. The Group will complete its
- evaluation and will give appropriate impact in its consolidated financial results in the period in which the Code becomes effective and the related rules are published. 11. Previous year/periods figures have been regrouped/reclassified to confirm with the classification adopted in these consolidated financial results.
- 12. The consolidated financial results and notes are also available on the websites of the Stock Exchanges viz. www.bseindia.com and www.nseindia.com and also on the website of the Company viz. www.unitedbreweries.com.
