**Reference:-** An update on law suit filed by Copart Inc. ("Copart") against Sparta Consulting Inc. ("Sparta"), KPIT Infosystems, Inc. and Birlasoft Limited (Formerly KPIT Technologies Limited) ("Old KPIT").

Dear Sir / Madam,

Recently Sparta Inc, a subsidiary of Birlasoft Limited entered into a settlement agreement for an ongoing lawsuit over last few years with Copart Inc. Both the parties have reached an amicable settlement agreement for USD 2.8 million (₹194.66 million) payable by Sparta Inc to Copart Inc. with no party admitting any liability or wrong doing, resulting in the Court dismissing the case. As defined in the composite scheme of arrangement between the parties, the Company through its Subsidiary in USA has reimbursed Sparta Inc. fully and the same has been accounted for during the quarter for USD 2.8 million (₹194.66 million). With this outcome, the matter related to Copart is closed and there is no further exposure for the Company.

This is for your information please.

Thanking you,

Yours faithfully,

For **KPIT Technologies Limited**
